THIS AGREEMENT made and entered into as of 2000 January 01

BETWEEN:

CITY OF VANCOUVER

(hereinafter called "the Employer")

OF THE FIRST PART

AND:

THE CITY OF VANCOUVER FOREMEN'S ASSOCIATION

(hereinafter called "the Association")

OF THE SECOND PART

1. **COVERAGE**

WHEREAS the Employer is an employer within the meaning of the Labour Relations Code, 1992;

AND WHEREAS the Association is the bargaining authority for the employees in a unit composed of Foremen of Foreman I level and higher employed by the Employer, except those foremen employed in the electrical division and those excluded by the "Labour Relations Code";

THIS AGREEMENT shall constitute the wages and working conditions for the employees.

2. **TERM OF THE AGREEMENT**

This Agreement shall be for a term of three (3) years with effect from the 1st day of January 2000 to the 31st day of December 2002, both dates inclusive. The Employer and the Association shall furnish to each other particulars of any changes or amendments either party may desire in this Agreement prior to the 31st day of December 2002.

It is understood and agreed between the Employer and the Association that the operation of Subsections (2) and (3) of Section 50 of the Labour Relations Code is hereby excluded from and shall not be applicable to this Agreement.

3. RIGHTS OF MANAGEMENT

The Association acknowledges that management and directing of employees in the bargaining unit is retained by the Employer, except as this Agreement otherwise specifies, provided however, this will not be used for purposes of discriminating against the employees.

4. REMUNERATION

(a) Salary Schedule

Subject to Clause 5, the scale of remuneration set out in Schedule "A" shall apply during the currency of this Agreement.

(b) Shift Differentials

A standard shift premium of seventy-five cents (75¢) per hour shall be paid to all Foremen required to work shifts. The shift premium shall be payable for all regular hours worked more than one hour on either side of the recognized normal or standard daily hours, provided that where the majority of an employee's regular hours fall outside the period described above, the shift premium shall apply to the entire shift.

(c) Effective Date for Individual Adjustments

Individual pay adjustments arising from periodic increments, reclassifications, re-evaluations and promotions (but not for acting in a higher capacity) are to commence at the beginning of the bi-weekly pay period the first day of which is nearest the calendar date of the pay adjustment. This Clause is not intended to interfere with the provisions of Clause 5.

(d) Derivation of Bi-weekly Rates for Salaried Employees

The monthly salaries set forth in Schedule "A" shall be the basis for the application of any general salary increases. The formula for converting the monthly salaries to hourly and bi-weekly rates is as follows:

$$\frac{\text{Monthly rate} \times 12}{26.089 \times \text{bi-weekly hours}} = \text{hourly rate (taken to 4 decimal places)}$$

$$\text{hourly rate (taken to 4 decimal places)} \times \text{bi-weekly hours} = \text{bi-weekly rate (taken to 2 decimal places)}$$

The resultant hourly and bi-weekly rates are the pay rates to which salaried employees are entitled. The monthly salaries shall be calculated to the nearest dollar. (e.g., 50¢ or more shall be increased to the next highest dollar and less than 50¢ shall not be counted.)

5. PAY FOR ACTING SENIOR CAPACITY

- (a) Subject to Clause 5(b), on every occasion that an employee is temporarily required to accept the responsibilities and carry out the duties incident to a position covered by this Agreement which is senior to the position which the employee normally holds, the employee shall be paid for every day that the duties of the senior position are carried out at the minimum rate in the scale for such senior position, except where the salary received in the employee's own position is equal to, or exceeds, the minimum of the senior position in which case the next higher rate in the pay range of the senior position shall be paid.
- (b) Appointments of employees to a level of higher responsibility must be authorized in writing by the Head of the Department concerned.

