- (b) Initial appointments may be term (full-time or part-time) or continuing (full-time or part-time - over 50%). Appointments will be subject to a probationary period for the equivalent of two (2) years.
- (c) Whenever possible, the offer of appointment shall be made at least two weeks prior to the date of commencement of appointment. This clause shall not apply to appointment of substitute instructors.

The employee shall be informed of these evaluation standards and procedures at the commencement of his/her employment. In lieu of notice, severance pay equivalent to two (2) weeks salary will be provided. ARTICLE 3 — REDUCTION OF STAFF

3.1 Notification

When a reduction of staff is necessary due to changes in enrolment, the deletion of a program, technological changes, or budgetary reasons, an employee shall be entitled to at least four (4) months notice, excluding annual holidays. (See Flowchart Appendix C)

In the event that the appropriate Dean plans to recommend termination of a continuing or probationary appointment for reasons of staff reduction, he/she shall inform the individual concerned of his/her intent at least one month prior to the time that the recommendation will be made to the Board, and shall specify in writing the reasons for the recommendation.

The notice period shall be calculated from the date that written notification from the President is received by the employee advising that the President will be recommending the reduction in staff to the Board.

3.2 Role of Seniority

A reduction in force shall be based on seniority within a department, discipline or specialty, provided that the senior staff have appropriate qualifications and are providing satisfactory service.

Whenever possible, an employee shall be given an opportunity to serve the College in some other capacity for which he/she is qualified. This clause applies to all employees, including those on leave at time of reduction of staff.

3.3 Retraining

- (a) An employee who is terminated for reason of reduction of staff, who is not judged to be qualified to transfer to another position as provided in Clause 3.2, and who has served the College for at least five (5) years shall receive paid leave of up to eight (8) months, in order to qualify for an available position at the College. An available position is one which, at the time the reduction in staff is given, is currently unfilled or has been confirmed to become vacant within the retraining period. Payment for the leave will be prorated if only part-time leave is required. In the event no position is available, Clause 3.5 shall apply.
- (b) When retraining is not practicable, and to facilitate early retirement of employees between the ages of 55 and 64 years, an employee shall be granted either severance pay in accordance with Clause 3.5(b), in addition to other retirement benefits, or early retirement incentive in accordance with Clause 18.2. In no case will both clauses be applied.
- (c) Where courses are altered or changed to the extent where new or greater skills are required than are already possessed by the affected employee such that the employee's continuing employment is threatened, such employee shall be given up to two (2) months in addition to annual vacation and to professional development time provided in Clause 10 for approved professional development, with no loss of income benefits or seniority.

3.4 Appeal

In the event that an employee who has received a notice of reduction of staff wishes to grieve their selection based on seniority, he/she may do so in accordance with the provisions of Clause 21.

3.5 Severance Pay and Reappointment

Any continuing employee, laid off for reasons of reductions in staff, who has not received alternate placement under Clauses 3.2 or 3.3, may select either alternative (a) or (b) below:

- (a) Reappointment:

An employee with five (5) years of service or less shall be placed on a reappointment list for one (1) year. An employee with more than five (5) years of service shall be placed on a reappointment list for two (2) years. Reappointment shall be based on seniority within the department, discipline or specialty. An employee may, at any time while on the list or at the expiry of being on the list other than for reasons of reemployment into a continuing or probationary position, apply to the College to receive a

severance payment in accordance with 3.5(b). An employee who elects the severance pay is deemed to have resigned and forfeits any further entitlement to reappointment under this clause.

(b) Severance Pay:

An employee shall receive pay calculated as one-half ($\frac{1}{2}$) of one (1) month's salary, based on the full monthly salary for the employee's step placement established by the Salary Scale currently in effect, for each fulltime equivalent year of service to the College, to a maximum of six (6) months of salary.

Severance pay will be paid on the employee's final day of work and will not be considered employment for either College or statutory benefits. An employee who elects the severance pay alternative is no longer eligible for the conditions provided in Clause 3.5(a).

Where this clause is applied, Clause 3.3(c) may not also be applied.

Should an employee be reemployed on a probationary or continuing contract before the expiration date of the period of time from the layoff date equivalent to that paid as severance pay, the employee shall reimburse the College for the remaining balance of the severance pay within a mutually agreed period of time after the commencement of the new appointment. The amount to be repaid shall be based on the net amount received by the individual, or the gross amount less any taxes required to be paid by the employee as a result of removal of the funds from a registered savings plan where the funds were paid directly to a plan.

If an employee is rehired on a continuing or probationary contract and subsequently is laid off again, he/she will only be eligible to receive the portion of the original severance pay that was repaid to the College plus any additional severance pay earned through the current appointment.

- (c) A faculty member who declines a reduction in assignment from fulltime to parttime will be covered by this Clause and will have the same options as a faculty member whose employment in his/her assigned position is to be terminated due to a reduction in staff.
- (d) This acceptance of severance pay by an employee shall not prejudice the employee's opportunity of future employment at the College.

The standard for calculating non-contact days is based on the number of instructional (contact) days in a fiscal year. An employee who instructs one hundred and eighty-two (182) days at thirty (30) contact hours per week will be entitled to twenty-three (23) six (6) hour days of non-contact.

For those employees instructing less than one hundred and eighty-two (182) six (6) hour days or less than thirty (30) hours per week, non-contact time will be equal to the number of contact hours worked beyond twenty-six and one-half (26½) in a week. If a teaching schedule fluctuates above and below twenty-six and one-half (26½) contact hours in a week, the accumulation of non-contact time will also fluctuate accordingly.

An instructor is expected to be engaged in College work, including departmental meetings, or on tasks clearly in support of his/her program on non-contact days.

7.4 Class Size

Class size for vocational instructors in shops will not normally exceed sixteen (16). In specified programs, related to entry level and pre-employment programs, class sizes of eighteen (18) may be scheduled. In continuous entry programs, where low enrolments have been recorded, class sizes of twenty (20) may be scheduled. Where an instructor's class size is to be increased, the maximum class size will be determined through consultation between the instructor and the Dean and will be subject to review as outlined in Clause 7.1.

To facilitate the implementation of reduced student contact hours for vocational instructors, an instructor may be required to provide classroom instruction to large groups of students, all of whom are at the same level of training, to a maximum of twice the instructor's normal class size. The increased class size and lecture situation will be reflected in the instructor's own workload.

7.5 Work Schedule

The hours of work for instructors will be scheduled sequentially and may only be changed by mutual consent.

7.6 Schedule

- (a) An employee initially hired to work first shift only shall not be assigned second and third shift except by mutual agreement.
- (b) The scheduling of instructor on shift shall be arranged by the Chair with consideration being given to the senior instructor for the first shift.

7.7 Non-Teaching Employees and Non-Teaching Duties

Non-teaching employees shall establish a workload in the same manner as instructors. Qualified employees may be assigned teaching and/or non-teaching duties to meet the varying needs of the College.

