¹ Only those certification cancellation applications brought by employees under s. 33(2) of the *Labour Relations Code* are included in this table. Thus, the number of applications filed and/or granted may not equal the corresponding figure from the Certification Cancellations category in TABLE 1. See TABLE 3 for a breakdown of certification cancellations by applicant type.

² Does not include applications that were not proceeded with (NPW) due to incorrect or insufficient information supplied on the application.

³ Adding the individual numbers in the column produces a larger number because one application was filed jointly by more than one union and one such application was granted.