6. OVERTIME

(a) Payment for Overtime

Regular Full-Time Employees and Temporary Full-Time Employees shall be entitled to overtime compensation for all overtime worked:

- (i) immediately following the employee's regular shift;
 - (ii) immediately preceding the employee's regular shift consequent upon an oral or written notice given prior to the end of the employee's previous shift;
 - (iii) at any other time than at the times set forth in items (i) or (ii) of this Clause 6(a) consequent upon an oral or written notice given prior to the end of the employee's previous shift.
- (b) Subject to the provisions of Clause 6(c) Regular Full-Time Employees and Temporary Full-Time Employees shall be paid for the performance of overtime work scheduled by the Employer under Clause 6(a) at the following overtime rates:

- (i) time and one-half the regular rate of pay for the first two (2) hours of overtime worked immediately preceding or immediately following an employee's regular shift on any regular working day of the employee;
- (ii) double the regular rate of pay for all overtime in excess of the first two (2) hours thereof worked immediately preceding or immediately following an employee's regular shift on any regular working day of the employee;
- (iii) double the regular rate of pay for all overtime worked at any other time than at the times set forth in items (i) or (ii) of this Clause 6(b).

(c) Accumulation of Overtime

Overtime may be accumulated by an employee in accordance with the schedule annexed hereto and marked with the letter "B".

(d) Scheduled Overtime

- (i) Insofar as it is practical, the Employer will introduce an overtime sharing principle among employees with the same classification. Only scheduled overtime will be considered in this provision. An employee who is notified of being required to work pre-arranged overtime and for good and sufficient reason desires to be excused from such overtime work, may be excused from such overtime work if a replacement satisfactory to the supervisor can be found.
- (ii) In the event an acceptable and fully qualified replacement cannot be found to replace an employee assigned to work scheduled overtime, that employee will be required to work the overtime.

(e) Non-Scheduled Overtime

Emergency, callout, shift extensions or overtime of a non-scheduled nature will be worked by the employee or employees assigned by the supervisor to work the non-scheduled overtime.

(f) Computation of Overtime

Hours paid for public holidays or leave of absence with pay shall not be included as hours worked for purposes of computing overtime.

7. CALLOUT AND STANDBY PAY

(a) Callout Pay

A Regular Full-Time Employee or a Temporary Full-Time Employee who is called out and required to work outside the regular working hours shall be paid at double the hourly rate of the employee for all such hours actually worked and shall in any case be entitled to a minimum of three (3) hours' pay at double the employee's hourly rate.

The three (3) hour minimum is inclusive of one (1) hour's allowance at double the employee's hourly rate for travelling to and from home. If two or more calls are made upon a Regular Full-Time Employee or Temporary Full-Time Employee prior to arrival home, such additional calls shall not be treated as separate calls and shall not attract an additional three (3) hour minimum, but the employee shall be entitled to an additional one (1) hour travelling time.

- (b) In the case of emergency, including snow clearing, sanding of streets, floods, or situations of a like nature, where a split shift is necessary, normal rates shall prevail until a total of eight (8) hours has been worked, but one (1) hour extra will be allowed for travelling time.

(c) Standby

- (i) Employees who are required to take call duty between the end of a normal day shift on the first day of work in a normal work week as defined in Clause 11.1 (excluding public holidays) and the commencement of a normal day shift on the last day of work in the normal work week shall be paid one (1) hour's pay at the employee's regular rate of pay for each period of eight (8) hours that the employee stands by, in addition to any callout pay to which there may be entitlement under Clause 7.

- (ii) Employees who stand by for a call to work at any other time (that is during public holidays and weekends) shall be paid one (1) hour's pay at the employee's regular rate of pay for each period of six (6) hours that the employee stands by in addition to any callout pay to which there may be entitlement under Clause 7(a).

- (iii) Where the period of time which an employee stands by under this Clause 7(c)(i) or 7(c)(ii) exceeds a multiple of six (6) hours or eight (8) hours (as the case may be) the employee shall be paid one (1) hour's pay at the rate provided in this Clause 7(c)(i) or 7(c)(ii) for the remainder of the standby time unless the remainder is not more than one-half ($\frac{1}{2}$) of the standby period of six (6) hours or eight (8) hours (as the case may be) in which

event the amount payable to the employee for the remainder shall be one-half ($\frac{1}{2}$) hour's pay at the rate provided in this Clause 7(c)(i) and 7(c)(ii).

