ARTICLE 1 - GENERAL PURPOSE1.01 **PURPOSE**

The purpose of this agreement is to set forth and establish the terms and conditions of employment so that efficient operations and harmonious relationships may be maintained between the College and the employees to the benefit of both parties. The College and the Union will endeavour to ensure that all employees are treated in a dignified and respectful manner.

1.02 **REPRESENTATION / OTHER AGREEMENTS**

An Employee or group of Employees within the Union Certification shall not undertake to represent the Union at meetings with the College without the proper authorization of the Union. The College shall not undertake to bargain or enter into any agreement with an individual employee or group of employees. The College shall transact business related to its membership through the Union Standing Committee.

ARTICLE 2 - RECOGNITION

2.01 BARGAINING UNIT

The College recognizes Local 29, Pulp, Paper and Woodworkers of Canada as the sole bargaining agent representing all employees as defined in the certification from the Industrial Relations Council. (Original certification issued by the Labour Relations Board on July 8th, 1982).

2.02 MANAGEMENT RIGHTS

The Union recognizes and agrees that except as specifically abridged, delegated, granted or modified by this Agreement, all the rights, powers and authority the College had prior to the signing of any Agreement between the Union and the College are retained solely and exclusively by the College and remain without limitation within the rights of management.

Without limiting the generality of the foregoing, the College reserves the sole and exclusive right to operate and manage its affairs and facilities in all respects as it sees fit, including the right to hire, sanction or dismiss for just and sufficient cause, and to make and alter from time to time rules and regulations to be observed by the employees, except that this right shall not supersede any other express provisions of this Agreement.

2.03 UNION RIGHTS

The College agrees that management employees who are excluded from the PPWC bargaining unit will not be scheduled for work contained in a College job description, which is normally performed by employees covered by this agreement except:

- a. in cases of emergency or where there is an immediate short-term need for the work of the College to be done, or
- b. in cases where, due to the nature of the work performed, the employee cannot be replaced from within the bargaining unit, or
- c. in cases where common job duties are performed by both excluded employees and bargaining unit employees.

ARTICLE 3 - DEFINITIONS

3.01 EMPLOYEE

"Employee" shall mean any person employed by the College who is covered by the bargaining unit as determined in Article 2.

3.02 FULL-TIME EMPLOYEE

A full-time employee shall mean any employee who normally works a regular work week of thirty-five (35) hours per week as defined in Article 13 (Hours of Work). Such employees will be paid by the month.

3.03 PART-TIME EMPLOYEE

A part-time employee shall mean any employee who normally works less than thirty-five (35) hours per week. Such employees will be paid by the hour.

3.04 REGULAR EMPLOYEE

At the conclusion of the Leave Replacement or Fixed-Term appointment, s/he shall be entitled to return to his/her previous position. A regular employee shall retain his/her entitlements to vacation and sick leave while on such appointments.

3.05 SEASONAL EMPLOYEE

- a. Seasonal employee shall mean a regular employee whose appointment is created due to seasonal requirements for a period not exceeding ten (10) calendar months in duration.

If an employee's seasonal position is declared redundant, or if a seasonal employee is laid-off during the term of the seasonal appointment, the employee shall have the rights afforded him/her in Article 10 (Seniority) and Article 11 (Layoff). Otherwise, completion of a seasonal appointment shall not constitute lay-off.
- c. After the completion of a seasonal appointment, if a seasonal position is deemed to be redundant, the College shall within ten (10) working days of this determination being made, notify the Union Standing Committee and the affected employee(s) in writing. In such instances Article 10 (Seniority) and Article 11 (Lay-off) shall apply. *
- d. An employee on a seasonal appointment shall be granted vacation with pay as per the provisions of Article 19.01 (Annual Vacation Entitlement). *

All vacation times must have the prior written permission of the Department Head. It is recognized that seasonal appointees will normally schedule their vacation at those times when their services are not required.

- e. An employee on seasonal appointment shall receive those fringe benefits as outlined in Articles 26.01, 26.02 (subject to Carrier Conditions), 26.03 and 26.04. The right of employees on seasonal appointments to contribute to benefit plans under this Agreement during the period when they are not employed (see 3.05(b)) shall continue for a period of six (6) months. This provision is subject to carrier conditions and with the understanding that the employee bears the full premium cost. An employee may elect to prepay the premium cost by payroll deduction by specifying the details in writing to Human Resources.
- f. *Seasonal appointees employed for a term exceeding nine (9) months and whose normal work week is thirty (30) hours or more, vacation shall be calculated based on the term of the appointment times the applicable rate, and may be taken at any time throughout the appointment (subject to 3.05 (d)). It is understood that should the employee resign prior to the appointment termination, s/he will repay any unearned time that has been taken. The parties agree that this clause will constitute the written assignment required of the employee for repayment.

3.06 FIXED-TERM EMPLOYEE

- a. A fixed-term employee shall mean an employee whose appointment is for a defined period of time not to exceed eighteen (18) months, and is funded through non-base monies. An employee's term may be extended beyond eighteen (18) months with the written approval of the Union Standing Committee.
- b. Fixed-term employees are entitled to the same rights and provisions of the collective agreement as seasonal employees, excepting 3.05(c) and 3.05(e).
- c. An employee on a fixed-term appointment shall receive those fringe benefits as outlined in Articles 26.01 or 26.02 (subject to Carrier Conditions), 26.03 and 26.04.

3.07 LEAVE REPLACEMENT EMPLOYEE

An employee who is hired or accepts a transfer to fill an existing position vacated as a result of an approved leave is a Leave Replacement Employee. Such employees have the same rights and provisions of the collective agreement as fixed-term employees.

3.08 CASUAL EMPLOYEE

- a. A Casual Employee shall mean an employee with an anticipated period of employment of less than ten (10) consecutive weeks in the same position and the same department. The employee's appointment may be extended beyond ten (10) weeks for up to an additional two (2) weeks. Such extensions require the written approval of the Union Standing Committee. Such approval shall not be unreasonably denied.
- b. Before hiring a casual employee, the College shall make every effort practicable to offer the hours to a part-time employee within the same department.

- c. An employee on a causal appointment shall receive vacation pay on each day cheque at the rate of 4% and only those fringe benefits guaranteed by law. Articles 10.06, 10.07, and 10.08 (Recall) shall not apply to these employees.
- d. If a position is posted (Article 9.01) and a Casual Employee applies for the posting, s/he shall be granted an interview provided:
 - (i) s/he has completed the equivalent of at least thirty (30) full-time days of employment in the six (6) month period immediately prior to the closing date of the posting, and
 - (ii) s/he possesses the necessary job-related knowledge, skills and abilities for the posted position.

If the Casual Employee is the successful applicant for a job posting and is awarded a non-Casual position, his/her service as a Casual Employee from June 1, 1997 forward shall be credited towards the accumulation of seniority. Notwithstanding the above, it is expressly agreed that the employee must serve a full three (3) consecutive calendar month probationary period in the position (3.09).

3.09 PROBATIONARY PERIOD

- a. On each new appointment (except as described in Article 9.03 (Promotion) and 9.04 (Transfer)), every employee shall serve a trial period of employment for the College to determine the employee's suitability in the performance of the employee's job.

Each new employee will be hired, on a three (3) consecutive calendar month probation basis during which period serious effort will be made by the supervisor to orientate the employee to the job and the College. It is understood that an employee on probation will have recourse to the grievance procedure after completing the first thirty (30) calendar days of said probationary period.

A progress report will be issued after forty-five (45) days. At the end of the probationary period, the employee's work record and general adaptability to the College's working conditions will be evaluated, in writing, and will state whether continuation of employment will occur. Failure of the employee to perform the job to the satisfaction of the College shall be just cause for dismissal.

The probationary period may be extended by mutual agreement of the College and the Union Standing Committee. The reasons for extending the probationary period must be related to the performance of the employee in the job and must be given to the employee and the Union.

- b. Article 11.03 (Displacement/Bumping) shall not be applicable to employees during their probationary period.

3.10 WORK PERFORMED UNDER GOVERNMENT, FOUNDATION AND OTHER FUNDING PARTNERSHIP GRANTS

1. The Union recognizes and supports the students' needs to gain employment skills and on-the-job training. Wherever possible, the College will give preference to students of the College of New Caledonia.

The College agrees to provide the Union with a copy of all College-approved submissions in regard to student positions prior to the program implementation, wherever possible. The College will make every reasonable attempt to provide as much advance notice as possible.

In the event the Union's approval is required for a student position, the College agrees to provide enough advance notice so the Union Executive can review the submissions at their regular Executive meeting. If the College requires an approval and the advance notice is not provided, the College agrees to provide reasonable time off with pay to the Union Executive to deal with the matter.

2. The College agrees that students involved in the projects and programs described herein in A – Work Projects, B – Student Assistants, and D – Co-op Work Placements shall not be utilized to:
 - a. replace members of the bargaining unit, or
 - b. to postpone or prevent an existing regular part-time position from becoming a full-time position, or
 - c. to postpone or prevent the establishment of new positions by the College.

