Under such program each regular employee shall share equally in the available work and a list shall be kept and posted to insure that the lay-offs are equitable to all employees. If the production requirements do not then provide full employment for all regular employees, a shortening of the regular staff shall be effected to the extent that will provide full employment to the staff retained.

9.03 The above procedure shall be followed before there are any lay-offs among employees that have worked for the Employer for at least six (6) months except where it can be proven that an employee who, by the nature of his position, is indispensable to the continued operation of a department. Should a formal request be made to the Union, within the two (2) month period for the number of journeymen that would re-establish the proper ratio and the Union be unable to provide the journeymen required, the apprentice may be retained. An employee must give at least one (1) weeks' notice of termination and when he does so, shall be allowed to complete that week or be awarded a weeks' pay in lieu thereof, except that this shall not interfere with the Employers right to discharge for cause.

Vacation periods shall, however, be designated by the Employer, provided the Employer gives a minimum of thirty (30) days notice to the employee prior to his or her vacation. At least two (2) weeks of the vacations shall be of consecutive weeks during the months of June, July, August and September except where otherwise mutually agreed between the Employer and the employee. The balance of the vacation entitlement shall be taken in periods of not less than one week at a time. Where vacation periods are divided into two (2) or three (3) periods, the employee shall be given thirty (30) days notice on each instance and shall be given his or her vacation pay for the period of vacation immediately prior to said vacation each time.

(iii) The arbitrator(s) shall hear and decide all matters referred to them by the Union, employers or trustees. The decision of the arbitrator(s) shall be final and binding on the Union, employers, trustees and the Employer.

(iv) The arbitrator(s) shall have the full authority of an arbitrator appointed pursuant to the Labour Relations Code of British Columbia. Without limiting the generality of the foregoing the arbitrator(s) shall have the authority to order the Employer to perform its obligations pursuant to this Collective Agreement and relevant trust agreement or agreements, and may, in addition to ordering the Employer to make all contributions owing, order the Employer to pay interest on overdue contributions at such rate as the trustees have determined; pay reasonable counsel fees incurred, or to be incurred by the trustees, in the collection of such delinquent amounts, including the counsel fees for the arbitration, pay other reasonable costs incurred in the collection of a delinquency, pay liquidated damages in the amount equal to twenty percent (20%) of the total of all amounts found to be delinquent as determined by the arbitrator(s) to be due and owing. The Employer acknowledges and agrees that the liquidated damages will be used to defer administrative costs and acknowledges the cost to be actual and substantial though difficult to ascertain, however, the Employer acknowledges that these are a minimum of twenty percent (20%) of amounts found to be delinquent and waives the necessity of any additional proof thereof.

Without limiting the generality of the foregoing, the said sum is on account of damages resulting from:

1. Inconvenience and burden imposed on the trustees.
2. Loss of any benefits, monetary or otherwise accruing to any employees.
3. Loss of benefits and the use of any funds in connection with the Employer's failure to comply with the terms and conditions of the relevant trust agreement and Collective Agreement.

(v) For the purposes of sub-section (iv), "reasonable counsel fee" shall mean all reasonable counsel fees in the amount for which the trustees become legally obligated, including the fee for recovery of liquidated damages, audit costs, filing fees, and any other expenses incurred by the trustees.

(vi) Any arbitration order or award determined under this section may be filed by the Union, employers or trustees pursuant to Section 110 of the Labour Relations Code of British Columbia and may be enforced thereunder.

The Union, employers or trustees may take any other action they deem advisable to enforce the obligations of a Employer as set out in this Section notwithstanding any other provision of this Collective Agreement.

ARTICLE 31 - UNION ACCESS TO PLANT

The business representative or other duly authorized union representative shall be permitted to visit the plant during operating hours for the purposes consistent with this Collective Agreement, provided he first notifies management before entering plant. The time of this visit shall be mutually agreed by the parties hereto.

ARTICLE 32 - BULLETIN BOARD

It is agreed that there shall be at least one bulletin board readily available to each department which will be available to the Union for the posting of notices and other items of interest to members.

ARTICLE 33 - NAMING SHOP STEWARDS

The Union agrees to advise the Employer by letter of the name or names of the Shop Stewards and of any change of Shop Steward immediately.

The Employer agrees that essential communication between the Union Officials and the Shop Steward shall not be unreasonably denied.