8. MEAL PERIODS

(a) During Overtime

If a Regular Full-Time Employee or Temporary Full-Time Employee is required to work overtime immediately following or immediately preceding the employee's regular shift under Clause 6(a)(i) or Clause 6(a)(ii) then upon the completion by the employee of two (2) continuous hours of such overtime work, the employee shall be given a paid meal period of one-half ($\frac{1}{2}$) hour which the Employer may permit the employee to begin at any time within the two (2) hour period; provided however that, except in the case of an emergency, the meal periods shall begin no later than the end of the two (2) hour work period. Upon the completion of each succeeding three and one-half ($3\frac{1}{2}$) continuous hours of overtime work, the employee shall be given another paid meal period of one-half ($\frac{1}{2}$) hour which, except in an emergency, shall be taken no later than the end of each three and one-half ($3\frac{1}{2}$) hour work period.

(b) During Overtime, Callouts, and Pre-Scheduled Overtime

A Regular Full-Time Employee or Temporary Full-Time Employee who completes three and one-half ($3\frac{1}{2}$) continuous hours of callout work, or overtime work occurring at any time other than immediately following or immediately preceding the employee's regular shift shall be given a paid meal period of one-half ($\frac{1}{2}$) hour which the Employer may permit the employee to begin at any time within the three and one-half ($3\frac{1}{2}$) hour work period; provided however, that, except in the case of an emergency, the meal period shall begin no later than the end of the three and one-half ($3\frac{1}{2}$) hour work period. Upon the completion of each succeeding three and one-half ($3\frac{1}{2}$) continuous hours of callout work or overtime work, the employee shall be given another paid meal period of one-half ($\frac{1}{2}$) hour which, except in an emergency, shall be taken no later than the end of each three and one-half ($3\frac{1}{2}$) hour work period.

(c) For each meal period given to a Regular Full-Time Employee or Temporary Full-Time Employee under Clause 8(a) or Clause 8(b) the employee shall be paid one-half ($\frac{1}{2}$) hour's pay at double the employee's regular rate of pay.

(d) Where by reason of an emergency it is not feasible to give a meal period at the designated time under the Clause 8(a) or Clause 8(b) it shall be taken as soon as practicable and in addition the Employer shall be responsible for supplying a

reasonable form of nourishment during the course of the work at such time as the employee would have been otherwise entitled to a paid meal period.

- (e) The Employer shall not be responsible for supplying nourishment to employees except as provided in Clause 8(d) which would preclude a meal period to be taken at the designated time.
- (f) It is clearly understood that continuous periods of time must be worked to qualify for the paid meal period.

9. VACATIONS AND PUBLIC HOLIDAYS

9.1 Vacations

Paid annual vacations for all employees shall be allowed as follows:

- (a) Employees leaving the service in less than twelve (12) months from the date of appointment shall be granted vacation pay in accordance with the "Employment Standards Act".
- (b) In the first part calendar year of service, vacation will be granted on the basis of one-twelfth (1/12th) of ten (10) working days for each month or portion of a month greater than one-half (½) worked by December 31st.
- (c) During the second up to and including the third calendar year of service - ten (10) working days.
- (d) During the fourth up to and including the seventh calendar year of service - fifteen (15) working days.
- (e) During the eighth up to and including the fifteenth calendar year of service - twenty (20) working days.
- (f) During the sixteenth up to and including the twenty-third calendar year of service - twenty-five (25) working days.
- (g) During the twenty-fourth and all subsequent calendar years of service - thirty (30) working days.
- (h) Employees who leave the service after completion of twelve (12) consecutive months of employment shall receive vacation for the calendar year in which termination occurs on the basis of one-twelfth (1/12th) of their vacation

entitlement for that year for each month or portion of a month greater than one-half (½) worked to the date of termination.

