In order to facilitate the orderly, as well as the confidential investigation of grievances, the Employer will make available to Union representatives or stewards temporary use of an office or similar facility.

The Employer recognizes that in some circumstances it is difficult for the President or his/her Union representative to meet with Employees outside of normal working hours. In such cases, the President or his/her designate shall submit a request in writing to the Employer to meet with Employees during working hours in their normal place of work. Subject to operational requirements, the Employer shall grant permission for such a meeting not to exceed one hour's (1) duration. Attendance at such meetings shall be considered time worked.

The Employer may, upon written request from the President or his/her designate, allow reasonable time for a designated representative of the Union on the agenda of any course, training session, or seminar sponsored by the Employer. Such permission will not be unreasonably withheld.

6.3 Technical Information

The Employer agrees to provide to the Union such information that is available relating to Employees in the Bargaining Unit, as may be required by the Union for collective bargaining purposes.

6.4 Policy Meetings

The Employer and the Union recognize the importance and necessity of the principals of the Parties to this Agreement meeting regularly to discuss problems which may arise from time to time.

ARTICLE 7 - GRIEVANCES

7.1 Grievance Procedure

In the event the appropriate designated excluded supervisor is not available, the grievance may be presented to the Institute's Labour Relations Officer or the Director of Labour Relations.

7.9 Time Limit to Submit to Arbitration

Failing satisfactory settlement at Step 3, and pursuant to Article 8, the President, of the Union or his/her designate, may inform the Employer of his/her intention to submit the dispute to arbitration (Article 8.1, the Alternative Grievance Resolution Procedure (Article 8.9) or Fast Track Arbitration (Article 8.10) within:

7.11 Expedited Arbitration

- (1) The Employer shall notify an Employee in writing of its decision to suspend, or discharge the Employee and shall in the notice indicate the reasons for the action.
- (2) A copy of the written notice of dismissal or suspension shall be forwarded to the President of the Union within five (5) days of the action being taken.
- (3) The Employee, within five (5) working days of receiving the notice, may file a grievance regarding the Employer's action.

- (4) The arbitration board shall announce its decision orally or by letter within ten (10) working days of the hearing, with written reasons to follow.

7.12 Deviation from Grievance Procedure

The Employer agrees that, after a grievance has been initiated by the Union, the Employer's representatives will not enter into discussion or negotiation with respect to the grievance, either directly or indirectly, with the aggrieved Employee without the consent of the Union.

In the event that, after having initiated a grievance through the grievance procedure, an Employee endeavours to pursue the same grievance through any other channel, then the Union agrees that, pursuant to this article, the grievance shall be considered to have been abandoned.

7.13 Policy Grievance

Where either Party to this Agreement disputes the general application, interpretation or alleged violation of an article of this Agreement, the dispute shall be discussed initially with the Employer or the Union, as the case may be, within sixty (60) days of the occurrence. Where no satisfactory agreement is reached, either Party may submit the dispute to arbitration, as set out in Article 8 of this Agreement.

7.14 Technical Objections to Grievances

It is the intent of both Parties to this Agreement that no grievance shall be defeated merely because of a technical error other than time limitations in processing the grievance through the grievance procedure. To this end an arbitration board shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.

7.15 Effective Date of Settlements

Settlements reached at any step of the grievance procedure in this Article, other than 7.13, shall be applied retroactively to the date of the occurrence of the action or situation which gave rise to the grievance, but not prior to the effective date of the Agreement in effect at the time of the occurrence or the date set by a board

of arbitration.

7.16 Amending of Time Limits

The time limits fixed in this grievance procedure may be altered by mutual consent of the Parties, but the same must be in writing.

ARTICLE 8 - ARBITRATION

Where a difference arising between the Parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable, or where an allegation is made that a term or condition of this Agreement has been violated, either of the Parties may, after exhausting the grievance procedure in Article 7, notify the other Party within thirty (30) days of the receipt of the reply at the third step, of its desire to submit the difference or allegations to arbitration.

8.2 Composition of the Board of Arbitration

When a Party has requested that a grievance be submitted to arbitration, it shall indicate to the other Party to the agreement within seven (7) days of:

(a) Its intention to submit the matter in dispute to a single arbitrator to be agreed upon by both Parties. Should either Party not agree to submit the dispute to a single arbitrator, both Parties shall then have seven (7) days to name their appointee pursuant to (b) of this Article; or

(b) The name of its appointee to a Board of Arbitration. Within seven (7) days thereafter the other Party shall indicate the name of its appointee to the Board of Arbitration. The two appointees shall then meet to select an impartial chairperson.

8.3 Failure to Appoint

If the recipient of the notice fails to appoint an arbitrator, or the two appointees fail to agree upon a chairperson within seven (7) days of their appointment, the appointment shall be made pursuant to Section 95 of the Labour Code.

8.4 Board Procedure

The Board may determine its own procedure in accordance with the Labour Relations Code of B.C. and shall give full opportunity to all Parties to present evidence and make representations. It shall hear and determine the difference or allegation and shall make every effort to render a decision within thirty (30) days of the conclusion of the hearing.

8.5 Decision of Board

The decision of the majority shall be the decision of the Board. Where there is no majority decision, the decision of the chairperson shall be the decision of the Board. The decision of the Arbitration Board shall be final, binding and enforceable on the Parties pursuant to the Labour Relations Code. The Board shall have the power to dispose of a discharge or discipline grievance by any arrangement which it deems just and equitable. However, the Board shall not have the power to change this Agreement or to alter, modify or amend any of its provisions.

8.6 Disagreement on Decision

Should the Parties disagree as to the meaning of the Board's decision, either Party may apply to the chairperson of the Arbitration Board to reconvene the Board to clarify the decision, which it shall make every effort to do within seven (7) days.

8.7 Expenses of Arbitration Board

Each Party shall pay:

- (a) The fees and expenses of the arbitrator it appoints;
- (b) One-half (1/2) of the fees and expenses of the chairperson.

8.8 Amending Time Limits

The time limits fixed in the arbitration procedure may be altered by mutual consent of the Parties but the same must be in writing.

8.9 Alternate Grievance Resolution Procedure

- (a) The Parties may mutually agree to the following procedure as an alternative to submitting matters of dispute to the formal arbitration procedure or the expedited arbitration procedure.
- (b) If a difference arises between the Parties relating to the dismissal, discipline or suspension of an Employee, or to the interpretation, application, operation or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, during the term of the Collective Agreement, John Kinzie, or a substitute agreed to by the Parties, shall at the request of either Party:
 - (1) investigate the difference;
 - (2) define the issue in the difference; and
 - (3) make written recommendations to resolve the difference

within thirty (30) days of the date of receipt of the request; and, for thirty (30) days from that date, time does not run in respect of the grievance procedure.

- (c) The Parties agree that these hearings shall be conducted on a without prejudice basis and that the written recommendations of the third Party shall be of no precedential value and shall not thereafter be referred to by the Parties in respect of any other matter.

Should a dispute not be resolved through the above procedure, either Party may submit the matter to arbitration pursuant to Article 7.11, 8.1 or 8.10.

The provisions of Article 8.9 shall have effect with respect to those grievances filed subsequent to the ratification of the Collective Agreement.

8.10 Fast Track Arbitration

The Parties agree to the following fast track arbitration process for those grievances filed after the date of ratification of the Agreement:

- (a) The Parties shall meet every four (4) months or as often as required to review all outstanding

grievances to determine by mutual agreement those grievances suitable for this process, and shall set dates for hearings of groups of grievances considered suitable for fast track arbitration.

