Clarification of Tuesday to Saturday Work Week

- (a) The Tuesday to Saturday work week shall be on a voluntary basis, unless the Company cannot obtain enough volunteers to fill the requirements, then the junior men in the required categories will be requested to work such shift.

Where the Company has to appoint men to this shift, any one period of service shall not exceed twenty-one (21) calendar days.

- (b) The standard work week shall consist of forty (40) hours on day shift, Tuesday to Saturday inclusive. Sundays and Mondays shall be regular days off for this shift, and any work performed on these days off shall be paid at overtime rates as provided for in this Agreement.

NOTE: Tuesday to Saturday work week - Sunday and Monday being regular days off, any General Holiday falling on or celebrated on these days off shall be celebrated on Tuesdays. All General Holiday payment provisions contained in this Agreement shall be applicable to this Tuesday General Holiday.

5. All overtime, call-in pay, etc. shall be that as set out in the General Hours of Work provisions to apply to all employees.

6. Parts call-out:

Any Parts Department employee who is called upon to return to the Company's place of operations after having completed his regular shift or called on a non-working day or General Holiday, shall receive eighty-five dollars (\$85.00) per trip which shall cover wages and expenses.

All employees recognized by the Company as being suitably qualified will be requested on a voluntary basis, to rotate for weekly parts call out standby.

In the event that the designated individual is unable to fulfil their standby requirements it would be their responsibility to ensure that the duties/responsibilities are fully re-assigned and carried through. It is the responsibility of the person on standby to handle the call out if possible, or call whomever can do the job.

If sufficient qualified parts people do not volunteer for call out standby, the two most junior qualified parts people shall be appointed on a rotating basis.

For Clarification: Eighty-five dollars (\$85.00) per Call Out as has been in the past.

In addition, all time spent by an employee on any parts call-outs in excess of one-half ($\frac{1}{2}$) hour shall be paid at the appropriate overtime rates. Call-outs shall be on a rotating basis where possible.

7. The Company shall endeavour to share overtime on a fair and equal basis with all consideration given to seniority.

D. ALL EMPLOYEES

1. The Company shall give the employee forty-eight (48) hours' notice prior to changing shifts.
2. When it is necessary for an employee to be transferred from one shift to another shift, said shifts will continue for a minimum of three (3) consecutive normal working days, or the overtime rates as provided for in this Agreement will apply.
3. If an employee is working on the second or third shift and is unable to start the shift on time and/or to complete the shift, then the hourly rate for such an employee shall be computed by dividing the employee's total pay for a regular full shift by the applicable total number of hours he would be required to work to qualify for a full second or third shift, multiplied by the actual hours worked.
4. It is intended that every employee should have eight (8) hours' rest between shifts. In the event that an employee is recalled to work before such eight (8) full hours elapse, he shall be paid the appropriate overtime rates for work performed after recall. No employee shall be permitted to resume work on his own accord until eight (8) full hours have elapsed.

Clarification:

Employees working after midnight reporting for work next shift after an eight (8) hour break will not lose time taken from the shift to make up the eight (8) hour break.

5.
 - (a) Employees called in before their regular starting time shall be paid at the double time rate for time worked prior to their regular starting time.
 - (b) Employees called back to work after their regular shift shall receive a minimum of four (4) hours' pay at the prevailing overtime rate.
6. All hours worked outside of the standard work hours, outside the established shift hours and outside the standard work week shall be considered overtime and paid as follows:

- (a) Double time for all hours worked after the regular shift.
 - (i) All overtime in one calendar week shall be paid at double time.
 - (ii) All overtime for bodymen, painters and apprentices in the bodyshop in one calendar week shall be paid at double time.
- (b) Double time for all hours worked on a Sunday, or on any General Holiday listed in Article X, or day observed as such under the terms of this Agreement. This double time is in addition to any General Holiday pay an employee may be entitled to under other provisions of this Agreement.

7.

