COLLECTIVE AGREEMENT

THIS AGREEMENT, effective April 1, 1998 to March 31, 2001 and entered into on the 19th day of January, 1999.

BETWEEN:

CAPILANO COLLEGE, in the Province of British Columbia,
(hereinafter called the “College” or the “College Board”)

OF THE FIRST PART

AND:

OFFICE AND PROFESSIONAL EMPLOYEES’
INTERNATIONAL UNION, (hereinafter called the “Union”)

OF THE SECOND PART

WHEREAS the College Board is an employer within the meaning of the
Labour Relations Code of British Columbia;

AND WHEREAS the Union is a Trade Union within the meaning of the said
Act and is the bargaining authority for that group of employees engaged as staff at Capilano
College and its various centres:

NOW THIS AGREEMENT WITNESSETH that the parties hereto agree each
with the other as follows:

ARTICLE 1 - PREAMBLE

1.01 PURPOSE OF AGREEMENT

The purpose of this Agreement is to set forth and establish the terms and conditions of employment so that efficient operations and harmonious relationships may be maintained between the College and the Union to the benefit of both Parties and the community they serve.

1.02 EXISTING LEGISLATION

The Parties recognize and agree that they cannot be obligated or bound by any term, condition or provision which would be contrary to any existing Federal or Provincial legislation. In the event that any term, condition, or provision, or part thereof, which is incorporated into this Agreement, whether by inadvertence, error, or misunderstanding, is in fact or in law contrary to such Federal or Provincial legislation, then such term, condition or provision or part thereof, is void and of no effect.

1.03 FUTURE LEGISLATION

In the event that future Federal or Provincial legislation makes invalid any provision of this Agreement, the remaining provisions shall remain in effect for the term of the Agreement. The College and the Union shall confer to settle upon a mutually agreeable provision to be substituted for the provision so altered or invalidated.

1.04 HUMAN RIGHTS

(a) Application

The Parties agree that the provisions of Section 8 of the *Human Rights Act of British Columbia*, SBC 1984, Chapter 22, apply as though included in and forming part of this Agreement, and for the purposes of this Agreement personal life style, sexual orientation, physical disability unrelated to job performance, previous and current psychiatric treatment unrelated to job performance and number of dependants shall not constitute reasonable cause for the purposes of Sub Section 1 of the said Section 8.

(b) Unfair Labour Practices

The Parties acknowledge and agree to observe the prohibitions contained in the Unfair Labour Practices section of the *Labour Relations Code* of British Columbia.

1.05 NO OTHER AGREEMENT

(a) Sole Bargaining Agent

The College recognizes the Union as the sole bargaining agent for all employees covered by the Union's certification.

(b) Conflict of Terms

No employee within the Union certification shall be required or permitted to make a written or verbal agreement with the College or its representatives which may conflict with the terms of this Agreement, except where this Agreement permits such individual agreement.

1.06 USE OF FEMININE AND SINGULAR TERMS

The feminine gender is used throughout this Agreement for convenience only and by no means is intended to exclude male employees from the provisions herein. Wherever the feminine or singular is used, the same shall be construed as meaning the masculine or plural unless otherwise specifically stated.

1.07 CORRESPONDENCE

The Parties recognize and agree that unless specifically indicated to the contrary, all notifications and correspondence directed to the Union office shall be addressed to the Union, and those directed to the College shall be addressed to the Executive Director of Human Resources.

1.08 HEADINGS

The headings and sub-headings used in this Agreement are inserted for convenience and reference purposes only and shall not be used as an aid to interpretation.

ARTICLE 2 - UNION RECOGNITION AND NEGOTIATION

2.01 BARGAINING UNIT DEFINED

The bargaining unit is as in the Certification issued by the Labour Relations Board of British Columbia on December 17, 1974, as amended on March 31, 1983 and on November 18, 1986.

2.02 MANAGEMENT RIGHTS

(a) Rights of College

The Union recognizes and agrees that except as specifically abridged, delegated, granted or modified by this Agreement, all of the rights, powers and authority the College had prior to the signing of this Agreement are retained solely and exclusively by the College, and remain without limitation within the rights of management, which rights are not subject to the grievance procedure or arbitration.

