ARTICLE 9 - REDUCED SCHEDULE

It is agreed and understood that Article 9 - Reduced Schedule shall not apply for the term of this Agreement unless otherwise mutually agreed to by the Parties.

9.01 Whenever slack periods occur in the shop or any of its departments, the Company agrees to discuss with the Union President or his/her designate(s) all problems of employment and hours of work which would disturb the continuity of employment for those members who have been regularly employed for six (6) months or more.

9.02 (a) Should conditions warrant a reduction of working hours, the Company shall designate the number of hours of work, providing such reduction shall be equal on each day of the week or a four (4) day week may be instituted, Monday to Thursday inclusive, and shall affect the entire departments, as listed below, over which the Union has

jurisdiction. Notice of any change in the schedule of hours shall be posted prior to one (1) full working day before such change becomes effective, but the Company shall make every reasonable effort to give the maximum notice possible.

No classification above shall be considered a department unless there are two (2) or more people employed in such classification. In such instances a grouping of all the above shall be mutually agreed between the Parties.

At any time that a Department is on Reduced Schedule no person in a Department that is not on Reduced Schedule shall be permitted to work in that department that is on Reduced Schedule.

(c) In no instance shall hours of work be reduced to less than thirty (30) hours per week. Change of working schedule shall be limited to one (1) change per calendar week. Return to normal shift shall not be considered a change for the purpose of this section.

(d) It is agreed that in the event that the provisions of this Article 9 - Reduced Schedule, are not adequate to meet the reduced production requirements, the Company shall prior to shortening staff, apply a share the work program for a limited period, not to exceed six (6) weeks. Under such program each regular employee shall share equally in the available work and a list shall be kept and posted to insure that the lay-offs are equitable to all employees. If the production requirements do not then provide full employment for all regular employees, a shortening of the regular staff shall be effected to the extent that will provide full employment to the staff retained.

9.03 The above procedure shall be followed before there are any lay-offs among employees that have worked for the Company for at least six (6) months except where it can be proven that an employee who, by the nature of him/her/er position, is indispensable to the continued operation of a department. Notice of lay-off shall be given as set out in Article 10.04.

9.04 When the schedule of working hours is reduced such reduced hours shall constitute the regular time, and work performed in excess thereof shall constitute and shall be paid for at overtime rates.

When there are lay-offs of regular employees or short shifts in force in a department the only overtime that shall be permitted shall be of one (1) hour or less to complete a job or operation. When employees of the classification required, who are on lay-offs, are not available, then the above limit shall not apply.

When a reduced working schedule is in effect there shall be no overtime scheduled by departments or branches.

9.05 If it is agreed that the foregoing provisions of this Article 9 are unworkable, the Company shall meet with the Union President or his/her designate(s) and if a mutually

acceptable agreement can be reached on a workable solution such solution may be implemented for a specified period of time.

9.06 Employees shall not be denied a regular shifts' pay (in accordance with Articles 12 and 13) for holidays and/or vacation days falling within a period of reduced working schedules.

ARTICLE 10 - LAYOFF AND DISCHARGE

10.01 No employee may be disciplined or discharged except for just cause. Before the discipline or discharge of a shop delegate or officer of the Local, the Company must notify the Union of its intention and shall give the Union a reasonable opportunity to confer with the Company and to call in the International for this purpose when an officer of the Local is involved. In the event of a discharge of an employee, the Company shall simultaneously furnish reason for such discharge in writing.

10.02 In the event of a lay-off for less than fifteen (15) consecutive working days an employee shall be considered an employee of the Company for all purposes except payment of wages.

10.03 In the event that a reduction of the work force by reason of lay-off or discharge causes the ratio of journeypersons to apprentices to be destroyed in a department or shop, the apprentice shall at the end of two (2) months thereafter be released and shall not be re-employed until the ratio has been re-established. Should a formal request be made to the Union, within the two (2) month period for the number of journeypersons that would re-establish the proper ratio and the Union be unable to provide the journeypersons required, the apprentice may be retained. Should the request be withdrawn, however, the apprentice shall be released forthwith.

