THIS AGREEMENT made and entered into as of 1 January, 2007.

BETWEEN:

**CITY OF VANCOUVER**

(hereinafter called "the Employer")

OF THE FIRST PART

AND:

**CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL NO. 1004**  
**(VANCOUVER CIVIC EMPLOYEES' UNION)**

(hereinafter called "the Union")

OF THE SECOND PART

WHEREAS:

The Employer is an employer within the meaning of the Labour Relations Code of British Columbia, 1992.

The Union is the bargaining authority for the "Outside Employees" being the following classes of employees, namely:

Cemetery; Bridge Tender; Roads, including pavements; construction, which includes Machine Shop, Carpenter Shop, Blacksmith, Paint Shop, Water Meter Shop, Garage, Gas Station Attendants; Scavenging, which includes Sweepers, Flushers, Watchmen and Incinerator Workers; Sewers and Waterworks, at Vancouver, B.C. except those excluded by the Labour Relations Code.

THIS AGREEMENT shall constitute the wages and working conditions of the employees so certified.

1. **TERM OF THE AGREEMENT**

This Agreement shall be for a term of five (5) years with effect from 2007 January 01 to 2011 December 31, both dates inclusive. Should either party hereto at any time within four (4) months immediately preceding the date of expiry of this Agreement by written notice require the other party hereto to commence collective bargaining, or should the parties be deemed to have given notice under Section 46 of the Labour Relations Code, this Agreement shall continue in full force and effect, and neither party shall make any change or alter the terms of this Agreement until:

- (a) The Union can lawfully strike in accordance with the provisions of Part 5 of the Labour Relations Code; or

- (b) The Employer can lawfully lock out in accordance with the provisions of Part 5 of the Labour Relations Code; or
- (c) The parties shall have concluded a renewal or revision of this Agreement or shall have entered into a new Collective Agreement;

whichever is the earliest.

It is understood and agreed between the Employer and the Union that the operation of subsections (2) and (3) of Section 50 of the Labour Relations Code is hereby excluded from and shall not be applicable to this Agreement.

## 2. DEFINITIONS

2.1 The following terms defined in this Clause unless otherwise specifically provided herein, shall have for the purposes of this Agreement the meanings hereinafter specified:

- (a) "Regular Full-Time Employee" means an employee who is employed on a full-time basis of 35, 37½, 40 or such other number of weekly hours as is recognized in this Agreement as normal for a particular class of positions, for an indefinite period of time;
- (b) "Temporary Full-Time Employee" means an employee who is employed on a full-time basis as set forth above, for a definite and limited period of time (which may be extended or cut short by circumstances which could not be foreseen at the time of hiring);
- (c) "Regular Part-Time Employee" means an employee who is employed on a regular part-time schedule of weekly hours which are less than the number constituting full-time employment for a particular class of positions, for an indefinite period of time;
- (d) "Auxiliary Employee" means an employee other than an employee defined in Clauses 2(a), 2(b) and 2(c);
- (e) "Callout" means a call back to work of any employee by the Employer under Clause 7.6;
- (f) "Overtime" means the work scheduled by the Employer under Clause 7.1;
- (g) "Standby" means a requirement by the Employer of any employee to stand by for a call to work under Clause 7.5.

## 3. UNION SECURITY

All present employees who are now members of the Union shall remain members of the Union. All persons employed on or after 12 April, 1974, shall apply to the Union to

become members thereof by the pay period immediately following completion of thirty (30) calendar days of employment. All present employees who are now members of the Union and those employees who subsequently become members of the Union shall remain members of the Union as a condition of employment provided that no employee shall be deprived of employment by reason of loss of membership in the Union for reasons other than failure to pay the regular Union dues that all other members of the Union are required to pay to the Union nor shall any employee be deprived of employment by reason of the refusal of the Union to admit such employee to membership in the Union.

All employees covered by the Union Certificate of Bargaining Authority shall pay to the Union an amount equal to the Union's dues, such payment to be made by payroll deduction. The deduction shall be back-dated to the date the employee commences work provided the employee is still in the employ of the Employer on the final day of the first pay period. Where appropriate, the first deduction shall be prorated and deductions for all subsequent pay periods shall be made provided an employee works any part of the pay period.