The College agrees that no employee shall be made redundant or suffer loss of earnings through students performing work normally done by employees in the bargaining unit. Students shall not be used in preference to Casual Employees for work that has been regularly performed by Casual Employees in the past. Disputes arising out of the above will be dealt with through the grievance procedure of the Collective Agreement.

A. WORK PROJECTS

1. The Union recognizes and agrees that from time to time during the term of this Agreement there will be work projects conducted within the College by students who will not be members of the Union. These projects must be separately and specifically funded by government, foundation, and partnership grants and shall not be deemed part of the affairs or operations of the College to which this Agreement applies.
2. For the purposes of this article, "work projects" shall mean:
 - (i) jobs of a fixed-term not regularly performed by employees in the bargaining unit, or
 - (ii) fixed-term research and data collection projects, or
 - (iii) students assisting students (excluding Interpreter Services).

B. STUDENT ASSISTANTS

1. Students employed by the College in positions that are separately and specifically funded by government, foundation, and partnership grants and who are performing jobs that do not meet the definition of "work projects" as outlined in (A) shall be considered Student Assistants and shall be covered by the following provisions of the Collective Agreement only:
Articles 1, 2, 3, 4, 7 (except 7.04),12,15,16,18, 23, and 28. Article 7.04 shall apply to Student Assistants in their capacity as employees but will not apply to the student's pursuit of education.

Hours of work will be in accordance with the program requirements and overtime compensation as outlined in Article 14 shall apply to Student Assistants for time worked in excess of a seven-hour day.

Student Assistants are subject to the membership provisions in Article 5 and the union dues provisions in Article 6.

2. Student Assistants covered by this Article shall be paid at the Pay Equity Target Rate for Salary Band A.
3. The parties agree that individuals employed as Student Assistants will be considered Casual Employees and receive the appropriate benefits as per Article 3.08 (c).
4. Student Assistants must meet the criteria established by the funding program.

C. WORK PRACTICUMS

1. The Union recognizes and agrees that from time to time during the term of this Agreement there will be work performed by students as a part of their work experience practicums.

2. When such students undertake practicum work experiences which may occur at the College, and when the duties undertaken while on such practicums might otherwise have been performed, had they been undertaken, by employees of the College covered by the Union bargaining unit; the parties agree that:
 - (i) Such students:
 - a) are not employees of the College;
 - b) are not within the Union bargaining unit;
 - c) will not be paid.
3. Student practicums shall be limited to two (2) students per semester per department for a period of normally not longer than three (3) consecutive weeks, or other such arrangements as shall be mutually agreed-to in writing by both parties.
4. The College shall notify the Union Standing Committee in advance of the number of students being placed for practicum work experience within the College and provide a general outline of the duties to be performed during the practicum work experience.
5. It is agreed that employee participation in a Job Shadowing Program is voluntary, and that the employee has the right to withdraw from the arrangement by notifying his/her manager. An employee's involvement or non-involvement in a program shall not be referenced in any way in a performance evaluation.

D. CO-OP WORK PLACEMENTS

The parties recognize the advantages in assisting students in obtaining practical work experience as part of Co-operative Education. In recognition this agreement will establish the salary rate and working conditions for Co-operative Education students to work at the College.

1. Students employed by the College who are registered in a recognized Co-op program at the College of New Caledonia shall be considered Co-op students and shall be covered by the following provisions of the Collective Agreement only: Articles 1,2,3 (excluding 3.08 (a)), 4, 7, 12, 13, 14, 15, 16, 18, 23, and 28.

Co-op students are subject to the membership provisions in Article 5 and the Union dues provisions in Article 6.

2. Work terms for co-op students need not be advertised for competition other than in the Co-op office.
3. Co-op students covered by this agreement shall be paid at a rate equal to the current Pay Equity Target Rate for Salary Band B.
4. The parties agree that individuals employed as Co-op students will be considered Casual Employees and receive the appropriate benefits as per Article 3.08 (c).
5.
 - a) There will be only one Co-op student per department per Co-op term.
 - b) The duration of a Co-op position shall not exceed four (4) months.

3.11 JOB RELATED KNOWLEDGE

For the purposes of this agreement, job-related knowledge shall mean the knowledge of relevant job functions as opposed to the knowledge of specific job duties.

ARTICLE 4 - NO DISCRIMINATION

4.01 HUMAN RIGHTS

The College and the Union agree to subscribe to the principles of the Human Rights Code of British Columbia.

The parties agree that there will be no discrimination against an employee by reason of age.

The College further agrees that there will be no discrimination against an employee by reason of family relationships to other employees, except where relationships such as marriage or other family relationships are deemed to be potentially detrimental to the College. (For example, where detrimental fiscal or policy collusion could occur, or where confidentiality could be compromised.)

4.02 UNION ACTIVITY

The College will not discriminate against any employee because of Union membership or Union activity or for the exercise of rights provided for in this Agreement and as covered by the Labour Relations Code of British Columbia, except as herein specifically excluded by mutual agreement.

ARTICLE 5 - UNION MEMBERSHIP AND SECURITY

5.01 EMPLOYEES AT DATE OF CERTIFICATION

All persons within the bargaining unit of the Union as of October 26, 1976 who were members of the Union on or before that date shall remain members of the Union as a condition of continuing employment.

All persons within the bargaining unit who are not members of the Union at the date of certification may become members of the Union if they want to, but shall not be required to become members.

The College shall not issue any policies or procedures affecting the Union, or Union membership, which contravene these Articles of Agreement.

5.02 NEW EMPLOYEES

All employees to whom this Agreement is applicable, shall, as a condition of employment, become members of the Union upon completion of thirty (30) days of employment.

5.03 CHANGE IN STATUS

The College agrees to notify the Union Standing Committee in writing, once a month, of the name, position, department, salary band and pay rate of each employee who is hired, promoted, transferred, recalled, on Long Term Disability, on Leave Without Pay or resigns.

The College also agrees to notify the Union Standing Committee once per month, of the name, position, department, and estimated hours of each new appointment of an employee who is not a full-time regular employee.

The College agrees to provide the Union Standing Committee with a copy of the employee's written notification of suspension or dismissal within five (5) working days of the notification of the change in status. The copy shall state the employee's name, position and department.

ARTICLE 6 - UNION DUES AND DEDUCTIONS

6.01 UNION DUES

The College shall deduct, as a condition of employment, from the wages or salary of each employee, the initiation fee and the amount of the regular monthly dues as advised in writing by the Union, upon receipt of a written assignment for that purpose from the employee.

The College shall require all new employees, at the time of hiring, to execute an assignment of wages for Union dues in duplicate, the forms to be supplied by the Union, and will forward one copy to the Union within five (5) working days of execution.

For employees whose period of employment is expected to be less than thirty (30) days, the College will deduct Union dues provided that the employee's authorization is received from the Union in time for the dues to be deducted from the employee's wage payment.

6.02 DEDUCTION OF DUES

The College shall begin the deduction of monthly dues from the first pay to which the employee is entitled following the employee's authorization. The College shall remit the dues deducted pursuant to such assignment (until and unless the said assignment is revoked in writing by the employee) to the local Union Treasurer not less often than once each month, with a written statement of names of employees for whom the deductions were made and the amount of each deduction. The College shall remit the said dues no later than the end of the following month.

6.03 UNION ADVISES COLLEGE

The Union shall advise the College in writing of all dues and assessments required by the Union, and of any changes which may arise from time to time in connection with such dues and assessments.

The Union recognizes and agrees that the College's obligation to deduct such dues and assessments is especially restricted to making only such deductions as are permitted by law and by the valid authorization of each employee.

6.04 COLLEGE INDEMNITY

The Union shall indemnify the College and hold it harmless against any and all suits, claims, demands and liability that shall arise out of, or by reason of any action taken or not taken by the College for the purposes of complying with any provision in this Article.

6.05 DUES ASSIGNMENT REVOKED

The Union agrees that should an employee revoke the assignment, the College must forthwith cease to make such deductions, and that any further action to be taken by the College in consequence with such revocation shall be taken only by the written instructions of the Union. The College shall provide the Union Standing Committee with a copy of any revocation of authorization received, without delay.

ARTICLE 7 - UNION RIGHTS AND ACTIVITY

7.01 RECOGNITION OF SHOP STEWARDS

The College recognizes Stewards elected by the Union and shall not discriminate against such Stewards for carrying out the duties properly assigned to that position. The maximum number of Stewards to be recognized by the College shall be based on the ratio of one (1) Steward for each ten (10) members or major portion thereof of the bargaining unit. The College and the Union may, by mutual agreement, increase the number of Stewards for a specified time period after having reviewed geographical and operational considerations.

7.02 CONTACTING AT WORK

The authorized Stewards of the Union shall have the right to contact employees at work on matters respecting this Agreement and its administration, providing such contact does not unduly interfere with normal College operations. Union representatives will request permission of the supervisor of the department being entered for the purpose of contacting employees and will also advise time of departure, (except when the supervisor is unavailable for consultation).