(b) All grievances shall be considered suitable for and resolved by fast track arbitration except grievances in the nature of:

- (1) dismissal;
- (2) suspension in excess of twenty (20) workdays;
- (3) policy grievances;
- (4) grievances requiring substantial interpretation of a provision of the Collective Agreement;
- (5) grievances requiring presentation of extrinsic evidence;
- (6) rejection on probation;

- (8) demotions.

By mutual agreement, a grievance falling into any of these categories may be placed into the fast track arbitration process.

(c) The Parties shall mutually agree upon single arbitrators who shall be appointed to hear and resolve groups of grievances.

(d) The arbitrator shall hear the grievance and shall render a decision within two (2) working days of such hearings. No written reasons for the decision shall be provided beyond that which the arbitrator deems appropriate to convey a decision.

(e) Arbitration awards shall be of no precedential value and shall not thereafter be referred to by the Parties in respect of any other matter.

(f) All settlements of fast track arbitration cases prior to hearing shall be without prejudice.

(g) A grievance determined by either Party to fall within one of the categories listed in (b) above may be removed from the fast track arbitration process at anytime prior to hearing and forwarded to a regular arbitration hearing pursuant to Article 7.11(a) and (b) or Article 8.1. However, every effort will be made by the Party removing the grievance from the fast track arbitration to provide at least two (2) weeks' notice prior to the date set for the hearing of its intent to remove a grievance from the cases scheduled for hearing.

(h) The Parties shall equally share the cost of the fees and expenses of the arbitrator and hearing rooms.

All dismissals and suspensions will be subject to formal grievance procedure under Article 7 of this Agreement. A copy of the written notice of dismissal or suspension shall be forwarded to the President of the Union within five (5) days of the action being taken.

9.5 Right to Grieve Other Disciplinary Action

Disciplinary action grievable by the Employee shall include written censures, letters of reprimand, and adverse reports of performance evaluation. An Employee shall be given a copy of any such document placed on the Employee's file which might be the basis of disciplinary action. Should an Employee dispute any such entry in his/her file, he/she shall be entitled to recourse through the grievance procedure and the eventual resolution thereof shall become part of his/her personnel record. Upon the Employee's request any such document, other than official evaluation reports, shall be removed from the Employee's file after the expiration of twelve (12) months from the date it was issued provided there has not been a further infraction. The Employer agrees not to introduce as evidence in any hearing any document from the file of an Employee, the existence of which the Employee was not aware at the time of filing.

9.6 Evaluation Reports

- (a) Where a formal appraisal of an Employee's performance is carried out, the Employee shall be given sufficient opportunity to read and review the appraisal. Provision shall be made on the form for an Employee to sign. The form shall provide for the Employee's signature in two places, one indicating that the Employee has read and accepts the appraisal, and the other indicating that the Employee disagrees with the appraisal. The Employee shall sign in one of the places provided. No Employee may initiate a grievance regarding the contents of an evaluation report unless the signature indicates disagreement with the appraisal. An Employee shall, upon request, receive a copy of this evaluation report at time of signing. - (b) The President of the Union, or his/her designate, shall, with the written authority of an

Employee, be entitled to review an Employee's personnel file in the office in which the file is normally kept, in order to facilitate the investigation of a grievance.

(c) The Employee or the President of the Union or his/her designate as the case may be, shall give the Employer adequate notice prior to having access to such files. Files will be reviewed in the presence of a Personnel Officer or an appropriate designate.

9.8 Right to Have a Steward Present

(a) An Employee shall have the right to have his/her steward present at any discussion with supervisory personnel which the Employee believes might be the basis of disciplinary action. Where a supervisor intends to interview an Employee for disciplinary purposes the supervisor shall make every effort to notify the Employee in advance of the purpose of the interview in order that the Employee may contact his/her steward, providing that this does not result in an undue delay of the appropriate action being taken.

(b) A steward shall have the right to consult with a staff representative of the Union and to have a local Union representative present at any discussion with supervisory personnel which the steward believes might be the basis of disciplinary action against the steward; providing that this does not result in an undue delay of the appropriate action being taken.

9.9 Rejection During Probation

The Employer may reject any probationary Employee for just cause. A rejection during probation shall not be considered a dismissal for the purpose of Article 9.4. The test of just cause for rejection shall be a test of suitability of the probationary Employee for continued employment in the position to which he/she has been appointed, provided that the factors involved in suitability could reasonably be expected to affect work performance.

Where an Employee feels he/she has been aggrieved by the decision of the Employer to reject the Employee during the probationary period, he/she may appeal the decision through the grievance procedure as per Article 7 of this Agreement.

9.10 Abandonment of Position

An Employee who fails to report for duty for ten (10) consecutive working days without informing the Employer of the reason for his/her absence will be presumed to have abandoned his/her position. An Employee shall be afforded the opportunity to rebut such presumption and demonstrate that there were reasonable grounds for not informing the Employer.

ARTICLE 10 - SENIORITY

10.1 Seniority Defined

For the purpose of this Agreement:

(a) "*Service seniority*" shall mean the length of continuous service as a regular Employee of the Institute. (c) Notwithstanding the provisions of 10.1(b), a regular Employee who is demoted shall have time previously spent at the level to which he/she is demoted included in his/her classification seniority, other than cases where an Employee takes a voluntary demotion in accordance with Article 11.5 or 11.6 of this Agreement or is demoted through no fault of his/her own. In the latter cases, the Employee shall have classification seniority equivalent to all time previously spent at the level to which he/she is demoted, together with all time spent in any higher classification within the same classification series or related series.

Days worked after January 1, 1976 will be accumulated to establish the former auxiliary's service seniority.

10.2 Seniority List

The Employer shall maintain a service seniority list showing the date each regular Employee commenced employment in the Public Service and/or Institute service. An up-to-date service seniority list shall be sent to the President of the Union semi-annually.

In the case of educational leave, the Employer shall maintain coverage for the Employee's medical, extended health, dental, group life, and long-term disability benefits, and shall pay the Employer's share of these premiums.

A regular Employee who is on leave of absence without pay in an elected or appointed position of the Union shall continue to accrue seniority without benefits during the leave period, provided that, upon returning, the Employee shall accept the first available position in his/her original classification at the work location nearest his/her residence.

10.5 Bridging of Service

If a regular Employee terminates after August 1, 1979, as a result of a decision to raise a dependent child or dependent children, and is re-employed, upon application he/she shall be credited with length of service accumulated at time of termination for the purpose of benefits based on service seniority. The following conditions shall apply:

- (a) The Employee must have been a regular Employee with at least three (3) years of service seniority at time of termination;

Time spent in travel and in attendance will be considered as time worked.

13.16 A Procedure to Verify Qualifications and/or Equivalent Qualifications

The Employer and the Union agree to use the following procedures to verify qualifications for designated and non-designated trades and other occupations.

(a) Where an Employee submits any certification(s) which requires verification of equivalency in order to determine the qualification, the Employee will submit the certification(s) to the Ministry of Advanced Education, Training and Technology (MAETT) for adjudication and determination of the equivalent trade qualification for the Province of British Columbia.

The Employer and the Union agree that once a confirmation of equivalency has been made and accepted

by MAETT, the certification(s) will be recognized by the Employer as equivalent to a British Columbia Trade Qualification Certificate. The Employee may then seek to obtain an Interprovincial Certificate of Qualification through MAETT.

The Employer and the Union agree that it is the Employee's responsibility to ensure that timely submission of all certification(s) is made for adjudication and determination by MAETT, and that use of this process cannot hold up procedures of the Collective Agreement, (for example, the displacement option under Article 12).

(b) Where an Employee submits certification(s) for non-designated trades and other occupations which require verification of equivalency, the Employee will submit the certification(s) to the appropriate recognized authority for adjudication and determination of equivalency.

