ARTICLE 1 - PREAMBLE

Subject to the provisions of the Master Agreement entered into between the Employer and the Union, the purpose of this Agreement is to set out the terms and conditions of employment applicable to employees included in the Social, **Information** and Health Component defined in Appendix 3— *Classifications & Rates of Pay* of the Master Agreement.

ARTICLE 2 - COMPONENT RECOGNITION AND RIGHTS

2.1 Time Off for Joint Union-Employer Business

Where employees are appointed by the Union as Union representatives to joint Union-Employer Committees as specified in this Agreement they shall be granted leave of absence without loss of basic pay to attend such meetings.

2.2 Union Representatives

(a) The Employer recognizes that in some circumstances it is difficult for the President or the paid Union representatives to meet with employees outside of normal working hours. In such cases, the President or the President's designate shall submit a request in writing to the Employer to meet with employees during working hours in their normal place of work. Subject to operational requirements, the Employer shall grant permission for such a meeting not to exceed one hour's duration. Attendance at such meetings shall be considered as time worked.

(b) The Employer may, upon written request from the President of the Union or the President's designate, allow reasonable time for a designated representative of the Union on the agenda of any course, training session, seminar or conference sponsored by the Employer. Such permission will not be unreasonably withheld.

ARTICLE 3 - HOURS OF WORK

3.1 Preamble

(a) The regular work week for employees covered by this Agreement shall consist of up to five consecutive days between Monday and Friday inclusive; however, the Parties recognize the Employer's right to establish the hours of operation and the Union's right to negotiate work schedules to meet the hours of operation in accordance with the provisions of this article.

(b) The regular work day shall consist of no more than nine hours per day (including authorized travelling time) exclusive of meal periods. Regular hours worked in accordance with this article shall total 35 hours per week averaged over a two-week period.

3.2 Work Schedules

Work schedules shall be mutually agreed to between the Employer's designate and the Union's designate at the local level in accordance with the following:

(a) *Shift Patterns*

- (1) Five days on/two days off;
- (2) Five days on/two days off; four days on/three days off;

- (4) Starting and finishing times unscheduled within a mutually agreed entry and exit period around a mutually agreed core period.

In sub-paragraphs (2), (3) and (4) above, the starting and finishing times are subject to Clause 14.8—*Flextime* of the Master Agreement, and the Parties acknowledge that the employee shall choose their starting and quitting times in accordance with the aforesaid clause and the provisions in this clause.

- (c) Any reasonable recurring combination of the above shift patterns may be implemented by mutual agreement provided that the relevant articles in the Master and Component Agreements are not contravened.

- (d) A record of the employee's work schedule shall be maintained at the local level.

3.3 Meal Periods

- (a) Meal periods shall not exceed one hour in length and shall be scheduled as closely as possible to the middle of the shift.

If the lieu day is not taken within two weeks, it shall be immediately scheduled on the vacation roster.

(b) When statutory or designated holidays fall within a two-week scheduling block, the additional hours to be worked in order to average 70 hours during the two-week block may be carried over to the next two-week scheduling block, if the scheduling of those additional hours is not possible during the original two-week period.

(b) The provisions of this article are intended to assist regular employees in maintaining and improving skills, to assist them in preparing for promotion, and to improve the quality of service offered to the citizens of British Columbia.

(4) A maximum of two (2) of the ten (10) Professional Development Days shall be available to undertake research of work related topics approved by the supervisor. Scheduling shall be by mutual agreement.

A request for leave under this clause must include a research plan and the employee will be required to submit a report upon completion.

(b) Professional development leave shall not be cumulative.

(c) Employees wishing to proceed on professional development leave shall submit a request, in writing, to the Employer indicating the leave required and the relevance of the particular event to the employee's job. On their return, the employee will submit a summary of the symposium/seminar to the Employer for distribution to other employees.

successfully complete any in-service examination shall, upon request, receive a copy of their examination paper and shall be eligible to be re-examined at the first available opportunity after completion of a further six months service.

