5.16 Legal Picket Line

During the term of this collective agreement, the Union agrees that there will be no strike and the employer agrees that there will be no lock out.

Subject to directives issued under provincial labour statutes, if an employee refuses to cross a legal picket line, the employee will be considered absent without pay and it will not be considered a violation of this agreement nor will it be grounds for disciplinary action.

ARTICLE 6 - MEDICAL EXAMINATION, PROBATION, ANNIVERSARY DATE AND SENIORITY

6.01 Medical Examination and Immunization

- (a) An employee may be required by the employer, at the request of and at the expense of the employer:
 - (i) To take a medical examination by a physician of the employee's choice.
 - (ii) To take skin tests, x-ray examination, vaccination, inoculation and other immunization (with the exception of a rubella vaccination when the employee is of the opinion that a pregnancy is possible), unless the employee's physician has advised in writing that such a procedure may have an adverse effect on the employee's health.
- (b) Expenses for medical examinations will not be borne by the Employer when required in the following situations:
 - (i) For proof of illness under Article 19.04.
 - (ii) For maternity leave purposes under Article 18.01.

6.02 Probation

A regular full-time employee shall be probationary during the employee's first three (3) calendar months of continuous employment.

The term "3 calendar months" is defined as the period from any given date in one month to the immediately preceding date three (3) months later.

Regular part-time employees will be subject to a probationary period of four hundred and sixty-nine point eight (469.8) hours worked or six (6) months' work from the date of commencement of work, whichever occurs first.

Casual employees will be subject to a probationary period of four hundred and sixty-nine point eight (469.8) hours worked or nine (9) months' work from the date of commencement of work, whichever occurs first.

A new employee hired to a department head position shall serve a four (4) calendar month probationary period.

The parties agree that the probationary period shall be utilized by the Employer for the purposes of evaluating new employees in order to determine their overall ability and suitability as employees in their particular position.

Probationary employees shall have the right of grievance and arbitration.

If the employer dismisses a probationary employee, the employee shall be reinstated if it is shown that the termination was unreasonable.

By mutual agreement in writing between the Union Head Office and the Employer, the probationary period may be extended.

6.03 Anniversary Date

If a regular employee is retained as a regular employee following completion of a probationary period, the initial date of regular employment with the Employer shall be the employee's anniversary date for the purpose of determining benefits and increment anniversary date except as determined in accordance with the portability provisions of this agreement, Article 29.02(c).

6.04 Seniority

The principle of seniority as defined in this Article is recognized by the Employer.

Seniority for a regular employee is defined as the length of the employee's continuous employment (whether full-time or part-time) from the date of commencement of regular employment; plus any seniority accrued, while working as a casual employee of the Employer.

Seniority for regular employees continues to accrue when:

1. an employee is on WCB leave;
2. an employee is on LTD leave; (including the qualifying period)

Seniority for casual employees is defined as the total number of hours worked as a casual by the employee for the Employer, plus calendar time spent (on the basis of a 36 hour work week) as a regular employee.

When a casual employee returns to work after a WCB claim, the employee will be credited with seniority hours based on their relative position on the casual list while receiving Workers' Compensation benefits.

Seniority relates to institutional seniority only (except as modified by Article 9.01, 29.02(e), or by mutual agreement between the parties).

ARTICLE 7 - GRIEVANCE PROCEDURE

7.01 Discussion of Differences

If a difference arises between the Employer and an employee, or between the Employer and the Union, concerning the interpretation, application, operation or any alleged violation of the Agreement, the employee(s) shall continue to work in accordance with the Agreement until the difference is settled.

7.02 Fair Procedures

An employee who is called into a meeting that could reasonably result in a written warning or more serious discipline will be advised of her/his right to have a steward present.

7.03 Resolution of Differences

The following procedure shall be used for the resolution of differences referred to in 7.01 other than for the dismissal of employees.

Stage 1

An employee with a difference shall discuss it with the employee's immediate supervisor. If a settlement is not reached, the employee shall advise the Union Steward of the difference and write down the details of the grievance on the prescribed form. The grievance form shall be submitted to the grievor's immediate supervisor within 21 calendar days of the date on which the employee first became aware of the difference.

Stage 2

The parties within the employer's operation shall make every reasonable effort to resolve the difference. If a settlement is not reached, then the grieving party may advance the grievance by notifying the other party in writing within 14 calendar days from the date the grievance was submitted.

Stage 3

The parties, the Union's designate and HEABC, shall make every reasonable effort to resolve the difference. Failing settlement, the Union, the Employer, or HEABC may refer the matter to arbitration within 28 calendar days of the difference being advanced to Stage 3.

7.04 Resolution of Employee Dismissal Disputes

Within twenty-eight (28) calendar days of the occurrence of the dismissal, a written grievance shall be presented to the Administrator or a designated representative. The grievance form shall contain the details of the dispute and will be signed by the grievor.

The dispute shall then be resolved through the procedures outlined in Stage 3 of Article 7.03 - Resolution of Differences.

7.05 Policy Grievance

If a difference relative to the terms of the Agreement arises between the Union and the Employer, and does not directly involve an employee, it shall be resolved through negotiation between the Health Organization Administrator or her/his representative, a representative of the Union, and a representative of HEABC. The difference shall be discussed within 14 calendar days of its raising, and if not resolved within 28 calendar days of that date, may be referred to arbitration in accordance with Article 8.

7.06 Time Limits

Time limits at Stages 1, 2, 3, or Sections 7.04 or 7.05 may be extended by the parties involved. However, if a time limit is exceeded without an extension, the grievance shall be deemed to be abandoned, subject to Section 89 of the *Labour Relations Code*.

ARTICLE 8 - ARBITRATION

8.01 (a) Either party to this Agreement may refer any grievance, dispute or difference unresolved through the procedures in Article 7 to a Single Arbitrator who shall have the power to determine whether any matter is arbitrable within the terms of the Agreement and to settle the question to be arbitrated.

(b) The objects and purposes of this section are to encourage an open exchange of information in the interest of resolving disputes, and to provide a fair and expeditious resolution of grievances.

(c) The Parties agree to take all reasonable steps to ensure that grievances which are referred to arbitration shall be dealt with without undue delay.

(d) At least thirty days prior to the date of an arbitration hearing the parties shall meet to disclose fully each party's case and to seek to resolve the grievance.

(e) Each party will set out for each grievance its understanding of the matter in dispute, including its position on the facts in dispute and the relevant law.

(f) The parties will seek to narrow the issues of fact and law in dispute, and will conclude agreements on fact to the degree that they can agree.

8.02 The decision of the Single Arbitrator shall be final and binding on both parties.

8.03 The expenses and compensation of the Single Arbitrator shall be shared equally by the parties.

8.04 The Employer shall grant leave without loss of pay to an employee called as a witness by an arbitration board, provided the dispute involves the Employer, and, where operational requirements permit, leave without loss of pay to an employee called as a witness by the Union.

8.05 An arbitrator selected under this Article of the Agreement shall have twenty (20) days to render a decision with respect to the question to be arbitrated unless the time limit is extended by mutual agreement between the parties.