(c) Where a Regular Employee considers he/she has the equivalency of an Instructor Diploma, he/she will, in a timely manner, submit certification(s), transcript(s), proof of competency, or other credentials, as an Industrial Trainer, Vocational Instructor, or equivalency to the Instructor Diploma Program, to the appropriate branch of the Ministry of Advanced Education, Training and Technology, for adjudication and determination as to whether those credentials are equivalent to the Instructor Diploma.

The Employee shall not be required to comply with Article 17.1(b) and the Employee shall be granted increments on his/her annual increment date without restriction once it is determined that the credentials submitted by the Employee are equivalent to the Instructor Diploma.

Where the requisite equivalencies have been appropriately determined and confirmed, the Employee shall be deemed to be qualified. (See Article 26.3(c)).

13.17 Instructor's Diploma

For career advancement in related areas in the Employer's service, where the job specification requires a bachelor's degree, the possession of a vocational instructor's diploma or certificate shall be considered on a parity basis.

13.18 Skills Upgrading Fund

There shall be established at the start of each fiscal year a Skills Upgrading Fund equivalent to four hundred dollars (\$400) per Employee which shall be pooled and administered by the Career Development Committee established pursuant to Article 13.19 (formerly 19.8).

The pooled amount of the Skills Upgrading Fund shall be segregated from the Career Development Fund for the first nine (9) months of each fiscal year. On the first day of the tenth month, the remaining portion of the Fund that has been unused shall become part of the Career Development Fund and subject to Article 13.19. The Dean of School shall maintain a record of the Skills Upgrading Fund and disbursement from those funds. The Career Development Committee shall receive and review the allocation and utilization of the Skills Upgrading Fund on a quarterly basis.

The intent of the Fund is that it be used by Employees in the program cluster areas to upgrade their technical or instructional skills. These activities could include specific trade-related activities in which one or more Employees could be involved, programs periodically put on by industry related to a program cluster area, or instructional skills upgrading activities conducted by BCIT or recognized external agencies.

These types of skills upgrading activities may be from one (1) day to three (3) weeks in duration.

Employees shall submit an application form to the Career Development Committee through the Dean of School at least four (4) weeks in advance of the occurrence of the skills upgrading activity. All pertinent information regarding the skills upgrading activity shall be contained in the application form to enable the Career Development Committee to make its decision on the application for Skills Upgrading Funding by the Employee(s).

When the Career Development Committee has made the decision regarding the application by an Employee(s), the Dean of School shall make all necessary arrangements and disbursements.

An Employee may be required to submit a written report to the Chief Instructor and Associate Dean upon completion of the training activity.

13.19 Educational Leave (Regular Employees)

The Employer supports the concept of leave for the purposes of advanced or special training which will be of benefit to the Employee or the Employer, and in certain cases for programs of independent study and/or research where criteria for evaluating the Employee's performance on such leave can be established.

Educational leave granted by the Employer to regular Employees requesting such leave shall be in accordance with the following provisions:

- (a)

 - (3) Applications for educational leave of three (3) weeks or more in duration shall be submitted by the Employee at least five (5) months prior to the starting date requested **for the** leave (except in emergency situations).

(8) Educational leave for three (3) weeks or longer shall be with up to one hundred percent (100%) of pay, and normally such leave will be granted with sixty (60) percent of pay.

(9) An Employee granted such leave shall be required to sign a statement to the effect that he/she undertakes to remain in the service of the Employer for a period equivalent to three (3) times the length of the leave multiplied by the percentage of pay at which the leave was granted. Should the Employee leave the service of the Employer before the period expires, the Employee shall refund to the Employer, on a pro-rata basis, the amount paid to the Employee including expenses, during the leave.

(10) Termination of employment by the Employee, or by the Employer for just and reasonable cause nullifies any obligation by the Employer under this Article.

(11) For information purposes, the Employer agrees to supply the Career Development Committee with the budgeting allotment for education and skill upgrading, for the ensuing year as soon as available after its approval.

(12) Subject to operational requirements and budgetary considerations, educational leave will be granted to the maximum number of Employees who make application.

(13) Termination of employment by the Employee or by the Employer for just cause will nullify any obligation of assistance by the Employer under this Article.

(14) If an Employee fails to return to work on the pre-arranged date without reasonable cause, the Employee shall be required to repay in full all monies paid under this Article.

(15) In the event that an individual receives outside support, such as a scholarship, fellowship or bursary, the total of outside support plus salary support shall not exceed the individual's basic salary for the period of study leave. In the event of such combined support exceeding the basic salary, the excess amount shall be deducted from the Employee's salary. It is the responsibility of the Employee to report all additional sources of support to the Employer.

(b) The Career Development Committee shall provide the Employer with criteria for the evaluation of applications for educational leave and the amount of basic salary and allowances. The Career Development Committee may also establish subcommittees on education and training. These subcommittees will be responsible for making recommendations to the Career Development Committee regarding in-service training needs and programs and training assistance.

If a specialization has fewer than four (4) Employees it will be combined with another specialization in its grouping for the purpose of compiling summary statistical reports.

(h) The Parties recognize the importance of having Managers and Chief Instructors understand the spirit and intent of this provision of the Collective Agreement. Accordingly, within sixty (60) days of the ratification of the Agreement, the Bargaining Committees shall convene a meeting with Managers and Chief Instructors to review the operation of this new provision of the Agreement. In such cases the Employee shall use

his/her discretion in working the overtime and the Employer shall be considered to have authorized the overtime in advance. However, the Employer reserves the right, subject to the grievance procedure, to determine the legitimacy of the overtime claimed. (b) *Increments*

Increments - Subject to the other provisions of this Agreement, a regular Employee will advance one step on the Salary Schedule on the Employee's increment date.

(1) Effective January 01, 1987: all Employees normally eligible for an increment between January 01, 1987 and June 30, 1987 will advance one step on May 1, 1987 and each May 1st thereafter where eligible.

(2) All Employees normally eligible for an increment between July 1, 1987 and December 31, 1987 will advance one step on November 1, 1987 and each November 1 thereafter where eligible.

(3) For regular Employees hired after January 1, 1987, a one-step increase within the salary range shall become effective as of the first day of May or the first day of November as the case may be. Where the anniversary date of an initial appointment falls between January 1 and June 30, the date of the increment increase will be May 1, and where between July 1 and December 31, the date of the increment increase will be November 1.

Where a regular Employee has worked less than eight (8) months in the twelve (12) months immediately preceding his/her increment date, he/she shall have his/her increment delayed to the next biannual increment date.

Any absence from duty with pay shall not result in a delay in the increment.

The increment date shall not be delayed for such periods during leave of absence without pay when on an assignment related to the Employee's assignment and when so approved at the time the leave was granted.

The increment date cannot be advanced.

An Employee must complete the Ministry of Education's *"Instructor's Diploma"*, or equivalent appropriate career requirement for the classification as assessed by the Employer, in order to obtain the Employee's fourth increment. An Employee who has thereby had the fourth increment withheld, shall be granted the fourth increment on the next biannual increment date following completion of the I.D. program.

Where an Employee is prevented from attending the Instructor Diploma Program as a result of operational or other action taken by the Employer, the Employee will advance to the next biannual increment according to his/her anniversary date, however, the Employee must subsequently attain the Instructor's Diploma in order to advance to subsequent increments.

Service as a temporary Employee cannot be used for increment purposes and a temporary Employee is not eligible for increments.

(See Article 17.1)

(a) An additional increment (3% increase) at the top of the scale effective August 01, 1991. (New Step 9)

An additional increment (3% increase) at the top of the scale effective August 01, 1992. (New Step 10)

Employees at Step 8 as of the ratification date of the January 1, 1991 to December 31, 1992 Collective Agreement will proceed to Step 9 effective August 1, 1991 and to Step 10 effective August 1, 1992. Increment adjustments for all other Employees will be made pursuant to the provisions of Article 26.

