0.04 Masculine/Feminine and Singular/Plural

0.05 Letters of Understanding

0.06 Interpretation of Time Period Terminology

References to weeks, months or years shall mean calendar weeks, months, or years, unless otherwise stated in the context. References to “days” means working days unless otherwise stated in the context.

0.07 Management Rights

Except as provided specifically herein, nothing in this Agreement shall limit the Employer in the exercise of its function of Management, and without restricting the generality of this statement to direct, manage and administer its affairs.

The Employer has the right to discharge, suspend or otherwise discipline an employee for just cause.

ARTICLE 1 - UNION SECURITY

1.01 Union Dues Deduction

The Employer agrees that all employees covered by this Agreement shall sign a dues authorization form within twenty-one (21) calendar days of the signing of this Agreement (*July 12, 1999*), or within twenty-one (21) calendar days of the date of employment with the Employer, whichever date last occurs, as a condition of continued employment.

The Employer agrees that all new employees hired after the date of certification (*July 7, 1998*) shall make an application to become a member of the Union and maintain such membership as a condition of continued employment.

A person who was an employee at the time of certification (*July 7, 1998*) and is not a member of the Union at the time of ratification (*July 12, 1999*) of this agreement shall not be required to become a Union member.

A person who was an employee at the time of certification (*July 7, 1998*) and is a member of the Union at the time of ratification (*July 12, 1999*) of

this agreement shall maintain such membership as a condition of continued employment.

1.02 Acquainting New Employees

The Association will provide dues authorization forms to employees for their completion and signing. The Association will forward the executed documents to the Union within twenty-eight (28) calendar days of the employee's date of hire. Such forms will be provided to the Association by the Union, and will allow employees to authorize the release of their social insurance number to the Union.

The Association will introduce the employee to her Job Steward provided she is available for the employee's first shift.

1.03 Assignments of Earnings and Employee Information

The Association will honour written assignments of gross earnings for Union dues, initiation fees and general membership assessments and shall remit such to the Union monthly together with the following information as to the persons from whose pay such deductions have been made:

- | | |

| (b) name - address | (f) employee status |
| (c) gross earnings | (g) date of hire |
| (d) amount of dues deducted | (h) department |

1.04 No Discrimination for Union Activity

In keeping with the intent of the Labour Relations Code of British Columbia, the Employer and the Union agree that there shall be no discrimination or coercion exercised or practiced with respect to any employee for reason of membership or activity in the Union and the Employer shall not participate in or interfere with the administration of the Union.

1.05 Contracting Out

The Association will inform and discuss with the Union the need to contract out bargaining unit work before doing so. The purpose of the discussion will be to determine ways to minimize the impact of such contracting out on employees. Any employee displaced from their current employment by the contracting out of bargaining unit work will be entitled to twice the severance pay they would be entitled under Article 8 of this agreement.

ARTICLE 2 - UNION RECOGNITION

2.01 Recognition of Union Representatives

The Employer will recognize individuals and/or employees elected, appointed or designated by the Union as a representative. In doing so the Union will notify the Employer in writing of the duties and responsibilities of each of the individuals or employees concerned and will keep the Employer current should changes occur.

2.02 Job Stewards

The Association shall recognize Job Stewards and alternates for each of the three (3) rotating shifts (day and afternoon) and the administration group. Normally one (1) steward per meeting and the Employer needs to continue to meet operational requirements. The Union shall notify the Association of the names of such Stewards in writing immediately upon their appointment and shall notify the Association in writing of any changes in these names.

The authority of the Job Stewards shall include the following activities:

- (a) the investigation and presentation of grievances, and
- (b) Posting of Union notices, bulletins or other information to employees or to the Association. The Job Steward shall insure that a copy of any such information is given to the Association at the time it is posted.

Although, where possible, Job Stewards shall carry out their duties outside of regular working hours, if it is necessary for any Job Steward to take time off during working hours to attempt to settle a grievance she shall make satisfactory arrangements with her immediate Supervisor before leaving her place of work. The maximum amount of paid time that may be requested in any one (1) working day for this purpose, taking into account operational needs, is one half (1/2) hour. The Association may approve additional time away from their place of work on an individual non precedent basis.

2.03 Union Leaves

Employees elected or appointed to attend Executive Board meetings, Executive Council meetings, job steward training, and health and safety training meetings may request a leave of absence without pay to attend such meetings. Requests for such leaves are to be forwarded to their respective Supervisor for consideration at least five (5) weeks in advance

of the commencement date of the leave. The maximum amount of bargaining unit leave that may be taken in conjunction with this clause is twenty (20) days per annum per employee or forty (40) days per annum for employees elected as Union Executive Officers. The maximum number of employees that may be away at the same time, in any one location, for the above described reasons is one (1).

