ARTICLE 13 - GRIEVANCE PROCEDURE

Qualifying Period:

13:01 If, during the term of this Agreement, there should arise a complaint between the Company, the Union or an employee bound by this Agreement concerning its interpretation, application, operation, or any alleged violation of the terms of the provisions thereof, an earnest endeavour shall be made to settle the grievance promptly between the representative of the Company and the Union. Where a grievance refers to a particular occurrence or incident other than a payroll error, no consideration shall be given to either party unless such grievance is submitted within fifteen (15) days from the

date of the alleged grievance excluding Saturday, Sunday and holidays in calculating elapsed time. In the case of payroll errors, the time limit will be sixty (60) calendar days.

Time to Resolve Dispute:

13:02 In the event that the said representatives fail to reach a satisfactory settlement within seven (7) working days after the grievance was submitted to them, it shall then be reduced to writing and discussed between the Shop Steward, the Union representative and the District Manager. If these representatives fail to reach a satisfactory settlement within seven (7) working days, or within such longer time as the Parties agree to, it shall then be referred to an Arbitration Board of three (3) persons as follows:

Arbitration:

13:03 The Party desiring arbitration shall appoint a Member for the Board and shall notify the other Party in writing of its appointment, and particulars of the matter in dispute.

13:04 The Party receiving the notice shall within five (5) working days thereafter, appoint a Member for the Board and notify the other Party of its appointment.

13:05 The two arbitrators so appointed shall confer to select a third person to be Chairman and failing for seven (7) working days from the appointment of the second of them to agree upon a person willing to act, either of them may apply to the Honourable, the Minister of Labour, to appoint such third Member as Chairman.

13:06 The Arbitration Board after receiving the grievance in writing shall sit, hear the Parties, settle the terms of the question to be arbitrated, and make its award within ten (10) working days from the date of the completion of the hearing, provided the time may be extended by agreement of the Parties.

13:07 The Board of Arbitration shall have the power to arbitrate differences between the parties to this Agreement concerning the interpretation, application, operation, or any alleged violation of the Agreement, including any question as to whether any matter is arbitrable, but shall not have jurisdiction or authority to alter, modify, extend, or amend the provisions of this Agreement.

Suspension or Discharge:

13:08 If the Arbitration Board finds (or if at an earlier stage of the Grievance Procedure, it is found) that an employee has been unjustly suspended or discharged, that employee shall be reinstated by the Company without loss of pay and with all his rights, benefits and privileges which he would have enjoyed if the suspension or discharge had not taken place AND PROVIDED THAT the Arbitration Board, if circumstances are established before it, which in the opinion of the Arbitration Board, makes it just and equitable to do so,

shall have the authority to order the Employer to pay less than the full amount of wages lost.

13:09 The Arbitration Board shall have the power to substitute a suspension in lieu of a discharge.

13:10 The award of the Arbitration Board shall be final and binding upon both Parties.

Cost of Chairman:

13:11 The expenses and remuneration of the Chairman shall be paid by the Parties in equal shares.

14:01 The Company agrees to provide a Health and Welfare Plan and Dental Plan as per Schedules attached.

Pension Plan:

14:02 During the term of this contract, the Company agrees to make available to employees the Retirement Plan for Hourly Employees of Grace Canada, Inc. Grace Construction Products, subject to the eligibility requirements and other terms of the Plan in force as of the effective date of this Agreement.

14:03 Employees will be notified of the terms and conditions, or any amendments of the Plan.

Sick Leave:

14:04 Paid sick leave will be accumulated at the rate of one (1) day per month to a maximum of thirty (30) days. Such leave will not be paid until the employee has acquired a minimum of one (1) year's seniority with the Company. Effective May 1st, 1991 the one (1) day per month will become six (6) hours per month.

14:05 Sick leave credits will not be accumulated for periods of layoff or leave of absence. A sick leave credit will not be accumulated for any month when absence due to illness or accidents in that month results in this benefit being paid. Application for this benefit will be made by employee on a form supplied by the Company.