PROVIDED THAT

- (i) "calendar year" for the purposes of this Agreement shall mean the twelve-month period from January 1st to December 31st, inclusive.
- (j) In all cases of terminations of service for any reason, adjustment will be made for any overpayment of annual vacation.
- (k) Employees leaving on superannuation or upon leaving at reaching maximum retirement age are entitled to vacation in accordance with the following:

A Regular Full-Time Employee shall, in their year of retirement, regardless of their age, be entitled to full annual vacation, provided such employee has a minimum of twenty (20) years' service or has attained maximum retirement age.

(l) Deferment of Annual Vacation

Effective 2001 May 15:

An employee who is entitled to annual vacation of twenty (20) working days or more in any year:

- (i) shall take at least fifteen (15) working days of such annual vacation during the year in which such vacation is earned; and
- (ii) may defer the taking of any part of such annual vacation in excess of fifteen (15) working days;

PROVIDED HOWEVER THAT the maximum deferred vacation which an employee may accumulate at any one time pursuant to this Clause 9.1(l) shall be twenty (20) working days.

(m) Early Retirement

Effective 2001 May 15:

- (i) An employee entitled to twenty-five (25) or more days of annual vacation shall be entitled to defer up to five (5) days per year of that vacation into an Early Retirement Bank.

- (ii) An employee entitled to thirty (30) or more days of annual vacation shall be entitled to defer up to ten (10) days per year of that vacation into an Early Retirement Bank.
- (iii) Such deferred vacation may only be taken immediately prior to retirement. The Employer may, at its sole discretion, permit an employee to use such banked vacation under other circumstances.

NOTE: Where an employee has deferred vacation prior to 2001 January 01 such that it exceeds the vacation deferral limits in Clause 9.1(l), the employee shall retain entitlement to such vacation days. It should be understood that no additional vacation days may be deferred to the vacation deferral bank unless the balance falls below the limit set under Clause 9.1(l). However, this will not affect the employee's ability to defer their vacation to the early retirement bank in accordance with Clause 9.1(m).

9.2 Supplementary Vacation

Each employee shall be entitled to five (5) working days of supplementary vacation, in addition to the annual vacation under Clause 9.1 upon commencing the eleventh, sixteenth, twenty-first, twenty-sixth, thirty-first, thirty-sixth, forty-first or forty-sixth calendar year of service.

It is understood between the parties that each employee shall become entitled to supplementary vacation under this Clause 9.2 on the first day of January in the year in which the employee qualifies for such supplementary vacation. An employee shall retain the supplementary vacation entitlement notwithstanding that such employee's employment is terminated prior to the end of the period to which the entitlement applies. (An explanatory note and table is annexed hereto as Schedule "C" for the purposes of clarification.)

9.3 Public Holidays

- (a) Subject to Clause 9.3(b) all employees who have completed six (6) months' continuous service are entitled to a holiday with pay on the following public holidays, namely: New Year's Day, Good Friday, Easter Monday, Victoria Day, Canada Day, British Columbia Day, Labour Day, Thanksgiving Day, Remembrance Day, Christmas Day, Boxing Day and any other day appointed by the Council of the City of Vancouver to be a civic holiday.

PROVIDED THAT:

- (i) whenever one of the aforementioned public holidays falls on a Saturday or a Sunday and the Government of Canada and the Government of the

Province of British Columbia or either of them proclaim that such public holiday be observed on a day other than Saturday or Sunday then the day so proclaimed shall be read in substitution for such public holiday but if there is no such proclamation by either of such governments or the proclamations of such governments do not proclaim the same day for the observance of such public holiday then the Employer shall designate either the Friday immediately preceding such public holiday or the Monday immediately following the same as the day to observe such public holiday and the employees shall be entitled to a holiday with pay in lieu of such public holiday on the day so designated, or pay the employees in lieu of such public holiday at their respective regular rates of pay;