#### 4. RIGHTS OF MANAGEMENT

Any rights of management which are not specifically mentioned in this Agreement and are not contrary to the Agreement shall continue in full force and effect for the duration of this Agreement, always provided that in the exercise of the aforementioned management rights there shall be no discrimination.

#### 5. REMUNERATION

##### 5.1 Pay Schedules

The scale of remuneration set out in Schedule "A" attached shall apply during the term of this Agreement.

##### 5.2 Pay Days

The wages of the employees covered by this Agreement shall be paid every second Friday, PROVIDED HOWEVER that where the pay day falls on a public holiday, as provided for in Clause 11.3(a), then the employees shall be paid on the last working day immediately preceding such day. For the purpose of this sub-clause only, a working day means a regular working day of the office employees at the City Hall.

##### 5.3 Effective Date for Individual Adjustments

Individual pay adjustments arising from periodic increments, reclassifications, revaluations and promotions (but not for acting in a higher capacity) are to commence at the beginning of the bi-weekly pay period the first day of which is nearest the calendar date of the pay adjustment.

Note: This item is not intended to interfere with provisions regarding pay for acting in a higher capacity which were in effect on May 2, 1981.

#### 5.4 Definition of a Day and a Week

For the purpose of computing pay other than overtime, the end of each day shall be midnight and the end of a week shall be Thursday midnight (except for employees on Schedule "B" annexed hereto who start their normal shifts before midnight and finish after midnight, in which case the end of the scheduled shift shall be the end of the day). For the purpose of computing overtime pay, the end of a week shall be Sunday midnight. These definitions of a week are not to alter in any way the definition of "normal work week" outlined later in this Agreement under the Clause headed "Working Conditions".

#### 5.5 Trades Adjustments

Where a specific Journeyman Trades, Trades II and/or related supervisory class(es) has been identified by the Employer as being behind market and such trade has been difficult to recruit for or to retain employees in, the Employer may temporarily increase the rate of pay for the trade and/or related supervisory class(es) with the agreement of the Union. Such agreement by the Union shall not be unreasonably withheld. Where the Employer believes that the Union has unreasonably withheld their agreement the grievance procedure shall be deemed to be exhausted and the Employer may refer the matter to the Expedited Arbitration procedure contained in the B.C. Labour Relations Code.

Such temporary increases will be reviewed annually on July 31 or such other date as mutually agreed between the parties. Upon such annual review, if the rate of pay for a specific Journeyman Trade or Trades II class is found to be above market then the rate of pay for the classification and/or its related supervisory class(es)/positions may be adjusted by the Employer to reflect the new market conditions. Those employees who would be adversely affected by such an adjustment shall remain at their current rate until such time as the general negotiated increases result in a rate that matches or exceeds the employee's current rate, at which time employees shall again become eligible for subsequent general increases.

It is understood that the Employer may make adjustments to individual classes/positions to address market and recruitment issues and that it is not required to apply such adjustments across all Journeyman Trades, Trades II or their related supervisory classes/positions.

### 6. WORKING CONDITIONS

#### 6.1 Work Methods

The City Engineer shall be responsible for setting the hours of work within the normal work day and at all times for deciding the methods by which employees shall work under the terms of this Agreement.

## 6.2 Hours of Work and Work Weeks

- (a) Except as otherwise provided for in this Agreement, the normal work week shall be Monday to Friday. The normal hours of work shall consist of any eight (8) hours between 7:00 a.m. and 5:00 p.m.

Except as otherwise provided in the Agreement, no eight (8) hour shift shall be spread over a period of longer than eight and one-half (8½) hours with one-half (½) hour off for lunch.

- (b) Where the Employer's operations require work weeks other than Monday to Friday or hours of work other than eight (8) hours between 7:00 a.m. and 5:00 p.m., such adjustments shall be by mutual consent between the Employer and the Union and such consent by the Union shall not be unreasonably withheld. Such adjustments shall be reflected in Schedule "B" and further adjustments of an on-going nature agreed upon during the term of the Agreement shall be added thereto.