10.04 Any employee who has been regularly employed in the same establishment for a period of six (6) months or more and who is separated from employment because of lack of work, job obsolescence or similar reasons, shall be given two (2) weeks' notice or in lieu thereof, two (2) weeks' pay. This shall not apply in the case of dismissal for cause or in the case of temporary lay-off of less than four (4) weeks.

An employee must give at least one (1) weeks' notice of termination and when he/she does so, shall be allowed to complete that week or be awarded a weeks' pay in lieu thereof, except that this shall not interfere with the Employers right to discharge for cause.

ARTICLE 11 - OVERTIME

11.01 The employees agree to work such overtime as may be reasonably necessary to meet production requirements, provided that if any employee gives legitimate reason for not being able to work overtime, the Company will not require him/her to do so.

11.02 That for the first two (2) hours worked in excess of the regular work day on any day from Monday to Friday inclusive any employee shall receive one and one-half (1-1/2) times his/her hourly wage, and two (2) times his/her hourly wage for all additional hours worked thereafter.

11.03 That for each hour worked on Saturdays and Sundays an employee shall receive two (2) times his/her hourly wage.

11.04 That all work performed on statutory holidays shall be paid for at three (3) times the hourly rate (including holiday pay) granted in accordance with Article 12.01 and 12.02.

11.05 Twenty-four (24) hours' notice of overtime work shall be given to employees, except in the case of equipment breakdown or like emergencies during the course of the day or in the case of the required amount of overtime being one (1) hour or less.

11.06 It is agreed that, notwithstanding any other provision of this Article, a twenty-four (24) hour continuous shift shall be permitted in pressrooms, provided that three (3) crews (shifts) are employed on each press that is operating on the twenty-four (24) hour schedule. Proper notice of the implementing of such continuous shift shall be given the employees affected and all work in excess of the regular work day shall be paid for at the overtime rates provided in this Agreement.

It is understood that this section shall apply only during such time that the twenty-four (24) hour continuous operation is in effect and only on such press or presses that are being operated on such basis.

11.07 If it is agreed between the Parties that the foregoing provisions of Article 11.06 are unworkable, the Company shall meet with the Union President or his/her designate(s) and if a mutually acceptable agreement can be reached on a workable solution, such solution may be implemented for a specified period of time.

This entitlement is stated as a percentage of gross earnings for his/her vacation year's earnings or a defined number of weeks' pay at the employee's current weekly (day shift) rate of pay, whichever is greater.

Whatever vacation entitlement the employee has in accordance with the above paragraph will be paid at the appropriate percentage rate or will be pro-rated in accordance with the length of service with the Employer as per the following schedule:

With respect to the supplemental vacation only, the provisions of Article 13.17 re March 1st may be waived by mutual agreement between the employee and supervisor.

It is understood that should an employee qualify under this section by June 30th of any year, he or she shall receive the appropriate supplementary vacation with pay during that year.

13.07 Established membership in the Local, whether broken or not, is the method of measuring Local membership for vacation purposes.

13.08 Employees who have completed twenty (20) years in the industry shall receive five (5) weeks of vacation with pay in the amount of ten percent (10%) of the total wages earned during the time for which vacation credits are computed, or five (5) weeks of vacation with pay at the employee's current weekly (day shift) rate of pay, whichever is greater.

13.11 Statutory holidays and annual vacations shall be considered as regular shifts of employment for the purposes of calculating vacation pay as referred to herein.

13.12 Vacations, as far as possible, will be scheduled at times most desirable to the employee. Vacation periods shall, however, be designated by the Company, provided the Company gives a minimum of thirty (30) days notice to the employee prior to his or her vacation. At least two (2) weeks of the vacations shall be of consecutive weeks during the months of June, July, August and September except where otherwise mutually agreed between the Company and the employee. The balance of the vacation entitlement shall be taken in periods of not less than one week at a time. Where vacation periods are divided into two (2) or three (3) periods, the employee shall be given thirty (30) days notice on each instance and shall be given his or her vacation pay for the period of vacation immediately prior to said vacation each time.