8.06 Expedited Arbitration

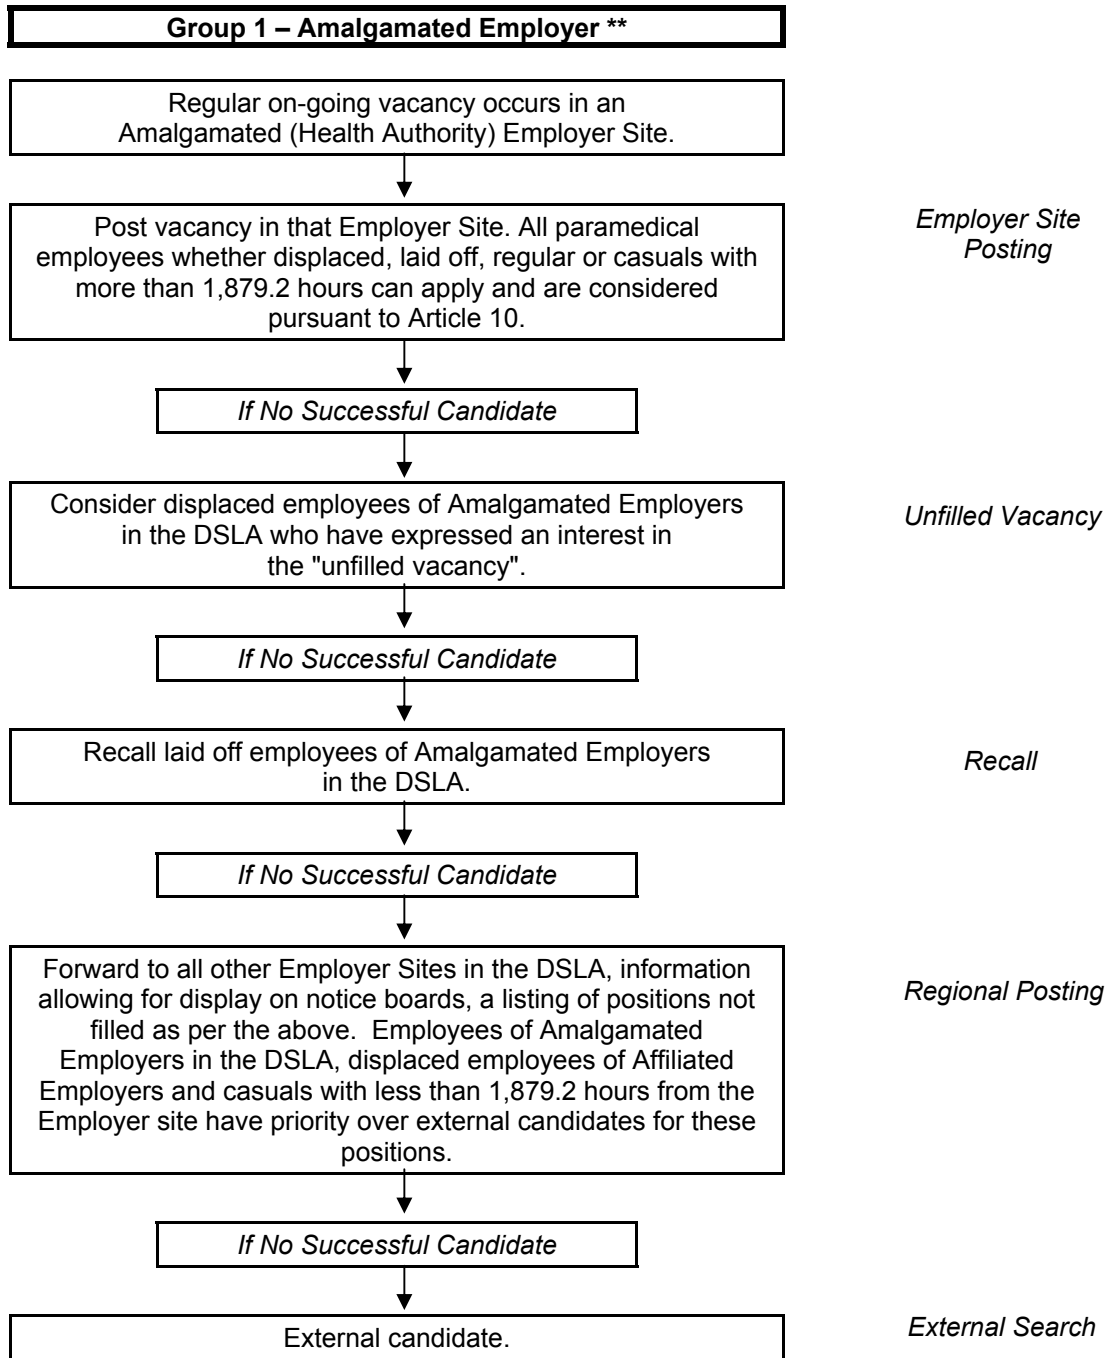

(a) A representative of HEABC and the Union's designate, shall meet each month, or as often as is required, to review outstanding grievances to determine, by mutual agreement, those grievances suitable for expedited arbitration.

In addition, the parties will meet quarterly to review the expedited arbitration process and scheduling of hearing dates.

- (b) Those grievances agreed to be suitable for expedited arbitration shall be scheduled to be heard on the next available expedited arbitration date. Expedited arbitration dates shall be agreed to by the parties and shall be scheduled monthly, or as otherwise mutually agreed to by the parties.
- (c) The location of the hearing is to be agreed to by the parties but will be at a location central to the geographic area in which the dispute arose.
- (d) As the process is intended to be informal, outside legal counsel will not be used to represent either party.
- (e) All presentations are to be short and concise and are to include a comprehensive opening statement. The parties agree to make limited use of authorities during their presentations.
- (f) Prior to rendering a decision, the arbitrator may assist the parties in mediating a resolution to the grievance.
- (g) Where mediation fails, or is not appropriate, a decision shall be rendered as contemplated herein.
- (h) The decision of the arbitrator is to be completed on the agreed to form and mailed to the parties within three (3) working days of the hearing.
- (i) All decisions of the arbitrators are to be limited in application to that particular dispute and are without prejudice. These decisions shall have no precedential value and shall not be referred to by either party in any subsequent proceeding.
- (j) All settlements of proposed expedited arbitration cases made prior to hearing shall be without prejudice.
- (k) The parties shall equally share the costs of the fees and expenses of the arbitrator.
- (l) The expedited arbitrators, who shall act as sole arbitrators, shall be Colin Taylor, Vince Ready, and Don Munroe.
- (m) The expedited arbitrator shall have the same powers and authority as an arbitration board established under the provisions of Article 8.
- (n) It is understood that it is not the intention of either party to appeal a decision of an expedited arbitration.

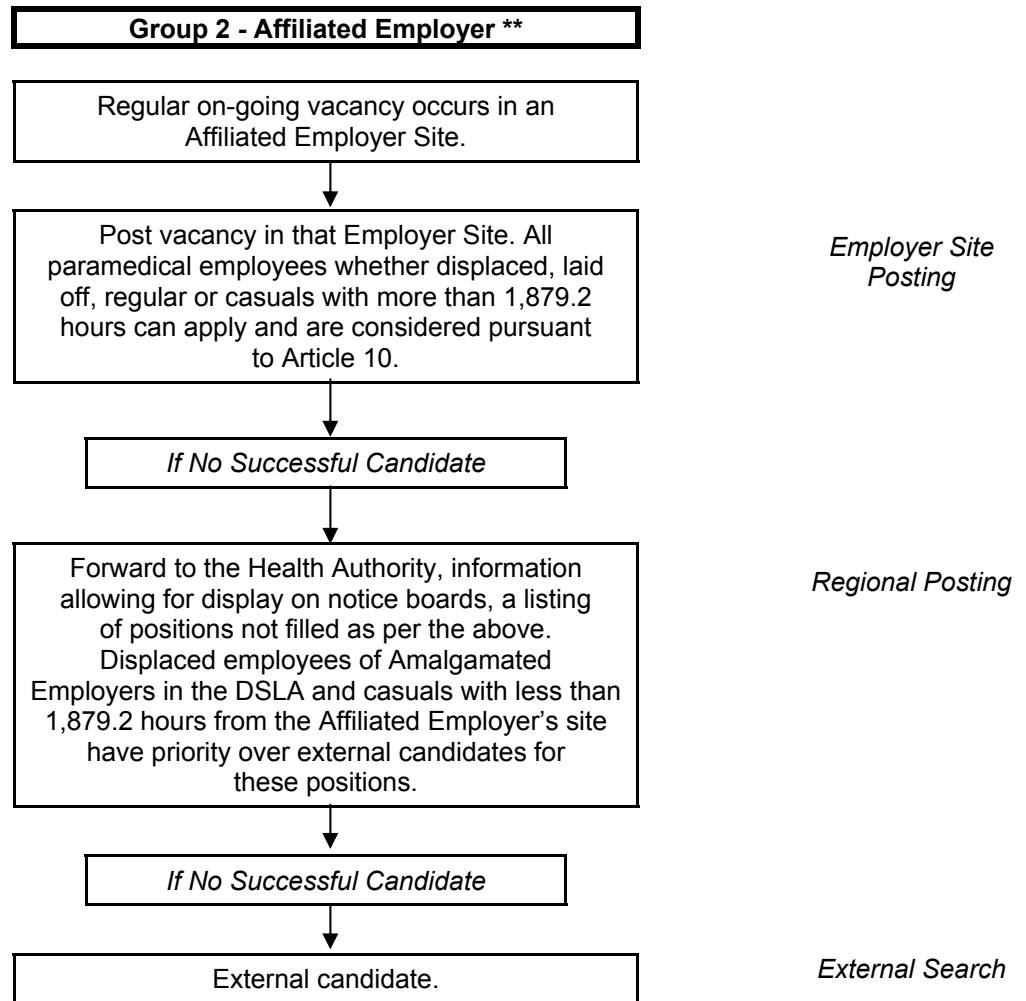

ARTICLE 9 - VACANCY POSTING

- 9.01** The Employer agrees that when a vacancy occurs for a position covered by the union certification, the Employer will give union members in the health organization first consideration in filling a vacancy. Where first considered applicants are not appointed to a vacancy, they will be given a verbal explanation as to why their application has not been accepted, if the employee so requests. The following process shall be followed in filling a regular ongoing vacancy:

* The posting process steps may occur simultaneously. The employer may implement electronic job posting and employee application for job posting in place of or in conjunction with paper posting.

** See Appendix 2 for a list of Amalgamated Employers and worksites in the DSLA.

* The posting process steps may occur simultaneously. The employer may implement electronic job posting and employee application for job posting in place of or in conjunction with paper posting.

** See Appendix 2 for a list of Amalgamated Employers and worksites in the DSLA.

9.02 The employer will post notice of vacancies for positions covered by the union certification. The notice will be posted, where employees can see it, for at least ten (10) calendar days before the closing of the competition.

The employer agrees to post notice of temporary vacancies of four (4) months duration or longer. A regular employee who bids into the vacancy will revert to her/his previous position on the expiry of the temporary vacancy. A casual employee who bids into the vacancy will have her/his status changed to regular for the duration of the vacancy and will revert to casual status on the expiry of the temporary vacancy.

The notice of vacancy will provide the following information:

- a summary of the duties
- commencement date
- required qualifications

- classification/salary grid level
- full-time or part-time
- hours of work

In the case of temporary positions of four (4) months' duration or longer, the notice will include the expected duration of the position.

- 9.03** The employer will accept an application for an anticipated posting(s) from an employee who may be temporarily absent from her/his normal place of employment. The employee must be available for an interview within seven (7) calendar days following the closing of the competition or by the time the schedule of interviews for other internal candidates is complete. This provision is not intended to permit standing applications.
- 9.04** A copy of the posted notice will be sent to the Union representative or her/his designate within the aforementioned ten (10) calendar days.
- 9.05** Upon selection of a successful candidate to fill a vacancy, the Employer will post the name(s) of the successful candidate(s) within seven (7) calendar days of making the appointment, and provide the Union representative with a copy of the posting.
- 9.06** Paramedical positions will be filled by paramedical personnel.
- 9.07** The following changes to the status or scheduling of a position create a requirement to post under section 9.01:
- a change in status between full-time and part-time, or
 - a change in scheduled hours of more than 7.2 hours per week within a twelve (12) month period from the date of such change, or
 - a change in assigned permanent shift (i.e. days, evenings, nights).

If the incumbent does not apply or applies and is not appointed then the employee can exercise rights under Article 10.05.

The Employer will consider the impact of the proposed change on the incumbent before making a change in status or a significant change in hours of work.

ARTICLE 10 - PROMOTION, DEMOTION, TRANSFER OR LAY-OFF

10.01 Application of Seniority

- In the promotion, demotion, transfer or lay-off of employees, in respect of Grade 1 positions, capability, performance, qualifications, and seniority shall be the determining factors.
- In the promotion, demotion, transfer or lay-off of employees, in respect of positions other than Grade 1, capability, performance and qualifications shall be the primary consideration. When such factors are equal between employees, seniority shall be the determining factor.

10.02 Promotional Increase

A promoted employee will receive the lowest step in the new increment structure which results in a minimum monthly increase of: \$82 if the position is one grade higher; \$104 if the position is two grades higher; and so on (increasing by \$22 for each grade). The maximum rate of the new increment structure will not be exceeded because of the application of this provision.

A promotion does not change an employee's increment anniversary date.

10.03 Relieved of Promotion or Transfer

An employee who requests to be relieved of a transfer or promotion within the first ninety (90) days in the new job shall be returned to the employee's former job or a mutually acceptable alternative position without loss of seniority and benefits.

