ARTICLE 1 - PREAMBLE

1.1 Purpose of the Agreement

The purpose of this Agreement is to set forth and establish the terms and conditions of employment.

1.2 Conflict with Regulations

In the event that there is a conflict between the contents of this Agreement and any regulations made by OC, this Agreement shall take precedence over the said regulations.

1.3 Use Singular Terms

Wherever the singular is used, the same shall be construed as meaning the plural unless otherwise specifically stated.

1.4 Human Rights Act

The parties hereto subscribe to the principles of the applicable Human Rights legislation of British Columbia.

1.5 Reduction in Salary or Benefits

No employee shall suffer reduction in salary or any benefit as a result of this Agreement.

1.6 Future Legislation

In the event that any future legislation renders null and void or materially alters any provision of this Agreement, the remaining provisions shall remain in effect for the term of the Agreement, and the parties hereto shall negotiate a mutually agreeable provision to be substituted for the provision so rendered null and void or materially altered.

ARTICLE 2 - RIGHTS OF OC

Except as otherwise provided in this Agreement, OC or its delegated officers have exclusive control over the management, supervision and administration of OC and the direction of the employees covered by this Agreement.

ARTICLE 3 - UNION RECOGNITION AND RIGHTS

3.1 Bargaining Unit Defined

- (a) The bargaining unit shall include all vocational instructors at OC and such other instructional personnel as may be designated by the appropriate authority in a certificate of bargaining for B.C. Government and Service Employees' Union Vocational Instructors.
- (b) Vocational instructors are defined as those employees who are appointed to full-time and part-time instructional positions in vocational programs listed in Appendix A of this Agreement or any full-time vocational program. A full-time vocational program is a program which has 30 hours per week of scheduled class time. All Ministry designated vocational programs will be included in Appendix B.

3.2 Bargaining Agent Recognition

OC recognizes the B.C. Government and Service Employees' Union as the exclusive bargaining agent for all employees in the bargaining unit.

3.3 No Other Agreement

No employee covered by this Agreement shall be required or permitted to make a written or oral agreement with OC or its representatives which may conflict with the terms of this Agreement.

3.4 No Discrimination for Union Activity

OC and the Union agree that there shall be no discrimination, interference, restriction or coercion exercised or practised with respect to any employee for reason of membership or activity in the Union.

3.5 Recognition and Rights of Stewards

The Union shall appoint or elect stewards and shall notify OC in writing of such appointments or elections. OC shall recognize stewards and shall not discriminate against them for steward activities. The Union and OC shall agree to the on-the-job activities of the stewards.

Those activities as defined shall be:

- (a) the posting of union bulletins and notices;
- (b) the investigation and the processing of grievances;
- (c) the supervision of ballot boxes when necessary;
- (d) the performance of duties related to safety responsibilities.

It is mutually understood that Clause 3.5(c) above shall in no way interfere with OC duties of the steward.

3.6 Bulletin Boards

OC shall provide bulletin board facilities for the use of the Union; the locations shall be determined by mutual agreement.

3.7 Union Insignia

A union member shall have the right to wear or display the recognized insignia of the Union.

3.8 Right to Refuse to Cross Picket line

- (a) All employees covered by this Agreement shall have the right to refuse to cross a picket line resulting from a dispute as defined in the prevailing legislation. Any employee failing to report for duty shall be considered absent without pay.
- (b) Failure to cross a picket line encountered in carrying out OC business shall not be considered a violation of this Agreement, nor shall it be grounds for disciplinary action.