A request by an employee for three (3) or more consecutive weeks of vacation shall not be unreasonably denied.

13.13 If the employee is required by the Company to alter his or her vacation period within the three (3) weeks next prior to any one of his/her vacation periods, the employee shall be granted an additional week of vacation with pay, as computed for regular vacation.

13.18 Vacation pay and statutory holiday pay shall be considered earnings for the purpose of computing Vacation Pay.

13.19 For those employees working a night or graveyard shift on a regular basis, vacation pay shall be based on the appropriate percentage of total wages earned or their regular weekly rate of pay whichever is greater. Regular basis shall mean in excess of 9 months during the period in which vacation credits are earned.

13.20 In the event that an employee has not lost more than three (3) months of employment due to sickness or injury or one month due to layoff or other reasons beyond his/her control, he or she shall remain eligible for full vacation benefits as determined by the length of his or her Union membership, or in respect to twenty (20) years of service in the industry and he or she will be entitled to a full weekly pay (as defined in this Article 13) for each week of vacation. In cases where the above provisions have been exceeded the excess time shall be deducted from the employee's time for which vacation credits are computed and the formula detailed in Article 13.02 shall be used to determine the individual vacation entitlement. It is understood that the above provisions do not negate the option of using the appropriate percentage of the previous year's total earnings if it produces a greater vacation pay.

13.21 Vacation pay must not be taken in lieu of vacation.

(iii) The arbitrator(s) shall hear and decide all matters referred to them by the Union, employers or trustees. The decision of the arbitrator(s) shall be final and binding on the Union, employers, trustees and the Company.

(iv) The arbitrator(s) shall have the full authority of an arbitrator appointed pursuant to the Labour Code of British Columbia. Without limiting the generality of the foregoing the arbitrator(s) shall have the authority to order the Company to perform its obligations pursuant to this agreement and relevant trust agreement or agreements, and may, in addition to ordering the Company to make all contributions owing, order the Company to pay interest on overdue contributions at such rate as the trustees have determined; pay reasonable counsel fees incurred, or to be incurred by the trustees, in the collection of such delinquent amounts, including the counsel fees for the arbitration, pay other reasonable costs incurred in the collection of a delinquency, pay liquidated damages in the amount equal to twenty percent (20%) of the total of all amounts found to be delinquent as determined by the arbitrator(s) to be due and owing. The Company acknowledges and agrees that the liquidated damages will be used to defer administrative costs and acknowledges the cost to be actual and substantial though difficult to ascertain, however, the Company acknowledges that these are a minimum of twenty percent (20%) of amounts found to be delinquent and waives the necessity of any additional proof thereof.

Without limiting the generality of the foregoing, the said sum is on account of damages resulting from:

1. Inconvenience and burden imposed on the trustees.
2. Loss of any benefits, monetary or otherwise accruing to any employees.
3. Loss of benefits and the use of any funds in connection with the Company's failure to comply with the terms and conditions of the relevant trust agreement and collective agreement.

(v) For the purposes of sub-section (iv), "reasonable counsel fee" shall mean all reasonable counsel fees in the amount for which the trustees become legally obligated, including the fee for recovery of liquidated damages, audit costs, filing fees, and any other expenses incurred by the trustees.

(vi) Any arbitration order or award determined under this section may be filed by the Union, employers or trustees pursuant to Section 110 of the British Columbia Labour Code and may be enforced thereunder.

The Union, employers or trustees may take any other action they deem advisable to enforce the obligations of a Company as set out in this Section notwithstanding any other provision of this agreement.

ARTICLE 31 - UNION ACCESS TO PLANT

The business representative or other duly authorized union representative shall be permitted to visit the plant during operating hours for the purposes consistent with this agreement, provided he/she first notifies management before entering plant. The time of this visit shall be mutually agreed by the parties hereto.

ARTICLE 32 - BULLETIN BOARD

It is agreed that there shall be at least one bulletin board readily available to each department which will be available to the Union for the posting of notices and other items of interest to members.