(b) Affairs and Facilities

Without limiting the generality of the foregoing, the College reserves the sole and exclusive right to operate and manage its affairs and facilities in all respects as it sees fit, including the right to hire, discipline or discharge for just and sufficient cause, and to make and alter from time to time rules and regulations to be observed by the employees, except that this right shall not supersede any other express provisions of this Agreement.

(c) Fair and Reasonable

The College agrees that, in the exercise of its rights as set out above, it must act in a fair and reasonable manner.

2.03 NEW POSITIONS

(a) Notification of Union

When the College creates any new position during the term of this Agreement, except those positions included in another Union's certification, or instructional administrators to whom faculty report, the Union shall be notified immediately and, at the request of either party, the parties will meet to discuss whether or not the position is covered by the Union's certification. In the event of disagreement, the Labour Relations Board will be asked to decide the issue, if referred by either party.

(b) Disagreement

In any event, if the Parties cannot agree within five (5) days of the notice of the new position, the College may fill the position in which case it shall establish an interim salary group, and shall extend to any employee appointed, the same terms and conditions applicable as if the Union Certification covered the position, pending the agreement of the Parties or a decision of the Labour Relations Board.

2.04 SALARY FOR NEW POSITIONS

Where the Parties agree or the Labour Relations Board decides that a new position is included within the unit, a salary grouping for the position will be discussed. If the Parties cannot agree within five (5) days of the decision that the new position is included within the unit, on a salary grouping applicable to the position, the College may establish a salary group for it temporarily and the grievance procedure shall apply and the issue may proceed to final and binding arbitration if necessary.

2.05 EXCLUSIONS

It is agreed that the following positions are excluded from the bargaining unit. The College may add positions to, or delete positions from, this list. If the Union does not agree with changes to the list it may ask the Labour Relations Board to review the changes and make a final determination of the bargaining unit status of the positions in question.

It is understood that participation is subject to approval of the carrier of the Plan. The Union will reimburse the College for the cost of such premiums. If the duration of the leave exceeds 8 months, the College may fill the position and the person so chosen shall be considered as having temporary full-time or temporary part-time status notwithstanding the categorization otherwise applicable under Article 9.

5.03 COLLECTION AND FORWARDING OF DUES

(a) Findings

inform the Minister of Labour of her findings; and

While the method utilized by the College for staffing these needs shall be at its discretion, the College undertakes to refer, in a seniority sequence, former or current employees' names on the Recall List. It is clearly understood that insufficient lead time for an appointment of less than one (1) month will inhibit the College's ability to meet this undertaking. The College will advise the Union in writing of any renewals to one month hires. One month hires may be renewed twice, for a maximum duration of three (3) months, at which point, unless waived by agreement of the parties, the provisions of Articles 25.03(c) will apply to any further hire.

(b) Durations from One (1) Calendar Month to Three (3) Calendar Months Maximum

- (i) Where the class specifications and major work area of a job opening is one for which there has been a previous appointment, a previous incumbent shall have the first right to the appointment, except where there is an employee on a Layoff List pursuant to Article 12.06(k) in which case Article 25.03(d) shall govern.

(c) Duration of Greater than Three (3) Months

- (i) Where the class specification and major work area of a job opening is one for which there has been a previous appointment, a previous incumbent shall have the first right to the appointment unless the job opening is for a position created under Article 9.07, or where the job opening is of a temporary nature and where there is an employee on a Layoff List pursuant to Article 12.06(k) in which case Article 25.03(d) shall govern.

A designated Councillor, or her designate, shall be advised of the name of the successful candidate chosen pursuant to the competition procedure at the time of the candidate's acceptance of the College's offer. In addition, the Union shall receive a copy of all Personnel Hiring Forms. the employee must, as a condition of being granted the leave of absence, maintain the coverages in those plans. The employee must pay 100% of the premiums for those coverages during such leave in advance.

28.10 ENROLMENT

Enrolment in any Benefit or Insurance Plan is not completed until the employee has completed an Application/Waiver form (Appendix "C"), and application cards have been signed by the employee, acknowledged by the College and acceptance by the Insurer has been confirmed.

28.11 DEDUCTIONS: PREMIUMS AND CONTRIBUTIONS

The administrative procedure applicable to a benefit or insurance plan shall determine if the deduction of an employee's contribution toward the premium payments precedes or follows the coverage period to which it is applicable.