6.7 Preparation for Examination

Where work loads permit, employees shall be granted reasonable time during the regular work day to prepare for examinations held by the Employer and to complete courses offered by the Employer. The Parties recognize, however, that the employees who avail themselves of the provisions of this clause have a responsibility to devote some of their own time to prepare themselves for examinations and to complete courses.

ARTICLE 7 - WORK CLOTHING

7.1 Protective Clothing

(a) The Employer shall continue to provide all wearing apparel and/or protective clothing presently issued to employees. Changes in present issue shall be by mutual agreement between the Parties except where such changes are the result of changes in the nature of the employee's job that precludes the need of such clothing.

(b) Protective clothing required for work under abnormal conditions may be made generally available. This is not intended to mean that protective clothing may not be individually assigned to an employee where the situation dictates. This provision is not intended to apply to clothing normally worn to and from work.

7.2 *Uniforms

(a) Where the Employer requires the employee to wear distinctive or identifying clothing, the Employer shall provide such clothing.

(b) Female employees required to wear uniforms shall be provided with appropriately tailored pant suits at the employee's request.

However, all employees shall be allowed to take at least four weeks of their vacation entitlement during the period of May 1st to

September 30th, inclusive, which shall be defined as prime time vacation period.

(b) For those employees who have more than four weeks' vacation entitlement, the Employer shall make every reasonable effort to allow such employees to take their complete vacation entitlement during the prime time vacation period if they so desire.

8.3 Vacation Schedules

(a) Completed vacation schedules will be posted by April 1st of each year. The schedule will be circulated commencing February 1st of each year.

(b) An employee who does not exercise their seniority rights within two weeks of receiving the vacation schedule, shall not be entitled to exercise those rights in respect to any vacation time previously selected by an employee with less seniority.

(c) An employee who relocates to another work location where the vacation schedule has already been completed will not be entitled to exercise their seniority rights for that year only. However, every effort shall be made to grant vacation at the time of the employee's choice. If an employee is relocated by the Employer, they will be given the vacation time previously selected.

(d) In accordance with Clause 18.3(e)—*Vacation Scheduling* of the Master Agreement vacation schedules, once approved by the Employer, shall not be changed, other than in cases of emergency, except by mutual agreement between the employee and the Employer.

ARTICLE 9 - SAFETY AND HEALTH

9.1 First Aid

ARTICLE 11 - AUXILIARY EMPLOYEES

11.1 Auxiliary Seniority Units

Pursuant to Clause 31.5—*Layoff and Recall* of the Master Agreement, Ministry seniority units shall be **as specified in Appendix 2**. Should it become necessary to amend the following as a result of operational or organizational changes, the matter shall be referred to the Ministry Joint Committee concerned, where it exists, for consideration and recommendation to the Component Bargaining Principals.

11.2 Auxiliary Days of Rest

(a) Auxiliary employees hired on an "on-call" basis shall not be recalled to available work unless they have had at least two days off in the six calendar days immediately preceding the available work, unless precluded by insufficient on-call staff being available.

(b) Auxiliary employees who work the same number of consecutive full shifts at straight time rates as regular employees in the same classification covered by the same local Hours of Work Agreement, shall be given the same number of consecutive days of rest as the regular employees. Such days of rest shall be contiguous with and immediately following the days worked. Auxiliary employees shall not have the right to be recalled on those days of rest.

ARTICLE 12 - GENERAL CONDITIONS

12.1 Supply and Maintenance of Equipment

(a) An employee shall not suffer loss in salary in the event that they cannot carry out their normal duties by reason of the Employer failing to furnish or properly maintain equipment, machinery, supplies, or by reason of power failure or other circumstances occurring at the place of work.

(b) This clause shall not apply to short term relief personnel beyond the day of occurrence.

12.2 Positions Temporarily Vacant

(a) The Employer agrees to make every reasonable effort to ensure that the work loads of employees will not be unnecessarily increased as a result of positions temporarily vacant due to illness, vacation leave, in-service training, or any other reason.

(b) The Employer will make every reasonable effort to maintain a list of qualified on-call employees to provide vacancy coverage and to make every reasonable effort to backfill vacant positions.

