<sup>1</sup> In order to accurately reflect the number of employees per granted application, only those certification cancellation applications brought by employees under s. 33(2) of the *Labour Relations Code* are included in this table. Thus, the total number of applications granted may not equal the corresponding figure from the Certification Cancellations category in TABLE 1. See TABLE 3 for a breakdown of Certification Cancellations by applicant type.

<sup>2</sup> The number of employees on an application for certification is based on the information supplied by the union on the application form.

<sup>3</sup> The number of employees on an application to cancel a certification is based on the number of eligible voters on the Return of Poll signed by the returning officer.
