1. The parties agree the Employer may post and schedule up to two (2) crews (comprised of two (2) employees per crew) to work a five (5) consecutive day work schedule that includes Saturdays and Sundays at straight time rates. The number of employees on this alternate shift schedule may be increased by mutual agreement of the parties.
2. In the event that no employees apply to the posted schedule, the Employer will assign employees to the crew(s) in order of reverse seniority, competency considered.

3. IMPLEMENTATION

Any variation(s) to Article VI - Hours of Work, Section 1, shall be implemented only upon completion of the following steps:

- (a) The District agrees that alternate shift schedules will not be introduced where the intention is to increase the use of casual employees in place of regular employees.
- (b) Different parts of an operation may be scheduled on different shifts.
- (c) The principle of the forty (40) hour week is to be maintained over an averaging period.
- (d) This Article shall not change existing alternate shift arrangements, unless agreed to by both Parties.

- (e) Earned vacations will be scheduled on the same basis as days and hours worked under the alternate shift schedule.