For the first three (3) calendar months in a new position a promoted employee shall be qualifying in that position and if unsatisfactory shall be returned to the employee's previous classification and salary structure without loss of seniority and benefits. In the case of an employee promoted to a department head position, the time period will be four (4) calendar months.

10.04 Demotion**(a) Voluntary Demotion**

An employee requesting a voluntary demotion from a higher rated position and who is subsequently demoted to the lower rated position, shall be paid on the increment step of the lower rated position salary structure equivalent to the step the employee would have attained had the promotion not occurred. A voluntary demotion will not change an employee's increment anniversary date.

(b) Involuntary Demotion

An employee assigned to a lower rated position shall continue to be paid at the employee's current rate of pay until the rate of pay in the new position equals or exceeds it.

10.05 Displacement and Bumping Process**(a) Layoff in Reverse Order of Seniority**

In the event of a reduction in the workforce, employees shall be laid off in reverse order of seniority provided that there are available employees with seniority whose capability and qualifications meet the Employer's requirements for the work of the laid off employees.

(This article may be impacted by the Health and Social Services Delivery Improvement Act.)

Effective January 1, 2006:

(b) Bumping

In instances where a job is eliminated, the displaced employee(s) shall have the right to transfer to a job in line with seniority in the manner prescribed below, provided the employee currently possesses the capability and qualifications to perform the duties of the new job.

Employees may not bump into a position which results in a promotion except in the following circumstances:

- the promoted position sought is one previously awarded to the employee; or

- the result of the promotion is one grade difference; or
- the promoted position sought is supervisory and is equivalent to the employee's eliminated supervisory position.

Article 10.01 (b) is applied to bumps into promoted positions.

Employees who choose to bump into a lower grade level than that which is available to them shall not be entitled to wage protection (e.g. if a grade VI could bump a grade V and chooses to bump a grade III, then they shall not have their wage rate protected).

- (1) An employee exercising a right to bump another employee must advise the Employer within five (5) calendar days after receiving the seniority list referred to in subsection (2) of his or her intention to bump an employee at the same worksite or bump an employee at a different worksite within the Dovetailed Seniority List Area (see definitions).
- (2) An employee who has received a displacement notice must decide whether to bump another employee, within the time set out in subsection (1), after receiving from the employer a list of the positions on the same seniority list.
- (3) An employee making a decision under subsection (2) may, bump an employee at their worksite who occupies a comparable position in a classification that entails performing duties the bumping employee is qualified to perform and capable of performing.
- (4) (a) An employee who does not have an option under paragraph (3) above may bump a junior employee at their worksite who occupies a position that entails performing duties the bumping employee is qualified to perform and capable of performing or
 - (b) An employee may bump the most junior employee of any worksite in the dovetailed seniority list area who occupies a comparable position that entails performing duties the bumping employee is qualified to perform and capable of performing. (See definition of Dovetailed Seniority List Area in the Definitions Section.)
- (5) An employee who fails to exercise his or her right to bump another employee under this Article may be laid off any time after seven (7) calendar days from the date on which the employee received the seniority list referred to in paragraph (2) above or at the expiry of the employee's notice period, whichever is later.
- (6) An employee may opt, within their notice period, to express an interest in an "unfilled vacancy" or be placed on recall and have her name placed on a casual list at any one worksite within the Dovetailed Seniority List Area. In the latter circumstance, her seniority will be transferred to the new worksite.

10.06 Retention of Seniority and Benefits on Lay-Off

Laid off employees with more than three month's service shall retain their seniority and benefits for a period of one year and shall be rehired on the basis of last off - first on provided their capability and qualifications meet the employer's requirements for the job.

Laid off employees with more than three months' service will continue to accrue all benefits and seniority for the first twenty (20) working days. (Reference: Article 22.02.) For periods in excess of twenty (20) working days benefits and seniority will not accrue. Laid off employees failing to report for work of an ongoing nature within seven (7) days of the date of receipt of notification by registered mail shall be considered to have abandoned their right to re-employment. Employees required to give two (2) weeks' notice to another employer shall be deemed to be in compliance with the seven (7) day provision.

10.07 Lay-Off

Regular employees, except employees who are dismissed for cause, who are laid off by the Employer and who have been regularly employed by the Employer for the periods specified below, will receive notice or pay in lieu as follows:

(a) Regular Full-time Employees

- (i) Less than 5 years service - 28 calendar days notice
or
regular pay for 144 work hours.
- (ii) Minimum of 5 but less than 10 years service - 40 calendar days notice
or
regular pay for 216 work hours.
- (iii) More than 10 years service - 60 calendar days notice
or
regular pay for 288 work hours.

(b) Regular Part-time Employees

Regular part-time employees require the same notice, however pay in lieu of notice shall be calculated as follows:

$$\frac{\text{hours paid per month* (excluding overtime)}}{\text{X (work hours) in lieu of notice}} = 156.6$$

* Includes leave without pay up to 144 working hours. (Reference: Article 22.02.)

** Entitlement as in (a) (i), (ii) or (iii).

Service with a previous Employer will not be included as service for the purpose of this Article.

The period of notice must be for the time scheduled to be worked and must not include accrued vacation.

Where notice of layoff is given to an employee, a copy of the notice will be given to the chief steward and to the Union office.

10.08 Temporary Assignment

- (1) Assignment is the process by which the Employer may temporarily assign an employee to another worksite of the Employer or to another Employer within their cluster, healthcare region, or Community Health Council. Primary consideration will be given to offering the assignment by seniority if that is practical. The assignment will be by mutual agreement wherever possible, considering both the operational requirements of the Employer and the particular circumstances of the employee.
- (2) The Employer will give the employee reasonable notice of the assignment depending on the circumstances of each assignment.
- (3) No individual assignment will exceed four (4) months.
- (4) Reasonable increased out-of-pocket expenses to travel to the assignment will be paid by the Employer on the submission of receipts.
- (5) The provisions of the Provincial Paramedical Agreement will apply and the employee will continue to accumulate seniority during the period of their assignment.

(This article may be impacted by the Health and Social Services Delivery Improvement Act.)

ARTICLE 11 - NEW AND RECLASSIFIED POSITIONS

- 11.01** If the Employer creates a new position, HEABC shall establish the salary structure and then give written notice to the Union.

If the Employer reclassifies a position as a result of a change in job content, HEABC shall establish the salary structure and then give written notice to the Union.

When an employee alleges that her/his present job does not properly reflect either the classification, grade, or the salary established by Memorandum of Agreement with the Union and HEABC, the employee may process a grievance through Article 7 at Stage 2 of that Article. Stage 2 shall commence with the filing of a written grievance, as herein provided.

- 11.02** If the Union fails to object in writing within twenty-eight (28) days of receipt of the notice from HEABC, the salary structure shall be considered as established.
- 11.03** If the Union objects to the salary structure established by HEABC, or by negotiation succeeds in revising the salary structure, the revised salary structure shall be retroactive to the employee's date of employment in the new position.

11.04 Failing resolution of these matters by negotiation, within a further twenty-eight (28) calendar days of receipt of notice from HEABC, it may be referred to arbitration in accordance with Article 8. The Arbitrator shall have full power to establish the salary structure.

ARTICLE 12 - RESIGNATION

12.01 Resignation - Regular Employees

Employees will make every possible effort to give twenty-eight (28) calendar days' notice when resigning from the health organization. Except where it would not reasonably be possible to give such notice any employees leaving with less than twenty-eight (28) calendar days' notice will be paid earned vacation entitlement less two percent (2%). For example an employee entitled to eight percent (8%) shall be paid six percent (6%); an employee entitled to ten percent (10%) shall be paid eight percent (8%); etc. The period of notice must be for time to be worked and must not include vacation time.

ARTICLE 13 - SEVERANCE ALLOWANCE

13.01 Severance Allowance

Employees with ten (10) years of service (other than those mentioned in Item (c) below) will be entitled to one (1) week's pay for every two (2) years of service to a maximum of twenty (20) weeks' pay.

Employees eligible for the above severance allowance must be in one of the following categories:

- (a) Employees of their own volition leaving the Employer's work force after their fifty-fifth (55) birthday.
- (b) Employees whose services are no longer required by the Employer (health organization closure, job redundancy, etc.) except employees dismissed for just and proper cause.
- (c) Employees who are required to retire from the Employer's work force because of a medical disability shall be entitled to a severance allowance regardless of length of service. In this clause medical disability means the total and permanent incapacity of the employee arising out of mental or physical disability to fill or occupy any position in the service of the Employer and made available to the employee, the duties of which the employee might reasonably be expected to carry out.
- (d) Employees with ten (10) years of service who die in service.

Years of service for severance allowance purposes for part-time employees will be calculated on the following basis:

$$\frac{\text{Total Hours Paid* (excluding overtime)}}{1879.2}$$

* Includes leave without pay up to 144 working hours. (Reference: Article 22.02.)

For calculation purposes, all hours worked before the first pay period prior to September 30, 1993, will be divided by 1957.5 hours, and hours worked after September 30, 1993 will be divided by 1879.2.

13.02 Application of Portability to Severance Allowance

An employee who terminates in a health organization where the Union is certified and which is a member of HEABC and is re-employed within one (1) calendar year in a health organization where the Union is certified and which is a member of HEABC shall be entitled to portability of severance allowance. Employees who under above provisions a), b) and c) receive a severance allowance and who subsequently become employed in a union certified health organization may once again accumulate credit without the necessity of a further ten (10) year qualifying period. However, credit will not be given for any period of service for which severance allowance was initially paid.

Portability of severance allowance which requires re-employment within one (1) calendar year of termination is waived in the case of an employee who terminates under Provision (c) above and is later re-employed.

ARTICLE 14 - JOB SECURITY AND TECHNOLOGICAL CHANGE**14.01 Notice**

The employer will provide notice and relevant information to the Union, as early as possible in advance of an anticipated technological change or change in procedure or type of service offered that will result in the change of the employment status of an employee.

14.02 Technological Change - Lay-off

The employer agrees to take all reasonable steps so that an employee will not lose employment because of changes outlined in 14.01. Normal turnover of employees to the extent that it arises during the period when this change occurs, will be utilized to absorb employees who otherwise would be displaced. When it is necessary to reduce staff due to the changes outlined in 14.01, lay-offs will be done in accordance with the provisions of Article 10.05.