If an employee is apprehensive for personal safety, there shall not be any reprimand, penalty or dismissal for failing to cross an illegal picket line.

When there is a direct or perceived conflict of interest or a committee member belongs to the same department as the incumbent(s), the committee member shall absent themselves from the discussion and from the decision-making on the position's rating.

8.03 RECONSIDERATION OF EXISTING POSITIONS

1. REQUESTS FOR JOB EVALUATION REVIEW:

- a. A request for a job evaluation review may originate from employees (incumbent(s)), the Union, or the College.
- b. Requests must detail the changes which have occurred in the job and/or the ways in which the job description does not reflect the duties and responsibilities of the job, and be made in writing to the Director of Human Resources on a Job Evaluation Reconsideration form provided for the purpose. A sample of this form is included in the Job Evaluation User's Guide.
- c. Copies of all requests for job evaluation review submitted will be provided to the Union Standing Committee within five (5) working days of receipt.
- d. A request for job evaluation review may be rejected by the JJEC if the position has been reviewed and dealt with during the thirty (30) month period before the date of the request, unless the Union Standing Committee and the College agree, or the job description does not reflect the duties and responsibilities of the job.
- e. The Director of Human Resources (or designate) shall forward all Job Evaluation Reconsideration Forms within five (5) working days of receipt to the Joint Job Evaluation Committee.

2. RATING OF POSITION:

- a. Before the JJEC proceeds with a reconsideration, the Committee must receive a copy of the Job Evaluation Reconsideration Form, the current approved job description for the position, and the current Rating Sheet, and any supporting documentation to the process (i.e. previous rating sheet and previous job description). The approved job description shall be the primary document used for the reconsideration. The gathering of information *shall* involve requesting the incumbent(s) and manager to complete an up-to-date Job Analysis Questionnaire. The incumbent to the position and the manager shall attend a meeting (together or separately) of the JJEC before the final ratings are completed. If the JJEC agrees that the approved job description is not reflective of the duties the Committee will forward the matter to the Joint Standing Committee for resolution within five (5) working days of making that decision. The job evaluation reconsideration for the position will be suspended pending resolution by the Joint Standing Committee. If a resolution is not reached by the Joint Standing Committee in the matter, it will then be referred to arbitration.

The rating of the job shall be recorded on a Rating Sheet which shall determine the pay grade for the job. The Rating Sheet will be signed off by all the JJEC appointed decision-making members in attendance. A copy of the results shall be forwarded to the incumbent to the position, the manager, and the Union within fourteen (14) calendar days. Additionally, the incumbent to the position, the manager, or the Union may request a copy of the signed-off Rating Sheet.

- c. If the job is rated at a pay grade higher than the existing pay grade, the position shall be placed in the new pay grade and the incumbent's rate of pay shall be adjusted retroactive to the date of request for reconsideration. If the job rating results in a lower pay grade, the incumbent employee shall be exception-rated. The incumbent employee will receive one hundred percent (100%) of the general salary increases that are provided for in this collective agreement or are negotiated in future collective bargaining. However, if the incumbent employee leaves his/her position, and the vacancy is to be filled, the position will be posted at the applicable current pay equity target rate.

- d. Either the incumbent(s)/Union or the manager(s)/College may appeal the JJEC decision by submitting a written request stating the reason(s) for the appeal as outlined in 8.07 (Disputes, Resolutions, and Appeals). The Rating Sheet will be signed off by all the JJEC appointed decision-making members in attendance. Additionally, the successful candidate to the position, the manager, or the Union may request a copy of the signed-off Rating Sheet.
- c. If the College proceeds in filling the job, it shall be posted and any person appointed to the job shall be paid the preliminary pay grade.
- d. After twelve (12) months from the date of appointment of an incumbent to the job, and provided the position still exists, the incumbent(s) and the manager(s) shall complete a Job Analysis Questionnaire which shall be submitted, along with an updated approved job description to the JJEC.

- e. The JJEC shall review the current Job Description, Rating Sheet, Job Analysis Questionnaire and rate the job according to the normal procedure, which shall be recorded on a Rating Sheet. The Rating Sheet will be signed off by all the JJEC appointed decision-making members in attendance. Additionally, the incumbent to the position, the manager, or the Union may request a copy of the signed-off Rating Sheet. The pay grade shall be paid to each incumbent effective the date of his/her appointment to the job. If the job rated at a pay grade higher than the existing pay grade, the incumbent's rate of pay shall be adjusted retroactive to the date of appointment. If the job rating results are in a lower pay grade, the incumbent shall be exception rated. The incumbent employee will receive one hundred percent (100%) of the general salary increases that are provided for in this collective agreement or are negotiated in future collective bargaining. However, if the incumbent employee leaves his/her position, and the vacancy is to be filled, the position will be posted at the applicable current pay equity target rate.
- f. Both the incumbent to the position and the manager will be notified in writing of the Appeals Committee decision. The Appeals Committee shall have twenty (20) working days to resolve the matter.
- c. If the Appeals Committee cannot reach a resolution to an appeal then the appeal will be forwarded to arbitration.

Where qualifications are considered to be relatively equal by the College, the position will be awarded to the senior applicant within the bargaining unit.

All job vacancies (except recalls from lay-offs) where the anticipated term of employment is greater than three (3) months shall be posted on the College's bulletin boards for a minimum period of six (6) working days. - c. An employee who applies for a posted position and who has completed his/her probationary period shall be granted an interview. The Union agrees that the granting of an interview does not necessarily mean the applicant has the skill, ability and knowledge to do the particular job. Participation in the interview process may be for career development purposes only.
- d. Members in the bargaining unit may participate in the selection process, but they shall not be involved in the selection decision for support staff positions.

9.02 PROMOTIONS

Employees serving a probationary period (except as described in Article 9.03 (Promotion) and 9.04 (Transfer)) shall not have displacement rights.

Unless specified otherwise in this Agreement, employees shall have the right to displace bargaining unit employees with less seniority, providing they have the qualifications, skills and abilities to perform the job.

- a. The right of employees on the recall list to contribute to benefit plans under this Agreement shall continue for the period of seniority retention, subject to the provisions of Articles 10.05 (Loss of Seniority) and 10.07 (Recall). This provision is subject to Carrier conditions and with the understanding that the employee bears the full premium cost of all benefits except for the Medical Services Plan of B.C. (Article 26.01a) which shall be paid by the College.
- b. An employee in receipt of lay-off notice may elect to take any accrued holidays prior to being considered in a lay-off status.

- i) the request is received by Human Resources no later than five (5) working days after the date the resignation is submitted, and
 - ii) the employee or the Union acting on the employee's behalf can demonstrate the resignation was submitted under duress.

The parties agree to notify each other of any resignations suspected as being submitted under duress.

- c. On termination by an employee of his/her employment, the employer shall within six (6) days after the date of termination of employment pay to the employee all wages owing to him/her.

12.02 ABSENCE WITHOUT LEAVE

If an employee is absent without having notified the department head or without having a bona fide reason, such leave may be treated by the College as just cause for discipline. Repeated absence without leave shall be just cause for termination.

12.03 FAILURE TO REPORT FOR DUTY

An employee who fails to report for duty for three (3) consecutive working days without informing the College of the reason for his/her absence shall be presumed to have abandoned his/her position (see 12.01).

An employee shall be afforded the opportunity to rebut such presumption and demonstrate that there was just cause for not informing the College.

If just cause can be shown, the employee may return to his/her position.

ARTICLE 13 - HOURS OF WORK**13.01 STANDARD WORK DAY AND STANDARD WORK WEEK**

Except as limited or modified by this Article, the standard workday shall be seven (7) working hours per day exclusive of a meal period. The standard work week shall consist of five (5) consecutive days of work, with two (2) consecutive days off.

It is agreed that the College may, for a specified period of time, introduce modified work week scheduling which shall alter the maximum number of hours worked in any standard work week provided there is acceptance by the majority of affected employee(s) in the department and provided the total hours worked bi-weekly does not exceed seventy (70) hours. Where such modified work week arrangements are mutually acceptable to the parties, restrictive overtime provisions shall be waived.

The specified period for a modified work week for any particular work group will not exceed six (6) months, unless extended by mutual agreement.

If an employee is required by the College to remain at the place of work during a normal meal period, and the employee is unable to reschedule this time, the meal break shall make up part of the seventy (70) hours biweekly. In instances where the employee on a modified work week schedule is required by the College to respond to a pager, radio or other electronic device on a meal break, the meal break shall make up part of the seventy (70) hours biweekly. Such arrangements shall only proceed after there is prior written confirmation by the parties.

An employee who has worked the modified work week schedule as above and who works on a scheduled day of rest shall be compensated at the rate of double time for all hours worked in that day.

13.03 RELIEF PERIODS

An employee shall be entitled to meal and paid relief periods as follows:

Providing the departmental requirements are met, the time of the meal break shall be at the employee's convenience. In departments where complex scheduling is required, the department head or designate will make the schedule for meal and paid relief periods after the employees have submitted their preferences. If an employee is required by the College to remain at the place of work during a normal meal period and the employee is unable to reschedule this time, the employee will be compensated for the time lost at applicable overtime rates.