Where the Employer believes that the Union has unreasonably withheld their consent to hours of work adjustments the grievance procedure shall be deemed to be exhausted and the Employer may refer the matter to the Expedited Arbitration procedure contained in the B.C. Labour Relations Code.

- (c) (i) Except where a provision in the Agreement or a currently accepted practice specifically contemplates otherwise, (for example, the Overtime, Callout and non-standard work week provisions) employees shall have not less than eight (8) consecutive hours free from work between each shift worked and not less than thirty-two (32) consecutive hours free from work each week.
- (ii) Where an employee is required to work within the eight (8) or thirty-two (32) hour free period, the time worked during the work free period shall be subject to the appropriate overtime provisions.
- (d) The eating period provided under (a) above shall be scheduled so as to prevent any employee from working more than five (5) consecutive hours without an unpaid eating period.

## 6.3 Rest Periods

Two (2) rest periods of ten (10) minutes each will normally be allowed to each employee during the working shift. In as far as practicable, the first shall be taken midway between the start of the shift and the lunch period and the second midway between the lunch period and the end of the shift. The City Engineer or representative shall determine the time and the manner in which an employee's rest period may be taken and in the event of emergency such rest period may be cancelled.

#### 6.4 Daily Guarantee

- (a) Subject to the provisions of Clause 6.4(c), an employee reporting for a scheduled shift on the call of the Employer, shall receive their regular hourly rate of pay for the entire period spent at the place of work, with a minimum of two hours' pay at the regular hourly rate.
- (b) Subject to the provisions of Clause 6.4(c), an employee other than a school student on a school day who commences work on a scheduled shift, shall receive the regular hourly rate of pay for the entire period spent at the place of work, with a minimum of four hours' pay at the regular hourly rate.
- (c) In any case where an employee (i) reports for a regular shift but refuses to commence work, or (ii) commences work but refuses to continue working, the employee shall not be entitled to receive the minimum payments set forth in Clause 6.4(a) and 6.4(b).

#### 6.5 Change of Shift for Emergency Conditions

Notwithstanding any other Clause in this Agreement, when, because of emergency conditions caused by snow, ice, flooding, wind, earthquake or other like circumstances, an employee is required to work on shifts other than the normal day shift as defined in Clause 6.2, the employee shall receive the regular rate of pay, or the regular rate of pay for the class of work performed, whichever is higher, for each of the first three (3) consecutive shifts so worked, plus shift premium which shall be paid in accordance with Clause 6.8.

If the emergency condition continues beyond three (3) days, such employee shall be paid the first eight (8) hours of the fourth and subsequent shifts at straight time for the class of work performed, plus shift premium, which shall be paid in accordance with Clause 6.8, provided that the employee is required to work on shifts other than the normal day shift as defined in Clause 6.2.

No travel time shall be allowed under this Clause 6.5.

An employee hired specifically for emergency work shall be paid straight time for the first eight (8) hours per shift, according to classification, regardless of the time of such shifts. Overtime rates shall apply after eight (8) hours' work in any shift.

#### 6.6 Change of Normal Shifts (Other than Emergency Conditions)

When conditions arise (other than emergency conditions) requiring employees to work on organized shifts other than their normal shifts, they shall be paid their standard rate of pay plus the approved shift premium.

#### 6.7 Split Shifts

- (a) A split shift occurs when an employee starts a normal shift but is sent home to return for emergency work later in the day.

- (b) Where an employee works a split shift, the shift shall be completed within twelve (12) hours of commencing such shift.
- (c) In cases of emergency including snow clearing, sanding of streets, flooding or like circumstances, making it necessary for an employee to work a split shift in order to carry on work outside the normal work day, standard rates shall prevail until a total of eight (8) hours has been worked.
- (d) One (1) hour extra at straight time will be allowed for travelling time.