14.03 Amalgamation

Where the terms of the current collective agreement do not contemplate the circumstances of a proposed amalgamation or of a change outlined in 14.01, the parties will meet to negotiate a separate memorandum. Failing agreement in these negotiations either party may refer the difference to arbitration.

14.04 Contracting Out

The employer will not contract out bargaining unit work that will result in the lay-off of employees.

This section does not apply to contracting out work for bona fide operational reasons to other health organizations covered by this collective agreement, provided that every reasonable effort is made to find alternate employment for any employee affected.

This section does not prohibit contracting out of a new service or type of work notwithstanding that it may involve the lay-off of an employee who was hired specifically for that service or work (and who was so informed at the time of hiring). For purposes of this paragraph, a service or type of work ceases to be new after twelve (12) months.

There will be no expansion of contracting-in or contracting out of work within the bargaining units of the Unions as a result of the reduction in FTEs.

14.05 Voluntary Solutions

The parties agree that voluntary solutions to problems and adjustments which arise from regionalization and restructuring are the best ones and will make every effort to achieve them.

Failing voluntary resolution, positions to be reduced will be identified by the employer in accordance with the terms of the collective agreement.

(Articles 14.01 – 14.05 are impacted by the Health and Social Services Delivery Improvement Act.)

ARTICLE 15 - LEAVE - COMPASSIONATE

15.04 Compassionate leave shall not apply when an employee is on any unpaid leave of absence.

ARTICLE 16 - LEAVE - COURT DUTY

16.02 An employee who is subpoenaed for jury duty or as a witness and placed on leave of absence shall continue to receive regular pay. The employee shall turn over to the Employer any witness or jury fees received as a result of being subpoenaed, providing these do not exceed the employee's regular pay, for the period of the leave.

Notwithstanding the provisions of this Article an employee on leave of absence for court duty is not required to turn over to the Employer more than five (5) days of witness or jury fees per calendar week.

ARTICLE 17 - LEAVE – EDUCATION

17.01 The employer recognizes the desirability of providing a climate for employees to improve their education level, to enhance their opportunities for advancement, and to enhance their qualifications.

17.02 Education leave shall be granted by the employer to regular employees requesting such leave, subject to the following provisions:

(a) The Employer shall grant one (1) day's education leave of absence with pay (at straight time rates) for each day that an individual employee gives of their own time. Education leave of absence with pay is not to exceed 36 hours of employer contribution per agreement year.

The Employer shall grant one (1) day leave of absence at straight time rates when an employee attends an approved educational program on two (2) consecutive days off. This one (1) day leave of absence shall be included in the "36 hours of employer contribution" of an agreement year.

(b) Premium pay does not apply under this article.

(c) Educational leave will be utilized for courses that relate to the employee's profession and are approved by the employer. It may also be utilized to sit exams for relevant professional courses.

(d) Such leave and reasonable expenses associated with the leave will be subject to budgetary and operational restraints. Reasonable expenses for all such leaves will not exceed \$400 per employee per agreement year.

(e) Additional unpaid leave for education purposes may be requested by employees. The Employer shall not be responsible for any expenses related to such unpaid leave.

(f) Education leave is not accumulated from Agreement year to Agreement year.

(g) This article applies to expenses, but not to leaves-of-absence, for correspondence courses.

17.03 Application for education leave shall be submitted to the Employer with as much lead time as practical, with due consideration for the staffing requirements of the Employer.

The employee shall be informed of the Employer's decision within a reasonable period of time from the date of submission.

17.04 An employee shall be granted leave with pay to take courses at the request of the Employer. The Employer shall bear the full cost of the course, including tuition fees, laboratory fees, and course required books, necessary travelling and subsistence expenses. In such circumstances the premium provisions of the agreement shall not apply.

Regular employees attending Employer-approved education programs where the Employer pays one hundred and fifty-six point six (156.6) hours or more for the employee to participate, must return to work at the same Employer or other Employer covered by the Paramedical Professional Collective Agreement for one (1) year subsequent to the completion of the training or repay the total cost (including wages) of

the education program to the Employer. This clause will apply to employees who commence an education program on or after the effective date of this Agreement.

ARTICLE 18 - PARENTAL LEAVE

A regular employee shall be granted fifty-two (52) consecutive weeks maternity leave of absence without pay. Such leave may commence no earlier than eleven (11) weeks prior to the week of predicted delivery or any time thereafter at the request of the employee but no later than the actual birth date. In no case shall an employee be required to return to work sooner than six (6) weeks following the birth or the termination of her pregnancy, unless a shorter time is requested by the employee and granted by the employer.

ARTICLE 19 - LEAVE - SICK

19.01 Accumulation

Employees shall receive 10.8 working hours (or portion thereof) sick leave credit for each month (or portion thereof) of service and such sick leave credits, if not utilized, shall be cumulative to a maximum of 1123.2 working hours.

The accumulated balance of an employee's sick leave credits shall not be reduced as a result of the September 30, 1993 reduction in the work week to 36 hours per week.

Notwithstanding the foregoing, employees with accumulated sick leave credits in excess of one hundred and fifty-six (156) work days (1170 hours), as of January 1, 1976, or in excess of 1123.2 hours (156 working days X 7.2 hours per day), as of the first pay period prior to September 30, 1993, shall retain the accumulated balance to their credit. Where this accumulated balance exceeds 1123.2 hours, no further credits shall be earned until the accumulated balance is reduced below 1123.2 hours, in which event the accumulation of sick leave shall be reinstated, but the accumulated balance shall not again exceed 1123.2 hours.

Regular part-time employees accumulate sick leave credits as above but according to the following formula:

$$\frac{\text{Hours paid per month* (excluding overtime)} \times 10.8 \text{ hours}}{156.6}$$

* Includes leave of absence without pay up to 144 hours (Reference: Article 22.02)

19.02 Record of Accumulation

The Employer, on request by an employee, shall furnish an annual notice of accrued sick leave.

19.03 Qualifying Time

If an employee does not complete six (6) months service with the Employer, any sick leave with pay used during the first six (6) months will be returnable to the Employer. Previous service of an employee who has changed employment under the portability provisions of this Agreement will count towards this six (6) month period. In effect the employee only has to work a total of six (6) months qualifying time. (Reference: Article 29 - Portability of Benefits).

19.04 Proof of Sickness

Sick leave with pay is only payable because of sickness and employees who are absent from duty because of sickness may be required by the Employer to prove sickness. Failure to meet this requirement can be cause for disciplinary action. Repeated failure to meet this requirement can lead to dismissal.

19.05 Benefits Accrued

When an employee is on paid sick leave all benefits of the Agreement shall continue to accrue.

19.06 Expiration of Credits

Absence due to sickness in excess of accumulated sick leave credits shall be treated as unpaid leave of absence in accordance with Article 22.02.

19.07 Enforceable Legal Claims

If an employee has received sick leave with pay and has a legally enforceable claim to compensation or damages for earnings lost during the said period from any third party other than the employee's own insurer under a contract of insurance, the employee shall at the request and expense of the Employer, take all steps reasonably necessary to enforce the said claim. If the employee receives any payment on account of earnings as a result of such claim, the employee shall pay to the Employer so much of the said payment as relates to the sick leave pay received for the said period and upon so doing, shall receive sick leave credit for the number of days represented by such payment. The employee shall have the option of declining to enforce any legal claim by foregoing any claim they may have against the Employer for paid sick leave during the period which gave rise to the enforceable legal claim.

19.08 Additional Leave

Employees who continue to be off work following the expiration of their paid sick leave, shall be placed on leave of absence without pay for up to twenty-eight (28) calendar days. If the employee requires additional unpaid leave this must be requested in writing prior to the expiration of the aforementioned twenty-eight (28) calendar days and such additional unpaid leave shall not be unreasonably denied. Employees on such leave must maintain contact with their Employer and indicate their expected date of return at least one week in advance.

When an employee's Doctor refers the employee to a Specialist then any necessary travel time, to a maximum of 21.6 work hours, for the employee to visit such Specialist shall be paid for and deducted from sick leave credits.

19.12 Cash-in of Sick Leave Credits

Upon retirement, or on voluntarily leaving the work force after their fifty-fifth (55) birthday, employees shall receive forty percent (40%) of their accumulated sick leave credits based on their existing salary. 19.13 Voluntary Treatment

Article 22 shall apply upon expiration of sick leave credits should additional leave be requested.

19.14 Leave - Workers' Compensation**(a) Entitlement to Leave**

An employee shall be granted Workers' Compensation leave with net pay in the event that the Workers' Compensation Board determines that the employee has established a claim (time loss benefits) and they are unable to perform their duties by reason of the compensable injury which occurred while employed by the Employer. For the purposes of this clause, net pay is defined as the employee's regular net take-home wages to ensure that the non-taxable status of Workers' Compensation benefits does not provide an opportunity for an injured worker to earn more while on claim than when they were working. The term claim will not include any form of WCB allowance or pension, and this section will not be operative while an employee is receiving such a different form of payment from WCB arising from this claim.

(See Memorandum of Agreement - Article 19.14 - Leave - Workers' Compensation - Entitlement to Leave).

(b) Reimbursement to Employer

The employee shall pay to the Employer any amount received for loss of wages in settlement of any claim.

(c) Benefit Entitlement

When an employee is on a WCB claim all benefits of the Agreement will continue to accrue. However, an employee off work on WCB claim shall receive wages and benefits equalling but not to exceed their normal entitlement had they not suffered a compensable injury. Statutory holidays and vacations will not accrue during the period of a WCB claim. However, unused vacation credits accrued in previous vacation years shall not be lost as a result of this clause.

(d) Approval of Claim

When an employee is granted sick leave with pay and Workers' Compensation leave is subsequently approved for the same period, it shall be considered for the purpose of the record of sick leave credits that the employee was not granted sick leave with pay.

(e) Continuation of Employment

Employees who qualify for Workers' Compensation coverage shall be continued on the payroll and shall not have their employment terminated during the compensable period, except for just cause.

ARTICLE 20 - LEAVE - SPECIAL**20.01 Accumulation**

Notwithstanding the foregoing, employees with accumulated special leave credits in excess of 180 hours (25 days X 7.2 hours) as of the first pay period prior to September 30, 1993, up to and including the previous maximum of 187.5 hours (25 days X 7.5

hours), shall retain the accumulated balance to their credit. Where this accumulated credit exceeds 180 hours, no further credit shall be earned until the accumulated balance is reduced below 180 hours, in which event the accumulation of special leave credits shall be reinstated, but the accumulated balance shall not again exceed 180 hours.