3.9 Time Off for Union Business *(Reference Common Agreement, Article 3.5)*

- (a) *Without Pay* - Leave of absence without pay and without loss of seniority may be granted:
 - (1) to elected or appointed representatives of the Union to attend conventions of the BCGEU and groups with which the Union is affiliated;
 - (2) to elected or appointed representatives of the Union to attend to union business which requires them to leave their place of employment;

- (3) to employees who are representatives of the Union on a Negotiating Committee to attend meetings of the Negotiating Committee.
- (b) *With Pay* - Leave of absence with pay and without loss of seniority may be granted:
 - (1) to employees who are representatives of the Union to leave their employment to carry on negotiations with OC;
 - (2) to stewards, or their alternates, to perform their duties pursuant to Clause 3.5;
 - (3) to employees called to appear as witnesses before an arbitration board, or at any hearing mutually agreed to between the parties.
- (c) It is understood that employees granted leave of absence pursuant to this article shall receive their current salary while on leave with pay. Leave of absence granted under this article shall include sufficient travel time. OC agrees that any of the above leaves of absence shall not be unreasonably withheld.
- (d) To facilitate the administration of section (a) of this article, when leave without pay is granted, the leave shall be given with pay and the BCGEU shall reimburse OC for the appropriate salary costs, including travel time.
- (e) Any employee who is elected or selected for a full-time position with the BCGEU or any "body" with which the Union is affiliated shall be entitled to a leave of absence without pay and without loss of seniority for a period of one year. Such leave shall be renewed each year during their term of office to a maximum of five years. At least three months' notice of intention to renew or not renew shall normally be given to OC.

3.10 New Technical Information

OC agrees to provide the Union such public information and such information relating to employees in the bargaining unit as is available and as may be required by the Union for collective bargaining purposes.

ARTICLE 4 - UNION SECURITY

All employees covered by this Agreement shall, as a condition of employment, hold and maintain membership in the Union after accumulating 30 days' service with OC.

ARTICLE 5 - CHECK-OFF OF UNION DUES

- (a) OC shall, as a condition of employment, deduct from the biweekly wage or salary of each employee in the bargaining unit the amount of the regular biweekly dues payable to the BCGEU. OC shall include on each employee's T-4 statement the amount of the deductions paid to the Union by the employee in the previous year. An employee shall, as a condition of continued employment, complete an authorization form providing for the deduction from an employee's wages or salary the amount of the regular dues payable to the Union by a member of the Union.
- (b) OC shall deduct from any employee upon written consent of that employee any assessments levied in accordance with the Union Constitution and/or Bylaws.
- (c) Deductions shall be made from each biweekly payroll. Membership dues or payments in lieu thereof shall be considered as owing in the month for which they are so deducted.
- (d) (1) All deductions shall be remitted to the Union not later than 28 days after the date of deduction and OC shall also provide a list of names of those employees from whose salaries such

deductions have been made together with the amounts deducted from each employee. The Bargaining Unit Chairperson shall receive a copy of the current dues list.

(2) OC agrees to make every reasonable effort, subject to the capabilities of the Human Resources information systems, to provide the following information to the Bargaining Unit Chairperson:

- (i) employee surname
- (ii) employee first name
- (iii) employee address
- (iv) sex
- (v) birth date
- (vi) start date
- (vii) salary
- (viii) dues amount
- (ix) month-to-date dues
- (x) social insurance number.

This information will be provided to the BCGEU electronically.

(e) Before OC is obliged to deduct any amount under Clause 5(a), the Union must advise OC in writing of the amount of its regular biweekly dues. The amount so advised shall continue to be the amount to be deducted until changed by further written notice to OC signed by the President of the BCGEU.

ARTICLE 6 - OC AND UNION TO ACQUAINT NEW EMPLOYEES

(a) OC agrees to provide new employees with a copy of this collective agreement and to acquaint them with the conditions of employment set out in the articles dealing with Union Security and Dues Check-Off. A new employee shall also be advised of the name and location of their steward.

(b) (1) OC agrees that a steward or designate shall be given an opportunity to meet with an individual or group of new employees (on regular and non-regular appointments) within regular working hours without loss of pay, for up to 60 minutes for the purpose of acquainting the new employees with the benefits and duties of union membership and the employees' responsibilities and obligations to the Employer and the Union.