ARTICLE 29 - GENERAL CONDITIONS

29.01 POLITICAL ACTIVITY

The College agrees not to apply restrictions on employees who wish to engage in political activities on their own time.

29.02 CONTRACTING OUT

(a) Work Normally Performed by Employees

The College agrees not to contract out any work normally performed by employees covered by this Agreement, as of the date of signing of this Agreement, which would result in the laying off or displacement of such employees, or which would delay the recall of employees who have been laid off or the rehire of employees on the Recall List.

(b) Contracts for Work

The College will consult with the Union if any contract for work which could be performed by members of the bargaining unit falls for renewal during the period when employees are laid off or displaced or on the Recall List.

(c) Discussions with Union

Any contract which the College contemplates and which is a break in the present pattern of work contracted out by the College will be discussed with the Union.

(d) Exceptions

Notwithstanding the aforementioned provisions of this Article, it is mutually agreed to exempt from application of 29.02(a) and 29.02(b) the following existing areas of contracted services: janitorial, security, payroll, accounting and food. This provision has application until and unless a ruling or direction of the Labour Relations Council of British Columbia nullifies its effectiveness.

29.03 CONSULTATION

(a) Change in Equipment

Where a requirement arises to change, replace or add to existing equipment, employees using such equipment must be consulted prior to the rental or purchase of such equipment for their working area.

(b) Renovations

Where renovations which may affect the working area of employees are planned for an existing building, employees from the areas concerned shall be consulted regarding such renovations, before they may begin.

(c) Consultation

Where permanent change is considered in the location of work areas or in working procedures, employees concerned must be consulted before any changes may begin.

(d) Implication of Consultation

The consultation as noted above does not in any way imply that the College's decision to act is subject to employee consent, only that she is consulted.

29.04 COMMUNITY FACILITIES

Employees shall be allowed the use of College recreational facilities such as tennis courts, exercise room, etc. during hours scheduled for such purposes.

29.05 ABSENCE WITHOUT LEAVE

(a) Absence Without Notification

If an employee is absent without having notified the Human Resources office of the College, and the College has been unsuccessful in a reasonable attempt to contact the employee, such absence may be treated by the College as just cause for discipline.

(b) Repeated Absence

Repeated absence without leave may be just cause for termination.

29.06 RETIREMENT

(a) Age of Retirement

The parties agree that an employee may be retired, effective at the end of the pay period in which the employee attains the age 65. Upon mutual agreement between the employee, the Union and the College, an employee may continue in her position with the College after the age of 65 subject to annual review.

(b) Review

The College shall make every reasonable effort to carry out the review and seek the agreement required under 29.06(a) at least two (2) months prior to the anniversary date as measured from the employee's birthdate.

(c) Withholding Agreement

If at any time the College withholds agreement, either initially or upon any annual review, for any employee to continue to work beyond the age of 65 pursuant to Clause(s) 29.06(a) and/or (b) above, the College shall notify both the employee concerned and the Union in writing and the Union shall have the right, on behalf of such employee, to submit the matter to a retirement adjudicator who shall be a judge of the Supreme Court of British Columbia or the Court of Appeal of the Province unless another person is mutually agreed between the Parties. The Union must make such referral within sixty (60) calendar days of receipt of the written notification from the College.

- (i) The retirement adjudicator referred to in this Clause 29.06 shall have all of the jurisdiction and authority of an arbitrator acting under this Agreement and the *Labour Relations Code of British Columbia*, or any successor legislation.
- (ii) Without limiting the generality of Clause 29.06(c)(i) above, the retirement adjudicator shall have the right and authority under this Agreement to determine whether or not the employee concerned is competent to continue employment in her current job based upon her work performance and the *bona fide* occupational requirements of the College as reflected in the class specification for the position at issue.
- (iii) An employee who wants to continue to work beyond age 65 in accordance with this Clause 29.06 shall continue to do so until he or she decides to retire or a retirement adjudicator determines under this Agreement that such employee is no longer competent for continued employment, in which case the employee shall be retired by the College, effective upon the date set by the retirement adjudicator.
- (iv) The costs and fees, if any, for any retirement adjudicator acting pursuant to the provisions of this Clause 29.06 shall be borne equally by the College and the Union.