7.8 Continuing Education Programming

When a continuing education course is offered in a discipline or specialty area in which qualified employees covered by this agreement are instructing in the credit/funded programs, such employees shall be given the first opportunity to teach the course. If the opportunity is not accepted, the offer need not be repeated until the instructor hired in the first instance is to be replaced, or additional sections added unless special provision has been made at the time of first refusal.

When an employee has a shortfall in workload, continuing education courses/contracts may be offered to bring an employee's annual workload to one hundred percent (100%). The appropriate Dean and Coordinator shall jointly determine the employee's qualifications and the appropriateness of the available continuing education courses and contracts. Such instruction of continuing education courses will be considered part of the instructor's annual workload and no additional salary will be paid.

When an employee is carrying a full instructional load, instruction for continuing education courses in his related discipline shall be reimbursed at a salary equivalent to his salary on the current BCGEU Local 701 (Camosun College Instructors) salary scale. Where programming constraints exist this salary rate may be adjusted by negotiations between the Coordinator and the instructor.

7.9 Preparation Time

Whenever possible the College shall provide for new employees at least two (2) weeks preparation time in advance of assuming a full teaching load. This includes term appointments of four (4) months duration or longer. A new employee is defined as one having no previous teaching experience.

Whenever possible the College shall provide one (1) day of advance preparation time for each instruction week of a course, up to a maximum of fifteen (15) days, for the development of a new course for which no course material is available.

ARTICLE 8 — ANNUAL VACATION

8.1 Entitlement Continuing and Probationary Employees

The three (3) non-teaching days between Christmas and New Year's shall be part of the annual vacation entitlement. Upon approval of an employee's application, the days between Christmas and New Year's may be scheduled as working days and the three (3) days of vacation rescheduled to an alternate convenient time.

An employee will be able to carry over ten (10) days in any given year. Under special circumstances an employee may carry over additional days upon written approval of the Dean. For the purposes of calculation, it will be assumed that vacation adjustment occur on September 1st of each year. The scheduling of annual vacations shall be carried out by a group of employees, their Chair and their Dean, working together to consider the instructional needs of the College and the interests of the employees.

Decisions shall be subject to appeal to the Joint BCGEU Management Committee. Vacation credit will be based on the anniversary of employment.

- (b) Fulltime employees on continuing or probationary appointments may take at least four (4) weeks of their annual vacation entitlement at a mutually acceptable time during the months of July and August.
- (c) Vacation for part-time employees whose appointment includes a vacation period will be determined in the same manner as vacation for full-time employees with a base of 45 days and salary during the vacation prorated in the same manner as salary during the period of work.
- (d) Vacations, once approved by the College, shall not be changed except by mutual agreement between employee and College.

Term employees working more than twenty-six and one-half (26½) contact hours per week and who do not receive vacation time off during their appointment shall receive, on completion of employment, a payout of eighteen percent (18%) of the gross salary during the period of appointment in lieu of non-contact time and vacation.

Term employees working more than twenty-six and one-half (26½) contact hours per week, who do not receive vacation time off during their appointment, and who are working as a result of being recalled under Clause 3.5(a) shall be entitled to non-contact time in accordance with Clause 7.3 as well as a payout of sixteen and eight tenths percent (16.8%) of the gross salary during the period of appointment as vacation pay.

Term employees working twenty-six and one-half (26½) contact hours or less per week and who do not receive vacation time off during their appointment shall receive a payout of sixteen and eight tenths percent (16.8%) of the gross salary during the period of appointment as vacation pay.

8.3 Sickness

In the event that an employee requires hospitalization or is seriously ill during his/her annual vacation period, the employee shall, upon request and upon presentation of a physician's statement, apply the period of illness or hospitalization to sick leave rather than vacation, provided the sick bank is not used. The employee must inform the College of the claim within one (1) week of returning to work.

8.4 Vacation Scheduling

An employee appointed to a contract of one (1) year or more shall determine, as specified under Clause 8.1, his/her vacation plan. Normally two (2) months, but at least

An employee may not use any accumulated professional development release time in the twelve (12) months prior to retirement unless initiated by the College. Professional development release time carries no cash value for employees who leave the College for any reason. change of placement on scale, the employee will receive an increment and accrue seniority during his/her absence providing these have been approved by the Vice President in writing prior to the commencement of the leave. Such approval will be conditional upon the leave being used essentially as planned. Under special circumstances a leave may be extended to a total of two (2) years. The College shall provide parking near the place of employment at no cost to the employee.

ARTICLE 20 — INDEMNITY

Except where a joint Union/College Committee considers that there has been flagrant or willful negligence on the part of an employee, the College agrees not to seek indemnity against an employee whose actions result in a judgment against the College. The College agrees to pay any judgment against an employee arising out of the performance of his/her duties. The College also agrees to pay any legal costs incurred in the proceedings.

ARTICLE 21 — RESOLUTION OF DISPUTES

21.1 Union Representation

- (a) The Union has a right to represent its members in dealings with the College related to the administration of this agreement. It will determine how and under what conditions it will assist a member in preparing and presenting any grievance in accordance with grievance procedures outlined in the contract.
- (b) An employee shall have the right to have a Union representative present at any discussion with administration, which the employee believes might be the basis of disciplinary action. Where administration intends to interview an employee for disciplinary purposes, the administration shall make every effort to notify the employee in advance of the purpose of the interview in order that the employee may contact a Union representative, providing that this does not result in an undue delay of the appropriate action being taken.

21.2 Grievance Procedure

The College and the Union recognize that grievances may arise concerning:

- (a) differences between the Parties respecting the interpretation, application, operation, or any alleged violation of a provision of this Agreement, including a question as to whether or not a matter is subject to arbitration;
or

- (b) the dismissal, discipline, or suspension of an employee bound by this Agreement.

An employee who wishes to present a grievance at Step 1 of the grievance procedure, in the manner prescribed in Clause 21.3, must do so no later than thirty (30) days after the date on which he/she was notified orally or in writing, of the action or circumstances giving rise to the grievance, or on which he/she first became aware of the action or circumstances giving rise to the grievance.

In the case of a dispute arising from an employee's dismissal or suspension, the grievance may commence at Step 2 of the grievance procedure within thirty (30) days of the employee receiving notice of dismissal or suspension.

21.3 Step 1

Before a written grievance can be submitted at Step 2 of the grievance procedure, every effort shall be made to settle the dispute at Step 1.

- (a) The aggrieved employee shall request a discussion with the administrator and shall specify that this is Step 1 of a grievance and the nature of the grievance. The employee has the right to have a Union representative present at such a meeting.
- (b) The administrator will have seven (7) days to investigate the matter and respond.

