- (ii) The application of this provision shall not result in an employee, in the exercise of his rights, bumping an employee with less seniority.
- (d) Details of the application of this Section shall be worked out by the Local Union and the Company.

Section 3: Retention During Layoff

It is agreed between the Parties that seniority during layoffs shall be retained on the following basis:

ARTICLE 27 – ADJUSTMENT OF GRIEVANCES

Section 1: Procedure

The Company and the Union mutually agree that, when a grievance arises in the plant or camp coming under the terms of this Agreement, it shall be taken up in the manner set out below:

Step One

The individual employee involved, with or without a Shop Steward, shall first take up the matter with the foreman directly in charge of the work within fourteen (14) days after the date on which he is notified orally or in writing, or on which he ought to have been aware of the action or circumstances giving rise to the grievance. A policy grievance filed or declared by a member of a plant/camp committee, the Local Union or by the Company, shall commence at Step 3 of the grievance procedure. Where the Union and Company agree that a grievance is a group or et al. grievance, such grievance will begin at Step 2.

Step Two

If a satisfactory settlement is not reached at Step One, the Shop Committee shall take up the grievance with either the personnel officer or superintendent, or both, as designated by the Company. A statement in writing of the alleged grievance, together with a statement in writing by the foreman, shall be exchanged by the Parties concerned.

Step Three

If the grievance is not then satisfactorily solved, it shall be referred to the Union and the Management.

Step Four

If a satisfactory settlement is not then reached, it shall be dealt with by arbitration as set forth in Article 28.

Section 2: Time Limit

If a grievance has not advanced to the next stage under Step Two, Three, and Four within fourteen (14) days after completion of the preceding step, then the grievance shall be deemed to be abandoned, and all rights of recourse to the grievance procedure shall be at an end. Where the Union is not able to observe this time limit by reason of the absence of the aggrieved employee or the Shop Committee from the camp the said time limit shall not apply. The Union shall be bound to proceed in such a case as quickly as may be reasonably possible.

ARTICLE 28 – ARBITRATION

Section 1: Interpretation

In case of any dispute arising regarding the interpretation of this Agreement which the Parties hereto are unable to settle between themselves, the matter shall be determined by interpretation in the following manner:

- (a) Either Party may notify the other Party in writing, by registered mail, of the question or questions to be interpreted. Within five (5) days of receipt of such

notice and statement each Party shall refer the matter to the Interpreter selected by the Parties in accordance with the provisions of this Section.

- (b) The decision of the Interpreter will be final and binding upon the Parties of the First and Second Parts.
- (c) The Parties agree to jointly seek a permanent interpreter to function under this Section.

Section 2: Grievances

- (a) In the case of a dispute arising under this Agreement, which the Parties are unable to settle between themselves as set out in Article 34, the matter shall be determined by arbitration as follows:

Either Party may notify the other Party and the arbitrator in writing, by registered mail, of the question or questions to be arbitrated.

After receiving such notice and statement the arbitrator and the other Party shall within three (3) days acknowledge receipt of the question or questions to be arbitrated.

- (b) No one shall serve as an arbitrator who:
 - (i) either directly or indirectly has any interest in the subject of the arbitration;
 - (ii) has participated in the grievance procedure preceding the arbitration;
 - (iii) is, or has been, within a period of eight (8) months, preceding the initiation of arbitration proceedings, employed by any Local Union of the USW, or a Company directly engaged in the forest products industry.
- (c) The decision of the arbitrator shall be final and binding upon the Parties of the First and Second Parts.
- (d) If the arbitrator finds that an employee has been unjustly suspended or discharged, that employee shall be reinstated by the Company without loss of pay and with all his rights and privileges preserved under the terms of this Agreement, provided always that if it is shown to the arbitrator that the employee has been in receipt of wages during the period between discharge (or suspension) and reinstatement, or date of failure to rehire and rehiring, the amount so received shall be deducted from wages payable by the Company pursuant to this Section, further provided that the wages so deducted shall be first reduced by the amount required for the payment of fare from the original place of employment and to the place where employed during the period of discharge (or suspension) and return.

