1:02

The Union recognizes that the Management, operation and direction of the working forces is vested exclusively with the Employer, but this shall be carried out in accordance with the terms of this Agreement.

ARTICLE 2:00 **UNION SECURITY**

2:01

All present Employees who are Members of the Union shall remain Members of the Union as a condition of continuous employment.

2:02

New Employees, hired subsequent to the Signing of this Agreement, shall make Application to join the Union within the first (1st) fifteen (15) days of employment and remain Members of the Union as a condition of continuous employment.

The Employer shall supply each new Employee with said applications. The Union shall provide the Employer with sufficient copies of the applications for this purpose. The Employer shall also collect these applications and forward them to the Union office.

2:04

- (1) The Employer agrees to remit, pursuant to the written assignment of the Employee, Union dues (including minimum dues), fees and any assessments of general application to all Employees in the bargaining unit, no later than the fifteenth (15th) day following the end of the month in which deductions were made from the Employee's pay cheque. deductions. With these remittances there shall also be a list of new Employees hired during the month with the Name and Address of each new Employee, and a list showing the names of the Employees who have been laid off, discharged, terminated or retired during the month. All dues remittances and assessments shall be shown on all T-4 slips, where applicable.

3:10

- (i) A split shift shall be no more than seven (7) working hours. Such seven (7) hours worked shall be paid for at eight (8) hours pay. If the hours worked on a split shift are less than seven (7), the pay for the hours worked shall be prorated accordingly.

4:05

For purposes of 4:04 above, call-out shall mean a call to work after such Employees have left their place of work, or a call to work on a day on which they were not required to work. This Clause shall not interfere with the change of Schedule Provision contained in Article 3:05.

4:06

All hours worked on a General Holiday shall be paid for at not less than double the regular rate in addition to any benefits that may accrue from Sections 5:06, 5:07, 5:08, 5:09 and 5:10 of Article 5:00 of this Agreement.

However, it is understood that such approved Schedule shall be one that is satisfactory to the Employer.

(B) The Golf Club Management finds it difficult to grant Vacation time during the Summer months. Nevertheless, it is recognized that some Employees, particularly those with young children, may have strong preferences for Summer Vacations. Thus, two (2) weeks of any Employee's Vacation will be the maximum that can be allowed during Summer months. Generally speaking, not more than one (1) Employee in a Golf Course crew should be off on Vacation at the same time. In the case of key Personnel, there may be some periods of the Summer when Vacation time is not possible.

5:03 Cont'

(C) In light of these limitations, Managers will make every effort to grant Summer Vacations to as many Employees as possible who have asked for such time off. Preference will be given to those Employees with long Seniority who have young children.

- (2) the words "for the twenty-one (21) day period" in each of sub-paragraphs (b) (ii) and (iii) above shall be revised to read "for the thirty day period".

The time off shall be taken in one of the two (2) following manners, as chosen by the Employee:

- (1) Six (6) consecutive working days; OR
- (2) Five (5) consecutive working days, with the sixth (6th) day to be taken sometime during the above stated period.

The actual timing of the time off shall be agreed to between the Employer and the Employee.

9:03 Cont'

The two (2) Arbitrators selected shall meet immediately after appointment and select a Chairman of the Arbitration Board. If they are unable to agree upon the selection of a Chairman within twenty-four (24) hours, they shall then request the Minister Of Labour to make the appointment.

A majority decision of the Board shall constitute the award.
- (iv) Each party shall pay its own costs and fees and the expenses of its Representative and Witnesses. The fees and expenses of the Chairman shall be shared equally between the parties.
- (v) In the event of an Arbitration Board being appointed, it shall be requested to hand down its decision within ten (10) days or as soon thereafter as conveniently may be arranged.