21.4 Step 2

An employee who wishes to pursue a grievance at Step 2 must do so within fourteen (14) days of having received the response from Step 1. The grievance will be submitted on the appropriate form setting out the nature of the grievance and the circumstances from which it arose, and the remedy sought.

The grievance will then be reviewed by a committee of two representatives of the Union, one of whom will be the staff representative or designate and the other designated by the staff representative, and two representatives of the College, one of whom shall be the President or designate. The Committee must meet to review the grievance within fourteen (14) days of its receipt. The College will respond in writing following the committee's review. If there is no resolution within thirty (30) days from the date of the first committee review meeting, the matter may be referred to arbitration.

21.5 Time Limit to File to Arbitration

Failing satisfactory settlement at Step 2, the Union President or designate may inform the College of intent to submit the dispute to arbitration within:

- (a) Fourteen (14) days after the College decision has been received; or
- (b) Fourteen (14) days after the College decision was due.

21.6 Administrative Provisions

- (a) Grievances and replies at Step 2 of the grievance procedure and notification to arbitrate shall be by registered mail or facsimile (original to follow in regular mail).
- (b) Grievances, replies, and notification shall be deemed to be presented on the day on which they are registered or sent by facsimile, and received on the day they were delivered to the appropriate office of the College or the Union.
- (c) In the event of a dispute, strike, lockout, or other work stoppage in the Canada Post Office within British Columbia, this section shall not apply.

21.7 Single Arbitrator

When a party has requested that a grievance be submitted to Arbitration, the grievance shall be submitted to a mutually agreed upon Arbitrator.

21.8 Single Arbitrator Procedure

The Arbitrator may determine his own procedure in accordance with due process and shall give full opportunity to all Parties to present evidence and make representations. He shall hear and determine the difference or allegation and shall render a decision within thirty (30) days of the conclusion of the Hearing.

21.9 Decision of Arbitrator

The Decision of the Arbitrator shall be final, binding, and enforceable on the Parties. The Arbitrator shall have the power to dispose of a discharge or discipline grievance by any arrangement which he/she deems just and equitable. However, the Arbitrator shall not have the power to change this Agreement or to alter, modify, or amend any of its provisions.

21.10 Disagreement on Decision

Should the Parties disagree as to the meaning of the Arbitrator's decision, either party may apply to the Arbitrator to clarify the decision, which he/she shall make every effort to do within seven (7) days of receipt of such application.

21.11 Expenses of Arbitrator

Each party shall pay one half (½) of the fees and expenses of the Arbitrator.

21.12 Deviation from Grievance Procedure

The College agrees that after a grievance has been initiated by the Union, the College's representatives will not enter into discussion or negotiation with respect to the grievance either directly or indirectly with the aggrieved employee without the consent of the Union.

In the event that after having initiated a grievance through the grievance procedure, an employee endeavours to pursue the same grievance through any other channel, then the Union agrees that pursuant to this clause the grievance shall be considered to have been abandoned.

21.13 Policy Grievance

Where either party to this Agreement disputes the general application, interpretation, or alleged violation of a clause of this Agreement, the dispute shall be discussed initially with the College or the Union, as the case may be, within thirty (30) days of the occurrence. Where no satisfactory agreement is reached within a further thirty (30) days, either party may submit the dispute to arbitration as identified in Clause 21.7.

21.14 Technical Objections to Grievances

It is the intent of both Parties to this Agreement that no grievance shall be defeated merely because of a technical error other than time limitation in processing the grievance through the grievance procedure. To this end an Arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.

21.15 Effective Date of Settlements

Settlements reached at any step of the grievance procedure in this clause, other than Clause 21.13, shall be applied retroactively to the date of the occurrence of the action or situation which gave rise to the grievance, but not prior to the effective date of the Agreement in effect at the time of the occurrence or the date set by an Arbitrator, unless another date is agreed upon by both Parties.

21.16 Amending Time Limits

The time limits fixed in the grievance and arbitration procedure may be altered by mutual consent of the Parties, but the same must be in writing.

ARTICLE 22 — UNION MEMBERSHIP AND DUES

22.1 Bargaining Unit Definition

The bargaining unit shall include full-time and part-time instructors (as described in the certification statement of BCGEU Local 701 Camosun College) employed by the College to teach vocational, technical and trades training programs or courses.

22.2 Membership

All employees covered by this Agreement shall as a condition of employment, hold and maintain membership in the Union except where exempted and as outlined under the Labour Relations Code.

22.3 Union Recognition and Rights

The Union agrees that any activities relevant to the administration of the Collective Agreement or other Union activities, which must be conducted during working hours, will be carried out in a professional manner with primary consideration to instructional duties. Where the College feels that such activities are interfering inappropriately with instructional duties, the Parties agree to meet and resolve the matter.

22.4 Dues

The College agrees to deduct each month from the monthly salary of each employee, one-twelfth (1/12) of the total annual Union dues as determined by the Union, and any special levies which the Union may determine as authorized by its Constitution. This sum will be transmitted to the Union without delay, and this sum will be shown on the T4 slip, after the Union has confirmed receipt of these dues.

All deductions shall be remitted to the President of the Union not later than twenty-eight (28) days after the date of deduction and the College shall also provide a list of names of those employees from whose salaries such deductions have been made together with the amounts deducted from each employee.

ARTICLE 23 — UNION RIGHTS

23.1 Individual Agreements

No employee, covered by this Agreement shall be required, or permitted, to make a written or oral agreement with the College, or its representatives, which may conflict with this Agreement.

23.2 Fair Treatment

The College and the Union agree that there shall be no discrimination, restriction, or coercion exercised or practised with respect to any employee for reason of membership or activity in the Union.

23.3 Leave for Union Business

Leave for Union business will not affect employee's "*non-contact time*". To facilitate the administration of this section when leave is granted, the employee will continue to be paid at the normal rate and the Union shall reimburse the College for salary and benefit costs. Leave of absence granted under this clause shall include sufficient travel time. The Union shall provide the College with reasonable notice prior to the commencement of leave under this clause. The College agrees that any of the leaves of absence identified below shall not be unreasonably withheld.

Approved leave of absence will be granted:

- (a) to an elected or appointed representative of the Union to attend conventions of the Union and bodies to which the Union is affiliated;
- (b) for elected or appointed representatives of the Union to attend to Union business which requires them to leave their general work area;
- (c) for employees who are representatives of the Union on a bargaining committee to attend meetings of the bargaining committee;
- (d) to employees called by the Union to appear as witnesses before an arbitration board;
- (e) for up to three employees on the bargaining committee of the Union to carry on negotiations with the College. In this case, the Union shall only be required to reimburse the College for salary and benefit costs if substitute instructors are required.

23.4 Picket Lines

All employees covered by the Agreement shall have the right to refuse to cross a picket line arising out of a dispute as defined in the *Industrial Relations Act*. Any employee failing to report for duty shall be considered to be absent without pay.

