**APPENDIX 5  
MODIFIED SUCCESSORSHIP**

WHEREAS the Employer has a highway maintenance contract with the Province of British Columbia to provide road and bridge maintenance services in Service Area 8; and

WHEREAS the Employer and the Union are, or hereby agree to become, Parties to a Collective Agreement(s) covering highway maintenance work; and

WHEREAS the Union and the Employer seek to clarify the representative obligations of the Union, the Employer, and Predecessor Contractor(s) (the previous Employer(s) holding the highway maintenance contract for above service area); therefore the Parties agree as follows:

1. The Employer agrees that it is the successor Employer, as defined in this Memorandum of Agreement for the highway maintenance contract where the Predecessor Contractor, at the time of termination of their contract, had a Collective Agreement with the Union, or was certified

pursuant to Part 3 of the Labour Relations Code of British Columbia with the Union.

2. As a result of paragraph 1 above, the Employer agrees from the date of entering into this Agreement, or such other dates as the Parties may agree, to be bound by the terms and conditions of the Collective Agreement, except where amended by this Memorandum of Agreement, that the Predecessor Contractor had with the Union.
3. Following award of the highways maintenance contract, all bargaining unit employees of the Predecessor Contractor shall become employees of the Employer. All of the rights of the employees under the Collective Agreement, including seniority and entitlement to benefits, will continue. The employee files of the Predecessor Contractor will become the employee files of the Employer. Apprenticeship indenture contracts of employees with the Predecessor Contractor will be assumed by the Employer.
4. Employees on any leaves of absence under the Collective Agreement at the time the Employer takes over a highway maintenance contract will be entitled to remain on leave of absence with the Employer for the time remaining for such leave under the Collective Agreement, subject to any requirements under the Collective Agreement governing the leave.
5. The Employer has no obligation to pay severance pay under the Collective Agreement to any of the employees of the Predecessor Contractor where entitlement is earned solely due to the termination of the Predecessor Contractor's Maintenance Agreement with the Province of British Columbia.

6. The Employer is not liable for any monies or benefits earned but not received by the employees of the Predecessor Contractors while the employees were employed by the Predecessor Contractor.
7. The Employer is responsible for all wages and other earnings (including C.T.O.) earned by its employees while employed by the Employer, and if a highways maintenance contract is not renewed, the Employer must pay out all earned wages and benefits to its employees within fifteen (15) days of the cessation of their employment.
8. With respect to highways maintenance contracts between the Employer and the Government that are not renewed, the Employer will be responsible for all grievances that pertain to issues or matters that arise as a result of the Employer performing the highways maintenance contracts, and such grievances will be resolved through expedited mediation/arbitration or by direct agreement before the termination of the highway maintenance contract, unless otherwise agreed by the Parties.
9. Where the Employer and the Union have been unable to conclude all outstanding grievances sixty (60) days before the termination of the highway maintenance contract, the Province of British Columbia shall be advised of the monetary value of each outstanding grievance. The monetary value should be established by mutual agreement between the Employer and the Union and confirmed in writing by the Parties to the Province of British Columbia. Failing mutual agreement on the monetary value of each outstanding grievance, the arbitrator assigned to arbitrate the outstanding grievance(s) shall establish the monetary value of the outstanding grievance(s). If no arbitrator has been appointed by the Parties, this matter shall be referred to a Settlement Office pursuant to Section 87 of the Labour Relations Code for resolution. Grievances that arise

subsequent to the above period shall also have a monetary value established and notification provided to the Province of British Columbia.

The Province of British Columbia shall withhold an amount equal to ten (10%) percent from the final highways maintenance contract payment to address outstanding issues arising from this provision, unless the Union and Employer or arbitrator, in the case of a dispute, have advised the Province of British Columbia in writing of the proper amount to be held back. The monies withheld by the Province of British Columbia shall be deposited into a trust account to be administered by an independent trustee appointed by mutual agreement of the BC Road Builders Association and the BCGEU by October 1, 1999. The funds shall be dispersed in accordance with the grievance resolutions reached between the parties or by an appointed arbitrator. Dispersement of funds shall occur within fourteen (14) days of concluding the outstanding grievances. All outstanding grievances are to be resolved by the mutual agreement of the Parties or by arbitration within thirty (30) days of the expiry of the maintenance contract.

10. None of the employees of the Employer will have any entitlement to severance pay under the Collective Agreement if their employment is terminated as a result of the current highways maintenance contract of the Employer being terminated and a new maintenance contract for the same service area is entered into with a new contractor who is recognized as a successor Employer by the Labour Relations Board or through a Memorandum of Agreement on modified successorship that is consistent with this Agreement, and signed by the new Contractor and the Union or the maintenance contract is returned to direct government service.

However, the severance pay provisions of Services Areas 2, 3 and 4 shall be governed exclusively by the terms of the Collective Agreement.