The Parties agree, that Step 1 and Step 2 of the salary scale will be deleted on November 15, 1992 and that the salary scale will be renumbered to reflect a total of eight (8) steps.

The Parties also agree to amend Memorandum of Agreement #2 and the "*BCGEU Instructional Placement Criteria*" document effective November 15, 1992 to reflect the foregoing. (Therefore, Step 4 becomes Step 2).

26.4 Substitution Pay

When an Employee temporarily substitutes in, or performs the principal duties of a higher-paying position, he/she shall receive the rate for the job, where a single rate is established. If a salary range is established, he/she shall receive the minimum rate of the new salary range or the rate in the new salary range which is the closest step to eight percent (8%) above his/her current rate, whichever is greater, but not more than the top of the new salary range. Employees on sick leave, special leave, or any other paid leave of absence will be entitled to the basic rates of pay they received prior to substituting in a higher position.

Substitution pay is not payable when an Employee has not been designated by the Employer to substitute, or where an Employee's current position normally requires periodic substitution in the higher position as defined in the functional job description.

26.5 Rate of Pay on Reclassification or Promotion

(a) When an Employee is promoted or reclassified to a higher-paying position in the salary schedule, the Employee will receive the rate for the position if a single salary, or, in the case of positions on a salary range, will receive the rate in the salary range which is the closest step to eight percent (8%) above his/her previous rate, or the minimum of the new range, whichever is greater, but not more than the top of the new salary range.

(b) The above does not apply to new classifications established pursuant to Article 28.3.

26.6 Pay on Temporary Assignment

A regular Employee temporarily assigned by the Employer to a position with a rate of pay lower than his/her regular rate of pay shall maintain his/her regular rate of pay.

26.7 Reclassification of Position

(a) An Employee shall not have his/her salary reduced by reason of a change in the classification of his/her position that is caused other than by the Employee.

(b) Any Employee whose salary has been protected by a provision of any Component Agreement at anytime before July 31, 1977, or whose salary has been protected by any Agreement between the Employer and the Union since July 31, 1977, or whose position classification is changed to one with a lower maximum salary through no fault of his/her own, shall receive fifty percent (50%) of the negotiated salary increase applicable to the Employee's new classification. Such Employee shall receive the full negotiated salary increase when the maximum salary of his/her classification equals or exceeds the salary which he/she is receiving.

26.8 Payment to Dependents on Death

(a) Where an Employee dies while in the Employer's service, the following amounts shall be paid to the Employee's beneficiary as designated under the Group Life Plan, if any, or in the absence of such beneficiary, to the Employee's estate:

- (1) if the Employee has completed one (1) continuous year in the Employer's service, one (1) month's salary;
- (2) if the Employee has completed two (2) continuous years in the Employer's service, two (2) months' salary;
- (3) if the Employee has completed three (3) continuous years in the Employer's service, three (3) months' salary;
- (4) if the Employee has completed four (4) continuous years in the Employer's service, four (4) months' salary;
- (5) if the Employee has completed five (5) continuous years in the Employer's service, five (5) months' salary; or
- (6) if the Employee has completed six (6) or more continuous years in the Employer's service, six (6) months' salary.

(b) It is understood that this benefit is not payable in addition to that provided in Section 53 of the Public Service Act.

26.9 Retirement Allowance^{*3}

Upon retirement from service, an Employee who has completed twenty (20) years of continuous service, and who under the provisions of the College Pension Act is entitled to receive a superannuation allowance on retirement, is entitled to an amount to be paid by the Employer equal to his/her salary for one (1) month, and, for each full year of service exceeding twenty (20) years, but not exceeding thirty (30) years, is entitled to an additional amount equal to one-fifth (1/5) of his/her monthly salary.

26.10 Salary Rate on Demotion

When an Employee is demoted, the Employee shall receive the rate for the position of a single salary. If a salary range is established, the maximum reduction shall be the closest step to eight percent (8%), but where the differential between the Employee's salary before demotion and the maximum salary of the lower position is greater than eight percent (8%), the new salary shall be the maximum of the new position.

26.11 Hourly, Daily and Partial Month Calculations

(a) *Interpretation and the Application of the Biweekly Pay System*

To assure consistent application of terms and conditions contained in the Collective Agreement which are affected by the operation of biweekly pay the following conversion formula will apply, without limiting in any way existing entitlements (effective January 1, 1988).

³*It is understood that this benefit is not payable in addition to that provided by Section 49(2) of the Public Service Act.

Formula for Hourly, Daily and Partial Month Calculations:

The formula for paying biweekly or hourly rates is as follows:

$$\frac{\text{Annual Rate}}{26.0892857} = \text{biweekly rate}$$

$$\frac{\text{Monthly Rate} \times 12 \text{ Months}}{26.0892857} = \text{biweekly rate}$$

$$\frac{\text{Biweekly Rate}}{60/70 \text{ as applicable}} = \text{hourly rate}$$

The daily rate shall be determined by multiplying the number of regular scheduled hours in the Employee's daily shift by the hourly rate.

For the purposes of converting a biweekly rate to a monthly rate, the formula will be as follows:

$$\frac{\text{Biweekly rate} \times 26.0892857}{12}$$

When an article has a reference to payments at the *"end of the month following the month"* in which an event occurs, payment will be *"at the end of the second pay period following the pay period"* in which the event occurs.

Similarly, a reference to payments on specified dates will mean payment on the closest pay period payday to the specified date.

(b) *Calculation of Pay* - Any Employee whose appointment spans a complete calendar month shall be paid the monthly rate. An Employee who starts and/or terminates employment during a month will be paid for that month a sum based on the current daily rate times the number of complete days for which pay is payable to that Employee in the month. Any deductions for periods of less than a calendar month will be made based on the daily rates. A deduction for a full calendar month will be made based on the monthly rate in accordance with Schedules A, B and C.

(c) For the purposes of calculating severance pay pursuant to Article 12.5(a)(4) *"one-half (1/2) month's"* salary equals annual salary divided by 24.

ARTICLE 27 - REIMBURSEMENT OF EXPENSES AND TRAVEL

27.1 Reimbursement of Costs

It is agreed and understood that where the Employer supplies lodging using community services that, whenever possible, the Employee will be entitled to single accommodation and that the sharing of the room with other Employees will not be required except under unusual circumstances, such as where sufficient accommodation is not available. Where the Employee is sharing his/her accommodation with persons other than Employees entitled to lodging, or where the Employee is using accommodation in excess of single accommodation, the Employee will be responsible for all lodging costs in excess of single accommodation.

It is the intent of the Employer that, where Employees are required to obtain accommodation at a point distant from their place of residence they will be permitted reasonable personal use of an Employer's vehicle, if available, during their non-working hours.

The Employer recognizes the frequent isolation of some of the Employees as a result of the nature and location of the Employer's operations. The Employer, therefore, agrees to permit reasonable personal use by Employees of the communication facilities at the work site.

27.6 Vehicle Allowance

An Employee shall be reimbursed for use of vehicle on the Employer's business when required to use the Employee's vehicle in the performance of the Employee's duties. 27.8 Expenses Within Headquarters Area

An Employee in performing his/her duties within his/her headquarters area may claim unusual and/or extraordinary out-of-pocket expenses, subject to approval by the Employer.

It is agreed that payment for out-of-pocket expenses is intended to include payment for meals where the situation warrants. It is not the intention to pay meal allowances where the Employee can be reasonably expected to provide his/her own meal.

27.9 Late Night Transportation

An Employee required to work other than the Employee's normal working hours and who must travel to or from home between 11:00 p.m. and 6:00 a.m., shall be reimbursed for the actual cost of commercial transportation upon presentation of a receipt.