These totals do not include any time that is granted to authorized employee representatives for attendance at negotiations or for Union committee meetings. In these situations, the granting of leaves will be in keeping with the practice of the Association during the previous set of negotiations.

The approval of such leaves will be based on ensuring that all operational requirements are fully met but will not be unreasonably denied.

The Association will continue to pay the employees on such leave and will bill the Union for all employee costs, including benefits, related to the absence.

2.04 Bulletin Boards

A bulletin board will be made available to the Union for posting notices relative to meetings and Union activities.

2.05 No Other Agreement

Neither the Employer nor its representatives will require or permit any employee covered by this Agreement to make a written or oral agreement with the Employer or its representatives which conflicts with the terms of this Agreement.

2.06 Right to Have a Job Steward Present

Where a meeting is to occur for the purpose of disciplining a particular employee, the Employer shall advise that employee in advance of such meeting. Upon being advised, the employee will have the right to have in attendance a job steward; however an employee may not insist upon a particular job steward should this have the affect of unduly delaying the meeting.

An employee shall have the right to confirm with an Employer representative if any meeting that she is asked to attend, may be the basis for disciplinary action against her. If the Employer confirms that it may be a basis for disciplinary action, in keeping with the above, she will have the right to have a job steward present.

Where the foregoing pertains to a job steward, a Union representative may be present if this does not unnecessarily delay the meeting.

Employee coaching sessions and performance evaluations are not to be considered as formal discipline meetings. However, where an employee would like to review the results of a performance evaluation, or the results of a performance development plan discussion with her supervisor, the employee may request and have her job steward present.

Where disciplinary action is taken in connection with matters addressed in an appraisal, the Association shall issue a letter of discipline concerning these matters separate and apart from the appraisal document.

2.07 Union and Employer Communications

The Employer and the Union agree that copies of all correspondence between the parties related to matters covered by the Agreement shall mutually be sent to the Vice President, Human Resources and the President of the Union or their respective designates.

2.08 Letters of Discipline

The Employer will provide the Union copies of letters of warning, suspensions, terminations and any letters referencing that “employment may be in jeopardy”.

3.01 Grievance Steps

Any difference concerning the interpretation, application, administration or alleged violation of the provisions of this Agreement will be dealt with in the following manner. The employees shall continue to work until such grievance is settled:

Informal Discussion

Should an employee have a concern relating to the application of this Agreement, it shall first be discussed with the employee’s Supervisor, not later than fourteen (14) calendar days from the date of the incident that gave rise to the concern. The purpose of this discussion is to explore the employee’s concern with the potential of reaching a resolution to the matter. The employee may choose to have their job steward present during such discussion.

(a) **Step 1**

Within seven (7) calendar days of the discussion with her Supervisor as indicated above, should the matter remain unresolved then the employee will provide to her Manager a written grievance.

Within seven (7) calendar days of receipt of this grievance, her Manager, or designate, will discuss the grievance jointly with the employee and the job steward. The Manager, or designate, will render a decision in writing to the employee with a copy to the job steward within seven (7) calendar days of the date of this discussion at Step 1.

(b) **Step 2**

Should the grievance be unresolved at Step 1, the Union may refer the matter to Step 2 in writing to the Vice President, Sales, or designate, within seven (7) calendar days of receipt of the Manager's decision at Step 1.

Within seven (7) calendar days of receipt of such Step 2 grievance, the Vice President, Sales, or designate, will discuss the grievance jointly with the employee and the job steward. The Vice President, Sales, or designate, will render a decision in writing to the employee with a copy to the job steward within seven (7) calendar days of the date of this discussion at Step 2.

Should a grievance be unresolved at Step 2, the Union may refer the matter to Arbitration in writing to the Vice President, Sales or designate, within thirty (30) calendar days of receipt of the Vice President, Sales, or designate's decision at Step 2.

3.02 Arbitration

(a) All grievances submitted to arbitration shall be adjudicated by a single arbitrator. Within fourteen (14) calendar days of written notice to arbitrate the parties will attempt to agree on an arbitrator. Should the parties fail to agree on the selection of an arbitrator during this period, either party may request the Director of the Collective Agreement Arbitration Bureau to make an appointment.

(b) The Arbitrator shall hear the Parties, settle the terms of the question to be arbitrated, and make his/her award within fourteen (14) calendar days from the day of the hearing. This time limit may be extended by the mutual agreement of the Parties.

