## CLAUSE 1 MUTUAL OBJECTIVES

1.01 The objectives of this Agreement are to develop and maintain a harmonious and co-operative relationship between the Company, its employees and Teamsters Union Local 464; to promote the utmost co-operation; to foster a friendly spirit between the Parties; to allow effective and efficient operation of the business to ensure its financial health; to provide an amicable and equitable method of settling grievances or differences arising from the provisions of this Agreement.

The Parties will meet on a regular basis or as specifically requested in writing by either Party and, consistent with the terms of reference developed and agreed by the Parties, will work co-operatively to resolve issues placed before the Committee for their consideration.

## CLAUSE 2 RECOGNITION

2.01 The Company recognizes the Union as the sole and exclusive collective bargaining agent for all employees covered by this Agreement.

The Company further recognizes that the Union's jurisdiction shall be deemed to include all hourly rated employees engaged in the manufacturing and distribution of dairy and related products, primarily based at 1331 Derwent Way, Annacis Island.

2.02 The Company shall not require an employee to enter into a written or oral agreement which conflicts with a specific provision of this Agreement.

2.03 Any employee who, prior to the effective date of this Agreement, received a wage rate in excess of the rate for the classification as listed in this Agreement shall not suffer a reduction of their wage rate because of the implementation of this Agreement. The Parties may enter into arrangements to recognize any such situations and to standardize rates during the term of this Agreement.

2.04 Nothing in this Agreement shall preclude excluded personnel of the Company from performing work done by those in the bargaining unit from time to time provided that no employee shall lose shifts or suffer a lay-off as a direct result.

**NOTE:** It is understood between the parties that this clause will be in force for two (2) years from date of ratification. Following this the clause will read as follows:

No person who is not a member of the Union shall perform work that falls within the Unions' jurisdiction except in the case of emergency, save and except those Union positions within the Office Department.

### **CLAUSE 3 UNION SECURITY**

3.01 All employees in the employ of the Company covered by this Agreement, and all new employees covered by this Agreement, shall, within thirty (30) calendar days of the execution of this Agreement, or within thirty (30) calendar days after entering employment with the Company, whichever date last occurs, become members of the Union and maintain membership in good standing with the Union as a condition of employment.

3.02 The Company shall be free to hire new employees to work in classifications listed in Schedules "A", "B", "C" and "D" provided such employees shall be eligible for membership in the Union and shall make application and become members pursuant to 3.01.

may be granted to Employees (up to a maximum of seven (7) consecutive calendar days) who are elected as representatives of the Union and required to attend at Union executive meetings, Union conventions, seminars or as member(s) of the Union Negotiating Committee during collective bargaining with the Company.

Where operational considerations are compromised, or where no suitable replacement is available, the Company may restrict or decline to grant the application. The Union undertakes, in good faith to consider alternate arrangements where so requested by the Company.

Seniority will be unaffected by the granting of the Union's request. No employee who serves on a committee shall lose his or her position nor be discriminated against for that reason. No employee shall be discharged or discriminated against for upholding the Unions principals.

4.02 To facilitate the administration of Clause 4.01, where such leave of absence is granted, the Company will maintain the basic pay and benefits for the employee during the leave and will invoice the Union for benefits and wages paid.

4.03 **Union Notices**

The Company agrees to provide a bulletin board in the employee(s) lunchroom for the exclusive use of the Union. The use of such bulletin board will be restricted to posted notices and information which is the official business of the Union as authorized by the Principal Officer or Business Agent of the Union.

**CLAUSE 5 MANAGEMENT RIGHTS**

5.01 The Company shall have the exclusive right and power to manage the business and direct the working forces, including the right to hire; suspend for cause; discharge for cause; lay-off; promote; demote; assign to jobs; transfer employees from Department to Department; to increase or decrease the working force; to determine the products to be handled.

5.02 Nothing in this Agreement shall be intended or is to be construed in any way to interfere with the inherent recognized right of the Company to manage and control the business. It is further agreed that nothing in this Clause shall be used to discriminate against any employee of the Union, its members or its Executive.

## **CLAUSE 6 DEDUCTION OF DUES**

6.01 Each of the employees covered by this Agreement hereby authorizes the Company to deduct and pay over to the Secretary of the Union, any monthly dues, fines or assessments levied in accordance with the Union's By-laws, owing by him or her hereunder to the said Union, or as are authorized by regular and proper vote of the membership of the Union. Monies shall be deducted in accordance with the written statement supplied in duplicate by the Union which shall show the total amount owing by each employee and the names of the employees for whom the deductions are to be made.

Deductions of any monies owing shall also be made from employees in the month in which they terminate. Monies deducted shall be forwarded by the Company to the Secretary-Treasurer of the Union not later than the 10th day of the following month and shall be accompanied by a copy of the written statement supplied by the Union.