ARTICLE 34 - SANITATION AND SAFETY

34.01 (a) Safety: The Employer is responsible to make all reasonable provision for the safety and health of its employees during working hours. The Union agrees that it will co-operate in the enforcement of safety rules and other Employer regulations. In accordance with the Regulations made pursuant to the provisions of the Workers' Compensation Act (B.C.) there shall be a Union-Employer Safety Committee set up in each shop. This committee shall be responsible for the observance of safety conditions within the shop.

(b) Whenever accident risk machinery is being operated, at least two (2) employees shall be present within sight or hearing of each other so that in the case of an accident, adequate rescue and first aid measures can be provided.

34.02 The plant shall be kept in a clean well ventilated and sanitary condition at all times. Such necessary facilities shall be furnished by the Employer as will tend to the observance of this provision, and the employees shall co-operate with the Employer in this regard.

34.03 All safety clothes or accessories that employees are required to have or wear by decision of the Safety Committee, the Workers' Compensation Board or the Employer shall be provided by the Employer.

34.04 The Employer agrees that it will require its suppliers to provide evidence that new chemicals being introduced into the plant are non-injurious.

34.05 When new chemicals are introduced into a department or plant, such chemicals, if not previously tested and proven to be non-injurious to the employees, shall upon request be submitted to the B.C. Research Council or Workers' Compensation Board for testing and confirmation that the product is not harmful to the employees within the department or plant. Such confirmation or other recommendation by the B.C. Research Council or Workers' Compensation Board shall be accepted by both parties to this Collective Agreement.

34.06 It is agreed that either party may refer matters related to ergonomics or health and safety to the Safety Committee and/or Technological Committee for review, study of all available information and recommendation for action.

34.07 The employer shall have all employees working in pressrooms, binderies and boxboard departments given an audiometric test on an annual basis. Employees shall have access to their test results.

ARTICLE 35 - JURY DUTY

35.01 The Employer will pay an employee who is required for Jury Service, as a crown witness or a subpoenaed witness in any court, for each day of service the difference between the employee's regular shift straight time hourly rate for the number of hours the employee misses from the employee's regular shift, and payment the employee received for such service. The employee shall, upon request, be required to present proof of such service and the amount received.

When an employee is excused from Jury Duty or Crown or Subpoenaed Witness Duty for one half (1/2) day or more he must return to the plant and complete his regular shift if it is available to him.

When an employee is working a night shift during the period that he is serving on Jury Duty or appearing as a Crown or Subpoenaed Witness he shall be excused from the total shift for any day on which he or she has been required to appear for jury selection or duty.

35.02 To facilitate a regular income for the employee, the employer will pay the employee his regular straight time wage and the employee shall turn over to the employer his earnings from the Jury Duty or Crown or Subpoenaed Witness Duty as soon as received.

ARTICLE 36 - BEREAVEMENT LEAVE AND PAY

A regular employee will be granted up to five (5) days' leave of absence with pay between Monday and Friday inclusive for the purpose of making arrangements and attending the funeral in the event of the death of their spouse or children. Three (3) days leave will be granted in the event of the death of a member of his or her immediate family, which shall be limited to parents, sister, brother, father-in-law, mother-in-law, brother-in-law, sister-in-law, and grandparents.

Such day or days leave of absence may include the day of the death and shall include the day of the funeral and need not be either consecutive or in the same week, to facilitate funerals that are delayed.

The above is subject to the provision that the employee shall not receive any such additional day or days' leave or pay because the death and/or arrangements and funeral occurred on a plant holiday, or during his or her vacation, or during any leave of absence without pay.

ARTICLE 37 - COMPENSABLE ACCIDENT PAY

Effective October 15, 1990, in the case of an industrial accident, the Employer will pay the difference for eight (8) weeks between the injured employee's wages and the Workers' Compensation Board rates, without prejudice.

ARTICLE 38 - SEPARABILITY

Each and every clause of this Collective Agreement shall be deemed separable from each and every other clause of this Collective Agreement to the end that in the event that any clause or clauses shall be finally determined by a Court of Last Resort to be in violation of any applicable law, then and in such event such clause or clauses only, to the extent only that any may be so in violation, shall be deemed of no force and effect and unenforceable without impairing the validity and enforceability of the rest of the Collective Agreement including any and all provisions in the remainder of any clause, sentence or paragraph in which the offending language may appear.