## 6.8 Shift Premium

Regular Full-Time Employees in the following classes

- (i) the classes of work for which shift premiums were paid under the Collective Agreement made between the Employer and the Union and dated as of January 1, 1979; and
- (ii) the watchman class,

shall be paid a shift premium of 75¢ (eighty-five cents (85¢), effective 2007 October 14) per hour for all regular hours worked more than one hour on either side of the normal hours of work as defined in Clause 6.2, provided that where the majority of an employee's regular hours of work fall outside the period described above, the shift premium shall apply to the entire shift.

## 7. OVERTIME, CALLOUT AND STANDBY

### 7.1 Definition

Overtime shall be defined for Regular Full-Time Employees as:

- (i) time worked immediately following the employee's regular shift;
- (ii) time worked immediately preceding the employee's regular shift where it has been prescheduled by notice provided prior to the end of the employee's previous shift;
- (iii) time worked at any other time where it has been prescheduled by notice provided prior to the end of the employee's regular shift except as otherwise provided in Clause 11.3.

### 7.2 Overtime Pay

Regular Full-Time Employees who elect to be paid for overtime worked shall be paid for the performance of overtime work scheduled by the Employer under Clause 7.1 at the following overtime rates:

- (i) time and one-half the regular rate of pay for the first two (2) hours of overtime worked immediately preceding or immediately following an employee's regular shift;
- (ii) double the regular rate of pay for all overtime in excess of the first two (2) hours thereof worked immediately preceding or immediately following an employee's regular shift;
- (iii) double the regular rate of pay for all overtime worked at any other time than at the times set forth in items (i) or (ii) of this Clause. Employees shall be paid a minimum of one and one-half (1½) hours at double time for overtime worked pursuant to this paragraph (iii).

### 7.3 Compensating Time Off (C.T.O.)

- (a) Every employee who is required to work overtime, or work on a public holiday, shall at the time of working overtime or at the time of working on a public holiday, elect whether to be paid therefor or receive compensating time off in lieu thereof. Thereafter, the method of compensation selected will not be changed unless the Supervisor is notified otherwise.

An employee who elects to receive compensating time off in lieu of being paid overtime or for time worked on a public holiday shall be credited with compensating time off equivalent to the number of hours that would have been paid at straight time for the overtime so worked, at the rate or rates of pay in effect at the time such overtime was worked, subject to the following conditions:

- (i) Time off in lieu of overtime and work on public holidays may not be added to the annual vacation if any part of the vacation falls within the period from June 15th to September 15th, except as provided in Clause 7.3(b).
- (ii) If the employee does not receive all of the compensating time off by 31 March of the year following the year in which the overtime was worked giving entitlement to such compensating time off, or prior to leaving the service of the Employer for any reason (whichever event occurs first), the employee shall be paid in cash for the overtime for which no compensation was received at the rate or rates of pay in effect at the time such overtime was worked.
- (iii) Time off in lieu of overtime, or work on public holidays, must be approved by the employee's Branch Superintendent, and may be taken in no less than multiples of one week (five work days) at one time, except as provided in Clause 7.3(b). These days may be made up of days off in lieu of overtime or time worked on public holidays, regular vacation, a public holiday in that particular week, or gratuity days necessary to make up a two-week or more leave.

- (iv) Employees required to work on public holidays shall receive eight (8) hours' pay at straight time in accordance with Clause 11.3(b) for the public holiday so worked.

It is understood that employees now working on public holidays will continue to do so.

- (b) Upon written application of individual employees, the City Engineer may permit the requirements of Clauses 7.3(a)(i) and 7.3(a)(iii) herein to be relaxed if conditions in the Branch permit. The Union recognizes that conditions vary from Branch to Branch and that the relaxation of requirements will vary from Branch to Branch.
- (c) Cost Recovery

Effective 2007 October 14:

Where an employee works overtime and/or is called out to deal with situations where the Employer is able to recover the overtime and/or callout costs from the Provincial Emergency Program, the Employer shall have the option of paying the employee for such overtime and/or callout, or granting the employee compensating time off in lieu of being paid for such overtime and/or callout.