(d) Rights and Privileges

An employee working beyond the age of sixty-five (65) shall continue to receive all the rights and privileges provided in this Agreement except those specifically excluded by legislation or the provisions of a benefit plan.

(e) Library Card and Access to Facilities

A retiree shall be provided with a library card at no charge as a community borrower and allowed access to the College's facilities as if she were a registered student.

(f) Tuition Costs

The College shall waive all tuition costs of any courses taken at the College (subject to the restrictions in 29.10 (b) and (c)) by retirees provided the employee has completed a minimum of five (5) years service with the College and no additional costs result to the College by the employee's enrolment in the course.

(g) Employee Assistance Plan

Retirees shall have access to the Employee Assistance Plan as if they were employees of the College for a period of two (2) years immediately following the date of retirement.

29.07

EARLY RETIREMENT PLAN

(a) Eligibility

The College shall offer to any employee, who requests early retirement, the choice of one of the early retirement incentive alternatives described herein, provided the employee meets the following qualifications:

- is age 55 or over;
- has a minimum of ten (10) years of pensionable service under the Municipal Superannuation Plan;
- is a regular employee at the time of early retirement;
- is on the maximum step of the salary scale;
- elects to cease employment with the College for the purposes of retirement.

The College is not required to offer early retirement to an employee under this provision where the costs of such early retirement will not be entirely recovered through the lower costs of a replacement hire in the two years following the effective date of the retirement.

(b) Agreement

An employee has the right to accept or decline an early retirement incentive offer made by the College within thirty (30) days of the offer being proposed. In the event of acceptance of an offer of early retirement, the employee's date of retirement or commencement date of leave under Option "B" hereof shall be effective on a date mutually agreed upon between the employee and the College.

- (i) Agreement shall be in writing and shall specify the early retirement date with the incentive option agreed upon.
- (ii) Acceptance must take place before the termination date of this Agreement. Retirement or commencement of leave under Option "B" hereof may take place after the termination date of this Agreement.

(c) Benefit Options

*** (i) Lump Sum Payment (Option "A")**

The retirement benefit will be paid in one sum on the date of retirement or on an agreed-upon deferred date or in predetermined instalments acceptable to the employee, and will be based on scale salary without allowances in the following amounts:

<u>Full Years to Retirement</u>	<u>Payout</u>
1	Up to 15% of annual salary
2	Up to 30% of annual salary
3	Up to 45% of annual salary
4	Up to 60% of annual salary
5 or more	Up to 75% of annual salary

(ii) Purchase of Past Service Contributions for Early Retirement (Option "B")

The College will purchase, on behalf of the employee, past service contributions to the Municipal Superannuation Plan equivalent to the value of the lump sum payment to provide for immediate early retirement benefits.

(d) Financial Counselling

Each employee who accepts one of the foregoing incentives is entitled to attend a financial Planning Workshop and to receive three (3) subsequent personal financial consultations conducted by a firm of qualified financial consultants selected by the College. Fees for consultative sessions to a maximum of \$80 per session will be borne by the College.

29.08 EMPLOYEE FILE**(a) Inspection**

An employee may, at a mutually convenient time, inspect the contents of her Personnel File. Any document found therein may be copied. If the contents of any document on file are disputed, the eventual resolution, be it through the grievance procedure or otherwise, shall be entered in her file.

(b) Incidental Information

The College and the Union agree that in the interest of good communication, employees shall receive copies of incidental written complaints and positive reports on their performance which, although they do not constitute Personnel file documentation, have been brought to the attention of an Administrative Head. Employees will be given the opportunity to reply to incidental complaints.

See also Article 10.06.

29.09 EVALUATION

Before the College implements a performance evaluation system applicable to staff it will consult with the Union on the form, content and timing of such a system.

When an employee's performance is evaluated, the employee concerned shall be given the opportunity to read and review the evaluation. The procedure shall provide for the employee's acknowledgement through signature that she has read the evaluation and has been given a copy of it. The procedure shall also provide that an employee may comment on the evaluation and that her comment shall be considered as part of that evaluation.

