ARTICLE 1 - DEFINITIONS

1.01 Employee

- (a) Wherever the word "employee" is used in this Agreement, it shall mean an employee of the Employer.

1.02 Permanent Full-time Employee

- (a) "Permanent full-time employee" shall mean any employee who works a full shift as per schedules noted in ARTICLE 16 (Hours of Work) and shall be entitled to all the rights of this Agreement on the first (1st) day of employment, and all benefits in accordance with ARTICLE 25. Upon successful completion of the probationary period (Clause 12.01) seniority shall be accumulated as per ARTICLE 13. It is agreed that employees who have not completed their probationary period but who have a favourable employee evaluation will be recalled.

1.03 Permanent Part-time Employee

- (a) A permanent part-time employee is one who is employed less than a full shift as per the schedules noted in ARTICLE 16 (Hours of Work). These employees shall be entitled to all the rights of this Agreement on the first (1st) day of employment and benefits under ARTICLE 25. Upon successful completion of the probationary period these employees shall accumulate seniority in accordance with Clause 13.01.
- (b) Permanent part-time employees shall be given first opportunity, in seniority order provided they are qualified, to work additional regular straight-time hours which become available within their Department, provided no overtime costs are incurred by so doing. Permanent part-time employees shall be eligible, provided they are qualified, to work additional straight time hours as an Auxiliary employee (Clause 1.04). All hours worked in either of the above situations shall accrue for both seniority (ARTICLE 13) and eligibility for benefits (ARTICLE 25).
- (c) Those permanent part-time employees who do not work seventy-five percent (75%) of full-time hours are only eligible for benefits under Clauses 25.02, 25.03, 25.04, 25.07 and 25.08 for benefits already held.

1.04 Short-Term Auxiliary Employees

- (a) Auxiliary employees are those employees working on an irregular and/or unscheduled basis or to augment the workforce to perform specific or short-term functions.
- (b) There are two (2) types of Auxiliary positions:
 - (i) short-term Auxiliary - zero (0) to ninety (90) calendar days;
 - (ii) long-term Auxiliary - ninety (90) plus calendar days.
- (c) In no case will a short-term Auxiliary employee work for more than a ninety (90) calendar day assignment without the agreement of both parties. These Auxiliary positions will be filled by the Department Supervisor from the Auxiliary pool without following the Job Posting process in Clause 14.01.
- (d) Where a permanent part-time employee is able to access Auxiliary hours, it is agreed that such hours will be considered as attracting seniority and count toward benefit entitlement. It is agreed that permanent part-time employees will have no priority to short-term Auxiliary hours outside of their own Department. Through mutual agreement between the Union and the Employer, a permanent part-time employee may be able to fill a full-time short-term Auxiliary position.
- (e) Laid off permanent employees who are on a recall list and who are qualified will have first priority for short-term Auxiliary hours.
- (f) To create and maintain the Auxiliary pool, the Employer will post a generic posting asking for applications from any discipline to the pool. The applicants will provide information with regards to their skills. Managers will be provided with a copy of the list of applicants from which to draw as required. Permanent part-time employees can apply to the Auxiliary pool with the knowledge that their part-time position must be maintained and takes priority over any Auxiliary hours.
- (g) Auxiliary employees shall only be utilized at the entry-level position of the Department where the work is required.
- (h) Short-term Auxiliary employees who take a position for less than ninety (90) calendar days shall receive ten percent (10%) in lieu of all of the benefits and other perquisites provided under this Agreement (i.e. annual vacation, sick time, statutory holidays, group life, extended health, dental, medical insurance). Any permanent part-time employee who takes an Auxiliary position and who already has benefits coverage will not be

eligible for this percentage in lieu of benefits but shall continue to receive benefits.