11. The Employer may require employees to take as time, all earned CTO/ETO and lieu day entitlements prior to the expiration date of the highway maintenance contract. The Employer and the Union agree that the provisions and principles contained within this Memorandum of Agreement that shall apply to any other maintenance service area(s) for which the Union is certified and/or has a Collective Agreement that the Employer currently holds with, or may obtain in the future, from the Government for road and bridge maintenance. The Employer and the Union shall sign and implement a separate Memorandum of Agreement for each service area currently held or obtained in the future, for which the Union is certified and/or has a Collective Agreement. This does not prevent an employee(s) from exercising any rights provided under the Labour Relations Code or future labour legislation.

**LETTER OF UNDERSTANDING #4  
DEVOLUTION COMMITTEE**

The respective Parties agree to recognize the established Devolution Committee. The terms of reference for this Committee will be developed jointly by the Labour/Management Committee. If all terms of reference cannot be agreed to, Mark Atkinson will mediate/arbitrate the outstanding issues. This process will be completed within six (6) months of the ratification of this agreement.

**LETTER OF UNDERSTANDING #5  
JOB DESCRIPTIONS AND CORE POSITIONS**

The following issues will be removed from the bargaining agendas and be placed before Mr. Vince Ready in a mediation/arbitration process.

**1. Article 28.1 – Classification Specifications**

Mr. Ready will deal with all outstanding job descriptions. Where he is unsuccessful in mediating a settlement in specific job descriptions, he will be guided by the practices of the road maintenance industry.

Should the process result in a downward reclassification of current positions, the incumbent will be blue circled with the new classification and rate being applied when the position is refilled. If the process results in an upward classification the rate increase will be effective on the date of ratification of the Collective Agreement.

Mr. Ready will also review the appropriateness of the pay rate for Messrs. Alaric and Shelton.

Mr. Ready will be asked to deal with the Employer proposal regarding the deletion of Letter of Intent #1 and the Union proposal regarding the non-renewal of the Letter of Understanding – Re: TSS Mechanical as working supervisors. Mr. Ready should deal with these two (2) issues after the job descriptions have been settled and both issues could be impacted by the job descriptions. In the meantime, both “Letters” will remain as is.

*Effective May 10, 2004*

**Letter of Understanding #5 – Job Descriptions and Core Positions – Delete entirely.**

**LETTER OF UNDERSTANDING #6**  
**RE: APPLICATION OF "DIRTY PAY" PREMIUM**

For the purpose of Article 27.11 – Abnormal Working Conditions, the Parties agree to the following:

In addition to the premium provided for Tradespeople, helpers and apprentices under Article 27.11(b), the premium described will apply under the following circumstances:

(1) *Machine Operator Series:*

(i) While performing Rest Area Maintenance, Activity 380A, the premium will only be paid to an employee when, while servicing the washroom facilities, the employee encounters extreme filth. The premium will apply only for time while exposed. Regular maintenance (i.e. refilling paper supplies, collecting garbage, and normal cleaning) will not attract the premium.

(ii) All other duties encompassed under the Rest Area Maintenance activity (ie. mowing, litter pick up, and normal cleaning) will not attract the premium.

(2) *Mechanical Series:*

(i) While performing mechanical repairs on the sweeper units, if the unit has been exposed to abnormal conditions (i.e. sweeping of animal droppings, etc.) the mechanic will receive the premium for time while exposed.

The respective Parties also recognize that to a certain extent the implementation of the aforementioned premiums will be on an honour system, monitored by the Area Foreman to the best of his ability.

In the event that there is a dispute over the application of the aforementioned premium, the Parties agree to meet to resolve any issues arising as a result of this agreement.

The premium reference in Item 1 above will apply to all employees throughout Service Area 08.

Dear Mr. Koch:

**RE: WINFIELD SENIORITY BLOCK**

As a result of our final resolution of the Winfield grievances at our October 8<sup>th</sup> and 9<sup>th</sup>, 1997 meetings, the following is a Memorandum of Understanding concerning Kelowna/Winfield amalgamation that was developed with Jeff Fox:

1. Argo Road Maintenance (South Okanagan) Inc. will still actively pursue the work in the District of Lake Country and when we are successful we can discuss the return of the Winfield Seniority Block.
2. Mr. Claggett and Mr. Tribiger are regular employees on layoff in the Kelowna Seniority Block.
3. Mr. Pat Currier's position is red-circled and reclassified as a Road Foreman 1, for him only. If Mr. Currier terminates his employment with Argo Road Maintenance (South Okanagan) Inc., we reserve the right to review the need for this classification.
4. Mr. Alan Stoppa is the M.O. 7 in the Kelowna Seniority Block. We propose to leave Mr. Nuyens as a M.O. 7 but if either employee terminates their employment then Argo Road Maintenance (South Okanagan) Inc. reserves the

right to review the M.O. 7 classification based on the number of kilometres of gravel roads.

5. It is understood that Article 24.2 does not apply to a regular employee on layoff within this seniority block as a result of the Winfield Yard closure.

Yours truly,

Dear Ms. Paulson:

**Re Jim Shelton – Winter Shift**

This confirms both parties “*without prejudice*” agreement to have Mr. Shelton’s full seniority intact when he is on winter shift with the Kelowna Road Crew. This would entitle him to all seniority driven rights such as shift selection, vacation selection etc.

The issue of whether or not he remains or should have been placed on the road crew remains outstanding and the subject of the grievance procedure.