#### 7.4 Time Lost Through Lack of Work or Sickness

Any employee who is sent home during the normal work week because of lack of work, or who has not completed forty (40) hours' work at their standard rate of pay in that week due to sickness in respect of which a certificate from a duly qualified medical practitioner has been provided, shall be paid overtime rates for all work performed outside normal working hours or on the employee's normal scheduled rest days, as if the regular shifts had been worked unless such hours are due to a change in shift as outlined in the Clauses 6.5 and 6.6 on "Change of Shifts". Overtime rates, however, shall not be paid an employee who, in the opinion of the City Engineer, has been absent without adequate reason and who therefore has not completed forty (40) hours of work at the standard rate of pay in that work week.

#### 7.5 Standby

- (a) Employees who are designated to stand by between the end of a normal day shift on the first day of work in a normal work week (excluding public holidays) until the beginning of the normal day shift on the last day of work in the normal work week shall be paid one hour's pay at the employee's rate of pay (except where the special rate of pay to be paid Waterworks and Sewers employees applies under Clause 7.5(d)) for each period of eight (8) hours that the employee stands by in addition to any callout pay entitled under Clause 7.6.
- (b) Employees who are designated to stand by for a call to work at any other time (that is during public holidays and weekends) shall be paid (1) hour's pay at the employee's rate of pay (except where the special rate of pay to be paid to Waterworks and Sewers employees applies under Clause 7.5(d)) for each

period of six (6) hours that the employee stands by in addition to any callout pay entitled under Clause 7.6.

- (c) Where the period of time which an employee stands by exceeds a multiple of six (6) hours or eight (8) hours (as the case may be) the residual balance shall be compensated as follows:
  - (i) one-half ( $\frac{1}{2}$ ) hour's standby pay for periods of half or less than half of the full period.
  - (ii) one (1) hour's standby pay for periods of more than half of the full period.
- (d) Where an individual employee of the Waterworks or Sewers Branch is on standby, the employee shall be paid not less than that employee's regular classified rate or the regular classified rate of Sub-Foreman II whichever is the greater while on standby and during a resulting callout.

Where two or more employees of the Waterworks or Sewers Branch are on standby as a work unit or crew, then the employee who is designated as being in charge of the work unit or crew shall be paid not less than that employee's regular classified rate or the regular classified rate of Sub-Foreman II whichever is the greater while on standby and during a resulting callout.

#### 7.6 Callout

- (a) Callout is to be defined for Regular Full-Time Employees and Temporary Full-Time Employees as being called back to work at any time following completion of an employee's regular shift except when prescheduled by notice provided prior to the end of the employee's previous regular shift which is defined as overtime in Clause 7.1.
- (b) An employee who is called back to work shall be paid double the rate of pay for the time actually worked plus 1 hour's allowance at double the rate of pay for travelling to and from home, with a minimum of 3 hours' pay at double the rate of pay. (The minimum includes one (1) hour for travelling time.)
- (c) If additional calls are made upon the employee prior to the expiry of the 3 hour period or prior to the employee's arrival home, whichever last occurs, such additional calls shall not attract an additional 3 hours minimum, but the employee shall be paid for the time actually worked plus an additional 1 hour's allowance at double the rate of pay for travelling to and from home. If two separate callouts are completed within a 3 hour period, the minimum payment shall be 4 hours at double the rate of pay. (The minimum includes two (2) hours for travelling time.)
- (d) Notwithstanding the callout minimum, an employee who is at the work place prior to the commencement of the employee's regular shift and who is required to commence work prior to the commencement of the employee's regular shift

shall be paid in accordance with the overtime provisions for the actual time worked prior to the commencement of the employee's regular shift.

## 8. SPECIAL PREMIUM PAY

### 8.1 Travel Time

The Regular Full-Time Employees listed below who remain regularly employed at Burns Bog in the Municipality of Delta, and who continue to reside in the City of Vancouver shall be paid one-fifth ( $\frac{1}{5}$ ) of an hour of their regular pay for every shift worked.