27.10 Relocation Expenses

27.11 Telephone Allowance

If the Parties are unable to agree on the rate of pay for the new or substantially altered classification, within ten (10) days of their first meeting or such other period as agreed by the Parties, the Employer may implement the classification and attach a salary. APPENDIX A
SHORT TERM ILLNESS AND INJURY PLAN

1.1 Eligibility

- (a) Regular Employees shall be covered by the Short Term Illness and Injury Plan upon completion of six (6) months of active service with the Employer.
- (b) Regular Employees with less than six (6) months of service who are unable to work because of an illness or injury are entitled to six (6) days coverage at full pay in any one calendar year.
- (c) Regular Employees with three (3) months but less than six (6) months of service will be entitled to fifteen (15) weeks (75 working days) of coverage, consisting of the above six (6) days, or what remains of the six (6) days' entitlement, at full pay and the remainder of the fifteen (15) weeks at two-thirds (⅔) of pay, not to exceed a maximum weekly benefit of two hundred and ten dollars (\$210) or the U.I.C. maximum weekly sickness benefit, whichever is higher.
- (d) Notwithstanding (a), (b) and (c) above, where a regular Employee is on a claim recognized by the Workers' Compensation Board while the Employee was on the Employer's business, he/she shall be entitled to leave at his/her regular rate of pay, up to a maximum of one hundred thirty (130) days for any one claim in lieu of benefits as outlined in Section 1.2. In such cases the compensation payable by the Workers' Compensation Board shall be remitted to the Employer.

1.2 Short Term Plan Benefit

- (a) In the event an Employee is unable to work because of illness or injury, he/she will be entitled to a benefit of seventy-five percent (75%) of pay for a period not to exceed six (6) months from date of absence, (Short Term Plan Period). In any one (1) calendar year, the first six (6) working days of absence from work due to illness or injury will be paid at one hundred percent (100%) of pay.

Employees who exhaust all or part of their six (6) working days entitlement at one hundred percent (100%) of pay in a calendar year will have it reinstated in the following calendar year upon return to work.

- (b) Employees who have accumulated sick leave credit under the old sick leave plan will have their accumulated sick leave credits frozen but will supplement their seventy-five percent (75%) of pay benefit under the new plan by using twenty-five percent (25%) of a day's accumulation under the old sick leave plan for each day of absence under the new plan. The seventy-five percent (75%) benefit shall not be supplemented by the use of any other leave entitlement.

1.3 Recurring Disabilities

- (a) Employees who return to work after being absent because of illness or injury, and within five (5) consecutive scheduled days of work again become unable to work because of the same illness or injury are considered to still be within the original Short Term Plan period as defined in Section 1.2(a).
- (b) Employees who return to work after being absent because of illness or injury and within five (5) consecutive scheduled days of work again become unable to work because of a new illness or injury unrelated to the illness or injury that caused the previous absence shall be entitled to a further six (6) months' benefits under this plan.
- (c) Employees who return to work after being absent because of illness or injury, and after working

five (5) or more consecutive scheduled days of work, again become unable to work because of the same illness or injury will be entitled to a further six (6) month period of benefits under this plan, except as provided in (d) below, where the Short Term Plan period shall continue to be as defined in Section 1.2(a).

(d) Where an Employee is returning to work after a period of illness or injury and where the Screening Committee has approved such return on a trial basis for assessment and/or rehabilitation purposes, the Short Term Plan period shall continue to be as defined in Section 1.2(a). Such trial period must be approved during the period the Employee is receiving short term benefits, however, the end of the trial period can go beyond the Short Term Plan benefit period.

(e) Employees who return to work after a period of illness or injury and who do not work the same number of hours that were scheduled prior to the illness or injury shall receive prorated benefits under this plan, however, not beyond six (6) calendar months from the initial date of absence as defined in Section 1.2(a), if absence is due to the same illness or injury.

1.4 Doctor's Certificate of Inability to Work

The Employer may require an Employee who is unable to work because of illness or injury to provide a statement from:

- (a) A medical practitioner qualified to practice in the province of B.C.; or
- (b) Where necessary, from a medical practitioner licensed to practice in the province of Alberta or the Yukon; or
- (c) The consulting physician to whom the Employee is referred by the medical practitioner in (a) or (b) above, providing medical evidence of the Employee's inability to work in any of the following circumstances:
 - (i) where it appears that a pattern of consistent or frequent absence from work is developing;
 - (ii) where the Employee has been absent for six (6) consecutive scheduled days of work;
 - (iii) where at least thirty (30) days have elapsed since the last statement was obtained and the Employee has been in receipt of plan benefits throughout that period.

Benefits will cease to be paid when an Employee fails to provide satisfactory evidence of medical disability during the benefit period.

1.5 Integration With Other Disability Income

Short term benefits will be reduced by all other disability income benefits to which the absent Employee is entitled except disability income which was being received prior to the illness or injury resulting in the Employee being absent from work and which is unrelated to the illness or injury causing the current absence and the quarter (1/4) day accumulation from the old sick leave plan that is being used to supplement the new plan. Other disability income benefits will include:

- (a) Any amount the absent Employee receives from any group insurance, wage continuation or pension plan of the Employer.
- (b) Any amount of disability income provided by any compulsory act or law, except Unemployment Insurance sickness benefits and W.C.B. benefits payable in accordance with Section 1.1(d).

- (c) Any periodic benefit payment from the Canada or Quebec Pension Plan or other social security plan of any country.

Notwithstanding the above, in the case of ICBC Weekly Indemnity payments or, in the case of personal insurance coverage integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments, or personal insurance disability income benefits exceed either:

- (i) one hundred percent (100%) of pay; or
- (ii) the applicable benefit percentage of the individual's average total monthly income in the twelve (12) month period immediately preceding commencement of the disability, whichever is greater. Where this provision is to apply, the Employee will be required to provide satisfactory evidence of his/her total monthly income.

This section does not apply to a war disability pension paid under an Act of the Governments of Canada or other Commonwealth countries.

1.6 Benefits Not Paid During Certain Periods

Benefits will not be paid when an Employee is:

- (a) receiving designated paid holiday pay;
- (b) engaged in an occupation for wage or profit;
- (c) on strike or is locked out unless the strike or lockout occurred after the illness or injury resulting in the Employee being absent from work;
- (d) serving a prison sentence;
- (e) on suspension without pay;
- (f) on paid absence in the period immediately preceding retirement;
- (g) on any leave of absence without pay.

Notwithstanding (g) above, where an illness or injury occurs during a period of approved:

- (1) education leave,
- (2) general leave of absence not exceeding thirty (30) days,
- (3) maternity leave,

which prevents the Employee from returning to work on the scheduled date of return, the Short Term Plan will be effective from the date of disability due to illness or injury and benefits will be paid for the balance of the six (6) month period remaining from the scheduled date of return to work. For maternity leave, the intention is no coverage for normal pregnancy.

1.7 Employee to Inform Employer

The Employee shall inform the Employer as soon as possible of his/her inability to report to work because of illness or injury. The Employee shall inform the Employer of the date of return to duty, in advance of that date, in order that relief scheduled for that Employee can be notified.

1.8 Entitlement

For the purpose of calculation six (6) calendar days per calendar year, one (1) day shall be considered to be one (1) day regardless of the regularly scheduled workday. Calculation for partial days will be on a prorated basis.

1.9 EIC Premium

The Parties agree that the complete premium reduction from the **Employment** Insurance Commission accruing through the improved illness and injury plan will be returned to the Employer.

1.10 Benefits Upon Layoff or Separation

(a) Subject to (b) and (c) below, regular Employees who have completed three (3) months of service and who are receiving benefits pursuant to 1.1(c), 1.1(d) or 1.2 shall continue to receive such benefits upon layoff or separation until the termination of the illness or until the maximum benefit entitlement has been granted, whichever comes first, if the notice of layoff or separation is given after the commencement of the illness for which benefits are being paid.