13.04 WORK WEEK DEFINITION

13.07 POSTING OF SHIFT SCHEDULES

Shift schedules for regular employees will be posted ten (10) calendar days before the effective date.

The College may introduce an emergency shift change providing they give the employee twenty-four (24) hours' notice and providing the employee approves the change. Such approval will not be unreasonably withheld.

13.08 SHORT CHANGEOVER

If shifts are scheduled so that there are not ten (10) hours between the end of an employee's shift and the start of the employee's next shift, overtime rates shall apply to hours worked on the succeeding shift which fall short of the ten hour minimum, with a guaranteed minimum three and one-half (3 1/2) hours of the second shift to be paid at overtime rates.

14.02 RIGHT TO REFUSE OVERTIME

All overtime shall be voluntary, except as required by the College under serious emergency circumstances. Employees may refuse overtime individually except as noted above without being subject to disciplinary action, but there shall be no concerted refusals of overtime.

14.03 OVERTIME COMPENSATION

The College will attempt to distribute overtime as fairly and equitably as is practical. All overtime must have the prior written authorization of a College administrator and/or designated supervisor. Where this is impractical, written authorization may be granted on the following working day.

- f. An employee may accumulate no more than seventy (70) hours of overtime. The employee who has accumulated seventy (70) hours of overtime must then elect to reduce the accumulated hours by taking payment at the applicable hourly rate, or by taking compensating time off at a time mutually agreed upon by the employee and the College.
- g. Compensating time off must be taken at the earned rate of pay. The College further agrees to show all banked overtime in hours and gross dollar amounts.

14.04 CALL OUT PROVISIONS

Where an employee has left the College after the regular scheduled working day and arrangements for the employee to work overtime have not been made and the employee has been called back to work, the employee shall receive a minimum of four (4) hours overtime, provided the employee commences work. Where the employee does not commence work, the employee shall receive a minimum two (2) hours overtime. Where an employee has not left after the regular working hours or arrangements have been made for reporting back to work at a specific time, this call out provision shall not apply.

14.05 OVERTIME MINIMUM

An employee may be required to work for up to fifteen (15) minutes beyond the normal seven (7) hour work day without additional compensation. However, it is understood that the employee's following work day will be reduced by an equal amount of time. Any authorized time in excess of fifteen (15) minutes will be paid at overtime rates, with a minimum of one (1) hour being earned.

14.06 OVERTIME BREAKS

All employees who are requested to remain at work for a period of two (2) hours or more beyond their regular working hours shall receive a one-half (1/2) hour paid break. The break may be taken before, during or after the overtime period.

ARTICLE 15 - DISMISSAL, SUSPENSION AND DISCIPLINE

15.01 No employee shall be disciplined, suspended or dismissed except for just cause. Demonstration of just cause is the responsibility of the College.

15.02 RIGHT TO SHOP STEWARD REPRESENTATION

An employee has the right to Shop Steward or Union Executive representation in any disciplinary matter. A disciplinary matter, for the purposes of this Article, is defined as any written censure to be put on the employee's personnel record, exclusive of performance evaluations. In the event of formal discipline by verbal censure, an employee has the right to shop steward or union executive representation. An employee shall be given reasonable time to secure union representation.

15.03 RIGHT TO GRIEVE

An employee considered by the Union to be wrongfully or unjustly disciplined, suspended, dismissed or reprimanded, shall be entitled to recourse under the grievance procedure in accordance with Article 16 (Adjustment of Complaints) of this Agreement.

Upon request, the Union through the Chief Shop Steward and the Human Resources Director or designate agree to provide access to all original documents in their possession that relate to a disciplinary action, unless prohibited by law. The parties agree to keep such information confidential and will only share such information with others on a need-to-know basis.

15.04 UNJUST CAUSE

In all cases of suspension or dismissal or other disciplinary actions, the burden of proof of just cause shall rest with the College. If, as a result of the grievance procedure, it is found that an employee has been dismissed, suspended or disciplined, for unjust cause, the decision or award which results from the grievance procedure shall be carried out. In the case of a probationary employee, just cause shall include failure to perform the job to the satisfaction of the College.

15.05 PROGRESSIVE DISCIPLINE

The value of progressive discipline with the aim of being corrective in application is recognized by both parties. Therefore, except in extreme cases such as gross misconduct, discipline or dismissal for just cause should be preceded by a documented record of some or all of the following: counseling, warnings (written or oral) and/or suspensions. The College agrees to notify the Union Standing Committee within five (5) working days of discipline actions taken against any employee.

15.06 ADVERSE REPORTS

The College shall notify an employee in writing of any expression of dissatisfaction concerning his/her work within ten (10) working days of the event of the complaint, with a copy to the Chair of the Union Standing Committee. This notice shall include particulars of the work performance which led to such dissatisfaction. If this procedure is not followed, such expression of dissatisfaction shall not become a part of his/her personnel file for use against him/her at any time. The employee's reply to such complaint, accusation or expression of dissatisfaction shall become part of his/her personnel file.

15.07 PERSONNEL FILES

During normal working hours, and in the presence of a Human Resources Department staff member, every employee has the right of access to his/her personnel file. Every employee shall receive a copy of any document which may be the basis of disciplinary action at the time that the document is inserted in the personnel file. An employee shall receive, upon request, a copy of any document in his/her personnel file.

The personnel file shall contain only valid and relevant material. An employee may request, in writing, that material be removed from his/her personnel file, and such request will become part of the personnel file. At an employee's request, the College shall add an employee's response to any document in his/her personnel file.

The College agrees that there shall be only one personnel file for each employee (housed at the Prince George Campus) and that no report relating to the employee's conduct or performance may be used against him/her in the grievance procedure nor at arbitration unless such report and any written memos/letters used as the basis for the report are part of the personnel file.

Employees are advised that the Human Resources Department maintains a Job

Evaluation file for each job description in the College, which contains all information related to a specific position including any submissions or correspondence from an incumbent employee concerning that position. An employee is entitled to review the Job Evaluation file in the presence of a Human Resources Department staff member.

Documents of a disciplinary nature shall be removed from an employee's personnel file after a period of:

- a. Thirty-six (36) months for discipline which involves a suspension or an issue which involves the health and safety of students.
- b. Twenty-four (24) months for all other discipline provided there has been no further infractions within the above time limits.

15.08 SUSPENSION

Suspension shall be preceded or accompanied by written notice, including the duration of the suspension and a statement of reasons. A copy of the notice shall be provided to the Union Chair of the Standing Committee and the Union President.

- a. In cases of suspension, the President shall report the action to the Board with a statement of his/her reasons.
- b. An employee, in accordance with Section 26.(4), College and Institute Act 1979, may appeal the suspension to the Board.

Suspension of a non-probationary employee may be with or without pay and benefits. However, consistent with a progressive disciplinary model, an episode of suspension with pay and benefits will normally precede an episode of suspension without pay and benefits.

15.09 DISMISSAL

- a. When the President determines that there is just cause for dismissal, s/he shall notify the employee and the Union Chair of the Standing Committee, in writing, with a copy to the Union President, outlining the reasons for this determination and stating any charges which have been made and by whom they were made.

- b. Within seven (7) calendar days of such notification, the President shall meet with the employee for a full and frank discussion of the reasons for the proposed dismissal. Each party may be accompanied by observers or advisors of his/her choice. Within four (4) calendar days of the meeting:
 - i. the President may decide to withdraw dismissal proceedings, or
 - ii. the employee may decide to offer his/her resignation, or
 - iii. the President may decide to recommend dismissal to the Board.
- c. The employee shall have the right to appear before the Board at the time a recommendation for dismissal is made, and to present or have presented his/her arguments to the Board. S/he may be accompanied by observers or spokespersons of his/her choice.
- d. The Board shall notify the employee and the Union Chair of the Standing Committee, with a copy to the Union President, with respect to any dismissal recommendation, in writing, within seven (7) calendar days after such a decision has been reached.
- e. Full pay and benefits shall continue during the period of the dismissal proceedings. Upon written receipt by the employee of the Board's dismissal recommendation, pay and benefits shall cease.

ARTICLE 16 - ADJUSTMENT OF COMPLAINTS**16.01 GRIEVANCE PROCEDURE**

The College and the Union recognize that grievances may occur. A grievance is any complaint or difference between the parties relating to the application, administration, operation, interpretation or alleged violation of this Agreement or to whether any matter in the Agreement is arbitrable.

An employee is encouraged to discuss, prior to the formal initiation of a grievance, any grievance or other complaints relating to his/her employment with his/her supervisor or manager.

Where a dispute involving a question of general application or interpretation of the Agreement occurs or where a group of employees has a grievance regarding the Agreement, the Union shall submit the grievance, in writing, directly to Step 2.

Grievances arising out of unjust dismissal disputes shall commence the grievance procedure at Step 2. Grievances arising out of the failure to resolve classification disputes to the satisfaction of the employee shall commence the grievance procedure at Step 3.