14:06 When an absence, due to sickness or accident, is not covered for payment by either the Weekly Indemnity, as per Schedule attached or Workers' Compensation, employees shall draw on time accumulated as follows:

First (1st) Day to Seventh (7th) Day - one full day's pay for each day of absence.

The balance of accumulated sick leave will be applied at the full daily rate for each day that the employee's absence exceeds the Weekly Indemnity period.

- 14:07 Any abuse to this benefit shall be cause for immediate discharge. The Employer has the right to require a medical certificate from the employee for sick leave benefits.
- 14:08 An employee who has accumulated eighty (80) hours of paid sick leave under Article 14:04 by December 1st, may elect to buy back a cash equivalent of up to five (5) days at the basic rate of pay as of December 1st. Such buy back to be paid on a separate cheque.

ARTICLE 15 - INTRODUCTION OF TECHNOLOGICAL CHANGE, RETRAINING & SEVERANCE

- 15:01 (1) Where an Employer introduces or intends to introduce a technological change that
- (a) affects the terms, conditions or security of employment of a significant number of employees to whom a collective agreement applies; and
 - (b) alters significantly the basis on which a collective agreement was negotiated, either party may refer the matter to an arbitration board under the collective agreement, or pursuant to Part 6.
- (2) The arbitration board shall decide whether the Employer has introduced or intends to introduce a technological change, and on deciding that the Employer has or intends to do so, the arbitration board:
- (a) shall immediately inform the minister of its finding; and
 - (b) may, then or later, order one or more of the following;
 - (i) that the change be made in accordance with the collective agreement unless the change alters significantly the basis on which the collective agreement was negotiated;
 - (ii) that the Employer will not proceed with the technological change for a period, not exceeding 90 days, the arbitration board considers appropriate;
 - (iii) that the Employer reinstate an employee displaced by the technological change; and
 - (iv) that the Employer pay that employee compensation for his displacement as the arbitration board considers reasonable.

- (3) An order made under this section binds all persons bound by the collective agreement.

15:02 Notwithstanding the provisions of Article 15:01 the Company shall notify the Union at least three (3) months in advance of any technological change or in the event of an unexpected technological change when three (3) months notice is not possible. Notice will be given to the Union at the time of the change and the parties will meet to discuss:

- (a) The making of any major change in any production process.
- (b) The introduction of or the automation of equipment or sale, plant closure or relocation which would affect the terms and conditions of security of employment of any of the employees to whom this Collective Agreement applies.

15:03 Should any jobs disappear as a result of changes as described in 15:02, the employees affected shall have the opportunity to work (subject to the individual's seniority) at another classification. Should training be required, the employee shall be allowed up to twenty-one (21) days without loss of pay. At the expiration of the twenty-one (21) day period he shall be placed on the rate applicable to his new job.

15:04 When an employee's job is discontinued as a result of changes described in 15:02 and 15:03, he shall have the option of transfer to other employment for which he is qualified or for which he can be trained as outlined in 15:03, subject to the seniority provisions. If his seniority is insufficient for him to remain as an employee, or if he chooses to accept termination in lieu of a transfer to other work, he shall receive severance pay of one (1) week's pay for each year of service. Employees who receive severance pay and are hired shall be considered as new employees.

15:05 The minimum severance payment will be two (2) weeks pay.

1. An employee on severance layoff who is recalled to work for an expected duration of ten (10) weeks or less, may refuse to return to work for the Company and remain on severance layoff for the remainder of his twelve (12) month layoff without forfeiture of his severance allowance or seniority because the parties recognize this as a temporary job.
2. An employee on severance layoff who is recalled to work for an expected duration of more than ten (10) weeks, shall report for work within seven (7) calendar days after being called back to work, or he will be paid his applicable severance allowance and in consideration thereof he will lose his seniority and reemployment rights because the parties recognize this as a permanent job.
