LETTER OF UNDERSTANDING

Re: BANKED OVERTIME

It is agreed that:

1. By mutual agreement in writing the Company and its employee, arrangements may be made for the duration of the Contract, to bank accumulated overtime. The employee may then request his/her overtime in time off. However, he/she must inform the Company as to his/her request which will remain in effect for the term of this Contract. Upon request by the employee, such time off will be taken at the Company's discretion consistent with the efficient operation of the business. The maximum amount of banked overtime which can be accumulated is equivalent to forty-eight (48) regular hours.

2. Where an employee desires to bank his/her overtime he/she shall request in writing indicating this, which will be binding for the duration of the calendar year. An employee shall give at least ten (10) days notice when desiring to take banked overtime off. Once approved by the Company, changes may be made by mutual agreement.

3. Overtime which is banked shall be credited in terms of hours and when taken as time off shall be paid out at the same hourly rate as banked. When an employee leaves the Company, all banked hours shall be paid out in total. Other unused banked overtime shall be paid on the last pay of each calendar year.

4. The Company will keep a record of all banked overtime which will be available for perusal by the employee.

5. Example of Banked Hours:

1 hour at 1 1/2 time - 1 1/2 Hours Banked

1 hour at double time - 2 Hours Banked