It is understood that in all discussions concerning grievances, any National Union Representative may accompany the Union in their meetings with College Officials.

16.02 TIME OFF

Except in the circumstances of the immediate suspension or dismissal, by mutual arrangement with the employee's manager or director, an employee shall be permitted the necessary time off without loss of pay and benefits to attend to the adjustment of the grievance and may be present at any step in the grievance procedure if so requested by either party.

16.03 WAIVER OF TIME LIMITS

The parties may, by mutual written consent, waive any stage or time limit of the grievance procedure described in 16.06 and/or the arbitration procedure described in 16.09(d).

16.04 FAILURE TO COMPLY WITH TIME LIMITS

Failure by the party initiating the grievance to comply with the time limits specified herein shall render the grievance untimely and the grievance shall be considered abandoned. However, the abandonment of a grievance shall not prejudice either party on any future grievance of a different occurrence. Failure of the party responding to the grievance to comply with the time limits shall advance the grievance to the next step.

16.05 COMMITTEES

When required, the College shall appoint a three (3) member committee from members of administration to be called the Labour Committee, one (1) member of which shall be designated as Chair.

When required, the Union shall appoint a three (3) member Standing Grievance Committee, comprised of members of Local #29, one (1) member of which shall be designated as Chair.

The Standing Grievance Committee, or its representative, shall, as provided in Step 2 of the Grievance Procedure, meet with the Labour Committee or its representatives for the purpose of discussing and negotiating a settlement of any grievance arising between the College and an employee, or any dispute arising between the College and the Union. Where a decision has been made by the Union and the College on a grievance, a memorandum shall be made of any agreement reached and shall be initialled by all members present, and copies shall be circulated to the Stewards, the Union and to the College administration.

16.06 GRIEVANCE STEPS

An individual grievance may be formally initiated by the Union or the Union and an employee and shall proceed by the following steps:

Step 1

*An employee who has a formal grievance shall first go to the Director or Manager directly in charge of the department. The employee shall be accompanied or represented by a Steward or a designated Union representative of his/her choice. The Director/Manager shall be presented with the grievance form. The date of receipt of the complaint shall be within ten (10) working days of the occurrence of the alleged grievable act. In exceptional circumstances where the Union can demonstrate that it was unaware of the alleged grievable act, the

College agrees that the ten (10) working days shall be from the time that the Union could have become aware of the occurrence of the act. The Director/Manager shall explore the complaint verbally. *The parties shall be given the maximum of five (5) working days to solve the grievance. The Director/Manager shall submit a written response to the employee and the Union within seven (7) working days of the date of receipt of the complaint.

Step 2

The Union has a maximum of five (5) working days from the date of receipt of the Director/Manager's response to advance a grievance to Step 2, which is a written referral to the Standing Grievance Committee and the College Labour Committee. These committees shall meet within five (5) working days to resolve the grievance. The College will provide a written response to the Union within five (5) working days of the Committees' meeting.

Step 3

If the grievance is not satisfactorily resolved at Step 2, the Union shall submit the grievance, in writing, to the President within ten (10) working days of receipt of the reply as set out in Step 2. The Union and the President shall meet within five (5) working days of the receipt of the grievance. The President shall submit a written reply within five (5) working days of the meeting.

If the grievance is not resolved at Step 3, the Union may refer the grievance to Arbitration or to the Early Intervention Procedure. The Union shall submit a written notice of intent to proceed to arbitration to the College within five (5) working days.

16.07 COLLEGE GRIEVANCE

Grievances formally initiated by the College shall be submitted in writing within ten (10) working days of the occurrence of the alleged grievable acts at Step 2 of the Grievance Procedure.

16.08 EARLY INTERVENTION

- a. Where a difference arises between the parties relating to the dismissal, discipline or suspension of an employee, or to the interpretation, application, operation, or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, during the term of the collective agreement, a person selected by mutual agreement of the parties, shall at the request of either party -
 - (i) investigate the difference;
 - (ii) define the issue in the difference; and
 - (iii) make written recommendations to resolve the difference within five (5) working days of the date of receipt of request; and, for those five (5) working days from that date, time does not run in respect of the grievance procedure.
- b. A person selected under this section, upon mutual request of the parties, may make a binding decision in regard to the difference in a manner consistent with the principles and procedures set out in 16.09 (Arbitration).
- c. Each party to the Early Intervention Procedure shall pay its own expenses and costs and one-half (1/2) of the compensation and expenses of the Early Intervention person and of stenographic and other expenses of the Early Intervention Procedure except if, according to Section 112 of the Labour Relations Code of British Columbia, the Minister of Finance authorizes payment towards this procedure in which case the share shall be one-third (1/3) each.

16.09 ARBITRATION

The Arbitration Board shall consist of one (1) member who shall be selected through the mutual agreement of the parties.

- a. The Arbitration Board may determine appropriate procedures in accordance with the Labour Relations Code of British Columbia and shall give full opportunity to all parties to present evidence and make representations. The Arbitration Board shall hear and determine the dispute or allegation and shall make every effort to render a decision within reasonable time.

- b. Decision of the Arbitration Board - The decision of the Arbitration Board shall be final and binding on both parties. The Arbitration Board shall not make any award contrary to the conditions or articles of this Agreement, or in amendment to this Agreement.
- c. Expenses of Arbitration - Each party to the arbitration shall pay its own expenses and costs of arbitration and one-half (1/2) of the compensation and expenses of the Arbitration Board and of stenographic and other expenses of the Arbitration Board.
- d. When a grievance proceeds to arbitration, the hearing shall be held within sixty (60) days of the written notice from the College or the Union.

ARTICLE 17 - CAREER DEVELOPMENT**17.01 PURPOSE OF TRAINING AND CAREER DEVELOPMENT**

The provisions of Article 17 are intended to assist employees in maintaining and improving skills and/or to assist in preparing them for foreseeable jobs within the College, at the same time recognizing the employee's responsibilities in these matters.

a. Job Training

Job training is intended to assist employees in maintaining and improving knowledge and skills, in order that the employee may perform the duties outlined in the position description.

b. Career Development

Both employees and the College benefit from career development, which enables the employees to prepare for promotional advancement within the College and to improve their present skills.

17.02 SUPPORT FOR TRAINING AT CNC**a. College-Required Training**

Training is considered College-required when it is a mandatory condition initiated by the College.

When the College requires an employee to enroll in a course, training program or seminar, the College shall bear the full cost, in advance. Furthermore, when the College requires enrolment in a course, training program or seminar, the employee's work week shall be reduced by the number of instructional hours spent in such courses, training programs or seminars during that week. For the purposes of this clause, employees will be compensated at equal time off with pay in lieu of overtime payment for time spent in traveling to or from the College-required training. The estimated amount of travel time must be mutually agreed-to in writing by the employee and his/her Supervisor in advance of the travel. However, if the employee is required to perform job-related duties in excess of the normal workday, then the overtime provisions of Article 14 shall apply. If an employee attends a course, training program or seminar on a statutory holiday, s/he will be entitled to a day off with pay in lieu of the statutory holiday.

The College shall also reimburse the employee for such travelling, subsistence, and other related expenses as previously approved by the College. The employee shall not be required to make up any time missed from work to participate in such training and development.

In the event that an employee is required to enrol in a course in order to meet the qualifications required for a position that the employee is being promoted to or hired for, the College may require that the cost of the course, training program or seminar be at the expense of the employee.

b. College Authorized Career Development

Career Development is considered College-authorized when it is voluntary, initiated by the employee, and approved by the College.

When the College authorizes an employee to enrol in a course, training program or seminar, for the purpose of advancing the employee's job related skills; and upon successful completion, the College shall reimburse the cost, including tuition, entrance or registration fee, laboratory fee, examination fee, and course related books. The length of the course shall be stated in the written authorization.

When the College is unable to authorize a career development activity and prior to an employee's proposal being denied, the employee and his/her Supervisor will discuss possible alternatives, which may include a partial subsidy of the costs.

17.03 COLLEGE COURSES

Regular, Seasonal and Special Employees, their spouses and dependent children, shall be exempted from tuition fees for all CNC courses providing that:

- a. they are not one of the minimum number required to ensure "go" status of the course,

- b. there is a vacant seat for the employee, spouse or dependent children on the first day of class. If there is a vacant seat on the first day of class and an employee, spouse or dependent child has guaranteed a seat by paying the tuition, s/he shall be entitled to a tuition refund for the course. If a seat becomes vacant after the first day of class and there is no prospective fee-paying student on a wait list, and an employee, spouse or dependent child has not guaranteed a seat by paying the tuition, s/he shall be exempted from paying tuition fees.

Admission requirements shall apply to all prospective students and shall not be waived for the purposes of this article.

The prospective student is not exempted from any other non-tuition fees or material costs which students may be required to pay, or from any other requirements students are expected to fulfil.

For the purposes of this article, dependent children shall be defined as children under the age of twenty-five (25) years residing with the employee.