If no agreed-upon arrangement exists, the Employer will meet with affected employees at the work unit level to develop a mutually-agreed process, with primary consideration for assignment by seniority unless that is impractical in the circumstances. If there is no resolution, then casual work shall be allocated equitably to qualified employees, considering their availability to meet clinical needs.

ARTICLE 25 - OVERTIME**25.01 Authorized Overtime**

- (a) A record shall be kept of authorized overtime worked by each employee, which at the option of the employee, shall be taken as time off or pay. Business related mileage shall not include the normal distance an employee drives between their home and their regular work site, but shall include all other mileage included for business purposes.

Should the Employer change the shift schedule and not give twelve (12) days' notice in advance to the affected employees of the change in schedule, then the employee so affected will be paid at the applicable overtime rate for all time worked on the first day of the shift posting change.

Where the Employer and employee concerned agree, the requirement for twelve (12) calendar days of advance notice may be waived. The waiver may operate to allow an employee who starts work earlier than her normal start time to go home early but only after the completion of the normal hours of work.

27.03 Voluntary Shift Exchange

When operational requirements permit, employees may exchange shifts among themselves provided that:

- (a) prior approval of such exchange is given by the employee's immediate Supervisor, and

- (b) a call-back occurring within two (2) hours from the commencement of a preceding call-back, but received by the employee after the employee has completed the emergency procedure(s) for which the preceding call-back was made and after the employee has left the Facility.

A call-back occurring and work is commenced on same within two (2) hours after a preceding call-back and received by the employee before the employee has left the Facility upon completion of the procedure(s) for which the preceding call-back was made, shall not be deemed to be a separate call-back and the employee shall be paid in accordance with Article 28.02.

28.06 Insufficient Off-Duty Hours

If an employee is required to work overtime, or answer calls, and does not receive a total of eight (8) consecutive hours off duty in the twenty-four (24) hour period beginning from the commencement of the employee's shift, then the employee will not be required to report for duty until the employee has received a total of eight (8) consecutive hours off duty. In such instances no deduction will be made in the employee's daily pay and the employee's normal shift hours will not be extended to have the employee work a full shift.

The employee in the above situation will advise their Supervisor in advance of the fact that they will not be reporting for duty at her/his scheduled time.

This provision is waived if the employee is granted a request for a particular shift arrangement that does not give the employee eight (8) consecutive hours in total off duty in the aforementioned twenty-four (24) hour period.

28.07 Pagers

Where an employee is required by the employer to be on-call; and where the employee requests the employer to provide a pager; and where a pager service is available at reasonable expense, all such expenses shall be the sole responsibility of the employer.

Re: Health Care Occupational Health And Safety Agency

The Parties recognize that there is an ability to involve other agencies and government, through partnerships, thereby multiplying the advantages of working together.

The Parties recognize that the ability to promote best practices and conduct necessary research is enhanced through a joint effort, thereby increasing acceptance, trust and understanding of solutions to mutually beneficial objectives.

The Parties recognize the benefit of and are committed to establishing a government funded approach to joint identification and implementation strategies where safe work environments, healthy workforces and quality patient care can be achieved through prevention, safe workloads, promotion of safe work practices, safe early return to work, pilot programs and sharing of best practices among Union members, Employers, and industry at large.

To that end, the Parties agree to establish a jointly run agency for the purpose of developing and evaluating program objectives with respect to prevention programs and compliance with Workers' Compensation Board requirements.

Where the Agency identifies practices, programs or models which have the potential to improve occupational health and safety or improve compliance with Workers' Compensation Board Regulations and recommendations in the health sector, the Agency shall promote the adoption of the practice, program or model in accordance with Agency guidelines or with such modifications deemed by the Agency to provide an equal or greater degree of protection to workers.

PUBLIC SECTOR ACCORD ON OCCUPATIONAL HEALTH AND SAFETY

I. Preamble:

Workers, employers and the Government of British Columbia share the objective of promoting safe and healthy workplaces throughout the health care sector in the province.

Hospitals, long term care facilities and community health care agencies have not had good health and safety records. For example the Workers' Compensation Board reports that there were 4,591 short term disability claims among health care workers in 1996 and 23,756 claims in the five years between 1992 and 1996 inclusive. Experts estimate that, at any one time, fully five per cent of union members in the Facilities sub-sector are on long term disability and annually losing over 200,000 lost days of work.

Unions, the employers and the government all have an economic incentive and a social responsibility to foster safety and reduce injuries. Improved health and safety practices, better health and safety training and the adoption of best practices across the sector are in the interests of workers, employers, patients and the broader public. Workplace injuries and occupational diseases impose a very significant burden on health care workers and their

families. They also result in the loss of skilled and experienced workers to the health care system, while resulting in significant additional costs for treatment, recovery and income replacement.

In light of the significant benefits to workers, employers and the province's health care system from policies and programs which prevent accidents and occupational diseases, the Unions (represented by bargaining associations), Employers (represented by the Health Employers Association of BC) (HEABC) and the Government of British Columbia (the Government), have concluded a new Occupational Health and Safety Accord, explicitly designed to promote these goals.

II. Objectives of the Accord:

The objectives of the Accord are set out in the attached addenda are summarized as follows:

- promote a safe and healthy work environment through healthy workforces, safe workloads and promotion of safer work practices
- reduce the incidence of accidents and occupational diseases
- facilitate co-operation between unions and employers on health and safety issues
- implement pilot and demonstration programs
- provide education and training to health care workers through local OH&S committees
- encourage safe early return to work programs
- share information and experience across the sector
- research and implement innovative health and safety solutions and best practices
- strengthen linkages with the accident prevention programs of the WCB
- establish an institutional framework for implementing these objectives
- improved compliance with WCB Regulations and recommendations
- promote the adoption of the practice, program or model
- provide an equal or greater degree of protection to workers.

III. Parties to the Accord:

There are three Parties to the Accord: the Unions (represented by bargaining associations), HEABC and the Government of British Columbia. Each Party commits to working co-operatively to implement both the spirit and the specific undertakings of this Accord. Further, the Parties may wish to involve other agencies through partnership arrangements.

IV. Establishment of a Health Care Occupational Health and Safety Agency:

To facilitate achievement of the objectives of the Accord, the Parties have agreed to establish a Health Care Occupational Health and Safety Agency. The Agency will be jointly administered with equal representation from the unions and employers with a neutral chair selected by the unions and employers. It will work with all members of the health care community to develop guidelines and programs designed to promote better health and safety practices through prevention, safe workloads, promotion of safe work practices, safe early return to work, pilot programs and sharing of best practices. It will also develop new measures to assess the effectiveness of programs and innovations in this area.

The Agency will develop a methodology for evaluating outcomes, establish goals for its programs, including measurable outcomes, and apply the methodology to audit outcomes. These audits will be available to the Parties and the public.

V. Funding:

The Agency will be self-financing, that is funded on a cost-neutral basis through savings resulting from better health and safety practices. Resources will be generated from a variety of different sources, including savings from lower accident and injury rates, improved safe return to work programs, a lower WCB assessment rating and the implementation of new WCB worksafe programs. The Agency will directly negotiate these arrangements with the Workers' Compensation Board.

As savings will not be realized until after new Agency programs have had time to demonstrate their effectiveness, the province will provide an accountable advance from the Ministry of Health to enable it to begin operations. This advance will be repaid over time from the savings resulting from the Agency's activities.

The Ministry of Health of the Government of British Columbia will provide to the Health Care Occupational Health and Safety Agency accountable advances and; with the condition that no more than \$1,000,000 annually be devoted to operating expenditures, and that unexpended funds be carried forward into the following years.

The Agency will audit its programs to document expenditures and identify savings achieved. It will publish annual reports of the audits.

VI. Implementation:

On ratification of the Accord, a working group composed of equal representation from the Unions (represented by the bargaining associations) and HEABC will be established. This working group shall be guided by collective agreement language in developing a work plan for the establishment of the Agency, including the appointment of an Executive Director and appropriate staff.

APPENDIX 4 - LETTER OF UNDERSTANDING**between****HEALTH EMPLOYERS ASSOCIATION OF BRITISH COLUMBIA
(on behalf of its members)****and****THE ASSOCIATION****Re: Levelling**

1. Employees who have already been subject to the Taylor levelling process either in 1997 or in 1998 shall continue to be governed by that process and the effective dates already identified by the parties for application of the appropriate grid levels shall be honoured. HEABC and the Paramedical Professional Bargaining Association will encourage Mr. Munroe to do what he can to expedite his decisions in this regard.
2. Except as set out below, all Paramedical employees covered by certifications in place as of January 1, 1999 will receive full and complete application of all the provisions of the Paramedical Professional Agreement effective from April 1, 1999.
3. With respect to employees not covered by paragraph (1), the parties will enter into an expedited process to establish interim grid levels for all the jobs involved on an individual employer basis. Once the interim grid level is established, it is without prejudice to either party's right to refer the interim decision to arbitrator Don Munroe for a final and binding decision.
4. It is understood that, in establishing appropriate grid levels, consideration will be given to the particular organizational structures and the methods of providing service by community employers.
5. The expedited process set out in paragraph (3) to establish interim grid levels will be facilitated by Brian Foley in the capacity of mediator/arbitrator. Within two weeks of ratification of these overall recommendations for settlement, Mr. Foley will arrange for a case management meeting with the parties. That meeting will deal with such issues as:
 - identification of the number of positions/jobs involved;
 - establishment of the time frames for determining interim grid levels;
 - the need for retaining a differential between supervisory and subordinate positions in the same work units; and
 - consideration of what "base wage rate" should be used for integrating transferred/transferring employees into the Paramedical Professional grid level structure (that is, what wage rate should they be deemed to be receiving before the transfer).