ARTICLE 24 — SAFEGUARD AGAINST SALARY REDUCTIONS

- (a) No person covered by this Agreement shall have his/her current rate of

salary or allowance reduced by the application of this Agreement.

- (b) Notwithstanding Section 2 of the *Employment Standards Act* where this Agreement is silent the College agrees to apply the provisions of the *Employment Standards Act*.

ARTICLE 25 — USE OF TERMS

Whenever the singular or masculine is used in the Agreement, it shall be considered as if the plural or feminine has been used where the context requires.

ARTICLE 26 – EMPLOYEE APPRAISAL

26.1 Evaluation Reports

- (a) Where a formal appraisal of an employee's performance is carried out, the employee shall be given sufficient opportunity after the interview to read and review the appraisal.
- (b) Provision shall be made on the evaluation form for an employee to sign it. The form shall provide for the employee's signature in two places, one indicating that the employee has read and accepts the appraisal, and the other indicating that the employee disagrees with the appraisal. The employee shall sign in one of the places provided. No employee may initiate a grievance regarding the contents of an evaluation report unless the signature indicates disagreement with the appraisal.
- (c) An employee shall, upon request, receive a copy of this evaluation report at the time of signing. An evaluation report shall not be changed after an employee has signed it, without the knowledge of the employee, and any such changes shall be subject to the grievance procedures of this Agreement.
- (d) An employee shall have the right to request a formal appraisal, providing that at least six (6) months have elapsed since the last appraisal and that the Dean has agreed to the timing of the appraisal.

26.2 Distribution

The completed appraisal shall be available only to the employee, his/her Chair, his/her Dean, the Vice President, Education, the President, and when appropriate to members of

the College's Human Resources department. In the event of a dispute or legal action, the appraisal shall be available to the Joint Labour (BCGEU) Management Committee, an arbitration board and the College's legal counsel.

26.3 Personnel Files

- (a) The President of the Union or designate shall be entitled, upon the written authority of an employee, to review the employee's personnel file(s) maintained in the Human Resources Department Office.
- (b) With reasonable notice given the College, an employee shall be permitted to review their personnel file(s).
- (c) The College will not disclose or use for other than authorized purposes personnel file information without the employee's written consent, unless required by law.
- (d) The College shall take reasonable precautions to ensure the reliability and security of personnel files.
- (e) Personnel files shall include all files pertaining to the employee maintained by the Human Resources Office.

ARTICLE 27 — TECHNOLOGICAL CHANGE

- (a) An employee shall be considered displaced by technological change when his/her services are no longer required in the same capacity as a result of change in the method of operation or equipment.
- (b) The College agrees to take all reasonable steps so that an employee shall not lose employment because of technological change. Every reasonable effort will be made by the College to utilize normal turnover of employees, to the extent that it arises during the period in which changes occur, to absorb employees displaced because of such change or changes. However, when necessary to reduce staff, it will be done as outlined in Clause 3 of the Agreement.
- (c) Where the introduction of a technological change substantially alters the method of presentation or the content of an existing course, faculty members who may have responsibility for the course shall be consulted before the intended change is implemented.

ARTICLE 28 — SENIORITY

28.1 Accumulation of Seniority

- (a) Service seniority shall be defined as the length of continuous service with the College since the last date of hiring plus the aggregate length of all periods of employment with the College after April 1, 1980, where no break in service exceeds two (2) years. Such service seniority shall include all continuous service with the Public Service of British Columbia prior to the Meld which took place October 1, 1975.
- (b) Seniority shall continue to accumulate when an employee is on training leave, in accordance with Clause 3.3(a) or where the employee has been approved for accrual of seniority under Clause 10.6.
- (c) Employees on maternity, adoption, or parental leave shall continue to accumulate seniority.
- (d) If a continuing employee terminates their employment as a result of a decision to raise a dependent child (children), and is reemployed, upon application he/she shall be credited with length of service accumulated at the time of termination. The following conditions shall apply:
 - (1) the employee must have been a continuing employee with at least three (3) years of service seniority at the time of termination;
 - (2) the resignation must indicate the reason for termination;
 - (3) the break in service shall be for no longer than six (6) years; and during that time the employee must not have been engaged in remunerative employment for more than six (6) months;
 - (4) the previous length of service shall not be reinstated until successful completion of the probationary period on reemployment.
- (e) A continuing employee who resigns his/her position and within sixty (60) days is reemployed as a continuing employee, shall upon application be credited with length of service accumulated at time of termination.
- (f) The College shall publish on November 1 of each year a seniority list of its continuing employees, including, for fulltime employees, the date of the next salary experience increment.

28.2 Loss of Seniority

An employee shall lose his/her seniority in the event that:

- (a) he/she is discharged for just cause;
- (b) he/she voluntarily terminates his/her employment or position;
- (c) he/she is on layoff and their recall period as outlined in Clause 3.5(a) has expired;
- (d) he/she is unavailable or declines two (2) offers of reemployment in which the duration and nature of work is similar to that which he/she carried out prior to layoff.

ARTICLE 29 — COPIES OF COLLECTIVE AGREEMENT

The Union and College agree to share equally the cost of producing copies of the Collective Agreement for distribution to all members. The document shall be printed by the College Print Shop.

ARTICLE 30 — TERM OF AGREEMENT

30.1 Term

This agreement shall be binding and remain in full force and effect from the first day of April, 2007 to and including March 31, 2010 and shall continue from year to year thereafter, unless either party exercises its rights to commence collective bargaining as provided for in the Statutes of the Province of British Columbia.

30.2 Extension of Anniversary Date

If negotiations extend beyond the anniversary date of the Agreement, both Parties shall adhere fully to the provisions of this Agreement during the period of bona fide collective bargaining.

30.3 Revisions to Agreement

All revisions to the Agreement mutually agreed upon shall, unless otherwise specified, apply retroactively to the expiry date.

ARTICLE 1 – PREAMBLE

1.1 Purpose of Common Agreement

1.1.1 The purpose of this Agreement is to establish and maintain orderly collective bargaining procedures between the Parties.

1.1.2 In order to promote the efficient and effective operation of the institution through the establishment and continuance of harmonious relations and working conditions established under the collective agreement, and to assist in the development and expansion of the public post-secondary system, the Parties therefore agree to the following terms of contract.

1.2 Future Legislation

In the event that any future legislation renders null and void or materially alters any provision of this Agreement, the Parties hereto will negotiate a mutually agreeable provision to be substituted for the provision so rendered null and void or materially altered. All other provisions of the Common Agreement shall remain in full force and effect.

1.3 Conflict with Policies

Every reasonable effort will be made to harmonize employer policies with the provisions of this Agreement. In the event of a conflict between the contents of this Agreement and any policies made by the employer, the terms of this Agreement will prevail.

1.4 Singular and Plural

Wherever the singular is used in the Common Agreement, the same shall be construed as meaning the plural if the context requires unless otherwise specifically stated.