## **CLAUSE 7 UNION REPRESENTATIVES/SHOP STEWARDS**

7.01 The Company recognizes the Union's right to elect or appoint Shop Stewards to represent employees. Not to exceed one (1) Shop Steward per shift per Department as defined in Clause 22.

The Company agrees to recognize the Shop Steward provided that the Union has first advised the Company in writing of the name(s) of the Shop Stewards so elected or appointed. There shall be no discrimination against a Shop Steward for the carrying out their duties consistent with the terms of the Collective Agreement.

7.02 The Company agrees to allow the Union to conduct the election of Shop Stewards in a location at the Company's facilities as directed by the Company (e.g. the employee lunchroom), providing the election process is not disruptive to the Company's operations.

7.03 In the exercise of their functions, the Shop Steward shall first obtain the necessary permission from the Manager of the Department or his designate including the estimated length of absence required, prior to leaving their assigned duties to carry out any investigation arising out of a formal complaint and/or settlement of a formal grievance(s). ## **CLAUSE 8 DAYS AND HOURS OF WORK**

### **Hours of Work**

8.01 The normal hours of work for the Company's business covered by this Agreement shall be set and may be modified by the Company according to the demands of the business and/or the customer of the company. The Company will generally schedule its operations through the application of the principal of a forty (40) hour workweek with shifts being either eight (8) hours per day for five (5) days or ten (10) hours per day for four (4) days. Other shift arrangements currently in place will remain in place.

When the Company, for legitimate business reasons and customer requirements, determines that it is necessary to introduce alternate shift schedules, the Company will provide the Union seven (7) days advance notice of the Company's intention. During that seven (7) day period, the Company will, at the Union's request, meet to discuss the reasons that the Company has for the introduction of the alternate shift schedule.

At the end of the seven (7) day period, the Company may implement the alternate shift schedule in the work area concerned.

If the Union disagrees that the Company's introduction of the alternate shift schedule for the particular work area is not related to legitimate business reasons and/or customer requirements, the Union may refer the matter to expedited binding arbitration. In the expedited arbitration, the onus will be on the Company to present the arbitrator reasons why the alternate shift schedule (work week) is warranted in the particular circumstances and why it should be allowed to continue in effect, based on the legitimate business reasons and customer requirements of the Company.

Nothing in the above limits the Employer's ability to change or modify shifts as required and outlined in Clause 8.03.

8.02 (a) For Full-Time employees and Part-Time employees (where applicable), the Company will prepare a work schedule (Sunday to Saturday) and post such schedule in a conspicuous place by no later than Thursday in the prior week.

(b) Part-Time employees will be scheduled for any part time work available at the discretion of the Company, provided always that the Part-Time employee possesses the requisite qualification(s) and ability.

8.03 Normal days and hours of work may be adjusted by the Company to meet the demands of the business. In the event that the normal starting and stopping times are to be adjusted, the employees affected will be provided advance notice where practical. The Company will provide seventy-two (72) hours notice of change of work schedule involving days off, and twenty - four (24) hours notice of change of start/stop times where practical. However, it is understood that where circumstances such as: absenteeism of other employee(s); extreme weather conditions; supply of product/raw materials; suspension or interruption of operations due to mechanical/technical breakdown; unanticipated customer

demands occur, a lesser notice period may be provided by the Company. The Company undertakes in good faith to provide as much notice as is reasonably possible in the above circumstances.

- 8.04 Notwithstanding the hours of work posted on the work schedule, the provisions of this Clause will not be construed as guaranteeing to any employee any number of hours of work per day or per week. A Full-Time employee will not be subject to a Temporary Lay-off if there are shifts available that are usually assigned to Part-Time employees. Whenever feasible, if Part-Time shifts are available, qualified Full-Time employees will be offered said shifts, provided the Full-Time employee has the qualifications and abilities to perform the work available.
- 8.05 The Company shall accept the responsibility of maintaining the work schedule. It is the responsibility of each employee to check the schedule for work times and shifts. The Company shall authorize all changes to the work schedule.
- 8.06 (a) An employee shall be granted ten (10) consecutive hours rest between scheduled shifts. Where the employee is called in to work before the ten (10) consecutive hours has elapsed and elects to report to work, the employee shall be paid overtime rates for all hours worked within the ten (10) hour period from the finish of his previous scheduled shift.

For those working four (4) ten (10) hour days, overtime is paid at the rate of one and one-half times (1 1/2x) the regular rate of pay for hours worked up to twelve (12) hours in any one day and two times (2x) the regular rate for all hours worked thereafter in any one day.

Alternatively, the Parties may mutually agree to refer the matter to Mediation–Arbitration pursuant to Section 105 of the B.C. Labour Code.

- 9.03 The time limits listed above may only be extended, in writing, by mutual consent between the Parties.

### **Arbitration Procedure**

- 9.04 The Company and the Union shall endeavour to agree upon the selection of an acceptable Arbitrator to hear and render a final and binding decision on the grievance or matter(s) in dispute.