(2) Such meetings shall be as required and arranged by the Human Resources Division, but not more frequently than once every two months.

ARTICLE 7 - OC-UNION RELATIONS

7.1 Representation

No employee or group of employees shall undertake to represent the Union at meetings with OC without the proper authorization of the Union. To implement this, the Union shall supply OC with the names of its officers; and similarly OC shall supply the Union with a list of its supervisory or other personnel with whom the Union may be required to transact business.

7.2 Union Negotiating Committee

A Negotiating Committee shall be appointed by the Union and shall consist of up to three people representing the Union. The Union reserves the right to use up to three additional persons at any one time for technical information or advice. The Union shall advise OC of its appointees to this Committee.

7.3 Union Access to OC Premises

OC agrees that access to its premises shall be granted to members of the union staff when negotiating with OC, as well as for the purpose of investigating and assisting in the settlement of a grievance. For these purposes, OC shall make available to union representatives or stewards temporary use of an office or similar facility. Members of union staff shall notify the designated supervisor in advance of their intention and their purpose for entering and shall not interfere with the operation of the department or section concerned.

7.4 Joint Committee

(a) A Joint Committee comprised of representatives of OC and representatives of the Vocational Instructors Negotiating Committee (see Clause 7.2) shall constitute the Joint Committee referred to throughout this collective agreement, unless otherwise specified.

(b) The Union and OC recognize the mutual value of ongoing joint discussions and negotiations in matters pertaining to working conditions, employment, services and labour management relations. To this end, the Vocational Instructors Negotiating Committee and OC representatives agree that, in the event either party wishes to call a meeting under this clause, the meeting shall be held at a time and place fixed by mutual agreement. However, such meeting must be held not later than 10 working days after the request has been submitted. Employees shall not suffer any loss of salary for time spent on the Committee.

7.5 Union Meetings

Subject to operational requirements, the Union may hold meetings on employer premises up to two hours per day to a maximum of three times per year.

ARTICLE 8 - APPOINTMENT CATEGORIES

8.1 Appointment Categories

Employees shall be appointed to one of the following three appointment categories:

- (a) Regular full-time;
- (b) Regular part-time;
- (c) Non-regular.

8.2 Regular Appointment

(a) A regular full-time appointment is an appointment to a full-time position consisting of 10 months of instruction per College year (defined as July 1st to June 30th). See Clause 8.3(a).

(b) A regular part-time appointment is an appointment to a part-time position consisting of a minimum of 651 instructional hours per College year.

8.3 Non-Regular Appointment – Full-Time Workload

(a) A non-regular appointment with a full-time workload is an appointment to a full-time position consisting of less than 10 consecutive months of instruction per College year. The length of appointment may be extended if mutually agreed by the Joint Committee.

(b) A non-regular appointment with a full-time workload is also an appointment to a full-time position made vacant as a result of an employee being on leave and, in this case, shall not exceed the term of the leave of the employee being replaced.

- (c) Employee rights and benefits carry over from one non-regular appointment to another provided there is a break of no more than 36 consecutive weeks between successive non-regular appointments.

8.4 Non-Regular Appointment – Part-Time Workload

- (a) A non-regular appointment with a part-time workload is an appointment to a position with weekly assignable hours of less than 30 hours per week.
- (b) Employee rights and benefits carry over from one non-regular appointment to another provided there is a break of no more than 36 consecutive weeks between successive non-regular appointments.