- (a) An employee who reports for work at the start of the standard work week shall be guaranteed full pay for the balance of the standard work week. The forty-eight (48) hour notice of layoff provided in the Seniority section of this Agreement shall take precedence when an employee is laid off on a Thursday. He would work Friday and Monday and by working Monday is not entitled to full pay for that week.

If an employee of his own volition does not report for his regular shift or shifts, then his weekly minimum five (5) shift pay base shall be reduced to the number received by subtracting the number of shifts missed from base 5.

- (b) An employee reporting for work on his regular shift shall receive a minimum of eight (8) hours' pay at his regular rate.
- (c) An employee called to work on a Saturday, (and on Monday in the Parts Department where applicable), a Sunday or on a General Holiday (or day observed as General Holiday), shall receive a minimum of four (4) hours' pay at the prevailing overtime rate.
- (d) The provisions of this section shall not apply if an employee voluntarily quits or lays off, or is discharged for proper and sufficient cause.

8. Preparation Time:

The Company will allow and pay for personal preparation time to employees being sent on out-of-town jobs for a period of overnight or longer at the prevailing overtime rates if done outside the regular shift hours.

- 9. Where an employee works through his regular established lunch period, such employee shall be paid the applicable overtime rate and be allowed one-half ($\frac{1}{2}$) hour time off to consume a meal with no loss in pay.

10. Employees involved in an accident while on the job shall receive eight (8) hours' pay at his classified rate for the day of the accident. If an employee is required to take time off while on the job to consult a doctor with regard to any compensable injury he has received on the job, he shall be paid for such time off provided a doctor's letter or note is supplied and he returns to complete the day's work, if practicable.
11. All overtime shall be on a voluntary basis.
12. All field service shall be on a rotating basis where possible.
13. Without detracting from the minimum overtime hours worked and/or minimum overtime pay guarantees as provided elsewhere in this Agreement, when an employee works overtime, his time worked shall be calculated on a fifteen (15) minute unit basis. If an employee works any part of a fifteen (15) minute unit he shall receive credit for time worked for that full fifteen (15) minute unit.

If the Company has a time clock when an employee works overtime his time worked shall be calculated on a ten (10) or twelve (12) minute period depending on time clock calibrations. If an employee works any part of a ten (10) or twelve (12) minute unit, he shall receive credit for time worked for that full ten (10) or twelve (12) minute unit.
14. When employees are being worked on two (2) or more shift schedules and where a majority of the employees request it, they shall rotate shifts.
15.
 - (a) Employees who work beyond ten (10) hours per day shall receive a maximum of one-half ($\frac{1}{2}$) hour's pay for time off to eat a meal and each four (4) hours thereafter, but may take up to forty-five (45) minutes off for such purpose. Further to this, if an employee feels that he requires additional time off, he will request such additional time from the Foreman and if the request is reasonable, the Foreman shall grant same. This break shall occur at the regular meal hour.
 - (b) The Company shall pay the cost of such a meal at the going rate of the area involved. In all cases, receipts shall be obtained and turned in to the Company with the amounts being justified.

ARTICLE VI: MANAGEMENT RIGHTS

The Union recognizes and agrees that:

- (a) The management and operation of the plant and the direction of the working forces are vested exclusively in the Company.
- (b) The Company has and shall retain the right to select it's employees, to hire, classify, promote, demote or discipline them and discharge employees for proper cause, provided that a claim of discrimination against an employee in respect to any of these matters, or a claim of violation, of any section or Article of this Agreement, may be the subject of a grievance and be dealt with as hereinafter provided.
- (c) Any illegal work stoppage during the term of this Agreement could result in termination of the employees involved.