EXCEPT THAT:

whenever Christmas Day and Boxing Day fall on Saturday and Sunday respectively and the Government of Canada and the Government of the Province of British Columbia or either of them proclaim that such public holidays be observed on two (2) days other than Saturday and Sunday then the days so proclaimed shall be read in substitution for such public holidays but,

if there is no such proclamation by either of such governments in respect of one of such public holidays then the Employer shall designate either the Friday immediately preceding such public holiday or the Monday immediately following the same as the day to observe such public holiday and the employees shall be entitled to a holiday with pay in lieu of such public holiday on the day so designated, or pay the employees in lieu of such public holiday at their respective regular rates of pay,

if there is no such proclamation by either of such governments in respect of both of such public holidays, then the employees shall be entitled either to a holiday with pay in lieu of Christmas Day on the Friday immediately preceding Christmas Day and a holiday with pay in lieu of Boxing Day on the Monday immediately following Boxing Day, or pay in lieu of such public holidays, or either of them, at their respective regular rates of pay at the option of the Employer.

- (ii) Notwithstanding anything contained in this Clause 9.3(a) whenever one of the aforementioned public holidays, other than Christmas Day and Boxing Day, falls on a Saturday or Sunday, instead of having all the employees observe the public holiday on the same day the Employer may declare both the Friday immediately preceding such public holiday and the Monday immediately following the same for the observance of such public holiday and such of the employees as shall be designated by the Employer in such

declaration shall be entitled to a holiday with pay in lieu of such public holiday on the Friday named by the Employer and the remainder of the employees shall be entitled to a holiday with pay in lieu of such public holiday on the Monday named by the Employer.

- (b) If an employee whose duties normally require such employee to work on public holidays is required to work on any public holiday as provided for in Clause 9.3(a) which falls on or is observed on any day from Monday to Friday inclusive, then the employee shall be paid regular pay for the holiday and in addition thereto shall be given compensating time off equivalent to one and one-half (1½) times the number of hours worked on that public holiday. If such employee is required to work on the day off given in lieu of a public holiday, pursuant to the provisions of this Clause 9.3(b), then in lieu of such holiday, the employee shall be paid regular pay for the holiday plus double the hourly rate of pay of the employee computed on the basis of the normal working hours for the hours worked on such day off. For the purposes of this Clause 9.3(b) a public holiday does not include a holiday declared by the Employer pursuant to Clause 9.3(a)(ii) unless the employee is entitled to that holiday with pay in lieu of a public holiday.
- (c) An employee who has completed a continuous six (6) months' service (except an employee governed by Clause 9.3(b)) and who is required to work on a public holiday defined in Clause 9.3(a) which falls on or is observed on any day from Monday to Friday inclusive shall be paid their regular pay for the said holiday plus double the hourly rate of pay for the employee computed on the basis of the normal working hours for the hours worked on the holiday. For the purpose of this Clause 9.3(c) a public holiday does not include a holiday declared by the Employer pursuant to Clause 9.3(a)(ii) unless the employee is entitled to that holiday with pay in lieu of a public holiday.
- (d) The provisions of paragraphs 3, 4 and 5 of Schedule "B" shall be applicable to those employees who have earned compensating time off for working on a public holiday pursuant to Clause 9.3(b).

10. EMPLOYEE BENEFITS

It is hereby agreed that the employee benefits contained herein shall be continued for the term of this Agreement (not applicable to acting foremen.)

10.1 Benefit Administration

It is agreed and understood that the Employer has the sole responsibility for all aspects of the administration of the health and welfare benefit plans.

10.2 Medical Coverage

(a) Medical Services Plan

All employees who have completed six (6) months' continuous service shall be entitled to coverage under the Medical Services Plan established under the "Medical Services Act" of British Columbia. The Employer shall pay sixty percent (60%) (effective 2001 June 01, seventy-five percent (75%)) and the employees shall pay forty percent (40%) (effective 2001 June 01, twenty-five percent (25%)) of the premiums.

(b) Extended Health Care Plan

All Regular Full-Time Employees who have completed six months' continuous service shall be entitled to coverage under the Extended Health Care Plan. The provision of the benefits shall be subject to the requirements of the Plan. The Plan shall contain, among other benefits, a vision care option of \$300.00 per person, payable per twenty-four (24) month period, coverage for hearing aids of \$700.00 over a five (5) year period (sixty (60) months), orthopedic shoes, diabetic equipment and supplies, ostomy supplies, and clinical psychologist services of \$600.00 per year. The EHB lifetime maximum coverage under this Plan will be \$1,000,000 per person.