8.5 Conversion to a Regular Appointment

- (a) A non-regular employee shall be reviewed for conversion to a regular appointment when:
 - (1) an employee has worked at least two consecutive College years at a workload of 50% or greater (651 hours) for each of two consecutive College years, or
 - (2) an employee has performed a workload of at least 120% (1562 hours) over at least two consecutive College years.
- (b) The report of non-regular employees who have met the criteria in Clause 8.5(a) shall be reviewed every two months, and employees shall be converted to a regular appointment provided that:
 - (1) the designated supervisor, in consultation with the program, determines that a minimum ongoing regular part-time workload is available in accordance with the educational and/or budget plan,
 - (2) the employee's evaluations during the two consecutive College years immediately preceding conversion have all been deemed satisfactory. An employee will be deemed to have received a satisfactory evaluation if one has not been undertaken, and
 - (3) a duly constituted review committee deems the employee qualified for the work available. The Review Committee shall be selected by the employees on regular full-time appointments in the appropriate program, or related programs where necessary, in collaboration with the designated supervisor, and shall consist of three employees on regular full-time appointment from the program, including the Department Chair, if appropriate. In a program with fewer than three employees on regular full-time appointment, a review committee shall include members from related programs to constitute a representation of three.

For the purpose of determining eligibility for conversion as outlined in Clause 8.5(a) above, replacement work shall be included. However, consideration of ongoing work may include replacement work of a known long duration, but not work resulting from a regular employee's leave with or without pay of 12 months or less.

- (c) Non-regular employees who are eligible for conversion to a regular appointment in accordance with Clauses 8.5(a) and (b) above shall have the right to accrue any and all ongoing available work for which they are qualified on a seniority basis within their assigned program and centre up to a full-time workload. This right of accrual for ongoing work shall be the basis for determining the actual minimum percentage for the regular appointment. Such right of accrual shall take precedence over any other employee's rights of first refusal. The exercise of this right to accrue any and all ongoing available work for which they are qualified may result in a minimum regular part-time workload being unavailable for a non-regular employee with less seniority who would otherwise qualify for conversion.
- (d) The employee's conversion to a regular appointment will become effective on the first of the month following the date upon which the employee meets the conversion criteria. Salary will begin on the date on which the available ongoing workload begins.

8.6 Parameters of a Regular Part-time Appointment

- (a) (1) Employees on regular part-time appointments shall have a minimum workload of 50% (651 hours) per College year. The actual minimum percentage for individual employees shall be established by the determination of available work in the College year at the time of conversion in accordance with Clause 8.5(c).
- (2) Once an employee is on a regular part-time appointment, layoff provisions shall be invoked if it is determined that the regular part-time appointment will fall below his/her actual minimum percentage.
- (b) At the time of receiving a regular part-time appointment, employees may, in consultation with a Human Resources Department representative, elect one of the following options with respect to salary and benefits. Once elected it may only be changed with the mutual agreement of OC and the employee.
- (1) An employee on a regular part-time appointment shall receive a prorated annual salary based upon the actual minimum percentage of their regular part-time appointment averaged over the College year in accordance with Clause 13.3(b)(2). Salaries shall be paid in biweekly instalments every second Friday throughout the College year. An employee electing this option shall be entitled to prorated vacation time at the rate of pay determined by the actual percentage for the employee's regular part-time appointment for each completed month of service based on 43 working days per annum. In addition, the employee shall be eligible for health and welfare benefits in accordance with Clause 27.1. OC shall pay a pro rata portion of the health and welfare benefits based upon the actual percentage for the employee's regular part-time appointment.
- (2) An employee on a regular part-time appointment shall receive a salary based upon the actual hours worked. Salaries shall be paid in biweekly instalments every second Friday during the period of the employee's workload assignment. An employee electing this option shall receive prorated vacation time based on 43 working days per annum, payable biweekly. In addition, the employee shall be eligible for health and welfare benefits in accordance with Clause 27.1. OC shall pay a pro rata portion of the health and welfare benefits based upon the percentage of the employee's workload assignment while they are in receipt of a salary from OC. Employees may continue their health and welfare benefits during the time they are not receiving a salary from OC provided they reimburse OC for the full cost of the health and welfare benefits.
- (c) When an employee on a regular part-time appointment who elects to be paid in accordance with Clause 8.6(b)(1) above leaves the employment of OC prior to the end of a College year, the actual hours worked shall be reconciled to the actual salary received for the portion of the College year worked. Any overpayment or underpayment shall be adjusted on the final paycheque.
- (d) Employees on regular part-time appointments shall have the right to accrue additional work for which they are qualified, on a seniority basis within their assigned program up to a full-time workload. The designated supervisor, in consultation with the program, shall use the review process in Clause 8.5(b)(3) to determine if the regular part-time employee is qualified. Such right of accrual shall take precedence over any other employee's rights of first refusal.
- (e) Employees on regular part-time appointments who accrue additional work in accordance with Clause 8.6(d), shall receive a separate non-regular appointment for the additional work and shall receive 14% in lieu of vacation and 4% in lieu of health and welfare benefits.