A. Pavone

### 8.2 Continuance of Regular Pay Following Breakdown of Truck or Equipment

### 8.3 Bridge Painters

A premium of thirty-five cents (35¢) per hour shall be paid to Bridge Painters when they are working over the sides or under the decks of bridges maintained by the City, or for working in closed columns, boxes and expansion joints. - (ii) Notwithstanding anything contained in this Clause 10.3(a) whenever one of the aforementioned public holidays, other than Christmas Day and Boxing Day, fall on a Saturday or Sunday, instead of having all the employees observe the public holiday on the same day the Employer may declare both the Friday immediately preceding such public holiday and the Monday immediately following the same for the observance of such public holiday and such of the employees as shall be designated by the Employer in such declaration shall be entitled to a holiday with pay in lieu of such public holiday on the Friday named by the Employer

For the purposes of this Clause 10.3(b) a public holiday does not include a holiday declared by the City pursuant to Clause 11.3(a)(ii) unless the employee is entitled to that holiday with pay in lieu of a public holiday.
- (c) Whenever a public holiday defined in Clause 10.3(a) falls on a Saturday or Sunday and is observed on any day from Monday to Friday, the day on which such holiday is observed shall, for the purposes of those employees referred to in Clause 10.3(b), be deemed to be a public holiday and if such employees work on the Saturday or Sunday they shall not be entitled to public holiday premium pay for work on either of those days.

Notwithstanding anything contained in Clause 10.3(a) or 10.3(b) prior to the beginning of any calendar year the Employer and the Union may agree that whenever a public holiday defined in Clause 10.3(a) falls on a Saturday or Sunday those employees referred to in Clause 10.3(b) shall be paid public holiday premium pay for working on the Saturday or Sunday but such employees shall be paid public holiday premium pay only once for the same holiday.

For the purposes of this Clause 10.3(c), the premium rate which is paid for hours worked on public holidays is not to be treated as an overtime premium but overtime rates will become applicable as provided for in Clauses 7.1 and

7.2 if work on a public holiday extends beyond the employee's normal daily hours.

Such matters shall be referred and dealt with as part of the next round of collective bargaining unless there is mutual agreement to submit specific disputes to a third party arbitrator.

19. TECHNOLOGICAL CHANGE

During the term of this Agreement any disputes arising in relation to adjustment to technological change shall be discussed between the bargaining representatives of the two parties to this Agreement.

Where the Employer introduces or intends to introduce, a technological change, that:

- (a) affects the terms and conditions, or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated;

either party may, if the dispute cannot be settled in direct negotiations, refer the matter directly to an arbitration board constituted under Clause 15 of this Agreement, by-passing all other steps in the grievance procedure.

The arbitration board shall decide whether or not the Employer has introduced, or intends to introduce a technological change, and upon deciding that the Employer has or intends to introduce a technological change the arbitration board:

- (a) shall inform the Minister of Labour of its finding; and
- (b) may then or later make any one or more of the following orders:
  - (i) that the change be made in accordance with the terms of this Agreement unless the change alters significantly the basis upon which this Agreement was negotiated;
  - (ii) that the Employer will not proceed with the technological change for such period, not exceeding ninety days, as the arbitration board considers appropriate;
  - (iii) that the Employer reinstate any employee displaced by reason of the technological change;

- (iv) that the Employer pay to that employee such compensation in respect of the displacement as the arbitration board considers reasonable.

The Employer will give to the Union in writing at least ninety days' notice of any intended technological change that:

- (a) affects the terms and conditions or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated.

20. EMPLOYMENT EQUITY

The Employer and the Union agree with employment equity programs which will assist visible minorities, persons with disabilities, First Nations people, and women in gaining entry into employment and which will provide opportunities for advancement.

21. CONDITIONS AND BENEFITS NOT MENTIONED

Any working conditions, holiday benefits, welfare benefits, or other conditions of employment at present in force and recognized by both parties which are not specifically mentioned in this Agreement and are not contrary to its intention, shall continue in full force and effect for the duration of this contract.