The Employer shall pay sixty percent (60%) (effective 2001 June 01, eighty percent (80%)) of the premium and the employees shall pay forty percent (40%) (effective 2001 June 01, twenty percent (20%)) of the premium for the Extended Health Care Plan.

10.3 Group Insurance

The Group Life Insurance coverage for all permanent employees and all those temporary employees who have completed one (1) year's service shall be calculated on the basis of \$1500.00 of insurance for each \$1,000.00 of gross basic annual salary, which salary shall be computed to the next highest \$1,000.00. The average total premium for such insurance shall be borne equally by the Employer and the employee to the date of the employee's retirement. The Employer shall pay sixty-five percent (65%) and the employees shall pay thirty-five percent (35%) of the premiums. The employee shall be entitled on retirement on pension to a reduced insurance coverage of \$1,000.00, the cost of which shall be borne between the Employer and all those employees covered by the Group Life Insurance plan who have not retired. The Employer agrees to provide for the opportunity for members of the Foremen's Association to enroll in an Optional Group Life Plan which provides for up to a maximum of \$250,000 insurance coverage. Eligibility for such additional Optional Group Life shall be subject to the policy plan provisions.

10.4 Dental Services Plan

The Employer agrees to provide a dental plan for the benefit of all Regular Full-Time Employees who have completed six (6) months of continuous service which provides for the following services:

- (a) Basic Dental Services (Plan A) paying for 80% of the approved schedule of fees;
- (b) Prosthetics, Crowns and Bridges (Plan B) paying for 50% of the approved schedule of fees;
- (c) Orthodontics (Plan C) paying for 50% of the approved schedule of fees to a lifetime maximum of \$2000 (effective 2001 June 01, \$3000) for dependent children as defined by the Plan; this coverage shall apply to adults covered under the Plan.
- (d) The Employer shall pay sixty-five percent (65%) (effective 2001 June 01, seventy percent (70%)) and the employees shall pay thirty-five percent (35%) (effective 2001 June 01, thirty percent (30%)) of the premiums.

10.5 Sick Leave and Gratuity Plan

- (a) All employees entitled to sick leave under this Agreement may accumulate sick leave on the basis of ten (10) days after six (6) months' service and thereafter on June 30 and December 31 each calendar year to a maximum of 261 working days (after the initial credit of ten (10) days, sick leave credits for a period of employment of less than six (6) full calendar months will be pro-rated on the basis of one and one-half (1½) days for each full month or month greater than one-half on the next June 30 or December 31);
- (b) effective 1988 October 20 the vesting period for the Gratuity Plan shall be reduced from 10 years to 3 years continuous service.

10.6 Workers' Compensation and Sick Leave Payments

- (a) Where an employee suffers from a disease or illness or incurs personal injury (which disease, illness or injury is hereinafter called the "disability") and is entitled to compensation therefor under the Workers' Compensation Act, the employee shall not be entitled to use sick leave credits for time lost by reason of any such disability.
- (b) All monies received by an employee by way of compensation for loss of wages under the said Act shall be paid to the Employer in return for which the Employer shall pay the employee the approximate normal net pay to which there would have

otherwise been entitlement but for a disability suffered or incurred aforesaid, for a maximum of one (1) year plus the equivalent of the accumulated sick leave credit. The sick leave credit would be charged with the time in excess of one (1) year and the City would receive the Workers' Compensation Board cheque for the full period. Where the WCB subsequently accepts an employee's claim, the employee's pay shall be recalculated retroactive for the period of the claim.

- (c) Where the first day or part day is not paid by the Workers' Compensation Board, this day or part day shall be paid by the Employer.
- (d) Employees receiving Workers' Compensation allowance for a recurrence of an injury or ailment suffered prior to employment with the Employer shall receive the WCB cheque only.