49.3 Recall

(a) If it is found that employees on regular appointment are required in a specific program and in a specific appointment category, OC shall offer to those continuing appointment employees terminated within the previous two years in reverse order of reduction, work for which they are qualified. Such rights of recall shall take precedence over the selection of employees as outlined in Clause 8.7.

(b) An employee whose employment is terminated for reason of a reduction of staff and who has served OC for two years or more shall, if re-employed by OC within a two-year period, retain all rights in relation to seniority and salary.

49.4 Severance Pay

(a) An employee on a regular appointment whose employment is terminated by OC for reasons other than cause shall receive severance pay at the rate of five working days for every year of completed full-time equivalent service with OC, prorated. The initial and final years of service on regular appointment will be prorated.

(b) An employee on regular appointment whose employment is terminated for reasons of a reduction of staff and who has served OC for at least five full-time equivalent years shall receive four months' salary as a re-establishment gratuity.

(c) If a former employee is re-employed on a regular appointment by OC following termination, the employee shall refund to OC that portion of severance pay which exceeds one month's salary for each month of layoff.

(a) OC shall provide the Union with 90 days notice of intention to introduce technological change which might result in displacement or reduction of personnel.

(b) Employees in positions becoming redundant owing to technological change shall be eligible for retraining to qualify for new positions within OC. Such retraining shall be provided by OC without loss of pay to the affected employee.

(c) The manner and method of placing an employee undergoing retraining made necessary by technological change and the job to which the employee may return should they be unsuccessful in retraining shall be discussed by the parties to this Agreement or their delegates before retraining begins.

(d) Any employee who is displaced from their job by technological change shall be given the opportunity to fill other positions according to seniority and qualifications.

(e) Any employee who is displaced from their job by technological change shall receive severance pay equal to salary for six months from the date of severance, or for the remainder of the contract year, whichever is greater.

ARTICLE 51 - INDEMNITY - CIVIL AND CRIMINAL ACTIONS

OC agrees:

- (a) that it will not seek indemnity against an employee whose actions result in the liability of OC to a third person, and
- (b) that it will pay any judgement against an employee which arises from the conduct of the employee within the scope of the employee's employment and all reasonable legal costs incurred by the employee in defending the legal proceedings brought against the employee which result in that judgement, unless a joint union-OC committee by a majority thereof finds that the conduct of the employee which was the basis of the liability or judgement was grossly negligent, intentionally or flagrantly.

ARTICLE 52 - HARASSMENT

(Reference Common Agreement, Article 2)

52.1 Harassment Free Workplace

OC and the Union recognize the right of all employees to work in an environment free from harassment. OC, in cooperation with the Union, will promote a work environment that is free from harassment where all employees are treated with respect and dignity.

