2.02 Resident Care

The parties to this Agreement share a desire to provide quality resident care, to maintain professional standards and to promote the well-being and increased efficiency of employees, so that the residents will be well and effectively served.

ARTICLE 3 — EMPLOYER'S RIGHTS

3.01

The Union agrees that the management, operation and the direction of the workforce including, but not limited to hiring, firing, promotion, demotion, classification, reclassification, evaluation and scheduling of employees, is vested solely with the Employer unless the Agreement otherwise specifies. All rights and functions of the Employer shall be retained unless specifically modified by this Agreement.

3.02

The Employer may conduct its business in all respects in accordance with its commitments and responsibilities, including the right to maintain and improve order, discipline, and efficiency, except as this Agreement otherwise specifies.

3.03

- A) The Employer may make, alter from time to time, and enforce reasonable rules of conduct and procedure to be observed by the employees, except that such rules of conduct shall not be in breach of this Agreement.
- B) The Employer agrees not to contract out bargaining unit work to any outside agency or individual that will directly result in the lay-off of employees within the bargaining unit.

ARTICLE 4 — UNION RECOGNITION, RIGHTS, AND SECURITY

4.01 Recognition

- A) The Employer recognizes the Union as the exclusive bargaining agent for all employees for whom the Union has been certified as bargaining agent.

4.02 Scope of Agreement

This Agreement applies to all employees of the Employer who are included within the bargaining unit for which the Union is the certified bargaining agent.

4.12

4.13

The Employer agrees to deduct the amount of the Union dues, levies, assessments, and initiation fees payable by an employee in the bargaining unit and remit such deductions to the Union by the end of the month following the month of the deduction. The Employer will provide the Union with a list of employees from whom the deductions were made and the amount deducted from each employee. It is the obligation of the Union to keep the Employer informed of the amounts to be deducted.

The Employer shall supply each employee, without charge, a receipt for income tax purposes, shown on the T4 slip, in the amount of the deductions paid to the Union by the employee during the taxation year. The receipts shall be provided to the employee prior to March 1st of the succeeding year.

4.17 Unpaid Leave - Union Business

Such leave will not affect the employee's seniority, increment anniversary date, service for the purpose of vacation leave, sick leave, and special leave accumulation. The Employer will continue to pay premiums for medical, dental, extended health, group life, and LTD for the first three (3) months of the leave and BCNU will reimburse the Employer for the costs of such benefits.

It is further agreed that in the event the employee becomes disabled during this three (3) month period and is not covered by paid sick leave, the employee shall continue to be covered on the Employer's LTD Plan providing the Employer is reimbursed by the Union for the cost of this benefit.

The employee shall be entitled to return to the employee's former position with the Employer, and shall be provided with an adequate period of orientation upon return to work.

The employee shall not be subject to discipline by the Employer for activities related to work on behalf of the Union.

ARTICLE 5 — NO CESSATION OF WORK

5.01

During the life of this Agreement, the Employer agrees that it will not direct the lockout of employees, and the Union and the employees agree that there will be no strikes.

5.02

Subject to the requirements of the appropriate legislation, if any employee employed under the terms of this Collective Agreement refuses in good conscience to cross a legal picket line established by other employees, the employee will not be subject to disciplinary action by the Employer and will be considered to be absent without pay.

ARTICLE 6 — UNION/MANAGEMENT COMMITTEE

6.01

A Union/Management Committee will be established consisting of two (2) Employer Representatives and two (2) Union appointed Representatives. The Chairmanship of the Committee will alternate between an Employer Representative and a Union Representative. The Committee will not have the power to bind the Union or the Employer, but will make recommendations to the Union and the Employer on any matter

referred to it by the principals to the Agreement. The Committee will not have jurisdiction over any matter contained in this Agreement.

6.02

The Committee will meet once every two months to discuss matters of concern under Articles 2.01 - 2.02, including quality of resident care, safe nursing practice, continuing education, and job-training that may arise from technological change. Terms of reference for the Committee and an acceptable reporting format will be mutually agreed upon by the Committee. By mutual agreement, the Committee may access outside resources.

6.03

Copies of the Union/Management Committee meeting minutes shall be forwarded to the Administrator and to the BCNU.

6.04

Committee discussions on continuing education and professional development of nurses shall include leaves of absence, with full- or partial-pay, for nurses wishing to take courses, seminars, or studies relevant to geriatric nursing. - B) in receipt of a temporary license from one of the Associations prior to licensure; or
- C) in receipt of an interim permit from one of the Associations prior to registration.

7.02

A registered nurse is a nurse who is a graduate of an approved nursing program and who is currently registered as a member of one of the Associations.