17.04 PROFESSIONAL DEVELOPMENT LEAVE

The College recognizes the principle of human resources development through skills upgrading as it relates to opportunity for advancement in the services of the College. An educational initiative deemed beneficial to the College and the employee will be considered appropriate for professional development leave.

The College shall provide a Professional Development Leave Allowance of three hundred and sixty (360) days of paid leave. The Leave Allowance will be "topped up" each April 1st to the level of three hundred and sixty (360) days of paid leave available. The Professional Development Leave Allowance shall be administered by the Professional Development Committee (PDC) in accordance with the provisions outlined below:

- a. The Professional Development Committee (PDC) shall consist of a minimum of six (6) people, three (3) appointed by the College and three (3) appointed by the Union, who shall be empowered to make decisions on the allocation of the Professional Development Leave Allowance. Meetings of the PDC shall require at least two (2) appointed representatives from each party. An equal number of appointed decision-making representatives of each party will be in attendance before the meeting will proceed. The parties agree to schedule PDC meetings at agreed-upon regular intervals, at a minimum of every month to attend to any outstanding professional development leave matters. Additional meetings may be scheduled to accommodate any backlog. When there is a direct or perceived conflict of interest the committee member shall absent himself/herself from the discussion and from the decision-making on the professional development leave proposal.
- b. The PDC has the responsibility of preparing guidelines for the disbursement of the Professional Development Leave Allowance, receiving employees' applications for the use of such leave, and approving the disbursement of the leave allowance. Such guidelines shall contain reasonable timelines for the approval and dispersal of such leave, subject to (c) and (d) and shall require that employees report on activities.
- c. All employees (except casuals) who have completed their probationary period may apply to the PDC for leave to pursue professional development activities. An employee must include his/her Supervisor's written approval of the time(s) requested for the leave. The Supervisor's approval or rejection of the employee's request shall take into account the operational requirements of the College. The replacement needs of a department shall not by themselves be considered a basis for denial of the request.
- d. Professional development leave shall be used for, but not be limited to, such activities as attending courses and conferences, and other activities acceptable to the PDC. Such leave is not to be used for training or education required rather than authorized or recommended by the College.
- e. The PDC is accountable to the College and the Union. A year-end summary shall be provided to both parties by May 1. Either party has the right to request periodic details of professional development activities approved.

Acceptance or rejection of such vacation requests will be given by May 31. The schedule may be changed thereafter at the request of the employee if acceptable to the department concerned.

Conflicts in vacation scheduling will be settled by the department supervisor, with seniority in the department as the prime consideration.

When requested by an employee, s/he shall be entitled to schedule a minimum vacation period of fifteen (15) consecutive working days.

Where an employee wishes to split a vacation period, any other choice of vacation time shall be made only after all other employees have made their initial selection.

ARTICLE 20 - SICK LEAVE**20.01 NOTIFICATION, PROOF OF ILLNESS AND FAMILY SICK LEAVE**

- a. In positions where replacement personnel would normally be required, notification of anticipated absence must be given to the appropriate College department no later than two (2) hours prior to the commencement of the shift, except where this proves impossible. In positions where replacement personnel would not normally be required, notification of anticipated absence to the appropriate College department should be made as soon as possible after the commencement of the shift. For the purpose of this Article, replacement personnel shall be security guards and day care personnel. Any new positions that may fall into this category shall be settled according to Article 27.03 (Modification of Agreement).

In case of absence of five (5) days or longer, a proof of illness may be requested by the College. The proof of illness may take the form of a medical certificate. If there is any charge for this proof, the College will absorb the cost.

If an employee has repeated absences of a short-term duration, s/he may be advised that proof of illness will be required for future absences.

- b. An employee is entitled, upon approval by the Divisional Director or Manager, to use annual sick leave entitlement up to a maximum of ten (10) days per entitlement year (20.02) for family sick leave purposes in the following circumstances:
 - i) in the case of illness of a member of the immediate family of an employee, when no one at home other than the employee can provide for the needs of the ill person; or
 - ii) when a spouse or dependent child is hospitalized, or
 - iii) in the event of the birth or adoption of a child.

Such approval will not be unreasonably withheld. For the purposes of this article, "immediate family" is defined as an employee's spouse and any of the following relatives of an employee: parent, parent-in-law, step-parent, child, step-child, foster child, brother, sister, grandparent, grandparent-in-law, grandchild; or any other person permanently residing in the employee's household, and any other person with the approval of the appropriate Director or Vice-President. The word "spouse" shall be deemed to include a common-law spouse.

20.02 SICK LEAVE ALLOTMENT

A full-time employee shall accumulate sick leave credits on the basis of one-and-one-half (1 1/2) days per month. Part-time employees shall accumulate sick leave credits on the proportionate basis to full-time based upon the actual hours worked in a calendar month.

Employees may accumulate up to one hundred and twenty (120) working days sick time.

In addition, if an employee has used the ten (10) days of family sick leave in an entitlement year (20.01) and the employee requires up to twelve (12) days of paid sick leave for use in a personal disability in the same year, then the College agrees to grant up to four (4) days of additional paid sick leave. It is understood that there will be no banking of the additional sick leave time into subsequent years except in the case of an employee who has used family sick leave to the extent that s/he does not have a possible twelve (12) days of personal sick leave in an entitlement year.

For the purposes of this Article, the entitlement year should be based on the employee's initial commencement date with the College.

20.03 SICK LEAVE PAYMENT

Sick leave credits may only be used for illness (subject to 20.01) or in accordance with the Wellness Incentive Plan Letter of Agreement. In the event that an employee's absence exceeds their accumulated sick credits, the employee may borrow against future earned sick leave provided that a qualified medical practitioner certifies that the employee is seriously ill, that the nature of the illness is specified, and that the employee's request for leave is submitted in writing. The borrowed leave entitlement shall be limited to the amount of benefits that the employee would otherwise be entitled to under the Employment Insurance Act. In the event that an employee's absence exceeds this amount, the employee will be placed on leave of absence without pay for the duration of the illness or twelve (12) months whichever occurs first.

After twelve (12) months and within ninety (90) days thereof the employee may request his/her name to be placed on the Recall List.

Where the leave is expected to exceed six (6) months, the Union will agree to an appointment as per Article 3.07 (Leave Replacement Employee).

20.04 CONVERSION

The College agrees that an employee may utilize accumulated vacation and/or compensating overtime accumulated if sick leave credits have expired.

20.05 LONG TERM ILLNESS

Should a full-time employee have a single illness exceeding ninety (90) days duration, and all sick leave credits have been used, the benefits of the Long Term Disability Plan outlined in Article 26.01(d) of this Agreement shall apply.

An employee accepted on the Long Term Disability shall continue to receive all fringe benefits (except pension) s/he is entitled to as set forth in this Agreement for a maximum period of twelve (12) months. After twelve (12) months of becoming eligible for Long Term Disability and within ninety (90) days thereof, the employee may request his/her name to be placed on the Recall List.

If an employee receives benefits under the Disability Insurance Plan (LTD), the College shall pay to the employee the difference between the benefit and the employee's full salary for as long as the accumulated and borrowed sick leave credits permit. In such cases, the charge against the employee's sick leave credits shall be in the same proportion that the College's payment bears to the full salary of the employee computed at the end of each month to the nearest half-day.

20.06 STATUS REPORT

The College agrees to supply each employee with an annual report of accumulated sick leave as at March 31st.

If an employee suffers a disability for which the payment is in dispute with the Workers' Compensation Board the employee shall continue to receive his/her regular salary subject to the provisions of Article 20 (Sick Leave). If the Workers' Compensation Board claim is subsequently established the employee will then repay the College for the sick leave payment received.

20.08 RETIREMENT PAYOUT

Upon resignation for the purposes of retirement and when a regular employee has fulfilled the retirement requirements under the Municipal Pension Plan said employee shall be paid the cash equivalent to his/her accumulated sick leave up to a maximum of sixty (60) days. The cash equivalent shall be at the rate of pay in effect immediately prior to retirement.

Such leave shall normally not exceed five (5) working days. Any additional leave shall be without pay, or as a charge to earned time off or vacation time.

Immediate family is defined as an employee's spouse and any of the following relatives of an employee: parent, parent-in-law, step-parent, child, step-child, foster child, brother, sister, grandparent, grandparent-in-law, grandchild; or any other person permanently residing in the employee's household, and any other person with the approval of the appropriate Director or Vice-President. When the employee indicates within the time permitted, in writing, that s/he is not returning to that position such a vacancy shall be reposted.

Where a maternity or legal adoption benefit provided by the Employment Standards Act is superior to the provisions outlined herein, the provisions of the Employment Standards Act shall apply (notwithstanding the provisions of Section 2 of the Employment Standards Act).

It is admitted by both parties to this Agreement that it is impossible to draw a hard and fast line as to what is safe and unsafe. Being a factual question, each case must be decided on its own merits, but in general any employee who justifiably refuses to work under unsafe conditions would not be subject to discipline. Suspected unsafe conditions should be reported to the employee's manager or supervisor who will ensure that the work area has been made safe in accordance to 23.01.