ARTICLE VII: GRIEVANCE PROCEDURE

Should a dispute arise between the Company and an employee or the Union as an entity regarding the interpretation, application, operation or any alleged violation of this Agreement, including any questions as to whether any matter is arbitrable, it shall be resolved in the following procedural manner:

- (a) The employee or the Union, together with such person or persons as he or the Union may wish, shall take the matter up with the Company within thirty (30) calendar days.
- (b) Should a solution not be reached by step (a) then a Business Representative of the Union, accompanied by the employee if the employee or Business Representative so wish, shall discuss the matter with the Company. If a solution is reached, this shall be final.
- (c) If the procedures set forth in (a) and (b) above do not result in a solution being reached within seven (7) days of the first discussion between a Business Representative of the Union a representative of the Company, or within such further period as the Company and the Union agree to in writing, the dispute shall be referred to an Arbitration Board of three (3) persons appointed as follows:
 - (i) The party desiring arbitration shall appoint a member for the Board and shall notify the other party in writing of the name and address of the person so appointed and particulars of the matter in dispute.
 - (ii) The party receiving the notice shall within five (5) days appoint a member for the Board and notify the other party of it's appointment.

(iii) The two Arbitrators, so appointed, shall confer to select a third person to be Chairman, and failing for three (3) days from the appointment of the second of them to agree upon a person willing to act, either of them may apply to the Honourable, the Minister of Labour, of British Columbia, to appoint such third member.

The Arbitration Board shall sit, hear the parties, settle the terms of the question to be arbitrated, and make it's award within ten (10) days from the date of the appointment of the Chairman, provided the parties may extend the time by agreement in writing.

If the Arbitration Board finds (or if at any earlier stage of the grievance procedure it is found) that an employee has been unjustly suspended or discharged, that employee shall be reinstated by the Company without loss of pay and with all his rights, benefits and privileges which he would have enjoyed if the suspension or discharge had not taken place, or if the Arbitration Board finds (or if at any earlier stage of the grievance procedure it is found) that an ex-employee should have been rehired, that ex-employee shall be employed by the Company and paid all pay which he would have enjoyed and accorded all rights, privileges and benefits which he would have enjoyed if he had been hired at the proper time, provided that if it is shown to the Board that the employee has been in receipt of wages during the period between discharge or suspension and reinstatement, or date of failure to rehire and rehiring, the amount so received shall be deducted from wages payable by the Company pursuant to this Article, less any expenses which the employee has incurred in order to earn the wages so deducted, AND PROVIDED THAT the Arbitration Board, if circumstances are established before it, which, in the opinion of the Arbitration Board, makes it just and equitable to do so, shall have authority to order the Company to pay less than the full amount of wages lost.

The Arbitration Board shall have the right to modify any penalty imposed by the Company on an employee.

If the award of the Arbitration Board is subsequently set aside by a court of competent jurisdiction, the question shall, at the request of either party, be submitted to another Arbitration board appointed pursuant to and with all the powers provided by this Article.

The expenses and remuneration of the Chairman shall be paid by the parties in equal shares.

Without restricting the specific powers herein before mentioned, the Arbitration Board shall have all the general powers of an Arbitration Board.

- (d) Any discharged employee may, within seventy-two (72) hours of his discharge, in writing, require the Company to give him the reasons for his discharge and the Company will give such reasons to him, in writing within seventy-two (72) hours of such request and in the event of any dispute or difference as to whether or not there was proper cause for the discharge of such an employee, only the reasons so set forth in writing, shall constitute cause. The twenty-four (24) hour periods in Saturdays, Sundays or General Holidays shall not be used as counting hours with regards to such written request.