52.2 Sexual Harassment

- (a) Sexual harassment is one form of discrimination and is defined as any unwanted sexual attention, sexual solicitation, or other sexually oriented remarks or behaviour made by a person or a group who knows or ought reasonably to know that such attention or solicitation is unwanted.
 - (1) When submission to sexual activity becomes either explicitly or implicitly a term or condition of employment or in return for being hired or receiving promotions or other employment benefits.
 - (2) When submission to or rejection of such conduct is used as a basis for employment or educational decisions.
 - (3) When such conduct has the purpose or effect of interfering with an individual's employment, ability to study or academic performance.
 - (4) When such conduct creates an intimidating, hostile or offensive working environment for employees and/or students.
- (b) Sexual harassment may occur between people, both individually and in groups, of the same or different status within the College community, and both women and men may be the subject of harassment by members of either sex. Thus, sexual harassment may occur in a variety of ways; for example, harassment of a student by a student, or of an employee by an employee, or of a student by an employee, or of an employee by a student. Behaviour not directed toward soliciting sexual activity may also be considered sexual harassment. Such behaviours include but are not limited to:
 - (1) inappropriate sexually suggestive language, innuendos, jokes, body language, leering, unwanted touching;
 - (2) persistent unwanted questions or comments of a sexual nature;
 - (3) inappropriate display of sexual pictures or materials;
 - (4) physical threat, physical assault, and physical intimidation, including unwanted touching.

- (c) While sexual harassment may occur around the study of topics of a sexual nature within curriculum, the curriculum itself is not considered sexual harassment.
- (d) Employees allegedly being harassed may register their complaint in writing, in accordance with the OC Principles and Procedures for the Reporting, Investigation and Resolution of Sexual Harassment Complaints.
- (e) Should the employee who filed the complaint not be satisfied with the results of OC's investigation, the employee may file a grievance at Step 2 of the grievance procedure under Article 53.
- (f) Employees involved in the handling of a complaint shall hold in the strictest confidence all information of which they become aware; however, it is recognized that various officials of the Union and OC will be made aware of all or part of the proceedings on a "*need to know*" basis.

52.3 Personal Harassment

- (a) Personal harassment is defined as offensive comments and/or actions that, by a reasonable standard, create an abusive or intimidating work environment over a period of time. Comments or actions that serve a legitimate, work-related purpose shall not be deemed to constitute personal harassment under this article.
- (b) Examples of personal harassment include, but are not limited to:
 - (1) Physical threat, intimidation, or assault or unwelcome physical contact such as touching, patting, pinching, and punching;
 - (2) Implied or expressed threat of reprisal, or denial of opportunity for refusal to comply with a request which serves no legitimate work-related purpose;
 - (3) Display or distribution of pictures, posters, calendars, objects, literature or other materials that are racist or, that are, by a reasonable standard, considered derogatory to a particular person or group of persons. The legitimate study, display, use or distribution of such materials that are within appropriate academic norms is not considered personal harassment.
- (c) Employees may process complaints about personal harassment through the grievance procedure according to Article 53 subject to the following changes:
 - (1) Where a person who is the subject of a grievance under this article is the OC representative at any step of the grievance procedure, then the Union may bypass that step of the procedure;
 - (2) Union representatives in the course of investigating a complaint of personal harassment and OC representatives in the course of investigating a grievance of personal harassment shall have due regard for the privacy and confidentiality of any and all persons involved in the complaint or grievance;
 - (3) An arbitrator in the determination of a grievance of personal harassment may take reasonable steps to protect the privacy and confidentiality of all parties, subject to the requirement of fairness to all parties;
 - (4) If, as a result of a grievance, it is determined necessary to separate the work locations of the grievor and the person who is the subject of a grievance, it is agreed that the grievor will not be moved against his/her wishes;
 - (5) All formal grievances under this article shall be initiated within twelve months of the event. In the case of a series of events, a grievance shall be filed no later than twelve months after the last event in the series on which the complaint is based. The limitation period may be

extended if the delay was incurred in good faith or if the delay does not result in substantial prejudice to any of the involved individuals.

52.4 Access to Other Proceedings

Nothing in the OC Sexual Harassment procedures or this article is intended to preclude any employee from following any alternative complaint procedure under the collective agreement or the *BC Human Rights Code* or from initiating any other proceedings in law.