1.05 Long-Term Auxiliary Employees

- (a) Where an Auxiliary opening is known to be for a period beyond the ninety (90) calendar days, the position will be posted as per the Job Posting process in Clause 14.01. Permanent employees will have preference in filling these long-term Auxiliary positions.
- (b) This type of Auxiliary position would cover Maternity Leave, Leave of Absence, W.C.B., Extended Illness or other mutually agreed to circumstances.
- (c) Where a permanent employee successfully bids on a long-term Auxiliary position, time worked attracts seniority and counts towards benefit entitlement. Upon completion of the long-term Auxiliary position the employee returns to their former position.
- (d) Should an Auxiliary employee fill a long-term Auxiliary vacancy, that employee will not earn seniority unless that employee posts into a concurrent permanent vacancy and successfully completes the permanent probationary period as per ARTICLE 12. In this case the employee's start date would be back-dated to the commencement of the long-term Auxiliary position.
- (e) Laid-off permanent employees who are on a recall list and who are qualified will have first priority for long-term Auxiliary hours.
- (f) Long-term Auxiliary employees who take a position for less than six (6) months shall receive twelve percent (12%) in lieu of all of the benefits and other perquisites provided under this Agreement (i.e. annual vacation, sick time, statutory holidays, group life, extended health, dental, medical insurance). Any permanent employee who takes an Auxiliary position and who already has benefits coverage will not be eligible for this percentage in lieu of benefits but shall continue to receive their benefits.
- (g) Long-term Auxiliary employees who take a position for more than six (6) months shall receive the health benefits that the employee that they are replacing was eligible for.

ADDENDUM 'A'

SECTION 25.03 - MEDICAL SERVICES PLAN

This Plan provides basic medical coverage to permanent residents of British Columbia. Coverage is available to Canadian citizens and landed immigrants who make their permanent home in British Columbia after a statutory waiting period being the remainder of the month of arrival plus two (2) months. A general outline pamphlet describing the Plan is available from payroll. Employees are encouraged to check with a private insurance carrier for additional coverage when travelling outside of the Province.

SECTION 25.04 - EXTENDED HEALTH BENEFIT PLAN

This Plan generally covers expenses incurred as a result of necessary treatment of illness or injury and, where applicable, when ordered by a physician. The Plan will not cover any benefits for which provision is made under the Medical Services Act or the B.C. Pharmacare Plan. The lifetime maximum will increase from seven thousand five hundred dollars (\$7,500.00) to twenty-five thousand dollars (\$25,000.00) effective January 1, 2002.

Claim Procedure

1. Hold receipts until allowable charges are in excess of the deductible amounts.
2. Obtain an Extended Health Benefits claim form from payroll.
3. Employees have until June 30th to finalize claims from the previous year. Note - When prescription drug receipts exceed the Pharmacare deductible, claims for reimbursement are submitted to Pharmacare. Pharmacare claims for the previous year must be submitted by March 31st.
4. Receipts are required for items claimed.

The Plan presently provides for an annual deductible of twenty-five dollars (\$25.00) per year per family or single person. Once the deductible has been satisfied, reimbursement is made on eighty percent (80%) of the incurred eligible expenses.

In addition to the standard Extended Health Benefits, the Employer carries a hearing aid option which provides for the reimbursement of expenses incurred for the purchase of hearing aids for adults when prescribed by a certified ear,

nose and throat specialist or supplied by an audiologist on the recommendation of a physician and surgeon (expenses for repairs, maintenance, recharging devices and other such accessories are not eligible). Effective with the signing of this Agreement the benefit for hearing aids will increase to a maximum of two thousand (\$2,000) dollars lifetime limit.

An eyeglass option which covers the cost of eyeglasses up to a maximum of three hundred dollars (\$300.00) once every twenty-four (24) months.

The usual twenty-five dollar (\$25.00) deductible and twenty percent (20%) co-insurance applies to all options in the Plan.

A pamphlet is available from payroll which explains benefits available in more detail.

SECTION 25.05 - GROUP INSURANCE/WEEKLY INDEMNITY

(a) This Section was amended in 1986 to one and one-half times (1-1/2x) the annual salary to a maximum of one hundred thousand dollars (\$100,000.00) to meet the requirements of E.I. with respect to sharing cost savings on premium reduction with employees.

(b) Accidental Death and Dismemberment Insurance

This benefit provides insurance against loss of life, limbs or the entire and irrecoverable loss of sight. Benefits are payable only if the loss results directly from bodily injuries caused by an accident and loss occurs within three hundred sixty-five (365) days after the date of the accident which caused the loss. Benefit level is the same as for life insurance.

(c) Weekly Indemnity Insurance

Benefit amount is sixty-six and two-thirds percent (66-2/3%) of weekly salary to the next higher one dollar (\$1.00) if not already a multiple thereof, to the E.I. maximum.

The benefit becomes payable as follows:

Accident: zero (0) days