- (e) The arbitrator shall be required to hand down his decision within fourteen (14) days following completion of the hearing.
- (f) The Parties shall appoint a panel of eight (8) arbitrators. The single arbitrator shall be selected from this panel. If the Parties fail to appoint the required eight (8) arbitrators, they shall forthwith request the Honourable Minister of Labour of the Province of British Columbia to appoint the arbitrator required.
- (g) The single arbitrator shall be selected from the panel of eight (8) arbitrators on a rotational basis. If an arbitrator selected to hear and determine a dispute is unable to schedule a hearing to occur within thirty (30) days of the date of his selection the dispute shall be reassigned to the next arbitrator in the rotation.

Section 3: Expedited Arbitration

To facilitate the timely resolution of grievance matters which remain unresolved following the conclusion of the procedures for Adjustment of Grievance contained in Article 27, the parties agree to implement an expedited arbitration procedure, as follows:

- (a) Two arbitrators will be selected to serve as Chairpersons to resolve disputes referred to expedited arbitration. The parties will each select one Chairperson who will provide available dates for hearings.
- (b) The agreement of both parties will be required before advancing a grievance to the expedited arbitration procedure. However, once the parties have agreed to proceed to the expedited arbitration procedure, that decision shall not be revoked except with the consent of both parties.
- (c) The parties will meet within fourteen (14) days following the date of the 3rd stage response to decide on proceeding to expedited arbitration, unless there is mutual agreement to extend the time limit.
- (d) The parties will attempt to develop an agreed Statement of Fact for submission to the Chairperson. In the event that the parties cannot agree on all of the facts, each party shall submit a full statement of all facts upon which they rely to the Chairperson. In addition, each side will develop written submissions outlining their respective position and argument on the dispute for the consideration of the Chairperson. Both the Statement(s) of Fact and the written submissions of the parties will be provided to the Chairperson no later than fourteen (14) days prior to the hearing date and the written submissions of the parties will be exchanged at that same time.

- (e) No legal counsel will be used by the parties during the course of the hearing. Witnesses and oral submissions from the parties during the hearing will be at the discretion of the Chairperson.
- (f) Decisions by the Chairperson will be accompanied by a brief rationale for the decision. All decisions of the Chairpersons are limited to the dispute at hand and will be without precedent or prejudice to any and all existing or future grievance, arbitration and interpretation matters. Decisions of the Chairperson are to be rendered within 10 days of the hearing.
- (g) The parties agree that the decision of the Chairperson is final and binding and will not be subject to appeal or review.
- (h) The Parties further agree that this Section is entered into on a trial basis and will expire in accordance with the terms of this Agreement.

Section 4: Cost Sharing

The parties shall jointly bear the cost of the arbitrator.

Section 5: Place of Hearing

Any arbitration to be held hereunder shall be held at the City of Vancouver or at such other place as may be decided by the Parties.

ARTICLE 29 – STRIKES AND LOCKOUTS

- (a) There shall be no strikes or lockouts by the Parties to this Agreement with respect to any matter arising out of the Agreement for which arbitration is provided under the terms of the Agreement.
- (b) The Parties to this Agreement expressly agree that there will be no activity within the meaning of (a) above threatened, declared, authorized, counseled, aided or brought about on its part.
- (c) In the event of a strike during the term of this Agreement the Union will instruct its members and Officers who may be involved to cease such activity and comply with the terms of this Agreement.

ARTICLE 30 - DURATION OF AGREEMENT

- (a) The Parties hereto mutually agree that this Agreement shall be effective from and after the 15th day of June, 2010, to midnight the 14th day of June, 2015 and

thereafter from year to year unless written notice of contrary intention is given by either Party to the other Party within four (4) months immediately preceding the date of expiry. If no agreement is reached at the expiration of this Contract and negotiations are continued, the Agreement shall remain in force up to the time an agreement is reached or until negotiations are discontinued, by either Party.

- (b) The Parties hereto agree that the operation of Sections 50(2) and 50(3) of the *Labour Relations Code* of British Columbia, R.S.B.C. 1996, c. 244, is excluded from the Master Agreement.

SUPPLEMENT NO. 8

ALTERNATE SHIFT SCHEDULING

As referred to in Article 5 of the
Master Agreement

The following are the general principles for the establishment, implementation or discontinuance of alternate shift schedules.

1. FLEXIBILITY OF HOURS OF WORK

The parties recognize the need for flexibility of hours other than those outlined in Article 5 – Hours of Work, Section 1, for the express purpose of better utilization of manpower and equipment, and to increase business efficiency.