6. Except as set out below, with respect to bargaining units certified after January 1, 1999, the Paramedical employees affected will receive full and complete application of all the provisions of the Paramedical Professional Agreement effective from six (6) months after the date of each certification. Any bargaining units certified after October 1, 2000 will only be covered by this provision with the mutual agreement of HEABC and the Paramedical Professional Bargaining Association.
7. Subject to paragraph (8), paramedical employees covered by paragraphs (2) to (6) herein and who were not previously covered by the HSA job classification system will be paid at the grade one rate or appropriate miscellaneous rate at the time that they are standardized to the Paramedical Agreement. These employees will then be eligible for reclassifications after April 1, 2000 under the terms of the Collective Agreement. However, during the terms of the collective agreement, the costs of these reclassifications shall be limited to \$500,000. Effective April 1, 2001, the employer agrees to provide the extra funds required to finalize these reclassifications.
8. No employees affected by the levelling process shall receive a reduction in salary as a result of levelling positions. Such employees will receive red-circling wage protection until such time as the wage rate established for the position exceeds their rate of pay, at which point the new rate will take effect.
9. There shall be no superior benefits maintained by any Paramedical employee who is levelled to the Paramedical Agreement on or after April 1, 1999 by virtue of the application of the foregoing provisions.

PART Q - Levelling - Hours of Work

For employees moving to the 36 hour work week, the following factors are to be considered in the implementation of the 36 hour work week:

1. The terms of each previously applicable collective agreement;
2. The operational needs of the Employer to provide health care;
3. Subject to the above, the employee preferences with respect to the following alternative shift schedules:
 - (a) 7.5 hour days, with a day off every 5th week;
 - (b) 7.5 hour days, with days off taken in a block at specific times, e.g. during periods of bed closures or other slow periods;
 - (c) 8 hour days with a 9 day fortnight;
 - (d) Shorter work days;
 - (e) Extended hours;
 - (f) Any other alternative deemed appropriate by the parties.

In the event the parties are unable to resolve any shift schedule, either party may refer the dispute to expedited final offer selection arbitration. All referrals must take place prior to March 15, 1999 or within three working days of the dispute arising.

Shift schedules shall be implemented by April 1, 1999. Any disputed shifts will be implemented on a date set by the arbitrator.

The arbitrator is Colin Taylor.

The procedure for the final offer selection shall be:

1. The onus will be on each party to establish that its respective position conforms to the factors above and will continue to provide efficient and effective health care services.
2. The parties shall fax their written position and the rationale in five pages or less to the arbitrator with a fax copy to the other party within three working days after the referral to arbitration.
3. The expedited arbitrator may contact the parties if clarification is required on these submissions.
4. The expedited arbitrator shall issue by fax a final and binding decision within four working days of receiving both presentations.

Effective April 1, 1999, the Employer will calculate employee Sick Leave in accordance with the sick leave provisions of the collective agreement between the Paramedical Professional Bargaining Association and HEABC as if the employee has always worked under the Sick Leave Plan. In no case shall the calculation result in less than 18 days in the employee's sick leave bank.

7. **Superior Benefits - Self Funded Leave**
All transferred (i.e., Devolved) Paramedicals having a Self Funded Leave Memorandum in their former collective agreement and enrolled as a participant prior to February 1, 1999 shall maintain the plan on an incumbent only basis up and until the current leave applied for is utilized under the terms of the Memorandum.

THE ASSOCIATION**Re: Job Sharing**

Article 1 - Preamble

- 1.1** This Memorandum of Understanding establishes provision for two regular employees to voluntarily "job share" a single full-time position. Part-time positions may be shared where the Employer and Union agree in good faith.
- 1.2** A "Job Sharing Arrangement" refers to a specific written agreement between the Union and the Employer. This agreement must be signed before a job sharing arrangement can be implemented.
- 1.3** It may be to the advantage of the parties to initiate job sharing agreements in circumstances such as:
- Avoiding the potential loss of a valuable employee whose circumstances prevent them from working full-time;
 - Maintaining a mix of backgrounds/experience that will enhance the operation.

Article 2 - Participation

- 2.1** The parties recognize that involvement in job sharing is voluntary for all parties and at the discretion of the Employer.
- 2.2** Employees may initiate a request for job sharing in writing (subject to Article 2.3 and 2.4).
- 2.3** Upon approval of a request to job share a notice will be posted within the department to determine interest in job sharing a specific position. Those interested in job sharing will respond to the Employer in writing. Should the number of qualified employees responding exceed the number of positions available, then selection shall be on the basis of seniority. Job sharers will be within the same department and classification except where the Employer and the Union agree in good faith.
- 2.4** A notice will also be posted to elicit interest in job sharing arrangements to accommodate employees facing displacement. Approval and selection are subject to 2.1, 2.2 and 2.3, above.
- 2.5** For the first three (3) months of a job sharing arrangement, an employee will be deemed to be on a qualifying period pursuant to Article 10.03.

Article 3 - Maintenance of Full-Time Positions

- 3.1 Shared positions shall, in all respects with the exception that they are held by two individuals, be treated as though they were single positions with regard to scheduling and job descriptions.
- 3.2 Where a vacancy becomes available as a result of an employee participating in a job sharing arrangement, the vacated position shall be treated in accordance with the provisions of the Collective Agreement.
- 3.3 If one job sharing partner decides to discontinue participating in a job share, the employee must give thirty (30) days notice and the employee will then post into another regular position, revert to casual, or resign.

The Employer will post a notice within the department to determine interest in filling the vacated portion of the job share. Should more than one qualified employee wish to assume this vacated portion of the job share, the selection shall be on the basis of seniority.

Should no qualified employee wish to participate in the job share the remaining employee shall be given the first opportunity to assume the position on a full-time basis. If the employee does not wish a full-time position then the employee would post into another regular position, revert to casual status, or resign. The former job sharing position would then be treated in accordance with the Collective Agreement.

- 3.4 If the job sharing arrangement is discontinued by the Employer, the most senior employee will be given first option to assume the full-time position. The other (least senior) partner will be displaced pursuant to the provisions of the Collective Agreement.

Should the displaced employee have been regular full-time immediately prior to the job share, a comparable job will be defined as a regular full-time position for the purpose of internal options. Such employees can opt to define a comparable job as $\pm .2$ of their FTE component of the job share. In either case, such employees' hours will be maintained only to the level the employee worked in the job share.

- 3.5 The Employer must give sixty (60) days' notice if they wish to end a job sharing arrangement.
- 3.6 Either party may cancel this Memorandum on sixty (60) days' notice.

Article 4 - Schedules and Job Descriptions

- 4.1 A work schedule will be set out in advance showing the days and hours or shifts to be worked for each job sharing partner.
- 4.2 Job descriptions for the job sharing partners will be identical.
- 4.3 The Employer agrees not to increase workload levels expected of job sharers for the sole reason the position is shared.
- 4.4 Once established, the portion of hours shared may be altered by mutual agreement of the parties.

Article 5 - Benefits

- 5.1 As a general principle and unless otherwise revised in this Memorandum, the employees will neither gain nor lose any benefits presently contained in the Master Agreement.
- 5.2 Each employee in a job sharing arrangement will be treated as a part-time employee for all benefit and pension purposes.
- 5.3 Each employee in a job sharing arrangement must maintain unbroken eligibility for Employment Insurance and Canada Pension coverage.

Article 6 - Relief

- 6.1 Temporary relief for a job shared position will be determined pursuant to the Collective Agreement. However, job sharers will relieve for each other where there is no other source of relief available.

Section 1 – Eligibility

(Reprint of Article 34.05 of the Collective Agreement)

The Employer will deduct premiums at least monthly from each regular full-time and part-time employee, except for casuals appointed to temporary positions under Article 9.02, from the date she/he becomes a regular employee. The premium will be a percentage of straight time wages, and the union will give the Employer 60 days notice of any change in the percentage figure. The Employer will send HBT a cheque for the total, together with a list of the employees on whose behalf the deductions have been made and the straight-time salaries of those employees, within 28 days of the deduction. Any employee granted unpaid leave of absence totalling up to twenty (20) working days in any year shall continue to accumulate seniority and all benefits and shall return to her/his former job and increment step.

If an unpaid leave of absence or an accumulation of unpaid leaves of absence exceeds twenty (20) working days in any year, the employee shall not accumulate benefits from the twenty-first (21st) day of the unpaid leave to the last day of the unpaid leave but shall accumulate benefits and receive credit for previously earned benefits upon expiration of the unpaid leave.

Upon return to work following recovery, an employee who was on claim for less than twenty-four (24) months shall continue in her/his former job; an employee who was on claim for more than twenty-four (24) months shall return to an equivalent position, exercising her/his seniority rights if necessary, pursuant to Article 6.04 of the Master Agreement.

Employees on long-term disability who have exhausted all sick leave credits and in addition have been granted twenty (20) working days unpaid leave shall be covered by the Medical, Extended Health Care and Dental Plans provided they pay the total premiums for such coverage in advance on a monthly basis. Employees may choose to maintain any or all of such plans.

(Note: Notwithstanding Article 34.05 (b) of the Collective Agreement, premiums for medical, dental and extended health insurance will be cost-shared by the HBT/Non-HSA Paramedical Professional LTD Plan and the claimant on a 50 – 50 basis, under the same conditions as outlined above).

Municipal Pension Plan - Employees on long-term disability shall be considered employees for the purposes of the Municipal Pension Plan in accordance with the *Public Sector Pension Plans Act*.

- (C) Employment status during the intervening period between expiration of sick leave credits and receipt of long-term disability benefits:

Employees who will be eligible for benefits under the Long-Term Disability Plan shall not have their employment terminated; following expiration of their sick leave credits they shall be placed on unpaid leave of absence until receipt of long-term disability benefits.

Section 2 – Benefit Entitlement

- (A) (1) In the event an employee while enrolled in this Plan, becomes totally disabled on or after April 1, 1999, as a result of an accident or sickness, then, after the employee has been totally disabled for five (5) months the employee shall receive a benefit equal to seventy percent (70%) of the first \$4,500 of the pre-disability monthly earnings and fifty per cent (50%) on the pre-disability monthly earnings above \$4,500 or, $66\frac{2}{3}\%$ of pre-disability monthly earnings, whichever is more. The \$4,500 level is to be increased annually by the increase in the weighted average wage rate for employees under the collective agreement for the purpose of determining the benefit amount for eligible employees as at their date of disability.

It is understood that this adjustment will only be applied once for each eligible employee, i.e., at the date of the disability, to determine the benefit amount to be paid prospectively for the duration of entitlement to benefits under the LTD plan.

