LETTER OF UNDERSTANDING #1

BETWEEN: **WESTERN EMPLOYERS LABOUR RELATIONS ASSOCIATION**
(for and on behalf of Wilkinson Steel & Metals, A Division of Premetalco Inc.)

AND: **UNITED STEELWORKERS**
(on behalf of Local Union No. 2952)

WHEREAS the Parties entered into a Collective Agreement (hereinafter referred to as the Agreement) effective February 1st, 2006 to and including January 31, 2011.

AND WHEREAS the Parties desire to interpret the Agreement for the purpose of the implementation of Article 7 - Vacations With Pay.

NOW THEREFORE this Letter of Understanding shall constitute an integral part of the Agreement and provides an interpretation of the Agreement in the following particulars:

(A) Adjustment of Anniversary Date to Cut-Off Date.

Reasons therefore: Since the employment date of an Employee seldom coincides with a vacation cut-off date, it is necessary, in order to administer vacations in an orderly manner to adjust an Employee's vacation pay and vacation time to the cut-off date.

(B) There are six times when an Employee's vacations must be adjusted to the cut-off date:

- (1)** After one year but less than three years' employment, when the Employee is entitled to two (2) weeks' vacation.
- (2)** After three years but less than seven years' employment, when the Employee is entitled to three (3) weeks' vacation.
- (3)** After seven years but less than fourteen years' employment, when the Employee is entitled to four (4) weeks' vacation.
- (4)** After fourteen years but less than eighteen years' employment, when the Employee is entitled to five (5) weeks' vacation.
- (5)** After eighteen years but less than thirty years' employment, when the Employee is entitled to six (6) weeks' vacation.
- (6)** After thirty years or more, when the Employee is entitled to seven (7) weeks' vacation.

(C) The following is the interpretation to be applied to Article 7 - Vacations With Pay in the WESTERN EMPLOYERS LABOUR RELATIONS ASSOCIATION (Wilkinson Steel & Metals, A Division of Premetalco Inc.) - UNITED STEELWORKERS, LOCAL 2952.

-
- (1)** Article 7.01 of the W.E.L.R.A. (Wilkinson Steel) - U.S.W.A. Agreement provides for payment of vacations to an Employee who has worked less than one (1) year on the following basis:
- Four percent (4%) of his gross earnings.
 - One (1) day's vacation for each major fraction of a month worked (maximum ten (10) working days).
- The provisions of this Section are the basis of adjusting a new Employee's vacation pay and vacation time to a cut-off date.
- (2)** When an Employee becomes entitled to three (3) weeks' vacation, his vacation pay and vacation time off will be adjusted to the cut-off date by:
- Crediting the Employee's vacation account with two percent (2%) of his gross earnings from his employment anniversary date to the cut-off date.
 - Crediting the Employee's vacation account with the amount of time off resulting from applying the fraction of the year between his anniversary date and the cut-off date to five (5) working days.
- (3)** When an Employee becomes entitled to four (4) weeks' vacation, his vacation pay and vacation time off will be adjusted to the cut-off date by:
- Crediting the Employee's vacation account with two percent (2%) of his gross earnings from his employment anniversary date to the cut-off date.
 - Crediting the Employee's vacation account with the amount of time off resulting from applying the fraction of the year between his anniversary date and the cut-off date to five (5) working days.
- (4)** When an Employee becomes entitled to five (5) weeks' vacation, his vacation pay and vacation time off will be adjusted to the cut-off date by:
- Crediting the Employee's vacation account with two percent (2%) of his gross earnings from his employment anniversary date to the cut-off date.
 - Crediting the Employee's vacation account with the amount of time off resulting from applying the fraction of the year between his anniversary date and the cut-off date to five (5) working days.
- (5)** When an Employee becomes entitled to six (6) weeks' vacation, his vacation pay and vacation time off will be adjusted to the cut-off date by:
- Crediting the Employee's vacation account with two percent (2%) of his gross earnings from his employment anniversary date to the cut-off date.
 - Crediting the Employee's vacation account with the amount of time off resulting from applying the fraction of the year between his anniversary date and the cut-off date to five (5) working days.
- (6)** When an Employee becomes entitled to seven (7) weeks' vacation, his vacation pay and vacation time off will be adjusted to the cut-off date by:
- Crediting the Employee's vacation account with two percent (2%) of his gross earnings from his employment anniversary date to the cut-off date.

- Crediting the Employee's vacation account with the amount of time off resulting from applying the fraction of the year between his anniversary date and the cut-off date to five (5) working days.