ARTICLE 2 - HARASSMENT

2.1 Statement of Commitment

The colleges and institutes promote teaching, scholarship and research and the free and critical discussion of ideas.

Unions and employers are committed to providing a working and learning environment that allows for full and free participation of all members of the institutional community. Harassment undermines these objectives and violates the fundamental rights, personal dignity and integrity of individuals or groups of individuals. Harassment is a serious offence that may be cause for disciplinary sanctions including, where appropriate, dismissal or expulsion.

The colleges and institutes have a responsibility under the BC's Human Rights Code to prevent harassment and to provide procedures to handle complaints, to resolve problems and to remedy situations where harassment occurs.

The employer will offer educational and training programs designed to prevent harassment and to support the administration of the institutional policies and to ensure that all members of the institutional community are aware of their responsibility with respect to the policy.

2.2 Definitions

2.2.1 Harassment is a form of discrimination that adversely affects the recipient on one or more of the prohibited grounds under the BC Human Rights Code [R.S.B.C. 1996 c.210].

Harassment as defined above is behaviour or the effect of behaviour, whether direct or indirect, which meets one of the following conditions:

- (a) is abusive or demeaning;
- (b) would be viewed by a reasonable person experiencing the behaviour or effect of the behaviour, as an interference with her/his participation in an institutional related activity;
- (c) creates a poisoned environment.

As of this date, the grounds protected against discrimination by BC's Human Rights Code [R.S.B.C. 1996 c.210] are age, race, colour, ancestry, place of origin, political belief, religion, marital status, physical or mental disability, sex, sexual orientation and, in the case of employment, unrelated criminal convictions.

2.2.2 Sexual Harassment is behaviour of a sexual nature by a person who knows or ought reasonably to know that the behaviour is unwanted or unwelcome; and

- (a) which interferes with another person's participation in an institution-related activity; or
- (b) leads to or implies employment, or academically-related consequences for the person harassed; or
- (c) which creates a poisoned environment.

2.3 Procedures

2.3.1 Local Informal Processes

The Parties agree that the local parties where mutually agreeable, may first attempt to use local policies or processes to resolve complaints of harassment and sexual harassment prior to accessing the following procedures in Article 2.3.3 Mediation and 2.3.4 Investigation.

2.3.2 Right to Legal Counsel

The union is the exclusive bargaining agent for the bargaining unit employee and as such has the exclusive right to represent the employee in all matters pertaining to his/her terms and conditions of employment, including matters that may lead to discipline by the employer. An individual bargaining unit employee has no right to be represented by legal counsel during an Article 2 investigation involving an allegation of harassment.

2.3.3 Mediation

When a complaint is received by the employer involving an individual covered by this collective agreement, the local parties will initiate a mediation procedure at the bargaining unit level. The mediation process is the recommended avenue of resolution.

Consensual mediation will require the agreement of the complainant and the alleged harasser to use the following process:

- (a) the local parties will discuss the nature of the complaint and agree upon who will conduct the mediation;
- (b) the mediation process and resolution will be kept strictly confidential by all participants;
- (c) where a resolution is reached, the complainant and the alleged harasser must agree in writing to the resolution and the matter will then be considered concluded;
- (d) no record of the mediation except the written agreed resolution will be placed on an employee's file. The written resolution will be removed from the employee's file after twelve (12) months unless there has been a subsequent complaint of harassment against the employee within the twelve (12) month period.

2.3.4 Investigation

Where either the complainant or alleged harasser does not agree to mediation, or no resolution is reached during the mediation, the complaint will be referred to an investigator selected from a list of investigators agreed upon by the local parties.

An investigator will be appointed within ten (10) working days of referral.

Where the local parties are unable to agree on a list of investigators, JADRC will determine the list. (See Appendix B.)

The referral should, where possible, include a written statement from the complainant and the alleged harasser which succinctly outlines the issue(s) in dispute. The referral should be assembled by the Institution and forwarded to the Investigator with a copy sent to the union(s).

The appointment of an investigator does not preclude an investigator from mediating the dispute where possible up to the time of submission of the Investigator's report to the local parties pursuant to Article 2.3.5(a) below.

Any complaint of harassment will be kept confidential except as is necessary to investigate and resolve the issue. Investigators will stress the confidentiality of the investigation with the person(s) interviewed.

2.3.5 Terms of Reference of the Investigator

- (a) The purpose of the investigator will be to ascertain facts.
- (b) All persons quoted in the investigation will be named by initials.
- (c) The report of the Investigator will be given, in confidence, to the union(s) and the employer. It is the responsibility of the employer to forward a copy of the report to the complainant and the alleged harasser. The employer will state, in a covering letter, that the report is confidential. The report should refer to individuals involved by initials only. However, a key will be provided to the employer and the union(s) for internal use. This practice should be repeated at any subsequent arbitral proceeding.
- (d) The report will not be introduced as evidence or have standing in any arbitration, or other legal procedure. This does not preclude the parties from reaching an Agreed Statement of Fact based upon facts in the report in preparation for an arbitral proceeding.
- (e) Reliance on Report of Third Party Investigator

Despite 2.3.3 (d), an institution is entitled to rely on the fact of mediation or the report of a third party investigator as evidence that may mitigate liability in a proceeding that follows receipt of the third party investigator's report.

The employer is entitled to rely on the investigator's report as evidence that it acted in good faith in any disciplinary action that it undertook

following receipt of the third party investigator's report where the issue of good faith is raised by a grievor or the union.

- (f) The investigator will not be compellable as a witness in any arbitration or other legal procedure which may result from the investigation.
- (g) The investigator will conclude her/his work within twenty (20) days of appointment and will render a report within a further ten (10) days. These timelines may be extended if deemed appropriate by the local parties. If a dispute arises with respect to the extension, the matter will be referred to JADRC. If requested by the investigator, the employer will provide meeting space and contact information about persons to be interviewed.
- (h) The investigator may, as part of her/his report, make recommendations for resolution of the complaint.
- (i) The investigator's report will not be placed on an employee's file.

2.4 Findings

2.4.1 The employer will make a written determination based upon the facts and recommendation, if any, within ten (10) working days of the receipt of the Investigator's report. If necessary, this timeline may be extended by mutual agreement between the local parties.

2.4.2 The determination will:

- (a) state the action(s), if any, to be taken or required by the employer;
- (b) include, where appropriate, a statement of exoneration.

2.5 Rights of the Parties

Should a complainant file a complaint under the provisions of the Human Rights Code, it is understood that the Human Rights Code complaint will be set aside until such time as the procedures under this Article have been completed.

Where an allegation includes both complaints under the Human Rights Code and a personal harassment complaint, the local parties may agree to have the Investigator investigate all of the complaints, in order to relieve against expense and duality of process.