ARTICLE 33 - NAMING SHOP STEWARDS

The Union agrees to advise the Company by letter of the name or names of the Shop Stewards and of any change of Shop Steward immediately.

The Company agrees that essential communication between the Union Officials and the Shop Steward shall not be unreasonably denied.

ARTICLE 34 - SANITATION AND SAFETY

34.01 (a) It is agreed and understood by both parties to this Agreement that the Employer has an obligation to provide a safe and healthy work environment, and that this obligation includes, but is not limited to, employee's right to a workplace free of discrimination and/or harassment of any kind.

It is further agreed that the Employer and, where necessary, the Union, shall ensure that no employee suffers harassment, discrimination or inappropriate behaviour of any kind based on race, religion, gender or any other basis or circumstance, and that any reported incident(s) of discrimination or harassment shall be immediately addressed, with full recourse to the grievance procedure for all parties involved.

(b) Safety: The Company is responsible to make all reasonable provision for the safety and health of its employees during working hours. The Union agrees that it will cooperate in the enforcement of safety rules and other Company regulations. In accordance with the Regulations made pursuant to the provisions of the Workers' Compensation Act (B.C.) there shall be a Union-Company Safety Committee set up in each shop. This committee shall be responsible for the observance of safety conditions within the shop.

(c) Whenever accident risk machinery is being operated, at least two (2) employees shall be present within sight or hearing of each other so that in the case of an accident, adequate rescue and first aid measures can be provided.

34.02 The plant shall be kept in a clean well ventilated and sanitary condition at all times. Such necessary facilities shall be furnished by the Company as will tend to the observance of this provision, and the employees shall co-operate with the Company in this regard.

34.03 All safety clothes or accessories that employees are required to have or wear by decision of the Safety Committee, the Workers' Compensation Board or the Company shall be provided by the Company.

34.04 The Company agrees that it will require its suppliers to provide evidence that new chemicals being introduced into the plant are non-injurious.

34.05 When new chemicals are introduced into a department or plant, such chemicals, if not previously tested and proven to be non-injurious to the employees, shall upon request be submitted to the B.C. Research Council or Workers' Compensation Board for testing and confirmation that the product is not harmful to the employees within the department or plant. Such confirmation or other recommendation by the B.C. Research Council or Workers' Compensation Board shall be accepted by both parties to this Agreement.

34.06 It is agreed that either party may refer matters related to ergonomics or health and safety to the Safety Committee and/or Technological Committee for review, study of all available information and recommendation for action.

34.07 The employer shall have all employees working in pressrooms, binderies and boxboard departments given an audiometric test on an annual basis. Employees shall have access to their test results.

ARTICLE 35 - JURY DUTY

It is agreed and understood that Article 35 - Jury Duty shall not apply for the term of this Agreement unless otherwise mutually agreed to by the Parties.

35.01 The Employer will pay an employee who is required for Jury Service, as a crown witness or a subpoenaed witness in any court, for each day of service the difference between the employee's regular shift straight time hourly rate for the number of hours the employee misses from the employee's regular shift, and payment the employee received for such service. The employee shall, upon request, be required to present proof of such service and the amount received.

When an employee is excused from Jury Duty or Crown or Subpoenaed Witness Duty for one half (1/2) day or more he/she must return to the plant and complete his/her regular shift if it is available to him/her.

When an employee is working a night shift during the period that he/she is serving on Jury Duty or appearing as a Crown or Subpoenaed Witness he/she shall be excused from the total shift for any day on which he/she has been required to appear for jury selection or duty.

35.02 To facilitate a regular income for the employee, the employer will pay the employee his/her regular straight time wage and the employee shall turn over to the employer his/her earnings from the Jury Duty or Crown or Subpoenaed Witness Duty as soon as received.

ARTICLE 36 - BEREAVEMENT LEAVE AND PAY

A regular employee will be granted up to five (5) days' leave of absence with pay between Monday and Friday inclusive for the purpose of making arrangements and attending the funeral in the event of the death of their spouse or children. Three (3) days leave will be granted in the event of the death of a member of his or her immediate family, which shall be limited to parents, sister, brother, father-in-law, mother-in-law, brother-in-law, sister-in-law, and grandparents.