ARTICLE 27 - GENERAL CONDITIONS**27.01 PYRAMIDING**

- a. The Union agrees that if an employee voluntarily holds an additional position(s) outside the bargaining unit, the employee cannot compound the positions held or the related working hours for purposes of claiming entitlement to overtime compensation; changes in employment status; call out compensation; lay off or recall positions; or any other benefit entitlement not listed in paragraph (c) below.
- b. The Union agrees that if a part-time employee voluntarily holds more than one (1) bargaining unit position to a maximum of forty (40) hours per week, the employee cannot compound the positions held or the related working hours for purposes of claiming entitlement to overtime compensation; changes in employment status; call out compensation; lay off or recall positions; or any other benefit entitlement not listed in paragraph (c) below.
- c. - b. The hiring form above described will be used for determining the category of employment for the purpose of this Agreement.

27.03 MODIFICATION OF AGREEMENT

Any change deemed necessary in this Agreement may be made by mutual written agreement of the parties at any time during the life of this Agreement.

27.04 CONTRACTING OUT

- a. The employer shall not contract out work regularly performed by classifications set out in this agreement without prior consultation of the Joint Standing Committee on Contracting Out. In addition, it is not the intent of the Union to limit the College's ability to contract out work that has been contracted out on or prior to January 29, 1983.
- b. The purpose of the Joint Standing Committee on Contracting Out shall be to determine if the work is that which would regularly be performed by classifications within the bargaining unit and whether or not there are any reasonable alternatives to contracting out. The employer will not contract out merely to avoid hiring casuals. Should the committee be unable to reach an agreement on a contracting out matter, the issue in dispute shall be referred immediately to expedited arbitration for a binding decision prior to the contract being awarded.

There shall be mutual agreement on an arbitrator who can hear the issues within five (5) working days of referral. A decision shall be rendered within two (2) working days.

Costs shall be shared as per Article 16.09 (c) (Arbitration).

It is agreed that in order to avoid delays, meetings will be at the call of either party ten (10) working days prior to any contract being finalized. There may be the occasional emergency situation where prior contact is not possible, in which case the College shall notify the Union Standing Committee immediately.

27.05 INDEMNITY

The College shall provide legal assistance to an employee with respect to any action, suit, or prosecution commenced against the employee arising from any acts or omissions committed by the employee during his/her required duties and assigned hours of work except that this provision shall not apply:

- a. If the acts or omissions committed by the employee constituted a breach of the terms of his/her employment or of College policy, or
- b. If the acts or omissions committed by the employee constituted a breach of any condition, statutory or otherwise, of any insurance policy which would otherwise be applicable, or
- c. If the acts or omissions committed by the employee constituted gross negligence.

If an employee received legal assistance in accordance with the above paragraph, the College shall be deemed to have waived any right of indemnity it might otherwise have against the employee.

27.06 EARLY RETIREMENT INCENTIVE PLAN

1. The President will consider at least one (1) Early Retirement each year, in order to offset layoffs or to effect savings.
2. The College may offer to any employee the choice of an early retirement incentive provided the employee meets the retirement criteria established under the Municipal Pension Act:
3. The following process shall be utilized:
 - a. The College shall send a letter to all bargaining unit employees who meet the criteria in sub-clause "2" advising them of that fact in October of each year. Employees who are interested in a potential early retirement shall respond within thirty (30) days.
 - b. If early retirement incentives are offered, the order shall be:
 - i. to offset layoff
 - ii. to eligible employees by seniority.

4. An employee who has been offered an early retirement incentive by the College has the right to accept or decline within thirty (30) calendar days of the offer being made.

In the event of acceptance of an offer of early retirement, the employee's date of retirement shall be effective on a date mutually agreed upon between the College and the employee.

5. The retirement incentive will be paid in one (1) lump sum on the date of retirement or, for optimum tax advantage, on an agreed-upon deferred date or in predetermined installments acceptable to the employee and to be based in the following amounts:

4	80% of annual salary
5 or more	100% of annual salary

6. Subject to any requirements of the Municipal Pension Act:
 - a. Early retiring employees in receipt of a pension are advised that they may apply for basic medical and extended health benefit and dental coverage through the Superannuation Commission when they file a claim for pension. The Superannuation Commission makes appropriate deductions from the monthly pension for premiums. Retired employees in receipt of a pension are advised that they are not allowed to choose to join these plans at a later date.
 - b. Early retiring employees not immediately commencing receipt of a pension may elect to continue their basic medical, extended health and dental benefit coverage through the College during the period preceding receipt of pension, but in any event, not longer than five (5) years following retirement, provided that:
 - i. written notification of the intent to continue these benefits is provided to the Human Resources Department six (6) weeks prior to the date of early retirement (election must be made at this time);
 - ii. the individual maintains B.C. residency, and;
 - iii. the participant pays all premium costs.

7. Each employee who is offered an early retirement incentive is entitled to receive personal financial counseling conducted by a firm of qualified financial consultants selected by the College. RE: COLLEGE EXPANSION

The College and the Union recognize the importance of expanding access to degree-completion programs in the College region and also recognize the importance of ensuring that the initiation of new degree-completion programs or proposed expansions of College facilities proceed smoothly.

Therefore, should the College choose and be approved to offer degree-completion programs using college facilities or personnel, or should the pending proposed expansions of College facilities be approved, the College and the Union agree as follows:

1. That the P.P.W.C. Local 29 shall be the sole bargaining agent for all employees whose duties are not primarily engaged in teaching functions.
2. It is not the intent of the college to thwart the normal growth of the work performed by the bargaining unit as the College's operations increase.

At the time of writing, the college is proposing these expansions: Wood Technology, Trades, Quesnel Campus, Valemont Campus, Lakes District Renovations, Mackenzie Campus, and an Aboriginal Centre. This list is not intended to be exhaustive.

RE: WELLNESS INCENTIVE PLAN

It is recognized that committed employees are the foundation of any successful organization. In the belief that physical and mental well-being contribute directly to increased quality and productivity of operations, the parties have agreed to establish a Wellness Incentive Plan (“The Plan”).

The Plan is established under the following conditions:

A. DEFINITIONS

“DAY” Unless indicated as a Full-time Equivalent Day (F.T.E. Day) a day shall be defined as an employee’s normal workday and may include a full-time day or a part-time day. Example: if a part-time employee’s normal workday is 0.5 that shall be the “day” referred to for usage, i.e. one wellness day. If a full-time employee is working a modified work week, flex time or self-directed hours the normal workday shall be calculated as 7.0 hours for the purposes of the Wellness Incentive Plan.

“QUARTER” There shall be four (4) quarterly year periods used in the Plan:
 First Quarter – September through November inclusive;
 Second Quarter – December through February inclusive;
 Third Quarter – March through May, inclusive;
 Fourth Quarter – June through August, inclusive.

B. ENTITLEMENT

1. All employees, except casuals, are eligible for participation in the Plan upon entitlement of a minimum of eighteen (18) F.T.E. days of sick leave credits.
2. Participation in the plan shall be done on a quarter-yearly basis
3. If an employee has earned the full sick leave credits they are entitled to for a quarter (i.e. no absences charged to sick leave or family sick leave), the employee shall be entitled to one (1) wellness day off with pay. It is agreed that an absence(s) of less than two (2) hours to attend medical/dental appointments or family emergencies shall not jeopardize an employee’s entitlement to a wellness day.

- 4. Wellness days shall not be earned or taken during any unpaid leaves of absence, sick leave, or lay-off periods.

C. USAGE

- 1. A wellness day off with pay must be used in the quarter year immediately following the quarter year in which it was earned or be forfeited; i.e. earn one (1) day off during first quarter, must be used by the end of the second quarter subject to item #2 below. It is understood that an employee shall have a minimum of two and a half (2½) months from the date of notification of entitlement available to use the earned day.
- 2. A Seasonal/Special Funded employee who earns a wellness day but is unable to use the day in the next quarter because of the seasonal break is entitled to carry that wellness day forward into the next quarter.
- 3. An employee absent on W.C.B. who earns a wellness day but is unable to use the day in the next quarter is entitled to carry that wellness day forward into the next quarter. A wellness day off with pay must be used in that quarter or be forfeited (i.e. a maximum of one wellness day carried forward.)
- 4. A wellness day off shall be charged, on an F.T.E. basis, against an employee's sick leave credits, but this shall not be considered an absence for the purpose of entitlement to further wellness days.
- 5. Scheduling of a wellness day off shall be approved by the department head or designate. Scheduling of annual vacation entitlement shall have priority over requests for wellness days.
- 6. The replacement needs of a department shall not be considered a basis for denial of a wellness day.

RE: JOB SHARING

The parties agree that where a regular full-time or seasonal full-time employee requests the opportunity to “job share”, the following provisions shall apply to the two employees who voluntarily job share a single position.