ARTICLE 39 - NO ORAL OR IMPLIED AGREEMENT

This Collective Agreement sets forth the entire understanding and agreement of the parties and may not be modified in any respect except in writing subscribed to by the parties.

ARTICLE 40 - INTERNATIONAL APPROVAL CLAUSE

This Collective Agreement is subject to the approval of the International President. Such approval does not, however, under any circumstances make the International responsible for the observance of this Collective Agreement, or any breach thereof.

ARTICLE 41 - COLLECTIVE AGREEMENT CONTINUITY

This Collective Agreement shall be binding upon the parties hereto, their successors, administrators, lessees and assigns. The Employer agrees that it shall give written notice of this Collective Agreement and of all the clauses contained herein to any prospective purchaser, transferee, lessee, or assignee. The Employer agrees that all obligations of this Collective Agreement shall become a condition of any sale, transfer, lease or assignment.

ARTICLE 42 - EMPLOYMENT STANDARDS ACT

Where any provisions of the Employment Standards Act exceed those within this Collective Agreement such provisions shall apply.

ARTICLE 43 - DURATION OF COLLECTIVE AGREEMENT

43.01 The Parties agree that this Collective Agreement will be for twenty-five (25) months duration, effective January 1, 2003 to and including January 31, 2005 and thereafter from year to year unless written notice of contrary intention is given by either party to the other party within the four (4) month period prior to the expiration date of the Collective Agreement.

43.02 If no agreement is reached prior to the expiration of this Collective Agreement, this Collective Agreement shall be deemed to remain in full force and effect up to the time a subsequent Collective Agreement is reached or until a legal strike or legal lockout occurs, and while this Collective Agreement remains in effect and during such period, the Employer will not sign any contract nor make any written agreement of any kind with any other Union relating to any lithographic production work, and specifically to any jobs or work covered by this Collective Agreement.

43.03 Provided further, the parties agree to exclude the operation of Section 50 (2) of the Labour Relations Code of British Columbia and in that event, Sub-Section 2 shall not be applicable to the duration of this Collective Agreement.

APPENDIX B

WELFARE

IT IS AGREED THAT the Welfare Plan will be continued on the following basis:

B.01 The Plan to cover medical and surgical care for employees and their dependents, Weekly Sickness and Accident Indemnity Insurance for employees and other Welfare benefits that may be determined by the Trustees from time to time.

B.02 Both parties agree to abide by the rules and conditions contained in the Agreement and Declaration of Trust and any amendments that may be made thereto.

B.03 Effective October 15, 1990 and thereafter, the Employer agrees to pay the full cost of the plan in the amount stipulated by the Trustees for each employee for each month or part month for which the employee is on the payroll.

Contributions shall be made based on five (5) days. When the work week has been shortened, the per shift remittances will be multiplied by five (5) and divided by the number of shifts in the work week i.e. five (5), four (4), three (3), two (2) to establish the per shift contribution. The Employer will continue to make contributions on behalf of an employee when that employee is on Workers' Compensation or Weekly Indemnity. Should there be a waiting period with respect to such a claim, the employer will make contributions for that waiting period once the employee's eligibility is established and payment of the claim is underway.

When on leave of absence, employees will prepay premium costs paid on their behalf when required to do so by the employer.

B.04 The total amount so contributed shall be remitted to the GRAPHIC COMMUNICATIONS INTERNATIONAL UNION, Local 525-M, WELFARE PLAN, 202-33 East 8th Avenue, Vancouver, B.C., on or before the tenth (10th) of the month next following that for which payments are due.

B.05 The plan and all monies are to be administered by a Board of Trustees with equal representation by Companies and Union.

B.06 All monies received or disbursed shall be administered and dealt with strictly in accordance with the provisions of the Agreement and Declaration of Trust as executed by Employers and by the Union.

APPENDIX C

GRAPHIC COMMUNICATIONS INTERNATIONAL UNION LOCAL 525-210, PENSION PLAN

C.01 The Graphic Communications International Union, Local 525-M-210 Pension Plan, a jointly-trusted pension plan, was established effective November 1, 1956. The Trust Agreement and Plan were amended from time to time. The Trust Agreement and Plan were further amended effective January 1, 1993. The Parties will maintain that Plan as provided in this Appendix "C".