- (c) Each party to this Agreement will equally share the fee, expenses and disbursements of the arbitrator and each party shall bear its own costs.
- (d) The arbitrator shall not be authorized to alter, modify or amend any part of this Agreement.

3.03 Time Limits

The time limits set out in this Article may be extended by mutual agreement of the Association and the Union which will be confirmed in writing. Such agreement will not be unreasonably withheld. If the time limits specified or agreed to are not met, the grievance will be deemed to be abandoned.

3.04 Policy Grievance

A policy grievance may be initiated by the Association or the Union at any time within thirty (30) calendar days of the incident that gave rise to the difference by the submission of a written grievance to the Business Representative of the Union or the Vice President, Sales for the Association. A policy grievance will commence at Step 2.

3.05 Suspension and Termination Grievances

Suspension and termination grievances may be initiated by the Union within fourteen (14) calendar days of the occurrence. Such grievance will be in writing and submitted to the Vice President, Sales. A Suspension and Termination grievance will commence at Step 2.

3.06 Job Classification Disputes

Where a new or substantially altered job classification is introduced the Association shall assign an interim wage rate and meet with the Union to negotiate the wage rate within 30 calendar days of the job classification being introduced or substantially altered. In the event that the parties cannot agree on a wage rate the matter may be referred to Arbitration for a final and binding decision in accordance with Article 3.02. The Association may fill the position even though the matter may have been referred to arbitration.

3.07 Selection Grievances

Grievances concerning job selection shall be initiated by the employee within 14 calendar days of announcing the successful candidate for the position. A selection grievance will commence at Step 1.

The Employer will share information relevant to the job selection grievance with the Union, at Step 1 of the Grievance Procedure.

The Union will provide the successful applicant with a copy of the grievance at Step 1.

3.08 Discussions with Grievor

After a grievance has been submitted, the Association will not enter into discussions with the Grievor with regard to the substance of the grievance without Union representation.

3.09 Attendance of Grievor at Grievance Meeting

The aggrieved employee may be present at any or all steps of the Grievance Procedure if she/he desires, and will be paid their regular pay to attend those meetings (but will not be eligible for overtime or extra pay as a result of the grievance meeting). These meetings will usually occur on the employee's regularly scheduled work day.

3.10 Attendance of Job Stewards at Grievance Meetings

A Job Steward (and/or other Union Representative) will be present at any or all stages of the grievance procedure. The Job Steward will be paid their regular pay to attend these meetings (but will not be eligible for overtime or extra pay as a result of the grievance meeting).

ARTICLE 4 - SENIORITY

4.01 Seniority Defined

Seniority is defined as the length of uninterrupted regular employment since the employee was hired as a regular employee, in the bargaining unit. Seniority will accrue for regular (full time and part time) employees only.

Temporary, casual and contract employees will have no seniority.

For the purpose of establishing initial seniority dates at the date of ratification (**January 23, 2000**), the employees' existing date of service established by the Association will be used.

Where a temporary or casual employee moves to regular status, or have moved since July 7th, 1998, her initial seniority date will be adjusted to include the following:

- (a) In the case of a casual employee, all days worked as a casual or temporary employee: and
- (b) In the case of a temporary employee, all days worked during an assignment that occurred immediately prior to, and without interruption to becoming a regular employee.

In order to establish initial seniority, the Employer will identify and post initial seniority dates, as determined by (a) and (b) above, of those casual employees on the current casual employee call in list as well as any current temporary employees. Employees will have thirty (30) calendar days in which to challenge the accuracy of these dates.

Excluded persons who move into a bargaining unit position will receive seniority credit for any time worked in a non-management position in the ERS Administration and Operations Centre departments prior to certification. An employee that accepts a temporary assignment to a management position will, upon return to her bargaining unit position, receive seniority credit for the time spent in the excluded position.

Casual employees that have not worked for the Employer during a continuous four (4) month period will be considered to no longer be an employee.

4.02 Seniority List

The Employer will provide the Union with a seniority list once per year. This will usually occur in January of each year.

4.03 Loss of Seniority

Employees shall lose their seniority and their employment if they:

- (a) employees on layoff of one (1) year or less.
- (b) employees away from work for periods of approved absence.

An employee may make appropriate entries into her personnel file. A copy of any such entry shall be provided to the employee's Supervisor.

The Union will have right of access to an employee's personnel file providing the employee gives her authorization to the Employer in writing. In giving the Union access, the employee agrees to hold the Employer harmless with respect to the Union's use of that information.