ARTICLE 8 – GRIEVANCE PROCEDURE

8.01 Discussion of Differences

It is recognized that grievances may arise during the life of this Agreement concerning the interpretation, application, operation, or alleged violation of the Collective Agreement, including the question of whether the matter is arbitrable. The parties will attempt to resolve these grievances through the following process, and the employee(s) will continue to work in accordance with the Agreement until the difference is resolved.

8.02

Step 1

The Employer and the Union agree that every effort shall be made to settle the dispute at the local level. The aggrieved employee, with the steward, shall discuss the matter with the excluded supervisor and shall request a resolution of the matter from the supervisor. If the excluded supervisor fails to resolve the matter to the satisfaction of the employee, or fails to respond to the employee's request for resolution within the prescribed time, the employee shall inform the excluded supervisor that the matter is proceeding to Step 2 and put the grievance in writing to the excluded supervisor.

Time Limit

An employee who wishes to present a grievance at Step 1 of the grievance procedure must do so no later than thirty (30) days after the date:

- A) on which the employee was notified orally or in writing of the action or circumstances giving rise to the grievance; or
- B) on which the employee first became aware of the action or circumstances giving rise to the grievance.

Within a further fourteen (14) calendar days of receipt of the written grievance, the excluded supervisor shall give a written response to the employee and the steward. Should the grievance be denied, written explanations shall be given.

If the grievance is not satisfactorily settled under Step 1, then the Steward will notify the Union within fourteen (14) calendar days of receipt of the written response to the grievance.

Where the Union submits the written grievance, Step 1 shall be eliminated and the grievance shall commence at Step 2.

Step 2

The Union will, within a further twenty-one (21) calendar days of this notification, discuss the grievance with the representative designated by the Employer with the authority to handle grievances at Step 2 (who shall be outside the bargaining unit). Within a further fourteen (14) calendar days of the Step 2 meeting, the representative designated by the Employer shall respond in writing to the Union. Should the grievance be denied, written reasons for denial shall be given.

Failing settlement at this step, the grievance may be referred to Industry Troubleshooter and/or arbitration.
Industry Troubleshooter

Unless mutually agreed otherwise, disputes may be referred to the Industry Troubleshooter only after the completion of Step 2 of the grievance procedure.

Where a difference arises between the parties relating to the dismissal, discipline, or suspension of an employee, or to the interpretation, application, operation, or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, during the term of this Collective Agreement, Don Munroe, or a substitute agreed to by the parties, shall at the request of either party:

- A) investigate the difference,
- B) define the issue in the difference, and

- C) make written recommendations to resolve the difference, within five (5) days of the date of receipt of the request, and for those five (5) days from that date, time does not run in respect of the grievance procedure.

In the event the parties are unable to agree on any Industry Troubleshooter within a period of thirty (30) days from the date of signing this Collective Agreement, either party may apply to the Minister of Labour for the Province of British Columbia to appoint such person.

Failing settlement at this step, the grievance may be referred to arbitration.

8.03 Amending Time Limits

If the time limits in the two stages of Article 8.02 are not complied with by the employee(s) or the Union, then the grievance shall be considered as being abandoned, unless the parties have mutually agreed, in writing, to extend the time limits.

8.04 Resolution of Employee Dismissal or Suspension Disputes

Employees dismissed or suspended for alleged cause shall receive from the Employer written notice setting out the reason(s) for dismissal or suspension. Such notice to be provided to the employee within twenty-four (24) hours or up to seventy-two (72) hours if occurrence is during the weekend of the dismissal or suspension.

The following procedure shall be used for the resolution of disputes relating to the dismissal or suspension of an employee(s):

Step 1

Within ten (10) calendar days of notice of the dismissal or suspension, the Employer shall notify the head office of the Union of such termination.

Step 2

Within a further fourteen (14) calendar days of receipt of notice in Step 1 of this Article, the Union may institute the grievance procedure at Step 2 of Article 8.02.

If this time limit is not complied with, then the grievance shall be considered as being abandoned, unless the parties have mutually agreed, in writing, to extend the time limits.

8.05 General Application Dispute

If a difference of a general nature arises between the Employer and the Union or its members concerning the interpretation, application, operation, or alleged violation of this Agreement, the aggrieved party shall submit a written grievance within fourteen (14) days of becoming aware of the matter giving rise to the difference, and Step 2 of Article 8.02 shall apply.

8.06 Deviation from Grievance Procedure

The Employer agrees that after a grievance has been initiated by the employee or Union at Step 1 of the grievance procedure, the Employer or its representatives shall not initiate any discussion or negotiation with respect to the grievance either directly or indirectly with the aggrieved employee without the consent of the Union.