(b) In the event that layoff or separation notice was given prior to the commencement of the illness, benefits will cease on the effective date of the layoff or separation only if the illness commenced within two (2) months of the effective date of the layoff or separation.

(c) Benefits will continue to be paid in accordance with 1.10(a), for which notice of layoff or separation was given prior to the commencement of the illness+ and if the illness commenced more than two (2) months before the effective date of the layoff or separation.

LONG TERM DISABILITY PLAN

2.1 Eligibility

(a) Regular full-time Employees shall be covered by the Long Term Disability Plan upon completion of six (6) months' active employment with the Employer.

(b) An Employee who is not actively at work because of illness or injury on the workday coincident with, or immediately preceding the date he/she would otherwise have become eligible for coverage under the Plan will not be eligible for coverage until the date the Employee returns to active employment.

(c) Coverage in the plan is a condition of employment.

2.2 Long Term Disability Benefit

In the event an Employee while covered under this Plan, becomes totally disabled as a result of an accident or a sickness, then, after the Employee has been totally disabled for six (6) months, including periods approved in Section 1.3(a) and (c), he/she shall be eligible to receive a monthly benefit as follows:

(a) While the Employee has a sick bank balance to be used on a day-for-day basis, full monthly earnings will continue until the sick bank is exhausted, and Section 2.6 will not apply.

(b) When an Employee has no sick bank, or after it is exhausted, the Employee shall receive a monthly benefit equal to the sum of sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of monthly earnings (effective

September 01, 1993).

For the purpose of the above, earnings shall mean basic monthly earnings as at the date of disability as determined by the Employer.

The basic monthly earnings as at the date of disability shall be the salary in effect for the last month of the Short Term Plan period, or equivalent six (6) month period, taking into consideration any retroactive adjustments. The date of disability for determining the commencement of the first two (2) years of disability shall be the day following the last month of the Short Term Plan period, or an equivalent six (6) month period.

(c) The Long Term Disability benefit payment will be made so long as an Employee remains totally disabled in accordance with Section 2.3, and will cease on the date the Employee recovers, or at the end of the month in which the Employee reaches age 65, or resigns or dies, whichever occurs first.

(d) An Employee in receipt of long term disability benefits will be considered an Employee for purposes of superannuation and will continue to be covered by group life, extended health, dental and medical plans. Employees will not be covered by any other portion of the Collective Agreement but will retain the right of access to a Screening Committee established thereunder and will retain seniority rights should they return to employment within six (6) months following cessation of benefits.

(e) When an Employee is in receipt of the benefit described in (b) above, contributions required for benefit plans in (d) above and contributions for superannuation will be waived by the Employer.

(f) An Employee engaged in rehabilitative employment with the Institute and who is receiving partial Long Term Disability benefit payments will have contributions required for benefit plans in (d) above and contributions for superannuation waived by the Employer except that superannuation contributions shall be deducted from any salary received from the Employer to cover the period of rehabilitative employment.

2.3 Total Disability

(a) Total disability, as used in this Plan, means the complete inability because of an accident or sickness of a covered Employee to perform all the duties of his/her own occupation for the first two (2) years of disability. Thereafter, Employees able by reason of education, training or experience to perform the duties of a gainful occupation for which the rate of pay is not less than seventy-five percent (75%) of the current rate of pay of their regular occupation at date of disability will not be considered totally disabled and will therefore not be eligible for benefits under this Long Term Disability Plan.

(b) Total disabilities resulting from mental or nervous disorders are covered by the plan in the same manner as total disabilities resulting from accidents or other sickness, except that an Employee who is totally disabled as a result of a mental or nervous disorder and who has received twenty-four (24) months of Long Term Disability Plans benefit payments must be confined to a hospital or mental institution or where they are at home, under the direct care and supervision of a medical doctor, in order to continue to be eligible for benefit payments.

During a period of total disability an Employee must be under the regular and personal care of a legally qualified doctor of medicine.

(c) (1) If an Employee becomes totally disabled and during this period of total disability engages in rehabilitative employment, the regular monthly benefit from this plan will be reduced by twenty-five percent (25%) of the Employee's earnings from such rehabilitative employment. In

the event that income from rehabilitative employment and the benefit paid under this plan exceed eighty-five percent (85%) of the Employee's earnings at date of disability, the benefit from this plan will be further reduced by the excess amount. "*Rehabilitative employment*" shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled Employee to an allowance, provided such rehabilitative employment has the approval of the Employee's doctor and the Employer.

The rehabilitative employment of a disabled Employee will continue until such time as the Employee's earnings from rehabilitative employment exceed eighty-five percent (85%) of the Employee's earnings at the date of disability but in no event for more than twenty-four (24) months from the date benefit payments commence.

If earnings are received by an Employee during a period of total disability and if such earnings are derived from employment which has not been approved of as rehabilitative employment by his/her doctor and the Employer, then the regular monthly benefit from the plan will be reduced by one hundred percent (100%) of such earnings.

(2) In the event that an Employee has been classified as totally disabled for all occupations and engages in approved rehabilitative employment, the provisions of (1) above apply except that the rehabilitative employment may continue for twenty-four (24) months from the date rehabilitative employment commenced.

(3) In the case where rehabilitative employment has been approved while an Employee is receiving a benefit under the provisions of Article 2.2(a), the provision of Article 2.3(c) (1) shall not apply until the Employee is receiving a benefit under Article 2.2(b).

2.4 Exclusions from Coverage

The Long Term Disability Plan does not cover total disabilities resulting from:

- (a) War, insurrection, rebellion, or service in the armed forces of any country, after the commencement of this plan;
- (b) Voluntary participation in a riot or civil commotion, except while an Employee is in the course of performing the duties of his/her regular occupation;
- (c) Intentionally self-inflicted injuries or illness;
- (d) Pregnancy, childbirth, miscarriage or abortion, except severe complications following termination of pregnancy; (Intention is no coverage for normal pregnancy);
- (e) A disability known to the Employer and which was specifically taken into account by the Employer at time of hiring.

2.5 Pre-existing Conditions

An Employee shall not be entitled to Long Term Disability benefits from this plan if his/her total disability resulted from an accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received in the ninety (90) day period prior to the date of hire unless he/she has completed twelve (12) consecutive months of service after the date of hire during which time he/she has not been absent from work due to the aforementioned accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received. This clause does not apply to present

Employees who have been continuously employed since April 1, 1977.

2.6 Integration With Other Disability Income

In the event a totally disabled Employee is entitled to any other income as a result of the same accident, sickness, mental or nervous disorder that caused him/her to be eligible to receive benefits from this Plan, the benefits from this Plan will be reduced by one hundred percent (100%) of such other disability income.

Other disability income shall include, but not necessarily be limited to:

- (a) Any amount payable under the Workers' Compensation Act or Law or any other legislation of similar purpose, and;
- (b) Any amount the disabled Employee received from any group insurance, wage continuation or pension plan of the Employer that provides disability or retirement income, and;
- (c) Any amount of disability income provided by any compulsory act or law, and;
- (d) Any periodic primary benefit payment from the Canada or Quebec Pension Plans or other similar social security plan of any country to which the disabled Employee is entitled or to which he/she would be entitled if his/her application for such benefit were approved, and;
- (e) Any amount of disability income provided by any group or association disability plan to which the disabled Employee might belong or subscribe.

The amount by which the disability benefit from this plan is reduced by other disability income will normally be the amount to which the disabled Employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements will not further reduce the benefits from this Plan.