29.10 CAPILANO COLLEGE COURSES

(a) Credit Courses

Any employee with an employment status of twenty (20) or more hours per week may register for unlimited Capilano College credit courses without payment of tuition fees and registration fees.

(b) Continuing Education Courses

Any employee and/or her immediate family may register for a total of three (3) Capilano College continuing education courses (credit free) in any calendar year without payment of tuition fees. In the case of continuing education courses (credit free) the employee shall be entitled to the waiver only after the minimum enrolment has been met by fee payers. There shall be no waiver for non-tuition costs such as travel costs for field trips, excursions, and tours.

(c) Cost Recoverable/Non-base Funded Courses

In the case of credit courses that are offered on a cost recoverable basis (i.e. non-base funded courses), only the amount of tuition equivalent to the fees for a regular base funded credit course shall be waived; any additional tuition costs must be paid by the employee.

(d) Time of Course

Such courses shall be taken outside the employee's normal working hours. If such courses are only offered during regular working hours, permission shall be obtained from the Administrative Head responsible to enable course attendance provided that arrangements satisfy the making up of time absent at no cost to the College.

(e) Commencement and Completion

All courses taken must commence and end within the duration of an employee's employment status. If an employee ceases to be employed by the College before completion of a course, she may be required to pay the tuition fees for the course.

29.11 PYRAMIDING

Where an employee holds more than one (1) appointment with the College within the Union's certification, the College shall review Health Benefit entitlements on an "individual case" basis and extend where possible benefit coverage based on such pyramiding employment.

29.12

PERSONAL AND SEXUAL HARASSMENT**(a) Prohibition Against Personal and/or Sexual Harassment**

The College recognizes the right of all employees to work in an environment which is free of personal and/or sexual harassment. Accordingly, the personal and/or sexual harassment of any employee is prohibited.

The Parties also recognize the right of students to learn in an environment free from personal and/or sexual harassment.

(b) Definition Of Personal Harassment

Any discriminatory behaviour at or related to the workplace which denies an individual their dignity or respect or which adversely affects their terms or conditions of employment or their job security or career advancement prospects by creating an intimidating, coercive, restrictive, offensive, embarrassing or humiliating work environment is considered to be personal harassment.

Such prohibited discriminatory behaviour is defined as any discrimination on the basis of race, national or ethnic origin, colour, citizenship, place of residence, age, sex, sexual preference or orientation, marital status, family status, number of dependants, pregnancy or childbirth, physical or mental disability where the disability does not render the employee incapable of fulfilling her employment duties and obligations, conviction for which a pardon has been granted, political or religious affiliation or beliefs, or membership or activity in any trade union.

(c) Definition Of Sexual Harassment

Sexual harassment is comment or conduct of a sexual nature, including sexual advances, requests for sexual favours, suggestive comments or gestures, or physical contact, including assault, when any one of the following occurs:

- (i) the conduct is engaged in, or the comment is made by, a person who knows, or ought reasonably to know, that the conduct or comment is unwanted or unwelcome;
- (ii) the conduct or comment has the effect of creating an intimidating, hostile or offensive environment, and may include the expression of sexist attitudes, language and behaviour;

- (iii) the conduct or comment exploits the fiduciary relationship between students and employees of the College;
- (iv) the conduct or comment is accompanied by a reward, or the express or implied promise of a reward, for compliance;
- (v) the conduct or comment is accompanied by reprisal, or an express or implied threat of reprisal, for refusal to comply;
- (vi) the conduct or comment is accompanied by the actual denial of opportunity, or the express or implied threat of the denial of opportunity, for failure to comply.

(d) Complaints

An employee who believes that she has a complaint of sexual harassment or personal harassment is encouraged to make a direct request of the alleged harasser that the offensive behaviour or actions cease. If the request is unsuccessful, or if it is considered inappropriate, or uncomfortable to make such a request, the complainant may seek the confidential advice of the Union or the Harassment Policy Advisor.