10.7 Sick Leave Reimbursement

Effective 2001 May 15:

Where an employee is in receipt of sick leave benefits while absent from employment by reason of any disability other than one for which the employee would be entitled to receive Workers' Compensation benefits, then the Employer is subrogated to the rights of an employee, against any third party who is liable to that employee for damages, and may bring an action against a third party in the employee's name to recover the wages and/or benefits paid or payable by the Employer.

The employee shall not enter any agreement for payment of legal fees relating to the wage and/or benefit portion of a claim for damages without the prior written consent of the General Manager of Human Resources. Where a claim for damages is made to the courts, the employee or their representative shall request the presiding judge, or judge and jury, to specify the amount of any award plus interest (where applicable) which is attributable to recovery of wages and/or benefits. The Employer will provide the necessary information regarding remuneration paid to the employee along with the cost of benefits that are impacted by the action.

Upon reimbursement of the wages and/or benefits, the Employer shall reinstate the employee's sick leave bank in proportion to the amount of money reimbursed to the Employer for wage loss. This provision includes, but is not limited to, actions or claims made to ICBC or Canada Direct.

10.8 Family Illness

Where no one other than the employee can provide for the needs of an immediate member of the employee's family (spouse, child parent) during an illness, an employee shall be entitled, after notifying the employee's immediate Supervisor, to use up to two

(2) accumulated sick leave days per calendar year for this purpose. In exceptional circumstances the employee's Manager may approve additional leave.

In order to comply with the requirements regarding eligibility for EI rebates, only those employees who have more than twelve (12) days' (96 hours) sick leave credits are entitled to use sick leave for family illness as outlined herein.

10.9 Vancouver Employees' Savings Plan

The employee shall have deducted each month from salary a sum equal to one and one-half percent (1½%) thereof and the Employer shall contribute an equivalent amount each month, which sums shall be deposited to the credit of the employee in the Vancouver Employee's Savings Plan.

Provided, however, that any employee who shall revert to a classification below that of Foreman I and shall remain in the lower classification for a continuous period of one (1) year, shall then be placed on the benefits outlined in the Outside Workers' agreement.

Provided, further, that employees demoted for cause to below Foreman I level revert immediately to the benefits outlined in the Outside Workers' agreement.

10.10 Maternity and Parental Leave

Effective 2001 January 01:

(a) Length of Leave

(1) Birth Mother

A pregnant employee shall be entitled to up to seventeen (17) consecutive weeks of maternity leave and up to thirty-five (35) consecutive weeks of parental leave, all without pay. The parental leave must immediately follow the maternity leave.

14.2 Other Disputes

When a difference of a general nature arises between the parties concerning the interpretation, application, operation or alleged violation of this Agreement, which does not specifically involve an employee, the matter may be submitted in writing by the Association to the General Manager, Human Resources or the Department Head, or alternatively by the Employer to the Association, as the case may be. If a satisfactory settlement is not reached with the Department Head and the Association within ten (10) days, such matter may be referred to the City Manager at step (c) of Clause 14.1.

An employee who alleges wrongful dismissal, discipline or suspension by the Employer shall be entitled to have such grievance settled in accordance with the grievance procedure set forth in Clause 14. If the employee is found by a Board of Arbitration appointed under the provisions of Clause 14 to be dismissed, suspended or otherwise disciplined for other than proper cause, the Board of Arbitration may:

The City Engineer will give the Association written assurance that the understanding and intention as expressed above is accepted. The aforesaid one pay grade shall be considered as a bonus for extra time worked and not part of the base rate and any overtime paid under the overtime clause shall be paid for based on the base rate exclusive of the one pay grade.

SUPPLEMENTARY VACATION: EXPLANATION OF THE TABLE

In the table the figure to the left of the oblique stroke shows the number of working days* of regular annual vacation.

The figure to the right of the oblique stroke shows the number of working days of supplementary vacation, and appears in the calendar year in which they are credited to an employee. These supplementary vacation days may be taken in any of the years beginning with the one in which they were credited but prior to the one in which the next 5 days are credited.

Example:

An employee hired in 1986 is in their 11th calendar year during 1996.
