22.04 Employees who are required to work a shift which commences at any time during the General Holiday, or a shift which carries over into a General Holiday for at least two (2) hours, shall in addition to their regular Holiday pay receive one and one-half times (1.5x) their hourly rate for the first eight (8) hours worked during that shift and two times (2x) their hourly rate thereafter, but shall not be entitled to this for hours in both shifts which fall during the General Holiday period of twenty-four (24) hours. If shifts are worked in both of these days, then the shift which contains the majority of hours in the General Holiday shall be the shift paid for as the General Holiday.

Appropriate overtime rates shall apply when required.

22.05 It is agreed that the General Holiday shall take place on the date specified as the legal holiday by the Federal or Provincial Government.

22.06 In the event that a General Holiday falls within an employee's vacation period, he/she shall be granted an extra day's holiday with pay.

23. SENIORITY

23.01 An employee shall be considered on probation until after he/she has worked ninety (90) days with the Company. Upon successful completion of probation, the employee's name shall be placed on the seniority list with seniority dating from the date he/she commenced employment within the bargaining unit. It is understood that probationary employees may be dismissed by the Company for reasons less serious than might justify the dismissal of an employee who has acquired seniority.

23.02 In the event of a work shortage, for the purpose of lay-offs and recalling those to work who have been laid off, Bargaining Unit seniority shall apply where any employee has the ability and efficiency to perform any job within the bargaining unit to which his/her seniority would entitle him/her. In the event of a job opening arising while a laid-off employee maintains recall rights the Company shall inform the employee of the opening by telephone and/or registered mail to the last address or telephone number recorded with the Company, and the employee may then apply for the position. If the employee does not apply for the position as outlined in Clause 18.01 within forty-eight (48) hours of receipt of the notice, the employee shall not be eligible for consideration for the position in question.

23.03 When an employee is transferred to a position outside the bargaining unit and within one (1) year of the transfer returns to a position in the bargaining unit, the time worked by such employee outside the unit shall not be counted and accrued for the purposes of determining his/her seniority regarding lay-offs, recalls and promotions. However, his/her previous bargaining unit seniority shall apply.

If the employee does not return to the bargaining unit within the twelve (12) month trial period, the employee shall lose all bargaining unit seniority.

23.04 When training is required within a classification, it shall be given on the basis of seniority, provided the employee has the skills and ability to do the job concerned.

23.05 The seniority list shall be brought up to date every six (6) months and a copy shall be forwarded to the Union and a copy posted on the Notice Board.

23.06 A person shall lose all seniority if he/she:

- (a) voluntarily quits the Company; or
- (b) is discharged and the discharge is not reversed through the Grievance Procedure; or
- (c) fails to report for work within three (3) working days, after being notified by the Company by registered mail to the last address recorded with the Company following lay off; or
- (d) is absent for three (3) consecutive working days without notification to the Company, except where the ability to notify the Company is beyond the control of the employee; or
- (e) is absent due to lay off for more than 12 months; or
- (f) fails to return to work upon the termination of an authorized leave of absence or vacations, except where such failure is beyond the control of the employee or with the consent of the Company.

23.07 It shall be the duty of employees to notify the Company promptly of any change of address or telephone number. If an employee fails to do this, the Company shall not be responsible for failure to contact such employee.

23.08 In the event of a lay-off of more than five (5) working days, the Company shall give individual or general notice, as the case may require, of not less than two (2) working days, or pay at the regular hourly rate in lieu thereof, in advance of the effective date of such lay-off, to such employee or employees. Provided, however, that no such notice or such pay shall be required in the event of a lay-off arising from circumstances, such as power failure, plant damage due to storm, etc., or any Act of God, beyond the control of the Company.

If it is an employee's scheduled day off and he/she is recalled to work, in no case shall he/she receive less than the equivalent of four (4) hours pay at his/her regular hourly rate.

24.06 When employees are advised to report for work at a specified time, they shall be paid from that time, even though there may be no work for them to do.

24.07 The Company agrees that if it becomes necessary to work scheduled overtime, such scheduled overtime shall be distributed as equally as possible amongst those employees who normally perform such work.

Refusal to work overtime shall be considered overtime worked for the purpose of determining equal distribution.

24.08 After an employee has worked two and one-half (2.5) hours or more of overtime in a day, the Company shall see that each employee receives a meal or rest break of thirty (30) minutes without pay and a meal reimbursement of up to thirteen dollars (\$13.00). Claims for meal expenses shall be submitted on a Company Expense Form with the receipt attached.

requested by the Company, the employee shall perform such work to which he/she may be assigned.