- (i) An employee may initiate a grievance under this clause at any step of the grievance procedure or the procedures set out in the Capilano College Harassment Policy and Procedures document, dated November 1, 1991. Grievances under this clause will be handled with all possible confidentiality and dispatch. An employee who commences a complaint under the Capilano College Harassment Policy and Procedures document shall not forfeit their entitlement to pursue a complaint through the grievance procedure under the Collective Agreement.
- (ii) If the alleged offender is an employee covered by the Union's certification, she shall be entitled to notice, as soon as possible, of the substance of the personal and/or sexual harassment complaint made against her.
- (iii) During any investigation and/or grievance procedure, the College agrees to monitor the working environment of individuals involved to protect their rights pursuant to Article 29.12 (a).

(e) Personal Harassment

The Union will incorporate the definition of Personal Harassment developed by the Personal Harassment Committee at the College into the Collective Agreement, replacing the documents signed January 29, 1993, provided the OPEIU membership at Capilano College ratify the replacement definition by a two-thirds majority, at a Union membership meeting.

29.13 ELECTRONIC MONITORING

The College agrees to provide the Union with notice of equipment and facilities which are to be installed for the purpose of monitoring and measuring individual employee performance.

29.14 PERSONAL DUTIES NOT REQUIRED

No employee shall be required to perform work or duties that are unrelated to the work of the College and are of a personal nature for any other employee of the College.

29.15 PROTECTION AGAINST LEGAL ACTION

The College shall:

(a) Protection for Employees

exempt and save harmless each employee from any liability action arising from the proper performance of her duties for the College, and

(b) Protection for Retired Employees

exempt and save harmless each retired employee from any liability action arising from the proper performance of her duties for the College prior to her retirement, and

(c) College to Assume Costs

assume all costs, legal fees and other expenses arising from any such action.

APPENDIX B **CLASS SPECIFICATION INFORMATION AND CRITERIA**

(Reference Article 26 of the Agreement)

An integral part of the Classification Plan is the Class Specification. It acts as a guide in determining the nature and scope of work assigned to an employee. It assists in determining the type of employee needed to perform certain functions within a department or section. The Class Specification provides an employee with the requirements and qualifications of a position so that she may prepare herself accordingly.

The Class Specification includes a Class Title, a statement of the distinguishing features of work of the class, a list of examples of work performed, a section in which are listed those knowledges, abilities and skills which are needed by the applicant or incumbent for successful performance of the work, and a statement of required training and experience for a new appointee, which would ordinarily provide a person with the necessary qualifications. The class specification may also include areas relating to: decisions required; supervision received; effect of errors, contacts; supervision of other employees; physical demands; and working conditions. Each specification must be considered as a whole for the purpose of describing and defining a class, or for allocating a position to a class. Although each section has its special uses, an adequate understanding of the class can be gained only by considering all parts together.

The Distinguishing Features of Work section provides a description of the salient features which distinguish the class from other classes of work. This is an evaluation of the class in terms of the elements of difficulty and responsibility involved in the work. As such, it serves to establish the level of the class and is one of the sections most heavily relied upon in allocating positions to the class.

The section setting forth the Examples of Work Performed is intended to enable the reader to obtain a more complete picture of the actual work performed in positions in the class. The list is descriptive and is not intended to limit administrative authorities in the assignment of duties and responsibilities to the position. It does not describe all the work performed. It merely serves to illustrate the typical portions of work.

The Requirements of Work section lists those knowledges, skills and abilities which are necessary for successful performance of the work of the class. These are written in terms that are requirements of an applicant before appointment. The levels of knowledge used in this section are expressed in five broad degrees; they include: some knowledge, working knowledge, considerable knowledge, thorough knowledge and extensive knowledge. As a guide for interpreting the Specifications, definitions for these terms are listed:

Extensive knowledge implies the most advanced degree of knowledge necessary for complete mastery and understanding of the subject.

Thorough knowledge implies almost complete coverage of the subject matter area. For successful performance of the work sufficient comprehension of the subject matter is necessary to solve unusual as well as commonplace problems.

Considerable knowledge implies sufficient acquaintance with the subject to perform the work with little direct supervision and a journeyperson comprehension of normal work situations.

Working knowledge implies an awareness of the subject sufficient to work effectively in a limited range of work situations.

Some knowledge implies familiarity with the elementary principles and terminology of the subject matter.

Skills refer to and are limited to manual skills.

Abilities refer to the capacities making possible the application of knowledge and skills to work situations.

Requirements such as honesty, integrity, initiative and sobriety are implied for all positions.