Such day or days leave of absence may include the day of the death and shall include the day of the funeral and need not be either consecutive or in the same week, to facilitate funerals that are delayed.

The above is subject to the provision that the employee shall not receive any such additional day or days' leave or pay because the death and/or arrangements and funeral occurred on a plant holiday, or during his or her vacation, or during any leave of absence without pay.

ARTICLE 37 - COMPENSABLE ACCIDENT PAY

Effective January 1, 1993, in the case of an industrial accident, the Company will pay the difference for six (6) weeks between the injured employee's wages and the Workers' Compensation Board rates, without prejudice.

ARTICLE 38 - SEPARABILITY

Each and every clause of this contract shall be deemed separable from each and every other clause of this contract to the end that in the event that any clause or clauses shall be finally determined by a Court of Last Resort to be in violation of any applicable law, then and in such event such clause or clauses only, to the extent only that any may be so in violation, shall be deemed of no force and effect and unenforceable without impairing the validity and enforceability of the rest of the contract including any and all provisions in the remainder of any clause, sentence or paragraph in which the offending language may appear.

ARTICLE 39 - NO ORAL OR IMPLIED AGREEMENT

This Contract sets forth the entire understanding and agreement of the parties and may not be modified in any respect except in writing subscribed to by the parties.

ARTICLE 40 - INTERNATIONAL APPROVAL CLAUSE

This agreement is subject to the approval of the International President. Such approval does not, however, under any circumstances make the International responsible for the observance of this contract, or any breach thereof.

ARTICLE 41 - AGREEMENT CONTINUITY

This contract shall be binding upon the parties hereto, their successors, administrators, lessees and assigns. The Company agrees that it shall give written notice of this contract and of all the clauses contained herein to any prospective purchaser, transferee, lessee, or assignee. The Company agrees that all obligations of this contract shall become a condition of any sale, transfer, lease or assignment.

ARTICLE 42 - EMPLOYMENT STANDARDS ACT

Where the provisions of the Employment Standards Act exceed those within this agreement such provisions shall apply.

ARTICLE 43 - DURATION OF AGREEMENT

43.01 The Parties agree that this Agreement will be for seventy-six (76) months duration, effective October 1, 1998 to and including January 31, 2005, and thereafter from year to year unless written notice of contrary intention is given by either party to the other party within the four (4) month period prior to the expiration date of the agreement.

43.02 If no agreement is reached prior to the expiration of this Agreement, this Agreement shall be deemed to remain in full force and effect up to the time a subsequent agreement is reached or until a legal strike or legal lockout occurs, and while this Agreement remains in effect and during such period, the Company will not sign any contract nor make any written agreement of any kind with any other Union relating to any lithographic production work, and specifically to any jobs or work covered by this Agreement.

43.03 Provided further, the parties agree to exclude the operation of Sections 50(2) and 50(3) of the Labour Relations Code and in that event, Sub-Sections 2 and 3 shall not be applicable for the duration of this Agreement.

B.01 The Plan to cover medical and surgical care for employees and their dependents, Weekly Sickness and Accident Indemnity Insurance for employees and other Welfare benefits that may be determined by the Trustees from time to time.

B.02 Both parties agree to abide by the rules and conditions contained in the Agreement and Declaration of Trust and any amendments that may be made thereto.

B.03 The Company agrees to contribute for each employee for each day or part day for which the employee is on the payroll according to the following schedule:

Commencing October 1, 2002.....\$13.46

In addition, the Company agrees to pay 100% of the B.C. Medical Plan increase in costs.

When reduced schedule is in effect, contributions shall be made based on 5 days (i.e. regular week) even when the work week has been shortened to a four day week (refer to Article 9.00). The Company will continue to make contributions on behalf of an employee when that employee is on Workers' Compensation or Weekly Indemnity. Should there be a waiting period with respect to such a claim, the employer will make contributions for that waiting period once the employee's eligibility is established and payment of the claim is underway.