22. CHANGES AFFECTING THE AGREEMENT

The Employer agrees that any reports or recommendations made to Council dealing with matters covered by this Agreement, including recommendations for changes in method of operation that may affect wage rates, work loads or reduction of employment, will be communicated to the Union at such interval before they are dealt with by Council as to afford the Union reasonable opportunity to consider them and make representations to Council concerning them and, further, that if employees are deprived of employment by any implementation of such change they shall receive priority consideration for other employment with the Employer.

23. SCHEDULES

The Schedules attached hereto and marked with the letters "A" to "G" shall form part of this Agreement.

IN WITNESS WHEREOF the parties hereto have caused to be affixed to this Agreement their respective seals attested by the signatures of their respective proper officers duly authorized for such purpose.

SCHEDULE "D"

This is Schedule "D" referred to in  
Clause 22 of this Agreement

PART I1977 NEGOTIATIONS

The Employer and the Union agree as follows:

The following are items 21 and 24 of the Memorandum of Agreement dated June 14, 1977, and entered into between the bargaining representatives of the Employer et al and the bargaining representatives of the Union et al:

21. Compressed Work Week

With respect to the Union's proposal for a Compressed Work Week based on present hours, it is agreed that decisions regarding whether or not, and if so, to what extent compressed work weeks should be introduced into the operation of any of the Employers, should be made in local discussions between individual Employers and their respective Local Unions. It is agreed, however, that arrangements for the conversion of fringe benefits from a 5-day week basis to a 4-day week basis or to a 9-day fortnight basis shall be made in accordance with one or other of the standard formulas the details of which are set forth in Appendix "A" which is attached to this Schedule "D".

It is expressly agreed that the various formulas which are to be included within all new Agreements, are to be based upon the principle that any adjustment from a 5-day week is to be accomplished with neither any additional salary or benefit cost to the Employers nor any reduction in the salaries or benefits received by their employees.

AGREEMENTS RESULTING FROM LOCAL NEGOTIATIONSRotating Shift-Equipment Branch

The Union agrees in principle to the Employer's demand for the establishment of a partial rotating shift in the Equipment Branch, subject to further discussions with representatives of the Engineering Department concerning the method of implementation.

APPENDIX "A"

This is the Appendix referred to in  
Section 21 of Schedule "D", Part I

Principles Governing the Conversion of Employee Fringe Benefits in Cases of Introduction or  
Renewal of Compressed Work Weeks

---

In the event that any of the parties to this Memorandum of Agreement decide in local discussions to extend the existing conversion of, or to convert the work week of the employees staffing the whole or a part of an Employer's operations, from five (5) working days to four (4) working days per week or to nine (9) working days per fortnight, it has been agreed that such employees' fringe benefits shall be converted as follows:

1. Basic annual working hours shall be calculated as  $260.89 \times$  daily working hours as per the 5-day week; e.g.,  $260.89 \times 7 = 1826\frac{1}{4}$ , or  $260.89 \times 7.5 = 1956.675$ .
2. Basic annual public holiday hours shall be calculated as  $11 \times$  daily hours as per the 5-day week; e.g.,  $11 \times 7 = 77$ , or  $11 \times 7.5 = 82.5$ .
3. Account shall be taken of the difference in basic annual rest period allowances; e.g.,  $52.178 \text{ weeks} \times 5 \text{ days} \times 20 \text{ minutes} (= 86.96 \text{ hours})$  in the case of the standard 5-day week;  $52.178 \times 4 \times 20 \text{ minutes} (= 69.57 \text{ hours})$  in the case of the 4-day week; and  $52.178 \times 4.5 \times 20 \text{ minutes} (= 78.27 \text{ hours})$  in the case of the 9-day fortnight.
4. Employees shall have at least two of their days off in any week consecutive, and such days off shall for purposes of Overtime pay be deemed to be the "first scheduled rest day" and the "second scheduled rest day". Pay for any work on the third day off in any week shall be in accordance with normal daily overtime rates.
5. For the purposes of Overtime pay on scheduled working days, normal daily working hours and the normal work week shall be considered to be those lengths of time established by the parties pursuant to paragraph 8 herein.
6. Annual Vacation entitlement and all credits for Deferred Vacation, Supplementary Vacation, Sick Leave benefits and Gratuity benefits shall be converted from working days to working hours by multiplying the number of days to an employee's credit by the daily working hours as per the previous 5-day week. All deductions or debits shall be made on the basis that each working day of absence shall be measured as the length of time established by the parties pursuant to paragraph 8 herein.
7. Notwithstanding any clause in a collective agreement to the contrary, an employee shall not receive pay for acting senior capacity where they have been temporarily required to accept the responsibilities and carry out the duties of a senior position because of the absence of the incumbent of that senior position due to the compressed work week.