- (2) In the event that the benefit falls below the amount set out in Section 2 (A)(1) above for the job that the claimant was in at the time of commencement of receipt of benefits, LTD benefits to be adjusted prospectively to seventy percent (70%) of the first \$4,500 of the current monthly earnings and fifty percent (50%) on the currently monthly earnings above \$4,500 or, $66\frac{2}{3}\%$ of currently monthly earnings, whichever amount is more, based on

the wage rate in effect following review by the PPBA/HBT every four years. (Note: the \$4,500 figure will be adjusted as set out in Section 1(A)(1) above).

- (3) The benefit is taxable.
- (B) For the purpose of the above, earnings shall mean basic monthly earnings (including isolation allowances where applicable) as at the date of disability. Basic monthly earnings for regular part-time employees shall be calculated on the basis of the employee's average monthly hours of work for the twelve-month period or such shorter period that the employee has been employed, prior to the date of disability, multiplied by her/his hourly pay rate as at the date of disability.
- The long-term disability benefit payment shall be made so long as an employee remains totally disabled and shall cease on the date the employee reaches age sixty-five (65), recovers, dies, or is eligible for early retirement, whichever occurs first.
- (C) Employees who still have unused sick leave credits after the waiting period when the long-term disability benefit becomes payable shall have the option of:
- (1) exhausting all sick leave credits before receiving the long-term disability benefit;
 - (2) using sick leave credits to top off the long-term disability benefit; or
 - (3) banking the unused sick leave credits for future use.
- (D) Employees are not to be terminated for non-culpable absenteeism, while in receipt of long-term disability benefits.

Section 3 – Total Disability Defined

- (A) Total Disability as used in this Plan, means the complete inability because of an accident or sickness of a covered employee to perform the duties of his/her own occupation for the first two (2) years of the disability. Thereafter, an employee who is able, by reason of education, training, or experience, to perform the duties of any gainful occupation for which the rate of pay equals or exceeds seventy percent (70%) of the current rate of pay for their regular occupation at the date of disability shall no longer be considered totally disabled under the Plan. However, the employee may be eligible for a Residual Monthly Disability Benefit.
- (B) (1) Residual Monthly Disability Benefit
- The Residual Monthly Disability Benefit is based on 85% of their rate of pay at the date of the disability less the rate of pay [the minimum being equal to seventy per cent (70%) of the current rate of pay for her/his regular occupation] applicable to any gainful occupation that the employee is able to perform. The Residual Monthly Disability Benefit will continue until the rate of pay [the minimum being equal to seventy percent (70%) of the current rate of pay for her/his regular occupation] applicable to any gainful occupation that the employee is able to perform equals or exceeds 85% of the rate of pay for her/his regular occupation at the date of the disability. The benefit is calculated using the employee's rate of pay at the date of disability and the rate of pay [the minimum being equal to seventy per cent (70%) of the current rate of pay for her/his regular occupation] applicable to any gainful occupation that she/he is able to perform.

Example:

(a)	Monthly LTD net of offsets benefit	= \$ 1,000 per month
(b)	85% of rate of pay at date of disability	= \$ 13.60 per hour
(c)	70% of current rate of pay	= \$ 12.12 per hour
(d)	Percentage of difference [(b/c) - 1]	= 12.2%
(e)	Residual Monthly Disability Benefit (a x d)	= \$ 122.00

- (2) Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses.
- (3) During a period of total disability an employee must be under the regular and personal care of a legal qualified doctor of medicine.

(4) Commitment to Rehabilitation

In the event that an employee is medically able to participate in a rehabilitation activity or program that:

- (a) can be expected to facilitate her/his return to her/his own job or other gainful occupation; and
- (b) is recommended by the Plan Trustees, or their designate, and approved as a Rehabilitation Plan, then,

The entitlement to benefits under the LTD Plan will continue for the duration of the Approved Rehabilitation Plan as long as she/he continues to participate and co-operate in the Rehabilitation Plan. If the Plan involves a change in own occupation, the LTD benefit period will continue at least until the end of the first two (2) years of disability. In addition, the employee may be eligible for the Rehabilitation Benefit Incentive Provision.

The Rehabilitation Plan will be jointly determined by the employee and the HBT. In consideration whether or not a rehabilitation plan is appropriate, such factors as the expected duration of disability and the level of activity required to facilitate the earliest return to a gainful occupation will be considered along with all other relevant criteria. A rehabilitation plan may include training. Once the Rehabilitation Plan has been determined, the employee and the HBT will jointly sign the Terms of the Rehabilitation Plan which will, thereby, become the Approved Rehabilitation Plan, and the employee's entitlement to benefits under the LTD plan shall continue until the successful completion of the Approved Rehabilitation Plan provided the eligible employee is willing to participate and co-operate in the Approved Rehabilitation Plan. In addition, the employee may be eligible for any, or all, of the Rehabilitation Benefit Incentive Provisions.

(5) Rehabilitation Review Committee

- (a) In the event the eligible employee does not agree:
- (i) with the recommended rehabilitation plan, or,
- (ii) that she/he is medically able to participate and co-operate in the Rehabilitation Plan defined in the Terms of the Rehabilitation Plan then

To ensure benefit entitlement under the LTD plan the employee must either:

- (iii) be able to demonstrate reasonable grounds for being unable to participate and co-operate in a rehabilitation plan; or,
- (iv) appeal the dispute to the Rehabilitation Review Committee for resolution.

- (b) During the appeal process, the employee's benefit entitlement under the LTD Plan shall not be suspended.

The Rehabilitation Review Committee shall be composed of three qualified individuals who, by education, training, and experience are recognised specialists in the rehabilitation of disabled employees. The Committee shall be composed of three (3) individuals chosen on a rotating basis from a list of rehabilitation specialists identified by the PPBA/HBT. The purpose of the Rehabilitation Review Committee shall be to resolve the appeal of an eligible employee whom;

- (i) does not agree with the recommended Rehabilitation Plan; or,
- (ii) does not agree that she/he could medically participate in the Rehabilitation Plan.

During the appeal process, the eligible employee's entitlement to benefits under the LTD plan shall continue until the Committee has made its decision. The decision of the Committee shall determine whether or not the eligible employee is required to participate and co-operate in the Rehabilitation Plan approved by the Committee. In the event that the eligible employee does not accept the Committee's decision her/his entitlement to benefits under the LTD Plan shall be suspended until such time as the eligible employee is willing to participate and co-operate in the Approved Rehabilitation Plan.

(6) Rehabilitation Benefit Incentive Provisions

- (a) An employee who has been unable to work due to illness or injury and who subsequently is determined to be medically able to:
- (i) return to work on a gradual or part-time basis;
 - (ii) engage in a physical rehabilitation activity; and/or
 - (iii) engage in a vocational retraining program
- shall be eligible for any or all of the Rehabilitation Benefit Incentive Provision.

- (b) The intent of the Provision is to assist the employee with a return to gainful occupation. In many situations an employee who returns to work by participating and co-operating in an Approved Rehabilitation Plan will be able to increase her/his monthly earnings above the LTD benefit amount. The objective of the Rehabilitation Benefit Incentive Provision is to promote the successful completion of the Rehabilitation as follows:

- (i) The employee, upon return to gainful rehabilitative employment under an Approved Rehabilitation Plan, will be entitled to receive all monthly rehabilitation earnings plus a monthly LTD benefit up to the amount set out in Section 2(A) of the Addendum, provided that the total of such income does not exceed one hundred percent (100%) of the current rate of pay for her/his regular occupation at the date of the disability.
- (ii) Upon successful completion of the Approved Rehabilitation Plan, the employee becomes an automatic candidate for all job postings with the Employer and shall have the ability to bump under the collective agreement for positions that the employee is qualified and physically capable of performing.
- (iii) Upon successful completion of the Approved Rehabilitation Plan, the LTD benefit period may be extended for a maximum of six (6) months for the purpose of job search; and

- (iv) The eligible employee shall be entitled to participate in the Job Exploration and Development program.

"Rehabilitative Employment" shall mean any occupation or employment for wage or profit or any course of training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee's doctor and the PPBA/HBT.

If earnings are received by an employee during the period of total disability and if such earnings are derived from employment, which has not been approved as rehabilitative employment, then the regular monthly benefit from the Plan shall be reduced by one hundred percent (100%) of such earnings.

(7) Rehabilitation Improvement Committee

During the term of the agreement, one (1) person from The Plan Administrator and one (1) person from the claims paying agent shall meet with two (2) representatives of the PPBA. This Committee will work together to improve the Rehabilitation Process.

The Committee will have access to all relevant information available to the Trust to determine the cost savings experienced by the LTD Plan as a result of the Rehabilitation Provisions.

Section 4 – Exclusions from Coverage

The Long Term Disability Plan does not cover total disabilities resulting from:

- (A) war, insurrection, rebellion or service in the armed forces of any country;
- (B) voluntary participation in a riot or civil commotion, except while an employee is in the course of performing the duties of her/his regular occupation;
- (C) Intentionally self-inflicted injuries or illness.

Section 5 – Integration with other Disability Income

In the event a totally disabled employee is entitled to any other income as a result of the same accident, sickness, mental or nervous disorder that caused her/him to be eligible to receive benefits from this Plan, the benefits from this Plan shall be reduced by one hundred percent (100%) of such other disability income.

If other disability income is available to the employee, they must apply for this income prior to receiving LTD.

Other disability income shall include, but is not limited to:

- (A) any amount payable under the *Workers' Compensation Act* or law or any other legislation of similar purpose; and
- (B) any amount the disabled employee receives from any group insurance, wage continuation, or pension plan of the Employer that provides disability income; and
- (C) any amount of disability income provided by a compulsory act of law; and
- (D) any periodic primary benefit payment from the Canada or Quebec Pension Plans or other similar social security plan of any country to which the disabled employee is entitled or to which she/he would be entitled had she/he applied for such a benefit; and
- (E) any amount of disability income provided by any group or association disability plan to which the disabled employee might belong to or subscribe.

Private or individual disability plan benefits of the disabled employee shall not reduce the benefit from this Plan.

The amount by which the disability benefit from this Plan is reduced by other disability income shall be the amount to which the disabled employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements shall not further reduce the benefit from this Plan until the LTD benefit payable is recalculated to reflect current wage rates. [Reference 2A(2)]

Section 6 – Successive Disabilities

If, following a period of total disability with respect to which benefits are paid from this Plan, an employee returns to work for a continuous period of six (6) months or more, any subsequent total disability suffered by that employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled employee shall be entitled to benefit payments after the completion of another waiting period.