2.5.1 The above noted procedure does not restrict:

- (a) The employer's right to take disciplinary action;

- (b) The union's right to grieve such disciplinary action or to grieve an alleged violation of this Article.

2.5.2 The report of the investigator may be used in the development of an Agreed Statement of Fact for an arbitral proceeding.

2.6 False Complaints, Breaches of Confidentiality and Retaliatory Action

Frivolous, vexatious or malicious complaints of harassment or breaches of the confidentiality provisions of this clause or retaliation in respect of a complaint may result in discipline.

Should retaliation be alleged following the filing of a complaint, an Investigator may deal with that allegation and make a finding.

2.7 Local Discussion

The local parties will meet as necessary to facilitate the administration and other aspects of the application of this Article including issues arising under Article 2.8 below. The local parties may refer any differences over the administration or application of this Article to JADRC for resolution.

2.8 Relation to Other Agreements

Where a complaint under Article 2 involves individuals who are covered by another collective agreement the local parties will meet to clarify and agree upon a procedure.

ARTICLE 3 - EMPLOYER/UNION RELATIONS

3.1 Human Resources Database

The Parties believe that their on-going and collective bargaining relationships are enhanced through useful, timely, and accessible data on relevant human resources matters, including those listed below.

The Parties agree to provide and support the accumulation and dissemination of available data to the PSEA, which will be responsible for the management of the HRDB project including the gathering, analysis, and maintenance of such data. The Parties may undertake joint projects for the comparative analysis of such data.

The Parties agree that a Steering Committee will oversee this program. The Committee will include representatives designated by each Party.

The Parties recommend that the Ministry of Advanced Education, Training and Technology continue to provide funding to assist in the gathering, analysis, and maintenance of such data through the agreed-upon organization.

3.1.1 Relevant Matters include:

- (a) Health and Welfare
 - (i) Benefit Plan Designs
 - (ii) Participation rates
 - (iii) Premiums
 - (iv) Cost sharing
 - (v) Commission costs
 - (vi) Carrier contracts

- (b) Collective Bargaining
 - (i) Salary information by classification
 - (ii) FTE, headcount, placement on scale, appointment status
 - (iii) Demographics: age and gender

- (c) Contract Administration
 - (i) Arbitration, Labour Relations Board, JADRC, Harassment, Jurisdictional and other third-party decisions and costs thereof for the system
 - (ii) Local Letters of Understanding

3.2 Joint Administration and Dispute Resolution Committee

3.2.1 Formation and Composition

The Parties to this agreement will maintain a Joint Administration and Dispute Resolution Committee (JADRC) consisting of five (5) representatives of the employers and five (5) representatives of the Provincial Bargaining Council.

3.2.2 Operation

Meetings of JADRC shall be held as needed. A meeting shall be called within twenty (20) days of the written request of either party unless mutually agreed otherwise. A minimum of six (6) representatives with equal representation from the Common Parties will constitute a quorum. JADRC will set its own procedures and protocols. All decisions of JADRC will be mutual decisions between the Parties and will be recorded or confirmed in writing.

3.2.3 Purpose

The purpose of JADRC is to:

- (a) Assist in the administration of collective agreements.

- (b) Provide a forum for dialogue between the Parties respecting issues impacting labour relations.
- (c) Provide a means for resolving issues pertaining to the implementation, interpretation and resolution of matters arising from the Common Agreement.
- (d) Appoint an umpire(s) or arbitrator(s) as applicable for:
 - (i) Jurisdictional Disputes Resolving process
 - (ii) Suspension and Discharge Grievance Resolution
 - (iii) Common Agreement Dispute Resolution
- (e) Develop strategies to reduce arbitration and related costs.

3.2.4 Common Agreement Dispute Resolution

Where a dispute arises concerning the interpretation, application, operation or alleged violation of this Agreement, the local parties will refer the dispute to JADRC using the Dispute Referral Form at Appendix C to this Agreement. Such referral would occur after the local grievance procedure is exhausted or deemed completed by agreement of the local parties.

JADRC will act as the registrar for referred disputes and will forward the matter to an arbitrator, within thirty (30) calendar days of the receipt of the dispute by JADRC's designated registrar. (See Appendix D for the list of arbitrators.)

Notwithstanding the referral of a dispute to an arbitrator, the local parties may mutually agree to request that JADRC attempt to resolve the matter through a pre-hearing discussion at the JADRC level. Where JADRC reaches a mutual decision on a matter referred, the decision will be final and binding upon the local parties.

Prior to an arbitral hearing, and in the absence of any JADRC decision, the local parties may resolve a dispute which relates to the interpretation, application, operation or alleged violation of this Agreement. The resolution is without prejudice or precedent.

3.2.5 Process and Costs

A matter referred to an arbitrator will be scheduled and heard within sixty (60) calendar days of referral unless otherwise mutually agreed by the local parties. Decisions will be final and binding except as provided by Section 99 of the Labour Relations Code.

Arbitral decisions shall be rendered within fifteen (15) calendar days of the conclusion of the hearing. Time limits may be altered by mutual agreement between the parties.

An arbitrator has the authority to order pre-hearing disclosure and to act as a mediator provided such action does not unduly delay a decision.

Each local party will be responsible for its own costs. The costs of the arbitrator will be shared by the local parties.

3.2.6 Suspension and Discharge Grievance Resolution

Where a grievance is filed concerning the suspension or discharge of an employee, and after the local grievance procedure has been exhausted or deemed completed by agreement of the local parties, either party may refer the grievance to JADRC. JADRC's designated registrar will refer the grievance to an arbitrator within thirty (30) calendar days of the registrar's receipt of the grievance. (See Appendix D for the list of arbitrators.) It is understood that the actual number of hearing days will not exceed three (3) days unless otherwise agreed by the local parties or as directed by the arbitrator. Process, timelines and costs will be in accordance with Article 3.2.5.

3.3 Jurisdictional Dispute Resolving Process

3.3.1 Preamble

The purpose of this Article is to outline a jurisdictional dispute resolution process which is equitable, expeditious and reflects the desire of the Parties to promote effective working relationships.

The Parties agree that the following process will be used in the event of a dispute respecting the appropriateness of a bargaining unit placement where the institution introduces a new position or significantly revises an existing position.

3.3.2 Process

- (a) When requested, the institution will provide a bargaining unit position or job description to the union(s) certified at the institution. The union may request such things as a draft job posting, job description, course outline, organizational chart, and other relevant information. The institution will make every reasonable effort to respond to the request within seven (7) days of receipt of the request, but not later than thirty-one (31) days of receipt of the request.
- (b) For a new position or when a significant change has occurred, a local party may request a meeting pursuant to Article 3.3.2(c) below, to resolve any dispute which may arise concerning the appropriateness of bargaining unit placement.
- (c) When requested, the local parties will meet within twenty-one (21) calendar days. Every effort will be made to reach agreement on the appropriate bargaining unit placement.