Notwithstanding the above, in the case of ICBC Weekly Indemnity payments or, in the case of personal insurance coverage, integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments or, personal insurance disability income benefits exceed either:

- (i) one hundred percent (100%) of basic pay; or
- (ii) the applicable benefit percentage of the individual average total monthly income in the twelve (12) month period immediately preceding commencement of the disability, whichever is the greater. Where this provision is to apply, the Employee will be required to provide satisfactory evidence of his/her total monthly income.

This Section does not apply to war disability pension paid under an Act of the governments of Canada or other Commonwealth countries.

2.7 Successive Disabilities

If, following a period of total disability with respect to which benefits are paid from this Plan, an Employee returns to work on a full-time basis for a continuous period of six (6) months or more, any subsequent total disability suffered by that Employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled Employee shall be entitled to benefit payments in accordance with the provisions of this Plan.

In the event the period during which such an Employee has returned to work is less than six (6) months and the Employee again suffers a total disability and that is related to the preceding disability, the subsequent disability shall be deemed a continuation of the preceding disability, and the disabled Employee shall be entitled to benefit payments in accordance with the provisions of this Plan as though he/she had not returned to work. Should such an Employee suffer a subsequent disability that is unrelated to the previous disability and, provided the period during which the Employee returned to work is longer than one (1) month, the subsequent disability shall be considered a new disability and the Employee shall be entitled to benefit payments in accordance with the provisions of this Plan. If the period during which the Employee returned to work is one (1) month or less, the subsequent disability shall be deemed a continuation of the preceding disability and the disabled Employee shall be entitled to benefit payments in accordance with the provisions of this Plan.

2.8 Cessation of Plan Coverage

An Employee shall cease to be covered by this Plan at the earliest of the following dates:

- (a) on the date that is six (6) months prior to his/her sixty-fifth (65) birthday.
- (b) on the date of commencement of paid absence prior to retirement;
- (c) on the date of termination of employment with the Employer;

Cessation of active employment as a regular Employee shall be considered termination of employment except when an Employee is on authorized leave of absence with or without pay.

2.9 Leave of Absence

Employees on leave of absence without pay may opt to retain coverage under the plan and shall pay the full premium, except when on approved Maternity Leave. Coverage will be permitted for a period of eighteen (18) months of absence without pay except that if the leave is for educational purposes, the maximum period will be extended to two (2) years. If an Employee on leave of absence without pay or partial pay, who has elected coverage under this plan, becomes disabled, benefits under this Plan will be based upon monthly earnings immediately prior to the current leave of absence.

2.10 Benefits Upon Plan Termination

In the event this Long Term Disability Plan is terminated, the benefit payments shall continue to be paid in accordance with the provisions of this Plan to disabled Employees who become disabled while covered by this Plan prior to its termination.

2.11 Contributions

The cost of this Plan will be borne by the Employer.

2.12 Waiver of Contributions

Employee contributions to this Plan shall be waived with respect to disabled Employees during the time such an Employee is in receipt of disability benefit payments from this Plan.

2.13 Claims

Long Term Disability claims will be adjudicated and paid by a claims-paying agent to be appointed by the Employer. In the event a covered Employee disputes the decision of the claims-paying agent regarding a claim for benefits under this Plan, the Employee may arrange to have his/her claim reviewed by a Claims Review Committee composed of three (3) medical doctors; one (1) designated by the claimant, one (1) by the Employer and a third agreed to by the first two. Written notice of a disputed claim or an appeal under this Plan shall be sent to the Plan Administrator.

Written notice of an appeal must be submitted within six (6) months from the date the claims-paying agent rejected the claim. The expenses incurred by a Claims Review Committee will be paid by the Plan.

Where an Employee has disputed the decision of the claims-paying agent and is awaiting the outcome of a review or an appeal, the Employee will be considered to be on leave of absence without pay during the portion of the waiting period when he/she is not receiving pay or benefit allowance. During the waiting period, an Employee will continue to be covered by group life, extended health, dental and medical plans.

2.14 Physical Examination

The Employer, at its own expense, shall have the right and be given the opportunity to have a medical doctor appointed by the Employer examine, as often as it may reasonably require any Employee whose injury, sickness, mental or nervous disorder is the basis of claim upon this Plan.

2.15 Canadian Currency

All monies payable to or from this Plan shall be payable in Canada in Canadian currency.

2.16 Administration

The Employer will be the administrator of the Plan. All questions arising as to the interpretation of this Plan shall be subject to the grievance and arbitration procedures in Articles 7 and 8 of this Agreement.

2.17 Implementation by Regulation

The provisions of this Plan shall become part of a memorandum of agreement between the Parties and will be implemented by regulation.

2.18 Benefit Level

The benefit level for existing LTD recipients shall be increased by the same amount as the negotiated salary increase for other Employees in the Bargaining Unit.

JOINT ADVISORY COMMITTEE

There shall be a Joint Advisory Committee which shall consist of two (2) representatives appointed by the Employer and two (2) representatives appointed by the Union. The Employer and the Union may each appoint one (1) alternate Committee member. The purpose of the Committee shall be to consider and make recommendations to the Bargaining Principals on all matters related to the effective administration of the Short Term Illness and Injury and Long Term Disability Plans and to consider and make recommendations to the Bargaining Principals on any questions which may arise related to interpretation or application of the wording of Appendix A. The Committee shall consider and report back on all matters related to the plans which may be referred to it jointly by the Bargaining Principals.

LETTER OF UNDERSTANDING #2

Re: Trial Period - Recall/Severance Benefit Option

The Parties agree to the application of an alternate layoff option relevant to Article 12.5(a)(3) and (4).

This option shall permit an Employee who is laid off under Article 12, Layoff, to defer receiving severance pay pursuant to Article 12.5(a)(4) for twelve (12) months and remain on recall in accordance with 12.5(a)(3).

An Employee exercising this option shall notify the Employer within ten (10) days of his/her receipt of notice of layoff.

In the event that such laid off Employee is not recalled to a regular position during the twelve (12) month recall period, he/she shall then be eligible to receive a severance pay amount equal to that which he/she would have been eligible for had the option pursuant to 12.5(a)(4) been elected at the time of his/her original layoff.

For the purposes of this Memorandum of Agreement only, a recall pursuant to Article 12.6(d) shall not extend the original twelve (12) month recall period to which this deferral of severance pay applies. LETTER OF UNDERSTANDING #3**Re: Career Development**

The Parties agree to the implementation of Article 13.19 - Educational Leave (Regular Employees). In addition, the Parties agree that the Career Development Committee will establish subcommittees as deemed appropriate.

The Career Development Fund shall be one hundred thousand dollars (\$100,000) per fiscal year.

A Career Development Committee, comprised of three (3) Instructors from the Bargaining Unit and three from management, has the responsibility of recommending to the President, requests for paid Educational Leave.

Criteria

The application of Article 13.19 will normally apply to requests for paid Educational Leave longer than three (3) weeks in duration. The Committee has segregated Educational Leave into three (3) specific categories:

1. Educational Initiatives
 - (a) enhancement of practical teaching skills
 - (b) pursuit of formal education
2. Technical knowledge - enhancement of technical skills
3. Personal Growth - the pursuit of educational opportunities which will assist the Employee in his/her personal growth.

The Committee supports the notion that requests in category one and two should have a greater priority than those initiatives in category three. There is general consensus amongst the Committee that approved applications under this Article should benefit both the Employee and the Institute.

As per Article 13.19(a)(12), and subject to the expressed constraints, Educational Leave will be granted to the maximum number of Employees who make application.

Process

In order for the Committee to properly evaluate all requests, and for Employees to make application deadlines for other institutions, it is necessary to set cut-off dates for applications. Two dates were chosen to allow Instructors to take advantage of semester-based programs. Therefore, for each fiscal year, requests for paid Educational Leave pursuant to Article 13.19 must be received by the Career Development Committee by May 30 or October 31.