B.06 All monies received or disbursed shall be administered and dealt with strictly in accordance with the provisions of the Agreement and Declaration of Trust as executed by Employers and by the Union.

APPENDIX C

GRAPHIC COMMUNICATIONS INTERNATIONAL UNION LOCAL 525-210, PENSION PLAN

IT IS AGREED THAT the Graphic Communications International Union Local 525-210, Pension Plan, established and instituted on November 1st, 1956 through collective bargaining, shall be maintained as follows:

C.01 The Parties agree to abide by the rules and conditions contained in the Agreement and Declaration of Trust and any amendments that may be made thereto.

C.02 The effective date of the amended plan shall be May 1st, 1984.

C.03 All members of the Graphic Communications International Union, Local 525M, upon completion of one year membership in said Local SHALL participate.

C.04 The employers shall pay in respect of all eligible participants such proportion of total earnings as will aggregate be equal to 60% of the "Cost of Funding" the Pension Plan.

C.05 The eligible participants shall pay amounts in proportion to total earnings, which will in aggregate be equal to 40% of the "Cost of Funding" the Pension Plan.

C.06 The "Cost of Funding" the Pension Plan shall be determined from time to time by the Trustees using sound actuarial principles and shall be set at such a figure as will ensure that no deficit arises during the period (of not less than one year) for which such "Cost of Funding" is determined and shall include an amount in respect of all reasonable and necessary administrative costs.

C.07 With effect from May 1st, 1966, there shall be a guaranteed pension benefit of 1.125% of total earnings for each year from said May 1, 1966.

With effect from May 1, 1984 forward there shall be a future service guaranteed pension benefit of 1.25% of the earnings for each year from said May 1, 1984.

C.08 The employer's payments into the Pension Plan shall vest in the participants in the plan on the following basis:

25% after 5 years of participation
50% after 10 years of participation
75% after 15 years of participation
100% after 20 years of participation

C.09 All monies accruing from unvested portions of the employer payments left through termination or death of participating members as provided for in the Agreement and Declaration of Trust shall remain the property of the Pension Fund and thus reduce future contributions, help defray administrative costs, or establish any contingency fund which the Trustees deem necessary.

C.10 Neither party to this Agreement shall require the other party through collective bargaining to increase or decrease this Pension Plan nor to change the principle of joint payments or the ratio of Employer and member payments into the Pension Plan in the future. This clause shall refer only to the G.C.I.U. Local 525-210 Pension Plan and shall not preclude the parties from bargaining for any other retirement benefits.

C.11 All payments to the Pension Plan are to be made payable to the Graphic Communications International Union, Local 525-210, Pension Plan and mailed to the Administrative office at 33 E. 8th Avenue, Vancouver, B.C. on or before the tenth (10th) of the month next following that for which payments are due.

C.13 It is agreed that effective May 1st, 1977 the normal retirement age for members shall be sixty-one (61) years of age and that the discount rate for retirement age between the ages of sixty and sixty-one be established at four percent (4%) per year.

C.14 In addition to their proportionate shares of "Cost of Funding" the employer shall contribute one-half of one percent (.5%) of total earnings and the employee shall contribute a pro-rata amount calculated on the 60%-40% formula set out in C.04 and C.05. These contributions shall be used in a manner determined from time to time by the trustees to make improvements to the plan. When improvements are made an amendment to the Pension Plan shall be made and all parties to this agreement shall be notified.

C.15 Effective January 1, 1993, in addition to their proportionate share of "Cost of Funding" the Employer shall contribute an additional one percent (1%) of total earnings. This contribution shall be used to reduce the early retirement penalty and/or for improvements as recommended by the Union Trustees. When improvements are made an amendment to the Pension Plan shall be made and all Parties to this Agreement shall be notified.

C.16 When a participating employee is on Workers' Compensation or Weekly Indemnity the Employer shall make the required contribution on their behalf providing the employee pays their portion.