APPENDIX "A" (cont'd)

8. In order to establish the length of the compressed work day and the compressed work week, the parties are to be governed by the principle that the basic annual working hours less basic annual public holiday hours and less basic annual rest period allowances are to remain the same under the compressed work week as they were under the standard work week.

The parties will be free to decide how to deal with the matter of public holidays in accordance with one or other of the three following ways, and their decisions will determine automatically the lengths of the compressed work day and work week:

- (a) Revert to a standard 5-day week in any week when a public holiday occurs;
  - (b) Change days off during any week when a public holiday occurs in order that each employee will work on four (4) days in every week of the year with the sole exception being when Christmas Day and Boxing Day are observed in the same week in which case each employee will work three (3) days in that week and 5 days in the immediately preceding week.
  - (c) Have a compressed work day off with pay for each public holiday, and owe the Employer the difference in hours between the length of the compressed work days and the length of the employee's former standard work day.
9. Whenever any doubt arises as to how the fringe benefit conversion should be made with respect to any item (whether or not covered by this Appendix "A"), the doubt shall be resolved by reference to the basic principle agreed upon by all parties to this Memorandum, i.e., there shall be no additional salary or benefit cost to the Employer, and no reduction in the salaries or benefits received by the employees.

SCHEDULE "D"PART II1991-1993 NEGOTIATIONS1. Employment Equity Committee

The Employer, the VMREU and CUPE 1004 agree to establish a committee to review matters related to Employment Equity including the review of specific classes which are under-represented by women, visible minorities, First Nations people, and persons with disabilities.

2. Nine-Day Fortnight

Effective within three (3) months following 1992 April 09, the Employer is prepared to implement on a trial basis a nine-day fortnight (term to be determined) in the Manitoba Yard Garage, Manitoba Shops and Cambie Garage on the night shift. The Automotive Serviceworker (Police) at the Cambie Garage are excluded from this provision. The nine-day fortnight shall be subject to mutually acceptable terms and conditions being worked out.

3. Rehabilitation Committee

The City of Vancouver, Vancouver Parks Board, CUPE 1004, and the VMREU agree to establish a committee during the term of the Agreement with the purpose of:

- (a) identifying positions which may be used by employees who are medically unfit to perform their job who may be retrained and/or are returning from Disability benefits or WCB;
- (b) to work out a process for placing such workers in identified positions;
- (c) to determine how the objectives of the Committee may be met with respect to seniority, postings, and crossing of jurisdictional boundary issues; and
- (d) to ensure employees who are in receipt of disability benefits who are medically fit to participate in suitable rehabilitation opportunities, either graduated return to work or other rehabilitation activities, are encouraged to participate in such programs.

In this regard, the City is prepared to commit three (3) Flagging positions to be designated for alternate employment.

This committee may be disbanded by any of the participants at the expiry of ninety (90) days' written notice to the other participants.

Canadian Union of Public Employees, Local 1004

Dear Mr. Davidson:

Re: Welding

The mechanics in the Garage are permitted to use oxyacetylene equipment for the purpose of affecting small repairs by brazing, soldering or cutting. The training of Heavy Duty Apprentices in simple welding and cutting techniques should be done by the Welding Shop as required.

The Body Shop is separate and apart from the Garage in this agreement as the use of welding techniques using oxyacetylene and electric equipment is inherent to body repair work.