Pursuant to Article 13.19(a)(3), Employee(s) must submit his/her request to the appropriate Associate Dean who will forward it to the Dean. The request will then be circulated by the Dean's Office. It is a goal of the Committee to have request(s) in the hands of each member of the Committee within two (2) weeks of initial submission(s). The Associate Dean will append his/her remarks and comments to the request. If there is a problem, the appropriate Associate Dean will inform the Employee as soon as possible. Employees should retain copies of their requests for personal records. Normally, requests will be reviewed at the next LMC/CDC meeting.

Due to various time constraints and other extraordinary reasons, the requirement under Article 13.19(a)(3)

for five (5) months' lead time may be waived by the Committee.

Applicable Costs

The following costs qualify under this Article:

- reimbursement of tuition fees upon successful completion of each semester or course as appropriate
- salary support for a portion or the whole of Educational Leave

The cost of books, calculators and other student-related materials are the responsibility of the individual.

The Union and the Employer agree to implement the following proposal in order to resolve the issue of placement on the salary scale for new and existing Employees in the Instructional Bargaining Unit, the issue of qualifications, equivalencies and a placement procedure, and the Ed Wilk et al grievances.

1. The four (4) page document titled "*BCGEU Instructor Initial Placement Criteria*" dated 90 August 22 and this Letter of Agreement shall become an addendum to and form part of the Collective Agreement.

2. All selection committees will be required to use this placement procedure when hiring Employees for positions in the Bargaining Unit except for the IETE and the non-instructional positions.

For those Employees affected by this proposal, the provisions of Article 26.3(b) will not apply.

3. The Parties agree that further discussion is required concerning the Placement Criteria for the IETE and the non-instructional positions in the Bargaining Unit. The Parties will develop a similar placement process for these positions.

4. To become effective 90 October 08:

(i) The Parties agree that new instructors meeting all Section A qualifications as outlined in the BCGEU Instructor Initial Placement Criteria document shall be placed at Step 2 of the salary scale, and

(ii) New Employees meeting Section B of the Placement Criteria document shall be granted one additional step on the salary scale,

or

New Employees meeting Section C of the Placement Criteria document shall be granted one additional step on the salary scale, and

(iii) New Employees meeting Section D of the Placement Criteria document shall be granted one additional step on the salary scale.

5. All instructors in the Bargaining Unit on 90 October 08 who are now below Step 8, and, James Hutton, Ron Christian, Horst Zimmermann and Bert Gibson, if they are successful in their grievances and returned to employment at the Institute, will have their step placement reviewed in consideration of the new placement criteria. It is understood by the Parties that for Employees who received an increment in either May or November of 1989, and those Employees who had an increment withheld in 1989 due to failure to complete the Instructor Diploma pursuant to Article 26.3, that only experience and training in accordance with Placement Criteria B or C and D which was acquired through the period 88 August 01 to their increment date in 1989 will be applied to effect any salary step adjustment.

It is also understood by the Parties that for all Employees hired between 89 January 01 through to 90 October 07 inclusive, only experience and training in accordance with Placement Criteria B or C and D which was acquired through the period 88 August 01 to 90 October 07 will be applied to effect any salary step adjustment.

The effective date of any step adjustment will be 90 October 08, and there will be no change to any individual increment review date arising from the implementation of this Agreement.

- 6. The Parties agree all appeals concerning placement will be heard and a final and binding decision made by the LMC utilizing a process similar to the Career Development Committee and its procedures. For existing Employees, appeals will only be reviewed based on the same criteria and time frames as that outlined in number 5 above., For Employees hired on or after 90 October 08 appeals will be reviewed based on the BCGEU Instructional Initial Placement Criteria document only.
- 7. Employees are required to enroll and complete the Instructor Diploma program pursuant to the terms of the Collective Agreement. In recognition of this provision, the Employer and the Union agree to amend the terms of the Collective Agreement so that all instructors who have not completed their I.D. program will be held at Step 7 on the salary scale.

Those Employees already at barrier (pursuant to Article 26.3) will remain at their current step. The Parties will work with these persons to assist and encourage them to complete the program. Upon completion of the I.D. program, the barrier will be removed and further increments will be granted.

The Parties will also work with Employees at Step 8 who have not completed the I.D. program, to assist and encourage them to complete the program. These Employees will not have their salary level reduced as a result of not completing the program.
- 8. The Parties agree that this proposal will be a final and binding resolution to the Ed Wilk et al grievances. The Parties also agree that this Agreement applies to new and existing Employees in the Bargaining Unit not enjoined in the Ed Wilk et al grievances.
- 9. The Parties agree that this proposal is subject to the ratification of the BCIT Board of Governors, and the BCGEU Instructional bargaining unit. Failure by either Party to ratify, will nullify this proposal. If this proposal is not ratified, neither Party will refer to the contents of this proposal in any arbitration proceedings.
- 10. The Parties agree to recommend this proposal to their respective principals.
- 11. Upon ratification of this proposal, the Parties agree to issue joint bulletin(s) concerning this Agreement.

JURISDICTIONAL DISPUTE RESOLUTION PROCESS**Preamble**

The purpose of this agreement is to outline a jurisdictional dispute resolution process, which is equitable, expeditious and reflects the desire of the Parties to promote effective working relationships.

The Parties agree that the following process will be used in the event of a dispute respecting the appropriateness of a bargaining unit placement where the Institution introduces a new position or significantly revises an existing position.

ProcessA. Pre-Assignment Consultation

1. The Employer agrees to provide the Union and the Association with notice of its intention to assign a new position or to significantly alter an existing position to one of the three bargaining units at BCIT. The Employer further agrees to meet jointly with the Association and the Union prior to posting the job to discuss the bargaining unit assignment for the new position after having provided the Union and the Association with the job description and organizational chart/reporting relationship for the new position. The Union/Association may also request such things as a draft job posting, course outline, and other relevant information.
2. The following process will be used for the purposes of paragraph 1: the Employer will notify the Union and the Association by letter with attached job description and organization chart and will specify a time, place and date to meet to discuss the new position within ten (10) working days of the notice. The meeting shall take place at the time and date specified unless the parties mutually agree to postpone or cancel the meeting.
3. The Employer shall be entitled to post the new position following the completion of the meeting described above.

B. Jurisdictional Dispute Umpire

1. Where there exists a disagreement over the jurisdictional assignment made by the Employer, a party to this agreement may refer the matter within thirty (30) calendar days of the posting to the Jurisdictional Assignment Umpire.
2. The referring party shall send a copy of the referral to all other parties to this agreement. The referral will set out the full particulars of the dispute, a description of the referring party's position on the matter, and copies of all documents upon which the party intends to rely.
3. Each party shall provide the other parties with the full particulars of their case and with copies of all their reliance documents no later than seven (7) calendar days prior to the date of the hearing.
4. Hearings conducted pursuant to this agreement shall, whenever reasonably possible, be held at the Burnaby campus of the Institute.
5. The parties agree not to use outside legal counsel at the hearings.
6. The hearings will be expedited in all respects and will be conducted on an informal basis as far as is reasonably possible.

7. The expenses and fees of the Umpire will be borne equally among the parties involved in the dispute.
8. In determining the appropriateness of the bargaining unit placement, the Umpire shall be entitled to consider:
 - a) Job elements
 - b) Past practice
 - c) Impact on industrial relations
 - d) Community of interest
 - e) Certificates of Bargaining Authority
 - f) Other factors deemed appropriate by the Umpire
9. The Umpire will endeavour to render a decision within twenty-one (21) days of the conclusion of the hearing.
10. The decision of the Umpire shall be final and binding on all parties to this agreement.