(c) Where a position is temporarily vacant and no backfill is provided, the Employer will take such steps as may be necessary to ensure that workload is not unnecessarily increased.

(d) Where an employee is unable to complete assignments or fulfil other workload obligations and has received direction from the Employer as to how to proceed, responsibility for any consequences of complying with the direction will not rest with the employee.

(e) For purpose of substitution, first refusal shall be given to regular employees who are qualified to perform the work of the position requiring substitution, and whose most recent employee appraisal indicates satisfactory performance.

(f) Where a substitution opportunity arises pursuant to (e) above, the Employer will give consideration to offering the opportunity to regular employees in the headquarters area where the opportunity exists, provided the employees have given the Employer written notice of their interest to substitute and they meet the criteria established in (e) above. The Parties recognize that it may not be appropriate for certain substitution opportunities to be offered to employees in a specific headquarters area. It is agreed that where the Employer determines that it is not operationally advantageous to select from these employees, the provisions of (e) above shall apply.

12.3 Hosting Expenses

Where employees have guest speakers, recruiting officers, consultants, community relations personnel, or other non-service personnel at their work place in the course of their duties, they shall, subject to prior approval, be reimbursed for reasonable expenses upon production of receipts.

12.4 Emergency Survival Techniques

The Employer shall provide courses or valid instructional material which teach essentials of emergency survival techniques for all employees who are required to work under isolated field conditions or camp situations. Such courses or instructional material are to be provided for all regular and auxiliary employees prior to commencement of their field assignments.

12.5 Damage to Personal Property

Where an employee's personal property, excluding private automobiles, utilized in the performance of their duties is damaged by a client, patient, or resident while the employee is carrying out their duties, and the damages are not covered by Workers' Compensation or insurance, the Employer shall reimburse the employee for the necessary repairs or replacement.

12.6 Personal Research

Subject to approval by the Employer, an employee may use facilities normally used in the course of their duties to carry out personal research or projects. The cost of materials shall be borne by the employee. Such approval shall not be unreasonably withheld by the Employer.

- (2) The Employer further agrees that the employee may be granted permission to quote selected portions of such material in a larger work or to publish the material in related journals.

- (c) Confidential information shall not be disclosed without written permission of the Ministry head.

12.8 Oaths and Medical Examinations

When the Employer requires employees to take oaths, or undergo medical examinations or x-rays as required for employment, the Employer shall grant the necessary time off.

12.9 Temporary Assignment Travel

- (a) When an employee is assigned temporarily to a work site within the Province that is so far removed that they are unable to return to their designated headquarters at the end of each work day, the following conditions shall apply:
 - (1) Travel between their place of temporary accommodation and the work site shall be considered as time worked except **where the distance by public paved road is less than 20 km. Where unusual road conditions exist, the 20 km will not apply.**
 - (2) Employees shall be provided with return economy air fare in order to allow them to return to their

place of residence and return to the work site at the end of each work week on the employee's time.

(3) Employees who choose not to return to their place of residence shall not receive the return air fare.

(b) (a) above does not apply to employees who participate in Ministry training programs as a condition of employment. In-service employees participating in such training programs shall be afforded the opportunity of returning to their headquarters for a weekend at the end of a two-week period at the Employer's expense. Travel shall be on the employee's time and accommodation expenses for the weekend period, if any, shall be the employee's responsibility. The Employer shall determine the mode of transportation to be taken by the employee.

12.10 Travel Conditions

(a) Employees required to travel outside the Province shall be reimbursed for receipted expenses incurred in the course of their duties. Receipts shall not be required for expense categories currently paid without receipts within British Columbia. Types and amounts of receipted expenses that will be reimbursed outside the Province will be pre-authorized.

(b) Employees will be provided reasonable stopover time, where required, in view of fatigue occasioned by international travel.

(c) Hours of work for employees on travel shall not be more than seven hours per day exclusive of meal periods, or not more than 70 hours per two-week period, except that working hours need not be prescribed within set periods on the clock but should meet the requirements of the assignments.