Definition

Job Sharing is a voluntary, alternative work arrangement whereby the duties and responsibilities of a full-time position may be restructured in a manner that would accommodate an employee’s objective of temporarily reducing his/her hours of work in the bargaining unit, and therefore permit two employees to fill a single position.

1. The request to job share must be submitted at least three (3) months prior to the anticipated start date of the job share to the Manager that the job reports to with a copy to the Union and Human Resources.
2. An employee initiating a job share proposal may request the assistance of the College if s/he is unable to locate a partner. In that event, the College agrees to post the position and to select a candidate in accordance with Article 9.01. The employee shall then submit the job share proposal to his/her Supervisor in accordance with (3) below.
3. The employee(s) proposing the job share shall indicate in writing the hours and days of the week allocated to the job share portion and information regarding the division of duties and responsibilities.
4. Both employees must have successfully completed a probationary period at the College, and possess the skills, knowledge and ability to perform the duties and responsibilities of the position.
5. Where the request is approved, the College shall provide each employee and the Union with a letter covering the terms and conditions of the job sharing arrangement which shall become a specified written agreement setting out the names of the participants, the position to be shared, and the division of duties and responsibilities.

6. Under normal circumstances, the regular daily and weekly hours of the position shall remain unchanged as a result of the job sharing arrangement unless otherwise varied by the terms and conditions outlined in the Job Sharing Arrangement.
7. If, for any reason, one partner chooses to discontinue, or is unable to continue in the arrangement, the Job Sharing Arrangement shall be discontinued upon twenty (20) working days written notice.
8. The College reserves the right to discontinue the Job Sharing Arrangement upon twenty (20) working days written notice provided it can be demonstrated that the Arrangement is not fulfilling the needs of the full-time position being shared.
9. A shared position shall in all respects be treated as though it were a single position with regard to scheduling and job description.
10. A work schedule shall be set out in advance showing the days, and hours of shifts to be worked by the job sharing partners.
11. During the period of the Job Sharing Arrangement, vacation and sick leave entitlement shall be prorated. Previously accumulated vacation and sick leave entitlement shall not be affected.
12. During the period of the Job Sharing Arrangement, fringe benefits shall be offered (subject to Carrier conditions) to both employees and the premiums shall be prorated based upon their workload percentage.
13. Pensionable service shall be calculated based upon the workload percentage in accordance with the Municipal Pension Plan requirements.
14. The Job Sharing Arrangement shall have a specified term, normally not to exceed a maximum of one twelve (12) month period.
15. Articles 10 (Seniority) and 11 (Layoff) shall apply to both partners in the Job Sharing Arrangement in accordance with the employment category of each partner (i.e. full-time regular accrues seniority on a pro-rata of calendar months, part-time accrues by actual hours worked).
16. Overtime eligibility for each partner in the Job Sharing Arrangement shall be determined on the basis of Article 14 as applied to the positions total working hours on duty rather than the personal total working hours on duty of each partner.
17. It is agreed that an employee shall only be a partner in one Job Sharing Arrangement at any given time.

- 18. It is agreed that a full-time regular employee or a full-time seasonal employee who is a partner in a Job Sharing Arrangement shall not be permitted to occupy another position within the bargaining unit at the same time as s/he is involved in the Job Sharing Arrangement.
- 19. At the conclusion of the Job Sharing Arrangement, each employee is assured of resuming at least his/her previous position and duties.
- 20. It is agreed that if the employee who initiated the Job Sharing Arrangement terminates his/her employment with the College, the Job Sharing Arrangement ceases to exist.
- 21. Other conditions not specifically mentioned herein shall be as described in the Collective Agreement. Matters not covered by the Collective Agreement shall be agreed to by the College, the employees involved, and the Union.

RE: FLEXTIME

The College agrees with the principle of flextime as defined in 1. Below. The request for flextime must be initiated by the employee.

1. Flextime is a written work schedule which permits adjustment of the schedule of daily or weekly hours worked, taking into consideration the commitment of the College, the needs of the department and the desires of the employees. A copy of the flextime schedule will be forwarded to the Chairs of the Standing Committee.
2. Flextime will be scheduled in advance and approved by the College.
3. Flextime schedules will not produce any additional cost for the College (eg. Overtime, additional staffing requirements, fringe benefit increases or non-scheduled shift differential).
4. Flextime schedules will not result in any noticeable reductions in service.
5. Flextime schedules will be within the established hours of operation for the work performed.
6. If difficulties arise, including matters of access to or exclusion from a flextime schedule, the matter will be referred to the Standing Committee.
7. Flextime schedules may be temporarily suspended by mutual agreement of the employee and the College.

RE: SELF-DIRECTED HOURS

The parties recognize that there are positions in the College where the duties and responsibilities require the flexibility of self-directed working-hours. In these positions, the working hours are determined by the employee, using his/her own discretion as to the most effective application of those hours to meet the operational requirements of the College. Priorities for the position shall be set by the employee's manager, in consultation with the employee. In these circumstances, it is agreed that:

1. The position must be identified by the College as having self-directed hours and written notification given to the Union Chair of the Standing Committee and the employee. Self-directed hours permit the employee to adjust the schedule of daily or weekly hours worked.
2. Total hours worked bi-weekly shall not exceed seventy (70) hours. Any hours in excess of the seventy (70) hours shall be overtime and shall require the prior approval of the employee's manager.
3. Self-directed hours will not produce any additional cost for the College (eg. non-scheduled overtime or non-scheduled shift differential), and will not result in any noticeable reductions in service.

TRANSITION:

The parties agree that the Standing Committee shall, within thirty (30) days of the signing of the Collective Agreement, meet and establish the list of positions that currently have self-directed hours. Every employee occupying a position identified as having self-directed hours shall receive written notification to that effect as well as a copy of this Letter of Agreement.

Appendix A

This memorandum sets out the terms and agreements that have been reached between the PPWC, Local 29, the Faculty Association of the College of New Caledonia and the College of New Caledonia with respect to matters raised as a consequence of the Section 34 application regarding employees associated with VALT (Volunteer Adult Literacy Training).

- 1) The parties agree that positions associated with VALT shall be part of either the PPWC or the Faculty Association bargaining units. Faculty contacts related to VALT will no longer be General Interest contracts.
- 2) The College agrees to accept the mutual agreement of the PPWC and the Faculty Association as determining the bargaining unit status of positions associated with VALT.
- 3) In the event of a jurisdictional dispute the following process will be followed:
 - a) The process can be initiated by any party, by written notice to the other party, when a position is created or the duties of an existing position are changed. The written notice must be given within ten (10) calendar weeks of the time either party could have reasonably become aware of the action.
 - b) Upon initiation, all parties shall meet and within twenty-one (21) days shall attempt to reach a mutual agreement.

The parties may, by mutual consent, waive any stage or time limits of the procedures described in 3a and 3b.

- c) If an agreement is not reached, the matter shall proceed to an informal arbitration process.
 - An arbitrator shall be chosen on a random basis from the following list of names.

Bob Blasina
Shona Moore
Cathy Bruce
Jon Squire

- The matter will be heard by the arbitrator within ten (10) weeks of the date s/he is selected. In the event that the arbitrator selected cannot hear the matter within this 10 week time limit, the parties shall make a further choice, using the random selection process, until an arbitrator is available to conduct a hearing within the ten (10) week time limit.

Appendix B

ARBITRATOR'S INTERPRETATION GUIDELINE

This guideline is intended to assist the arbitrator in determining whether or not a disputed position is "primarily engaged in teaching functions".

Outline of Teaching Functions

Inclusion of the following elements in a position may lead to the individual being considered to be "primarily engaged in teaching".

- 1) The exercise of professional judgement and training to determine what is educationally appropriate in:
 - a) the development/alteration of curricula
 - b) the selection, introduction and/or initial delivery of new or consequential materials, concepts, ideas or techniques to individuals or groups of individuals in an educational setting
 - c) the specification of educational data, activities and resources
- 2) The provision of professional advice to individuals in an educational setting which requires specialized subject expertise and knowledge that is acquired through training and education such as in the fields of librarians and counsellors.
- 3) The exercise of professional judgement in the independent assessment and/or evaluation of individual performance and grade assignment

Factors Relating to "Primarily Engaged In"

The following factors may be considered, though none by itself determine the issue.

- 1) The nature and degree of the functions actually performed;
- 2) Education, training and background required;
- 3) Terms and conditions of employment.

- The arbitrator is limited to the issue at hand and must apply the facts, as presented by the parties, to an "interpretable basis" that provides demarcation between the PPWC bargaining unit and the Faculty Association bargaining unit.
- Costs shall be shared equally between the parties.
- No party shall use legal representation at the table but will have the opportunity to seek counsel's advice as deemed necessary. Each party will appoint a designated spokesperson.
- All parties will make every effort to present their position in a manner which will limit the arbitration process to one day. In the event that a number of issues are being discussed, the time allowed may be adjusted.
- The arbitrator shall report his/her decision within one calendar week to all parties.

4) The College agrees to accept the definition "primarily engaged in teaching functions" that the PPWC and the Faculty Association agree upon and the mechanism for resolving disputes.