- (d) When there remains a dispute a local party may refer the matter within thirty (30) calendar days to a Jurisdictional Assignment Umpire it selects from a list of Umpires appointed by the JADRC.
- (e) The referral will include a brief outline of the particulars of the dispute, a summary of the party's position on the matter and copies of documents upon which the party intends to rely. A copy of the referral and documents will be sent to each union certified and the institution.
- (f) The Umpire will convene a hearing within twenty-one (21) days of receipt of the initial referral.
- (g) The Umpire will direct an exchange of particulars and documents upon which the parties intend to rely no later than seven (7) days prior to a hearing of the matter.
- (h) The hearing will be expedited in all respects and conducted on an informal basis.
- (i) The expenses and fees of the Umpire will be borne equally among the parties involved in the dispute.
- (j) In determining the appropriateness of bargaining unit placement, the Umpire shall consider:
 - (i) job elements;
 - (ii) past practice;
 - (iii) impact on industrial relations;
 - (iv) community of interest;
 - (v) employee preference, fairness and equity;
 - (vi) certification definition(s);
 - (vii) and such other factors as deemed appropriate by the Umpire.
- (k) The Umpire will render a decision within twenty-one (21) days after the conclusion of the hearing.
- (l) The parties will accept the decision as final and binding on each of them.

3.4 Leave of Absence for College Committees and Union Leave

3.4.1 Leave of Absence for College Committees

An employee whose assigned work schedule would prevent her/him from attending meetings of a college committee to which s/he has been elected or appointed, will be

granted a leave of absence from her/his regular duties without loss of pay or other entitlements to attend such meeting(s).

Where such leave is granted, the employer will replace the employee as necessary. Costs arising from this provision will not be charged against the program area of the participating employee.

3.4.2 Union Leave

Meetings between representatives of the union and the employer will be scheduled at times mutually agreeable to the Parties. Reasonable effort shall be made to hold such meetings at times that do not conflict with assigned duties.

Where such meetings cannot be scheduled at times that do not conflict with assigned duties, the employer will grant a leave of absence without loss of pay or other entitlements for the purpose of attending such meetings to the total equivalent of one-quarter full-time equivalent per annum.

Where such leave is granted, the employer will replace the employee as necessary.

This clause may be utilized by the union to ensure adequate representation by the union with respect to issues that affect the institution or the post-secondary system. To facilitate the administration of this provision, the union will ensure that the employer is advised of the eligible leaves to be taken.

The union may designate a person(s) who will be entitled to union leave under this Article and will advise the employer of the amount of the leave to be taken. The amount of the entitlement is one quarter of a full time equivalent per annum, without loss of pay or other entitlement.

Costs arising from this provision will not be charged against the program area of the participating union representative.

This provision will not be utilized where existing employer-paid release time arrangements exceed this one-quarter full-time equivalent entitlement.

3.4.3 Additional Union Leave Without Pay

A bargaining unit may purchase additional release time above that currently paid for by the employer at replacement costs. Replacement cost is that for the individual who is carrying out the duties of the individual released. Such leaves will not be unreasonably withheld.

ARTICLE 4 - PRIOR LEARNING ASSESSMENT

4.1 Definition

Prior Learning Assessment (PLA) is the assessment by some valid and reliable means, of what has been learned through formal and non-formal education/training or experience, that is worthy of credit in a course or program offered by the institution providing credit.

The assessment and evaluation of prior learning and the determination of competency and credit awarded will be done by instructional or faculty staff who have the appropriate subject matter expertise but other staff in an institution may have a supporting role in the process.

The work required for prior learning assessment includes but is not limited to: classroom-based and individual advising; classroom-based and individual assessment, training and upgrading; development of assessment tools; and training in the use of flexible assessment.

4.2 Prior Learning Assessment as Workload

Prior learning assessment work undertaken by an employee covered by this Agreement will be integrated into and form part of the employee's workload as workload is defined in the employee's collective agreement.

4.3 Training in Prior Learning Assessment

An employee required to perform prior learning assessment responsibilities as part of his/her workload, has a right to employer-paid training time and expenses, in the methodology and application of prior learning assessment as necessary for the assigned task.

4.4 Prior Learning Assessment Coordinators

Prior Learning Assessment coordinators will be faculty or instructional bargaining unit members.

ARTICLE 5 - COPYRIGHT AND INTELLECTUAL PROPERTY

5.1 Copyright Ownership

The copyright or patent for any work product, including creative work, instructional strategies or curriculum/instructional material, software or any other material or technology that may be copyrighted or patented:

5.1.1 belongs to the employee(s) where the work product has been prepared or created as part of assigned duties, other than the duties listed in Article 5.1.2 below, and the

copyright to all copyrightable material shall be the sole property of the employee(s) and shall be retained throughout his or her lifetime and upon his/her death by his/her heirs or assigns; and

5.1.2 belongs to the institution where one or more employees:

- (a) have been hired or agrees to create and produce copyrightable work product for the institution, or
- (b) are given release time from usual duties to create and produce copyrightable work product, or
- (c) are paid, in addition to their regular rate of pay, for their time in an appointment to produce copyrightable work product.

5.2 Employer Rights to Materials Copyrighted by Employee(s)

Where the employee holds the copyright pursuant to Article 5.1.1, the institution shall have a right to use his/her copyrighted material in perpetuity for institutional purposes. The institution may amend and update the copyrighted material with the approval of the employee(s) holding the copyright to the material. Such approval will not be unreasonably withheld.

5.3 Employee Rights to Materials Copyrighted by the Employer

Where the institution holds the copyright pursuant to Article 5.1.2, the employee(s) shall have the right to use in perpetuity, free of charge, such copyrighted material. The employee may amend and update the copyrighted material with the approval of the institution holding the copyright to the material. Such approval will not be unreasonably withheld.

5.4 Joint Review

JADRC may, at the request of either party, review issues arising from the application of this Article.

ARTICLE 6 - JOB SECURITY

6.1 Employee Security and Regularization

6.1.1 Intent

The purpose of this Article is to ensure that, by April 1, 2000, provisions relating to employee security and regularization of employees are established within each collective agreement affecting employees covered by this Agreement and to ensure that current and

future employees who qualify for regularization under the provisions of this Article will be regularized.

Where this Article establishes a date for action, the parties responsible for taking the action may agree to another date.

6.1.2 Definitions

"Department" or "functional area" means the operational or administrative sub-division of an institution within which an employee is appointed and assigned workload and may include geographic limitations.

"Employee security" means the array of entitlements to continued employment, health and welfare and other benefits, and other rights available to employees through this Agreement or a local collective agreement.

"Non-regular employee" means a person employed on any basis other than regular as defined in the local collective agreement.

"Regularization" means the process by which a non-regular employee converts to regular status under this Article.

"Regular full-time" employee means a person who holds an appointment to ongoing work with a full-time annual workload within one or more departments or functional areas.