C.02 In this Appendix:

- (a) "Basic Contribution" means the Participating Employee's Earnings multiplied by the Cost Of Funding.
- (b) "Cost of Funding" has the meaning stated in section C.05 of this Appendix "C".
- (c) "Earnings" means the total amount paid by the Employer to a Participating Employee pursuant to the Collective Agreement for time worked and for time not worked including, but not limited to overtime pay, shift differential, vacation and statutory holiday pay and paid leave including leave for Union business paid by the Employer to the Participating Employee but billed to the Union and "Total Earnings" means the total of the Earnings paid to Participating Employees employed by the Employer.
- (d) "Improvement Contribution" means 1% of Total Earnings.
- (e) "Participating Employee" means an Employee of the Employer who is participating in the Plan.
- (f) "Trustees" means the Trustees of the Graphic Communications International Union, Local 525-M-210 Pension Plan.

C.03 All members of the Graphic Communications International Union, Local 525-M-210, shall participate in the Plan upon completion of one year membership in the Local, or sooner if required by law.

C.04 When a participating Employee is either

- (a) on Workers' Compensation or Weekly Indemnity or L.T.D.
and
- (b) chooses to pay his Contributions, the Employer shall continue to make the required Employer Contributions for a maximum of fifty-two (52) weeks. The amount of the Employer and Participating Employee Contributions shall be based on the Participating Employee's base day rate being deemed to be his Earnings.

C.05 The "Cost of Funding" of the Pension Plan is the percentage of Total Earnings which shall be determined from time to time by the Trustees who are expected to set the percentage, using sound actuarial principles, at a level which will ensure that no deficit arises during the period (of not less than one year) for which the "Cost of Funding" is determined and which shall include an amount to cover all reasonable and necessary administrative costs. For the purpose of calculating Contributions pursuant to this Appendix "C", the "Cost of Funding" shall be that last set by the Trustees.

C.06 The Parties agree to abide by the rules and conditions contained in the Agreement and Declaration of Trust and the Plan as they may be amended from time to time.

C.07 The Employer shall pay in respect of each Participating Employee 60% of his Basic Contribution.

C.08 Each Participating Employee shall pay 40% of his Basic Contribution.

C.09 A Participating Employee may pay Additional Voluntary Contributions as defined in and permitted by the Plan.

C.10 The Employer shall also pay the Improvement Contribution. The Parties intend that the Trustees use the Improvement Contributions to reduce the early retirement penalty and/or for improvements as recommended by the Union Trustees.

- C.11 The Parties intend that the Plan shall include
- (a) for service after May 1, 1966, an annual pension benefit of 1.125% of total earnings for each year commencing May 1, 1966.
 - (b) for service after May 1, 1984, an annual minimum pension benefit of 1.25% of total earnings or as determined by the Trustees.
 - (c) effective May 1, 1977, a normal retirement age for Participating Employees of 61 years, and
 - (d) a discount rate for retirement age between the ages of sixty and sixty-one of 4% per year.

C.12 The Employer will deduct each Participating Employee's share of the Basic Contribution, and the amount of any additional Voluntary Contribution elected by the Participating Employee, from wages otherwise payable to the Participating Employee and remit the Employer's and Participating Employee's Contributions to the Trustees or to another person as directed by them.

C.13 The Employer will remit all Contribution payments to the Administrator of the Plan on or before the tenth (10th) of the month following that for which payments are due.

- C.14 A Participating Employee, before commencing
- (a) pregnancy,
 - (b) parental,
 - (c) family responsibility,
 - (d) parental bereavement,
 - (e) jury duty, or
 - (f) other leave pursuant to Part 6 of the *Employment Standards Act*

shall choose in writing delivered to the Employer before the commencement of the leave whether or not he will continue to pay his Contribution. The Participating Employee must choose to pay all or none of his share of the Basic Contribution for the duration of the leave. The Participating Employee is bound by his choice for the duration of the leave but if he chooses to pay, and during the leave does not pay when due, he shall be deemed to have chosen to discontinue payment for the balance of his leave. The amount of the Employer and Participating Employee Contributions shall be based on the Participating Employee's base day rate of pay at the start of his leave (or at another rate required by the *Employment Standards Act*) being deemed to be his Earnings.