In the event the period during which such an employee has returned to work is less than six (6) months and the employee again suffers a total disability that is related to the preceding disability, the subsequent disability shall be deemed a continuation of the preceding disability, and the disabled employee shall be entitled to benefit payments without the necessity of completing another waiting period.

Should such an employee suffer a subsequent disability that is unrelated to the previous disability and provided the period during which the employee returned to work is longer than one (1) month, the subsequent disability shall be considered a new disability and the employee shall be entitled to benefit payments after the completion of another waiting period. If the period during which the employee returned to work is one (1) month or less, the subsequent disability shall be deemed a continuation of the preceding disability and the disabled employee shall be entitled to benefit payments without the necessity of completing another waiting period.

Section 7 – Leave of Absence

Employees on leave of absence without pay may opt to retain coverage under the Plan and shall continue to pay the full premium. Coverage shall be permitted for a period of twelve (12) months of absence without pay, except if such leave is for educational purposes, when the maximum period shall be extended to two (2) years. If any employee on leave of absence without pay becomes disabled, her/his allowance under this Plan shall be based upon monthly earnings immediately prior to the leave of absence.

Section 8 – Benefits upon Plan Termination

In the event this Long Term Disability Plan is terminated, the benefit payments shall continue to be paid in accordance with the provisions of the Plan to disabled employees who become disabled while covered by this Plan prior to its termination.

Section 9 – Premiums

The cost of this Plan shall be borne by the employee. Payment of premiums shall cease on termination of employment or five (5) months prior to an employee's sixty-fifth (65th) birthday, whichever occurs first.

Section 10 – Waiver of Premiums

The premiums of this Plan shall be waived with respect to the disabled employee during the time such an employee is in receipt of disability payments from this Plan.

Section 11 – Claims

(A) Long Term Disability claims shall be adjudicated and paid by a claims-paying agent to be appointed by the Plan Trustees. The claims-paying agent shall provide toll free telephone access to claimants. In the event a covered employee or the PPBA/HBT disputes the

decision of the claims-paying agent regarding a claim for benefits under this Plan, the employee or the PPBA/HBT may request that the claim be re-examined by the claims-paying agent. If the employee disputes the decision, the employee may request to have the claim reviewed by a claims review committee comprised of three independent and qualified medical doctors agreed to by the Claims Adjudication Committee. The decision of the claims review committee is final and binding on all parties.

Written notice of a claim under this Plan shall be sent to the claims-paying agent no longer than forty-five (45) days after the earliest foreseeable commencement date of benefit payments from this Plan or so soon thereafter as is reasonably possible. Failure to furnish the required notice of claim within the time stated shall not invalidate nor reduce the claim if it was not reasonably possible to file the required notice within such time, provided the notice is furnished no later than six months from the time notice of claims is otherwise required.

(B) Claims Adjudication Committee

During the term of the Agreement, one (1) person from HBT, one (1) person from the claims paying agent and two (2) representatives of the PPBA shall meet to work together to improve the claims adjudication process.

The Committee will arrange to have an information brochure prepared to explain detailed procedures for claims submissions, re-examination and decision review by the medical panel.

Section 12 – Administration

The PPBA shall have access to any reports provided by HBT and the claims-paying agent regarding experience information.

All questions arising as to the interpretation of this Plan shall be subject to the grievance and arbitration procedures in Article 7 and 8 of the Provincial Collective Agreement.

Section 13 – Provincial Collective Agreement Unprejudiced

The terms of the Plan set out above shall not prejudice the application or interpretation of the Collective agreement between the Health Employers Association of B.C. and The Paramedical Professional Bargaining Association.

Section 14 – LTD Plan Early Retirement Incentive Provision

The LTD Plan Early Retirement Incentive Benefit is to ensure that the eligible employee will not realise a pension benefit that is less than the pension benefit that she/he would have been entitled to receive at the normal retirement date, had she/he not applied for early retirement, regardless of when the early retirement incentive provision is activated.

(A) An employee under this Agreement who is:

- (1) eligible for, or who is receiving LTD benefits or who has been in receipt of LTD under this Plan for four years or more;
- (2) eligible for early retirement pension benefits; and
- (3) not eligible for the LTD Plan Rehabilitation Provisions

shall apply for early retirement.

The employee's entitlement to benefits under the LTD Plan shall, provided the employee remains eligible as per the definition of Total Disability, continue during the period of time that her/his application for early retirement is being processed with her/his pension plan administrator. In the event that the employee is not eligible for an unreduced pension benefit, she/he may still be eligible for the LTD Plan Early Retirement LTD Incentive Benefit.

- (B) Entitlement to and the amount of the LTD Plan Early Retirement Incentive Benefit shall be determined by considering the following factors:
- (1) the amount of the monthly pension benefit that the employee would have been entitled to receive if early retirement was not elected;
 - (2) amount of the monthly early retirement benefit that the employee will receive;
 - (3) the amount of the gross monthly LTD benefit that the employee is entitled to receive;
 - (4) the amount of the net-of-offsets monthly LTD benefit that the employee is entitled to receive; and
 - (5) the maximum LTD benefit duration period applicable to the employee.

If the combination of the Municipal Pension Plan benefit, Canada Pension Plan retirement benefit and any other disability income referred to in Section 4 of the LTD Addendum, results in monthly income of less than the LTD monthly income benefit, then the eligible employee shall be entitled to remain on LTD benefits.

- (C) An employee who is eligible for the LTD Plan Early Retirement Incentive Benefit shall be entitled to receive the benefit in a lump sum, or direct the HBT to any other designate. The employee shall complete an LTD Plan Early Retirement Incentive Benefit Application. Upon approval of the employee's application, the employee and the PPBA/HBT will jointly sign the Terms of the LTD Plan Early Retirement Incentive Benefit and the employee and the members of the Joint LTD Plan Early Retirement Incentive Committee shall sign the LTD Plan Early Retirement Incentive Agreement.
- (D) All eligible employees who are entitled to the LTD Plan Early Retirement Incentive Benefit shall be entitled to the continuation of the Life Benefit coverage in effect until 65 years of age or death, whichever is earlier.
- (E) Joint Early Retirement Improvement Committee
Within six (6) months of the ratification of this agreement two (2) persons from HBT shall meet with two (2) representatives of the PPBA. The parties will work together to improve the early retirement incentive process.

The Committee will have access to all relevant information available to the Plan Trust to determine the cost savings experienced by the LTD Plan as a result of the Early Retirement Incentive Provisions.

Re: Return-To-Work Program

Preamble

The parties recognize that prevention of injuries and rehabilitation of injured employees are equally important goals. The parties further recognize that return to work programs are part of a continuum of injury prevention and rehabilitation.

Mutual Commitment

The Employer and the Union are committed to a voluntary, safe return to work program that addresses the needs of those able to return to work.

Return to work programs will recognize the specific needs of each individual employee who participates.

Voluntary Participation (Not applicable to HSA LTD Trust #2 and HBT / Non-HSA LTD)

Employee participation in an established return to work program is voluntary. Employees may enter, withdraw and re-enter the program and an employee's participation or non-participation will not be the basis for any disciplinary action. Participation must include the consent of the employees' physician.

Employer creation of a return to work program is voluntary.

Consultation

Prior to entry into a return to work program, the Employer, the employee and the Union-designated representative(s) shall discuss the planned program and its duration. The details of the return to work program will be confirmed in writing to the employee and to the Union.

Supernumerary

An employee involved in a return to work program will be employed in a position that is additional to the Employer's regular number of full-time, part-time and casual positions and further will not cause the dismissal, layoff or reduction in hours or period of work of any existing employees of the Employer.

Confidentiality

The parties jointly recognize the importance of confidentiality and will ensure that full confidentiality is guaranteed.

The Employer shall not have contact with the employee's physician without the employee's consent.

Program Coverage

The return to work program will be available to WCB claimants, LTD claimants, convalescent employees and injured employees.

Types of Initiatives

Return to work programs may consist of one or more of the following:

1. Modified return to work: not performing the full scope of duties.
2. Graduated return to work: not working regular number of hours.
3. Rehabilitation: special rehabilitation programs.
4. Ergonomic adjustments: modifications to the workplace.

Re-orientation to the Workplace

A departmental orientation will be provided for the employee as well as a general facility orientation if necessary for an employee who has been off work for an extended period of time.

Pay and Benefits

An employee involved in a return to work program will receive pay and benefits as set out below.

Employees participating in a return to work program for fourteen point four (14.4) hours or more per week are entitled to all the benefits of the agreement, on a proportionate basis, except for medical, extended health and dental plan coverage, which shall be paid in accordance with Article 34.

Employees engaged in a return to work program will fall into one of four groups although on occasion an employee may, depending on changed circumstances, move from one group to another. Wage entitlement, when participating in the program, will be consistent with the terms of the agreement and is outlined below:

- (a) Employees who have been granted Workers' Compensation Leave: Receive full salary and all benefits pursuant to Article 19.14.
- (b) Employees who are awaiting approval of a WCB claim or who have been granted paid sick leave and have accumulated sick leave credits: Receive pay and appropriate premiums for all hours worked in the program and receive sick leave pay for hours not worked until accumulated sick leave credits are exhausted. All benefits continue uninterrupted for the duration of the program.
- (c) Employees who have no accumulated sick leave credits and who have been granted an unpaid sick leave and/or who are awaiting acceptance of a WCB or LTD claim: Receive pay and appropriate premiums for all hours worked in the program. Medical, dental, extended health coverage, group life and LTD premiums and Municipal Pension Plan payments are reinstated on commencement of the program and all other benefits are implemented when working fourteen point four (14.4) hours or more per week.
- (d) Employees in receipt of LTD benefits: These employees are considered disabled and under treatment. These employees receive pay for all hours worked. The LTD plan will pay for hours not worked in accordance with the plan. Benefits will be reinstated in the same manner as set out in (c) above except Group Life and Long Term Disability Plan premiums may continue to be waived.

No Adverse Effect on Benefits

An employee's participation in a return to work program will not adversely affect an employee's entitlements with respect to Workers' Compensation or Long Term Disability. Participation in a program will not delay entitlement to LTD benefits.

The period that the employee is involved in a return to work program shall be considered as part of the recovery process and will not be used or referred by the Employer in any other proceedings.