"Regular part-time" employee means a person who holds an appointment to an ongoing annual workload of less than full-time within one or more departments or functional areas.

6.1.3 Parameters for Employee Security and Regularization

- (a) Employee security and regularization provisions include those relating to:
- (i) creating, posting and filling new positions and posting and filling vacant positions;
 - (ii) the types of appointment categories contained in the collective agreement;
 - (iii) the entitlements of regular and/or non-regular employees to continued appointment, access to additional work, and/or to health and welfare benefits based on time worked and/or seniority;
 - (iv) the circumstances under which a non-regular employee may be entitled to convert to or otherwise become a regular employee;
 - (v) requirements for notice of layoff or reduction in workload, including requirements relating to the timing of layoff notice;

- (vi) requirements relating to the accumulation of severance and the condition for payment of severance.
- (b) Amendments to existing employee security and regularization provisions must include:
- (i) (1) entitlement to regularization after a period of time worked of at least two consecutive appointment years of work at a workload of fifty percent (50%) or greater for each of two (2) consecutive appointment years and where there is a reasonable expectation of ongoing employment for which the employee is qualified at a workload of at least fifty percent (50%) or greater for two semesters in the next appointment year;
or
 - (2) entitlement to regularization after the employee has performed a workload at least one hundred and twenty percent (120%) of an annualized workload over at least two (2) consecutive years and there is a reasonable expectation of an ongoing workload assignment for which the employee is qualified, of at least fifty percent (50%) on an annualized basis over the immediately subsequent appointment year.
- (ii) requirements that an employee receive a satisfactory evaluation prior to regularization. An employee will be deemed to have received a satisfactory evaluation if one has not been undertaken by the employer. The employer may evaluate a non-regular employee at least once each twelve (12) month period and the employee may request an additional evaluation not more often than once in each twelve (12) month period.
- (c) In developing revised employee security and regularization provisions, local parties and/or JADRC and/or the arbitrator must consider the effects of any conversion from non-regular to regular status, including:
- (i) entitlement to confirmation of appointment as a regular employee;
 - (ii) requirements for a probationary period post-conversion of at least twelve months;
 - (iii) accumulation of regular seniority and severance entitlement related to appointment to regular status;
 - (iv) rights of regular employees to new or additional work for which they are qualified both within and outside a department or functional area, and the operational implications of such rights;

- (v) limitations on concurrent regular appointment at more than one institution;
- (vi) cost implications of any entitlement that may be derived from work or appointment in more than one campus, centre or geographic limitation;
- (vii) relationship of work performed by bargaining unit members in continuing and/or community education to any entitlement to consideration for conversion;
- (viii) the right of the employer to create, post and fill a new position or to post and fill a vacant position;
- (ix) educational implications for requirements to teach upper level degree courses and/or non-degree courses;
- (x) implications for existing appointment types;

LETTER OF UNDERSTANDING 3

CAPS ON PLACEMENT ON SALARY GRID

The Parties agree that, notwithstanding Sections 10-13 of the November 17, 2006 Protocol Agreement, local parties may table in local bargaining proposals concerning the adjustment or removal of caps on the placement of employees on the Provincial Salary Scale.

LETTER OF UNDERSTANDING 4

PARTIAL SICK LEAVE AND PARTIAL DISABILITY BENEFITS

The Parties agree that it is in the interests of both the employee and the employers to enable an employee to remain at work when the employee is only partially disabled.

“Partially disabled” for the purpose of this Letter of Understanding means that the employee is unable to do a portion of his/her normal workload where such portion is agreed by the employer to conform to the configuration of faculty workload in the employee’s instructional or non instructional areas and where the partial sick leave is in any event no greater than eighty percent (80%) of a full-time workload in that area. The application of this definition is subject to the employer’s legal duty of accommodation.

Determination of whether the employee is partially disabled as defined above shall be by the short-term disability benefits carrier.

An employee who is determined to be partially disabled will be entitled to sick leave under Article 9.3.2 on a pro-rated basis until the employee has satisfied the qualifying period for short-term disability benefits of the equivalent of thirty (30) complete calendar days. In any event, to qualify for short-term disability benefits the employee must complete the qualifying period within six (6) months of the date the employee commenced part-time sick leave.

Should the employee return to his/her full normal duties of his/her own occupation during this qualifying period for short-term disability benefits and then become disabled from the same or related disability within fourteen (14) consecutive calendar days after returning to full active employment, he/she will be considered to be within the same qualifying period.

The employee is required to meet all application, reporting, and other requirements provided for in this short-term and long-term disability benefits plans as applicable.

The carrier’s approval of a partial disability claim for sick leave continuation on a pro-rata basis does not in itself mean that the employee’s subsequent claims for short-term disability benefits will be automatically approved, nor does approval for short-term disability benefits mean that the employee’s subsequent claim for long-term disability benefits will be automatically approved.

Additional information on the processes and criteria for partial sick leave and partial disability benefits are set out in the document titled “Administration of Partial Sick Leave and Partial Disability Benefits”, which the Parties agree shall be part of the “Policies and Procedures” sections of the Disability Management Handbook for the common disability benefits plan set out in Article 9.3 of the Common Agreement.

LETTER OF UNDERSTANDING 5

The Parties agree that the local parties, where mutually agreeable, may develop joint initiatives to inform and train employees and to enhance understanding on:

- (a) the identification and reduction of inappropriate conflict in the work place,
- (b) the effects of mental health issues in the workplace, and

LETTER OF UNDERSTANDING 7

JOINT REVIEW PROCESS OF HEALTH AND WELFARE BENEFITS (ARTICLE 9.2 & 9.3)

The Parties to this Agreement recognize that the cost of benefits must be contained to ensure the long term sustainability of benefit plans.

The Parties agree for the term of this Agreement to expand the mandate of the Joint Committee on Benefits Administration (JCBA) to examine the benefits plans and to make recommendations that relate to cost containment, cost efficiencies, and new measures for the maximization of current benefit resources to ensure the sustainability of health and welfare benefits. The health and welfare benefits to be included in the review include:

- Extended Health Care and Vision Care
- Dental Plan
- Group Life Insurance and Accidental Death and Dismemberment
- Sick leave, Short and Long-Term Disability

Receipt of Reports and Recommendations

The recommendations of the JCBA will be presented to the Parties according to the following schedule:

The JCBA's final report and recommendations will be referred to the Joint Administration and Dispute Resolution Committee for negotiation of a Letter of Understanding for the local parties' ratification.

The Parties agree that in the event that cost containment results in cost savings then a compensation tradeoff among benefits may be negotiated.

Funding

Subject to the agreement of the Parties at JADRC, and upon the recommendation of the JCBA, the employers will, if and when required, pay such reasonable costs of the Committee's work on this project as may exceed the amount specified in Article 9.1.5.

LETTER OF UNDERSTANDING 8