ARTICLE 53 - GRIEVANCE PROCEDURE (Reference Common Agreement, Articles 3.2.5, 3.2.6)

53.1 Grievance Definition

- (a) OC and the Union recognize that grievances may arise concerning:
 - (1) differences between the parties respecting the interpretation, application, operation, or any alleged violation of a provision of this Agreement, or
 - (2) the dismissal, discipline, or suspension of an employee bound by this Agreement.
- (b) The procedure for resolving a grievance shall be the grievance procedure in this article; however, the parties agree that the employees and supervisors shall attempt to resolve any differences through discussion prior to the initiating of the grievance procedure.
- (c) Both parties agree that, in the case of correspondence relevant to Article 53 - Grievance Procedure, copies of such correspondence between OC, and employee(s), and the Union shall be released coincidentally to the President of the Union and/or designate.

53.2 Step 1

In the first step of the grievance procedure, every effort shall be made to settle the dispute in discussion with the appropriate Dean, Director or Manager and a Human Resource Advisor. The aggrieved employee shall have the right to have a steward present in such a discussion. If the dispute is not resolved orally, the aggrieved employee may submit a written grievance to Step 2 of the grievance procedure, subject to the time limits in Clause 53.3(a).

53.3 Step 2

- (a) An employee who wishes to present a grievance at Step 2 of the grievance procedure must do so not later than 30 working days after the date:
 - (1) on which the employee was notified orally or in writing of the action or circumstances giving rise to the grievance;
 - (2) on which the employee first became aware of the action or circumstances giving rise to the grievance.
- (b) An employee may present a grievance at this level, through the steward, by:
 - (1) recording the grievance on the appropriate grievance form, setting out the nature of the grievance and the circumstances from which it arose;
 - (2) stating the article(s) of the Agreement infringed upon or alleged to have been violated and the remedy or correction requested; and
 - (3) the steward presenting the grievance to the Manager, Employee and Labour Relations, or designate.

(c) Within 14 working days of receiving the grievance at Step 2, the Manager, Employee and Labour Relations, or designate, and the Union Area Staff Representative shall meet to examine the facts, the nature of the grievance, and attempt to resolve the dispute. This meeting may be waived by mutual agreement.

(d) The senior manager in Human Resources/Labour Relations (or designate) shall reply in writing to an employee's grievance within 20 working days of receiving the grievance at Step 2.

53.4 Submission to Arbitration

Failing satisfactory settlement at Step 2, and pursuant to Article 53, the President of the Union, or designate, may, within 20 working days, inform OC of their intention to submit the dispute to arbitration.

53.5 Failure to Act

If the President of the Union, or designate, does not present a grievance to the next higher level within the prescribed time limits, the grievance will be deemed to be abandoned. However, the Union shall not be deemed to have prejudiced its position on any future grievances.

53.6 Amendment of Time Limits

The time limits in this grievance procedure may be altered by written mutual agreement between the parties. Where a grievance or a reply is presented by mail, the effective date shall be the day of receipt.

53.7 Dismissal or Suspension Grievance (*Reference Common Agreement, Article 3.2.6*)

In the case of a grievance arising from an employee's dismissal or suspension, pursuant to Clause 48.4, the grievance may commence at Step 2 of the grievance procedure under Clause 53.3 within 10 working days of the date on which the suspension occurred or the employee received notice of dismissal or notice of suspension.

53.8 Policy Grievance

Where either party to this Agreement disputes the general application or interpretation of the Agreement, or where a group of employees or the Union has a grievance regarding the Agreement, the first step of the grievance procedure may be by-passed.

53.9 Review of Personnel File

Upon written authority from an employee, OC shall permit the President of the Union or their designate to review that employee's personnel file in the office in which the file is normally kept in order to facilitate the proper investigation of a grievance.