ARTICLE VIII: SENIORITY

1. The Company shall at least once every six (6) months, post in a conspicuous place on it's premises an up-to-date list of all employees covered by this Agreement showing the date when each commenced his employment with the Company. The Company shall forward to the Union a copy of each list on the date of it's posting.
 2. When a new employee is hired, it is agreed that he shall be on probation for thirty (30) calendar days and during this period seniority will not be applicable. When the probationary period is completed, seniority will commence from the date of hiring.
 - (a) If the Company feels thirty (30) days is not sufficient time, they shall discuss additional time with the Union prior to the employee having completed his thirty (30) day probationary period.
 3. An employee re-entering the employ of the company after his right to recall has expired shall not be subject to another probation period.
 4. In the event of layoffs, seniority shall be recognized. The principle of last man on, first man off, shall prevail, subject to job classification. There shall be no overlap of Departments with regards to work. The positions of Shipper/Receiver (except if enrolled in the Apprenticeship Program), Truck Driver, Handyman, Yardman and Janitor shall not be placed in a specific Department so that these positions are eligible to be bumped by any employee in any Department in case of layoff. The Company will supply a detailed list of which work falls under which Department.
-

- A three year or more Apprentice with greater seniority shall not be laid off before a Journeyman with less seniority provided the ratio of Apprentice to Journeyman remains at the four (4) to one (1) ratio as provided elsewhere in this Agreement.
5. If layoffs occur, providing a senior man is capable of performing another job, he shall be given the opportunity to take such a job. The Company shall give at least forty-eight (48) hours' notice of layoffs. The twenty-four (24) hour periods in Saturdays, Sundays or General Holidays shall not be used as counting hours with regard to such lay-off notice.
 6. A laid-off employee shall retain his seniority and recall rights with the Company for twelve (12) months after the date of layoff.
 7. When vacancies occur, the Company shall rehire laid-off employees according to their seniority and the principle of last man off, first man on, shall prevail. The Company shall make contact with laid-off employees by registered mail or telegram with a copy to the Local Union Office.
 8. If a laid-off employee is called back to work with Company within his right to recall period, there shall be deemed to have been no break in such an employee's continuous service with the Company by reason of such layoff.
 9. When new jobs are available, wherever possible, the Company will promote employees to a better paying job, seniority, qualifications and ability to be considered.
 10. Salaried employees hired from the ranks of Union members shall be allowed to maintain seniority rights for nine (9) months after moving into such position. An employee who has been transferred to management position, but goes back to his union position for any reason will not be allowed to change back to a management position in the course of the same Collective Agreement.

- (f) For the purpose of determining a calendar year's employment to qualify an employee for vacations and vacation pay, the parties agree that when an employee has worked a minimum of fifteen hundred (1,500) hours in an employee's calendar year, running from anniversary date to anniversary date, he shall be eligible for vacations as above set forth.

Employees who work less than fifteen hundred (1,500) hours shall be paid as the case may be, four percent (4%), six percent (6%), eight percent (8%), or ten percent (10%) and the additional point four percent (.4%) where applicable of their gross earnings for the work year immediately preceding the vacation period.

The Company will pay the employee as if they were on the payroll and pay out the earned holiday pay remaining at the employee's anniversary date within three (3) working days. Holiday pay will be issued on a separate cheque than regular wages.
- (i) If an employee so requests, the Company shall provide three (3) consecutive weeks' vacation during the summer months from May 15th to September 15th.

The Company shall provide four (4) consecutive weeks' vacation during the summer months (May 15th to September 15th), for those eligible, providing only one (1) in this position is on vacation at this time.

Upon management approval the Company agrees to allow more than one (1) employee off at the same time.

The vacation schedule shall be posted by April 1st of each year and vacations shall be posted by May 15th of the same year. Any changes to the above posted vacation shall be by mutual agreement between the management and the employee concerned.

- (j) An employee's scheduled vacation period shall not be changed by the Company within the one month period immediately preceding the start of the vacation period without the consent of the employee concerned.
- (k) Each employee shall be required to take the full annual holiday period that he is entitled to under the provisions of this Agreement.

For each such holiday an employee shall be paid not less than the equivalent of the wages he would have earned at his classified rate of pay for his normal hours of work. An employee shall receive such holiday pay even if the holiday falls on a Saturday, Sunday or on an employee's weekly day off. The designated General Holidays shall be:

NEW YEAR'S DAY	GOOD FRIDAY	EMPIRE DAY (VICTORIA DAY)