An employee who posts to a position at a lower salary range will continue to receive her current salary or the top step of the new range, whichever is lower. If her current salary does not match a step in the new range, then the employee will progress to the next higher step in the range on October 1st, or April 1st, whichever occurs first, provided her annual performance appraisal rating is “achieving”, or better. This adjustment would be in addition to any step progression entitlement under Article 11.04 a).

Regular part-time employees shall be paid their vacation pay on each pay cheque.

Temporary, casual and contract employees shall be paid their vacation pay on each pay cheque as set out below:

Any vacation that cannot be scheduled by that time will be paid out to the employee. Any request for payout must be initiated by the employee's Supervisor and forwarded to Payroll.

Emergency Road Services – Casual Work Assignment

Purpose

The purpose of this Letter of Understanding is to set out a call system process for assigning work to casual employees covered by this agreement.

Status

Casual status will be calculated as the total number of days actually worked as an employee under this agreement. Casual status will only be considered in determining order of selection for scheduling casual assignments as set out in this memorandum.

Order of Call In

The Employer, when calling casuals in for work assignment will utilize the following criteria when doing so:

1. Suitability

The Employer will determine the casual employees that are suitable to perform the required work. In determining suitability, factors such as performance, ability, competence, skills and qualifications will be considered.

2. Availability

The Employer will establish if the employee is available to meet the full time-frame requirements of the work assignment. The assignment will be

given to a single employee unless the indicated availability of the casual group does not allow single coverage for the assignment to occur.

Casual employees will indicate one (1) month in advance their availability for work assignments, in writing, to the Employer.

Changes to a casual employee's indicated availability may occur with the Employer's approval.

3. Status

If there is more than one employee that meets the suitability and availability standards for the assignment, then the casual employee with the greatest number of days actually worked will be selected to perform the work.

Calling Casuals for Work Assignment

The Employer, when contacting casuals for work assignment will utilize the following procedure:

The suitable casual employee that can fulfill the complete time frame requirements of the assignment will be called first. For same or next day assignments, the Employer will allow the phone to ring seven (7) times, or leave a message. If the employee fails to respond to the message within ten (10) minutes, the Employer will then attempt to contact the next suitable employee that can fulfill the requirements of the assignment.

For assignments starting two (2) calendar days after the Employer establishes a need for an assignment, the Employer will allow the phone to ring seven (7) times, or leave a message. If the employee fails to respond to the message within thirty (30) minutes, the Employer will then attempt to contact the next suitable employee that can fulfill the requirements of the assignment.

All calls and responses will be recorded in a log.

Repeated Failure to Respond

A casual employee will no longer be an employee if:

- 1) he/she does not respond to four (4) consecutive attempts by the Employer to contact the casual employee for a work assignment; or
- 2) he/she declines four (4) work assignments in a three consecutive month period; or

- 3) he/she has not been called in for a work assignment in a four (4) continuous month period.

Casual Employee to be Paid at the Rate They are Called In For

It is clearly understood that if a casual employee is called in for a level one position, then they are paid at the level one rate. If a casual is called in for a level two position, they are paid at the level two rate. If a casual is called in for a level three position, they are paid at the level three rate.

In making their availability known, the employee will also indicate if there are any restrictions regarding the levels of a position that they are not available for.

Having completed the procedure under article 3.01, an unresolved matter relating to a prohibited grounds of discrimination as set out in the Human Rights Act of B.C. can be advanced to arbitration in keeping with article 3.02.

Article 15.08 Vacation Scheduling

1. ERS Administration

The process:

- A form/board will be created for each round of vacation pick.
- This form/board will have a space for each employee to pick their selection for the round in question based on the order of seniority.
- The form/board will be given to the most senior employee two weeks prior to the completion date for each round.
- This employee will have 48 hours in which to make their selection after which time the form must be given to the next senior employee.
- Likewise, that employee will have 48 hours in which to make their selection.
- This process will continue until all employees have made their selection for the round in question.
- As selections are made, a calendar will be highlighted showing all previously selected dates.

2. ERS Operations

Vacations will be selected in full one week blocks, based on shift structured work week (not calendar). The maximum continuous period shall be two (2) continuous weeks in duration. Every third (3rd) year an employee may during the selection of their first vacation period select more than two weeks in a continuous period to a maximum of their entitlement.

2. by December 15th, employees shall submit their second choice vacation requests. Approval of second round requests shall be posted within five business days;
3. by January 1st, all employees shall submit their third choice vacation requests. Approval of third round requests shall be posted within five business days; and
4. by January 15th, all employees shall submit their fourth and subsequent choices. Approval of fourth and subsequent choices shall be posted within five business days.