2. SHIFT SCHEDULING

- (a) Any shift schedule that falls outside the regular hours of work set out in Article 5, Section 1 is, by definition, an alternate shift schedule.
- (b) In accordance with Article 5, Section 2, the Company may implement alternate shift schedules without overtime penalty, provided the principle of the forty (40) hour week is maintained over an averaging period and:
 - (i) Except by agreement with the Local Union and subject to (ii), maximum scheduled daily hours of work will be 12 hours;
 - (ii) In logging the maximum scheduled daily hours of work for physically demanding or dangerous occupations will be 10 hours.

3. IMPLEMENTATION

- (a) Any implementation of an alternative shift must be done with bona fide business rationale. The Company will provide the business rationale demonstrating the need for an alternative shift, complete with the nature and details of the proposed alternative shift.
- (b) The business rationale will be reviewed by the Local Union and Plant / Camp Committee. The Company will provide information to the Union respecting how the shift schedule provided in Article V is not meeting the Company's business purposes.

- (c) The company agrees to work cooperatively with the Local Union and Plant / Camp Committee and will ensure that all relevant information is provided. The Local Union and Camp Committee will have the opportunity to review the business rationale and within a two (2) week period propose alternatives.
- (d) If the Union's alternative proposal is not accepted, the Company will detail the reason(s) why, and may implement the alternative shift proposed by the Company upon 72 hours' notice, or sooner in cases of other circumstances not in the control of the Company.
- (e) If the Company accepts the alternative proposal, there will be a three (3) month trial period to evaluate that alternative.
- (f) There will be a review of the alternative that was implemented and if the review demonstrates that the business rationale is not being achieved, the Company may implement the alternate shift schedule as proposed by the Company upon 72 hours' notice.
- Any dispute arising from this implementation process that the Company and the Local Union and Plant / Camp Committee are not able to resolve may be referred to the Shift Dispute Resolution procedure.

4. GENERAL PRINCIPLES

When an alternate shift schedule is in effect, hourly-based benefits (LTD, Pension, Education Trust Fund, SAFER), under the Collective Agreement will be administered on the basis of hours paid.

- (a) The Company agrees that alternate shift schedules will not be introduced where the intention is to increase the use of casual employees in place of regular employees.
- (b) Different parts of an operation may be scheduled on different shifts.
- (c) The principle of the forty (40) hour week is to be maintained over an averaging period. The averaging period will be the period of one shift cycle for any alternate shift schedule implemented in accordance with this Supplement No. 8 taking into account all the relevant circumstances. Prior to the introduction of the alternative shift the shortest possible averaging period will be determined
- (d) Overtime will not be scheduled as part of an alternate shift schedule. When alternate shift schedules are in place, the overtime provisions in Article 5, Section 2 will apply, except as referenced in (g) below.

- (e) All existing alternate shift agreements shall not be superseded by Article 5, Section 2, except by agreement between the Company and the Local Union.
- (f) Earned vacations will be scheduled on the same basis as days and hours worked under the alternate shift schedule.
- (g) Other Articles of the Collective Agreement, which provide benefits after eight (8) hours, are extended by the amount the regular hours of work have been increased beyond the eight (8) hours per day.
- (h) Employees who are scheduled to work an alternate shift schedule of less than 40 hours per week over an averaging period will nevertheless be paid 40 hours' pay. When an alternate shift schedule is used, each individual shift must be at least eight (8) hours long.
- (i) An employee's rest days may vary from week to week under an alternate shift schedule. Employees shall not be paid premium pay for changes in their rest days in these circumstances.
- (j) An employee whose rest days are changed by the Company under an established alternate shift schedule, shall receive rate and one-half for work performed on his rest days unless a change in rest day results from the application of seniority or has been agreed to between the employee and the Company.
- (k) There shall be no premium pay paid to any employee whose rest days are changed because of the implementation or discontinuance of an alternate shift schedule.
- (l) Where the Company does not provide to the employee seventy two (72) hours' notice of a change to an employee's work schedule, the employee will be paid at rate and one-half for his first shift on the new schedule. The Company will not change an employee's work schedule to avoid a statutory holiday.
- (m) For ten (10) hour shifts, rest periods will be one (1) ten (10) minute break and one (1) fifteen (15) minute break plus a one-half (1/2) hour unpaid meal break.
- (n) For twelve (12) hour shifts, rest periods will be two (2) fifteen (15) minute breaks plus a one-half (1/2) hour unpaid meal break. On a continuous twelve (12) hour shift schedule, the meal break will be paid at straight time rates. "Continuous twelve (12) hour shift schedule" means that there are two 12-hour shifts in a 12-hour period.
- (o) Statutory Holidays
 - (i) Immoveable Statutory Holidays (five in manufacturing, four in logging): Labour Day, Remembrance Day, Christmas Day, Boxing Day and New Year's Day are "immoveable" statutory holidays. The Company will not,

except in cases of operational emergency, compel employees to work “immoveable” statutory holidays.