53.10 Disputes

Where a matter arises from an item not covered by this Agreement, the matter shall be discussed by the Joint Committee. The purpose of this discussion shall be to resolve the dispute.

53.11 Deviation from Grievance Procedure

(a) OC agrees that after a grievance has been initiated by the Union, OC's representatives will not enter into discussions or negotiation with respect to the grievance, either directly or indirectly, with the aggrieved employee without the consent of the Union.

(b) In the event that after having initiated a grievance through the grievance procedure, an employee endeavours to pursue the same grievance through any other channel, then the Union agrees that pursuant to this article, the grievance shall be considered to have been abandoned.

53.12 Technical Objections to Grievances

It is the intent of both parties to this Agreement to ensure just and equitable treatment of a grievance by dealing with the substance of the grievance and not with any technical error in procedure or presentation. To this end an Arbitration Board shall have the power to allow all necessary adjustments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.

53.13 Effective Date of Settlement

Settlements reached at any step of the grievance procedure may be applied retroactively to the date of the occurrence of the situation which gave rise to the grievance or the settlement may be applied in a different manner which is consistent with the intent of Clause 53.12.

53.14 OC Initiated Grievances

It is recognized that grievances may be initiated by OC. Settlement of OC initiated grievances shall follow a parallel procedure to that detailed in Clauses 53.2 to 53.13 of the grievance procedure. Stewards and union representatives agree that every effort will be made to settle grievances of this kind at the immediate and local level.

53.15 Grievance Arbitration

Where a difference arising between the parties relating to the interpretation, application, or administration of the Agreement, including any questions as to whether a matter is arbitrable or where an allegation is made that a term or condition of this Agreement has been violated, either of the parties may, after exhausting the grievance procedure in Article 53, notify the other party within 30 days of the receipt of the reply at Step 2 of its desire to submit the difference or allegations to an arbitration board.

(a) Composition of the Board of Arbitration

When a party has requested that a grievance be submitted to arbitration, it shall indicate to the other party to the Agreement within seven days:

- (1) its intention to submit the matter in dispute to a single arbitrator to be agreed upon by both parties. Should either party not agree to submit the dispute to a single arbitrator, both parties shall then have seven days to name their appointee pursuant to Clause 53.15(a)(2).
- (2) the name of its appointee to a Board of Arbitration. Within seven days thereafter the other party shall indicate the name of its appointee to the Board of Arbitration. The two appointees shall then meet to select an impartial chairperson.

(b) Failure to Appoint

If the recipient of the notice fails to appoint an arbitrator, or the two appointees fail to agree upon a chairperson within seven days of their appointment, the appointment shall be made by the Minister of Labour for the Province of British Columbia.

(c) Board Procedure

The Board may determine its own procedure in accordance with the relevant labour legislation and shall give full opportunity to all parties to present evidence and make representation. It shall hear and determine the difference or allegation and shall make every effort to render a decision within 30 days of its first meeting.

(d) *Decision of Board*

The decision of the majority shall be the decision of the Board. Where there is no majority decision, the decision of the Chairperson shall be the decision of the Board. The written decision of the Arbitration Board shall be final, binding, and enforceable on the parties pursuant to the relevant labour legislation. The Board shall have the power to dispose of a discharge or discipline grievance by any arrangement which it deems just and equitable. However, the Board shall not have the power to change this Agreement.

(e) *Clarification of Board Decision*

Should the parties disagree as to the meaning of the Board's decision, either party may apply to the Chairperson of the Arbitration Board to reconvene the Board to clarify the decision, which it shall make every effort to do within seven days.

(f) *Expenses of Arbitration Board*

Each party shall pay:

- (1) the fees and expenses of the arbitrator it appoints;
- (2) one-half of the fees and expenses of the Chairperson.

(g) *Amending the Time Limits*

The time limits fixed in the arbitration procedure may be altered by mutual consent of the parties but the same must be in writing.