In some specifications a statement of necessary special requirements is included. This is done only when statutory or other legal requirements establish a definite minimum qualification such as possession of a license or registration certificate before appointment.

Conception of the Class Specification

It must be emphasized that each specification must be considered as a whole for the purpose of describing and defining a class. Although each section has its special usages, an adequate conception can be gained only by consideration of all the sections in relation to each other.

Flexibility of the Classification Plan

In order to serve its purpose as an administrative tool in developing the Human Resources Program, the Classification Plan is not intended to be rigid or binding to future changes in organization, individual positions or functions. The Classification Plan is an analysis and description of the work presently performed in the College. Because organization, positions and functions are constantly changing, the Classification Plan must also be changed to keep abreast of the requirements of the College. Unless it is made a perpetual inventory by creating, abolishing and changing classes as required, it will be out of date and will be a hindrance rather than an aid to effective Human Resources administration. In addition to day-to-day adjustments, periodic audits of the whole plan are essential for maintaining good relationships and preventing accumulation of discrepancies.

APPENDIX “D”
CANADA LIFE APPEAL PROCESS

TERMINATION OR DENIAL OF A DISABILITY CLAIM

An employee wishing to appeal either the termination or denial of a disability claim must do so in writing within sixty days of the termination or denial letter from Canada Life. The appeal must be accompanied by a narrative report from an appropriate and accredited treating physician. The report should list diagnosis, treatment, prognosis, and limitations and restrictions preventing the employee from performing the essential duties of her occupation. For an employee who has been on long term disability for as long as two years, the limitations and restrictions must be shown to prevent the employee from performing the essential duties of any position to which she is suited by background and training. Appeals are reviewed by a claim specialist at Canada Life and sent for a second opinion to another claim specialist.

An employee wishing to make a second appeal may submit new medical evidence in writing within thirty days. The second appeal is reviewed by an internal review committee at Canada Life.

An employee wishing to make a third appeal may submit new medical evidence in writing within thirty days. The third appeal is reviewed by the Canada Life head office senior review committee.

PAYMENT OF MEDICAL REPORTING

Any specialist or physician's charges incurred in providing medical reporting, either written narrative or completion of claims forms, are paid by the employee. This includes the expense of having a physician provide medical information for the purpose of appealing the termination or denial of a disability claim. The insurer will only pay for those reports which are written in response to questions that Canada Life has asked directly of the physician or for reports resulting from an employee's attendance at an independent medical examination required and scheduled by Canada Life.

Re: Joint Committee on Gainsharing - Terms of Reference

The Parties hereby agree to pursue gainsharing under the following terms and conditions:

1. The parties recognize there may be operational efficiencies, not directly related to amendments to the Collective Agreement, which may be gained through a cooperative approach to organizational analysis and change. The parties agree to provide broad support for changes and initiatives that are likely to generate these efficiencies.
2. The Union and the College will each appoint three (3) members to an equal-representation, Joint Committee on Gainsharing, (the “JCOG”) to:
 - a. Generate, examine and initiate changes, initiatives and programs that are capable of generating service and/or productivity improvements that will attract a justified portion of the up to 1% gainsharing payments and salary increase that will be available under the April 1, 1998 – March 31, 2001 Collective Agreement.
 - b. Establish the substantial share of the gains that derive from real productivity and service improvements that will accrue to each Party.
3. The JCOG will meet within 90 days of ratification of the Agreement and as often as it deems necessary thereafter and endeavor in good faith to produce a written, comprehensive Gainsharing Plan founded upon the savings generated by cost-effective client service, training and development, technological and/or business process improvements.
4. The payments of targeted gainsharing amounts, or portions thereof, are subject to the following:
 - a. The production of an agreed Gainsharing Plan prior to the expiry of the Collective Agreement.
 - b. Ratification of the Gainsharing Plan by each Party’s principals, and

c. The realization of all or a portion of the gains described in the Gainsharing Plan.

Re: Workload – Letter of Understanding

The College agrees that it will establish the Joint Workload Review Committee within 90 days of ratification of the Collective Agreement. The Committee will undertake a workload survey of all employees to highlight areas of concern. After the survey has been completed, the Committee will meet to prepare a procedure for adjudicating workload complaints.