- (ii) Moveable Statutory Holidays: Notwithstanding Article 10, Section 10, the Company, with the exception of the immoveable statutory holidays, shall have the right after consulting with the Local Union to require an employee to observe a Statutory Holiday on a day that is not the day on which the Statutory Holiday is normally observed. In all events, an employee will be entitled to a compensating day off, which shall be scheduled by mutual agreement within a 90-day period. In the event the company and the union are unable to agree on the scheduling of a substitute holiday within the 90-day period, the parties may agree to schedule it outside the 90-day period.
 - (iii) Where a statutory holiday falls on an employee’s rest day, the holiday is to be rescheduled on a work day to occur within a 90-day period by mutual agreement.
 - (iv) Identification of Moveable Statutory Holidays: Where an alternate shift equally bridges a holiday and a non-holiday (such as a shift from 1800h to 0600h), absent agreement between the company and the union, the Company determines which shift is to be observed as the Statutory Holiday.
 - (v) Payment for Working Statutory and Substituted Statutory Holidays: Employees whose Statutory Holiday is rescheduled under this paragraph will be paid consistent with Article 9, Sections 1 and 2 if they work the substituted Statutory Holiday. Specifically, an employee who works a moveable Statutory Holiday is paid at straight time rates. Where the company and union agree that the employee will not take a compensating day off and will work the “substituted” statutory holiday, the rate to be paid is double rate and one-half.
- (p) Statutory and Floating Holidays will be paid as per the employee's regular schedule.
 - (q) Bereavement Leave and Jury Duty shall be paid consistent with Article 19. These days will be paid at the regular daily wage consistent with the work schedule.
- Shift Differential shall be paid only for those hours worked outside the recognized dayshift for those employees working the alternate schedule in effect for that crew working in that part of the operation.
 - For those employees working an alternate shift schedule with shifts over eight (8) hours the sixty (60) working days referenced in Article 15 – Seniority, Section 5:

Probationary Period – will be changed to four hundred and eighty (480) working hours in a six-month floating period.

- The Company will provide notice of two weeks of discontinuance of any alternate shift implemented, except where a change in shift schedule is due to other circumstances not in the control of the Company. This discontinuance will not result in any overtime payments provided the full averaging period has been completed.

5. **SHIFT DISPUTE COMMITTEE**

- (a) The Parties agree that if the objectives sought in alternative scheduling are misunderstood the potential for disputes and disruption is assured. Therefore, it is further agreed that a proper dispute resolution procedure is necessary to ensure the ongoing viability of the industry.
- (b) The Parties agree to appoint high level representatives to a Shift Resolution Committee that will endeavour to resolve disputes through a problem solving approach.
- (c) The Shift Resolution Committee may assist with the implementation of shifts contemplated to meet an operational need or resolve implementation issues the Company and Local Union have been unable to resolve.
- (d) The Shift Resolution Committee will rely on the negotiated language and any other practical approaches that may assist.
- (e) In general, the terms of reference will be as follows:
 - (i) Emphasis on resolving alternate shifting disputes at the operational level between the parties in the event they have reached an impasse.
 - (ii) Defined timelines for advancing and investigating unresolved disputes.
 - (iii) Written statement of facts provided by the local union and the Company to clarify the issues in dispute.
 - (iv) No lawyers involved to allow the parties to explore practical solutions to the dispute.
 - (v) The use of a Facilitator to assist the parties in a non-binding manner.

(vi) The Shift Resolution Committee may refer any unresolved issues respecting implementation of an alternate shift schedule to expedited arbitration pursuant to Article 28, Section 3 of the Collective Agreement. The jurisdiction of an arbitrator appointed under this section is limited to examining whether or not the implementation process in Supplement No. 8 has been followed.

(f) Nothing in this section is intended to prevent or delay the implementation of an alternate shift schedule by the Company.