ARTICLE 9 – ARBITRATION

10.05 Benefit Entitlement

Regular part-time employees accumulate seniority in accordance with Article 12.02 and are entitled to all benefits of this Agreement on a proportionate basis of the hours they work to the hours of a full-time employee. Limitations

- A) An employee, physically able to engage in an occupation or employment, shall not be deemed to be totally disabled if he/she is prevented from engaging in that occupation or employment by any disqualification of law, licensing, or employment practice, even though such disqualification may arise from or be related to bodily injury or sickness for which he/she has received benefits provided by this policy.
- B) In no event shall absence outside the territorial limits of Canada or the United States in North America be considered as part of disability period unless approved by the Company in writing prior to the beginning of such absence.

Section 5 - Integration with Other Disability Income

The amount of benefit payable to an employee shall be the amount for which he/she is insured on the date of commencement of his/ her total disability, subject to any provision for the reduction or termination of insurance contained in this policy on such date.

However, if during a disability period, the employee is entitled to receive income from any of the following sources:

- A) Workers' Compensation Act, or similar law;
- B) Department of Veterans' Affairs;
- C) Retirement or Pension Plan with any employer;
- D) any disability provision or any group insurance policy; and
- E) any law providing disability or retirement benefits enacted by any government, including the Employee Benefit of the Canada Pension Plan and the Quebec Pension Plan;

The amount of benefit shall be reduced by the amount of such income, excluding any portion the employee was receiving prior to commencement of disability, regardless of whether the employee has actually applied for and received such income.

However, no reduction in the amount of monthly benefit payable to the employee during the same period of disability will be made on account of increases in the amount of his/her income from the above sources if the increases are the direct result of application of a cost-of-living indexing formula to the amount of such income. No reduction will be made in this benefit by reason of the Canada Pension Plan or Quebec Pension Plan Dependent Benefit. Private or individual disability plan benefits of the disabled employee shall not reduce the benefit from this Plan.

Section 6 - Successive Disabilities

Successive disability period means a disability period which begins within one hundred and eighty (180) days after the termination of a prior disability period.

Until the employee has resumed his/her previous occupation on a full-time basis sufficiently recovered to prevent relapse, any period of total disability arising from the same cause or causes as a previous period of total disability will be considered a continuation of the previous period of total disability. In no event, however, will periods of total disability separated by one hundred and eighty (180) days or more of regular employment be considered as one (1) period of total disability.

For each initial disability period, payment of benefits will commence following expiration of the qualification period of one hundred and eighty (180) days. For each successive disability period, payment of benefits will commence following expiration of:

- A) the qualification period less the total number of days absent due to the same cause or causes during the last preceding initial disability period and all intervening successive disability periods, or
- B) thirty (30) days, whichever is greater.

Section 7 - Expiration of Sick Leave

Employees who will be eligible for benefits under the Long Term Disability Plan shall not have their employment terminated. Following expiration of their STIIP, they shall be placed on unpaid leave of absence until receipt of long term disability benefits.

Upon return to work following recovery, an employee who was on long term disability shall, where possible, return to his/her former job, exercising his/her seniority rights if necessary, pursuant to Article 14.02 (D), of the Collective Agreement.

Section 8 - Benefits Upon Plan Termination

In the event this Long Term Disability Plan is terminated, the benefit payments shall continue to be paid, in accordance with the provision of this Plan, to disabled employees who became disabled while covered by this Plan prior to its termination.

Section 9 - Premiums

The cost of this Plan shall be borne by the Employee. Payment of premiums shall cease on termination of employment.

Section 10 - Waiver of Premium

In the event an employee is receiving long term salary continuance benefits provided by this policy, the premium for his/her insurance shall be waived for the period during which benefits are paid.

Section 11 - Claims

Written notice of a claim for long term salary continuance benefits must be sent to the Company by the participating Employer on the form provided by the Company for that purpose and received by the Company not later than thirty (30) days after the expiration of the qualification period. Initial proof of total disability, obtained at the employee's expense, must be sent to the Company on the form provided by the Company for that purpose and received by the Company not later than thirty (30) days after the expiration of the qualification period. Further proofs of total disability, when required by the Company, must be provided at the employee's expense.

Failure by the participating Employer to provide written notice of claim within the time limit specified above shall neither invalidate nor reduce any claim if it is shown that the employee had advised his/her Employer of intention to claim within the time limit specified above.

Failure by the employee to provide written proof of claim as required above shall not invalidate a claim if notice is given to the Company within the time limit specified above, showing that it was not reasonably possible to obtain such proof.

Section 12 - Administration

The Employer shall administer the Plan. Upon request, the Union shall be provided access to any reports provided by the claims-paying agent regarding experience information. All questions arising as to the interpretation of the Plan shall be subject to the grievance and arbitration procedures of the Collective Agreement. In cases of discrepancy between this Addendum and the Master Policy, the Master Policy will prevail.