12.11 Lockers

Where employees are required to change their uniforms in the course of their normal duties, and where space is available, lockers, which can be locked, shall be provided.

12.12 Vehicles

If an employee is required to use their own automobile in the performance of their duties, the Employer shall ensure that the position posting or advertisement shall include this requirement.

12.13 Expenses Within Headquarters Area

An employee in performing their duties within their headquarters area may claim unusual and/or extraordinary out-of-pocket expenses, subject to approval by the Employer. It is agreed that payment for out-of-pocket expenses is intended to include payment for meals where the situation warrants. It is not the intention to pay meal allowances where the employee can be reasonably expected to provide their own meal.

12.14 Administration of Medication

Employees required to administer injections or administer substances defined by the Narcotic Control Act shall be properly trained at the expense of the Employer.

ARTICLE 13 - ALLOWANCES

1. No employee who falls within a classification herein described shall be required to handle any product declared by the B.C. Federation of Labour to be a "Hot Product".
2. If a particular type of work clothing or special apparel is required by the nature of the employee's job, such clothing or apparel shall be provided by the Employer to those employees who fall within the classification herein described.

APPENDIX 4

Workload

It is in the interest of the Employer and the employees that all employees are aware of their job expectations and responsibilities.

It is the responsibility of supervisors and managers to ensure that staff perform their duties in accordance with Ministry Policies and Procedures and to ensure that procedures are in place to address statutory service demands.

Where an employee is concerned that they cannot complete assignments or respond to urgent matters to fulfil statutory and other obligations to a client(s), it is their responsibility to immediately seek advice and direction from their direct supervisor.

Where work demands and priorities cannot be accomplished within appropriate time frames, supervisors must consult with management and management will determine methods and procedures regarding work demands and priorities to ensure that service quality is maintained by employees and the Employer.

To assist in achieving the above objectives, the following procedures shall be utilized when an employee is of the opinion that they are unable to fulfil statutory and other obligations to a client(s) because of their work demands. All participants in these procedures will act in a timely and expeditious fashion at each stage. Where the employee is not satisfied with the timeliness of the response at any stage, they may proceed to the next stage.

Stage 1

The employee shall discuss the matter with their direct supervisor and specify what work demands are causing them to be unable to fulfil the statutory and other obligations of their job. The direct supervisor will direct the employee as to the

manner in which the employee should proceed in order for the employee to carry out their assigned duties. **Within 14 days the supervisor will attempt to resolve the matter.**

Stage 2

If after the completion of Stage 1, the employee continues to hold the opinion that they are unable to fulfil statutory and other obligations to a client(s) because of the specified work demands, then the employee will advise their direct supervisor, in writing on the agreed form, of this fact, giving reasons and details of the work demands which give rise to the employee's continuing view that they are unable to fulfil the statutory and other obligations of their job. These details shall include identification of the specific legislative and other provisions which the employee believes they are unable to fulfil.

A designated representative of the Ministry, who is excluded from the bargaining unit, will develop with the supervisor a written direction to the employee within 14 days as to how the employee is to proceed in order for the employee to fulfil statutory and other obligations to a client(s). Responsibility for any consequences of complying with the direction will not rest with the employee. A copy of the documentation including the written direction will be forwarded to the next level of excluded manager and to the Local Union Chair through the Union Area Office.

Stage 3

Should the employee continue to hold the opinion that they are unable to fulfil their statutory and other obligations after the completion of Stage 2, the employee may refer the matter, in writing, to **the Article 29 Committee. The Article 29 Committee shall develop process and procedures appropriate to the Ministry context to address the issues, including establishing sub-committees where appropriate. The Article 29 Committee will provide a response within 30 days of the matter being reviewed at the Committee.** The

employee will be provided with a copy of **this response** in writing. Responsibility for any consequences of complying with the direction will not rest with the employee.

A copy of the **complete documentation regarding the matter will be provided to the Deputy Minister.**

This Appendix is not subject to the grievance or arbitration procedures of Articles 8 and 9 of the Master Collective Agreement.
